

# Cards of Thanks

## Dorothy Miller

Words cannot express the gratitude for the support, prayers, money and food during the sudden loss of our mother and grandmother, Dorothy Miller. Thank you to Bro. Olen McGuire for the beautiful words, Patti Halcomb for the song and Dowell and Martin Funeral Home for the service. Continue to keep us in your thoughts and prayers. May God bless each and everyone.

Again, Thank You

## Duane and Kristie Sergeant Howard David McKinney

More words seem inadequate to convey our thanks and appreciation for the many acts of kindness shown us in the loss of our beloved husband, father, grandfather and brother, Howard David McKinney, who went to be with the Lord on December 28, 1999. The vast outpouring of love and affection will do much to sustain us in the trying days ahead.

First and foremost, we would like to thank Dr. Hamilton and the entire staff at the Rockcastle County Hospital whose untiring efforts these past several months never ceased to amaze us. And those same professionals who found time in their busy schedule to come and pay their last respects was an added blessing we won't forget.

Special thanks also go to Buddy Cox and the staff at Cox Funeral Home for the efficient, caring manner in which they provided assistance and attended to our every wish. The friendly, homelike atmosphere made our burden much easier to bear.

We are humbly grateful for the eulogy and inspirational message from the Word of God delivered by Bro. Sheridan Hall of Hamilton, Ohio also for the lovely floral arrangements, those who brought gifts of food and money, said a prayer, or, in any way, shared our grief.

And we're still searching for words to express our gratitude to Sherman and Anna Mae Mize, of Pongo, for their thoughtfulness in organizing a group of friends and neighbors who opened and closed the grave with their own hands; an ultimate gesture of love and devotion for the lifelong friendship they enjoyed with Dave. Those assisting the Mizes in this effort were: Roger Bullock and wife Trish; Jerry Cromer; Tim Renner; Tom Chaney and son Tom,

Jr.; Terry Arthur; Randy McClure; Danny Mize and Shawn Hardy. May God bless each and every one. We love you!

## Cledis E. Baker

The family of Cledis E. Baker would like to express our sincere appreciation for all the kindness shown during his illness and at the time of his death. We would like to express our thanks to those who sent cards and flowers, brought food, visited, called to offer words of comfort, and especially to those who offered words of prayer.

We would like to extend a special thank you to Cox Funeral Home for the caring, thoughtful services that they extended to our family. Thank you to Brother Rick Naylor for the beautiful message and song. We would also like to thank Mrs. Gerra Jones for her excellent rendition of the song "Go Rest High On That Mountain", Dr. Clifford Matthews and the staff of Lake Cumberland Hospital, and Billy McKinney, Earl Fish, Michael Lovell, Keith Adkins, Michael David Lovell, and Donald Ramsey for acting as pallbearers as a last act of kindness and friendship to Cledis.

## "WHAT SAITH THE SCRIPTURES"

Last Saturday morning we entered into a new millennium. It seems we had a lot of "doomsday" talk about computer meltdown, power being off, no water or sewer, banks closed, airline and train traffic stopped, etc. - a general state of pandemonium and chaos! But watching cities around the world enter into a new century, proved that doomsday prophets were wrong. In Deut 18:20-23 we read, "But the prophet, which shall presume to speak a word in my name, which I have not commanded him to speak, or that shall speak in the name of other gods, even that prophet shall die. And if thou say in thine heart, How shall we know the word which the LORD hath not spoken? When a prophet speaketh in the name of the LORD, if the thing follow not, our come to pass, that is the thing which the LORD hath not spoken, but the prophet hath spoken it presumptuously, thou shalt not be afraid of him." Now if folks would just listen to what God says, that there will be no signs of the return of Christ, and quit searching for one, they could spend their time in more profitable ways. "But of the times and the seasons, brethren, ye have no need that I write unto you. For yourselves know perfectly that the day of the Lord so cometh as a thief in the night." 1 Thess 5:1-2

## Agricultural News

By: Warden Alexander, FSA Director

**Crop Disaster Program (CDP)**  
The Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2000, and the Omnibus Consolidated Appropriations Act, 2000, included a total of \$1.386 billion for the Crop Disaster Program (CDP). CDP assistance is for farmers who suffered losses to 1999 crops due to natural disasters.

Farmers are eligible for compensation for 1999 crop losses directly attributed to adverse weather and related conditions.

Producers who suffered greater than a 35% loss on insured/noninsured crops such as tobacco and corn and the non insurable crops such as

hay, soybeans and vegetables for commercial use are eligible to receive payment.

Payments to farmers will be provided for all applications as reviewed in order to stay with the program's requirements and budget.

As a condition of receiving benefits under CDP, any producer who elected not to purchase crop insurance on the 1999 crop for which CDP benefits are requested MUST insure that crop for the 2000 and 2001 crop years.

For further information concerning this program, contact the FSA office prior to the deadline of February 25, 2000.
