Drifter or Seeker?

Flocks are being fed the opinions of men. This diet does not satisfy because men instinctively listen for a voice that will speak to them with authority in matters of religion and for this reason, some have drifted away from the church entirely. Others seek churches where this voice is still heard.

We have experienced the authoritative preaching of FPC (Free Presbyterian Church) in Pennsylvania and South Carolina obviously not driving distance so would like to establish one here in Kentucky. Free sample of their messages are available by calling me at 758-4544 or try <http://www.freepres.org>

FOR A REAL EDUCATION, TAKE TIME TO READ YOUR BIBLE

In that busy life of yours, so rigidly apportioned among work, home maintenance, TV, PTA meetings, the bowling league or whatever, try to find time to read your Bible; even if it's only one chapter at a time. It contains a great many elements for our education and well-being. It's history, with the story of the earliest days of the world, faithfully handed down through the generations. It's geography, inviting fascinating comparison between the Middle East and Mediterranean lands, then and now. It's a prescription for better living, with its rules for behavior toward our fellow human beings. It's a great comfort, bringing us guidance and solace in times of trouble or sorrow. All in all, it's the world's most perfect collection of writings, and if we know how interesting and helpful it can be, we will somehow manage to find the time for it.
