

Simpson named National Award Winner in English

The United States Achievement Academy announced today that Tim Simpson of Mt. Vernon, has been named a United States National Award Winner in English.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes fewer than 10% of all American high school students.

Tim, who attends Rockcastle County Middle School, was nominated for this national award by Ms. Miller, a teacher at the school.

Tim will appear in the United States Achievement Academy Official Yearbook, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly, United States Achievement Academy and All-American Scholar Awards winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners and All-American Scholars upon the exclusion recommendation of teachers, coaches, counselors, and other qualified sponsors and upon the

Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability and recommendation from a teacher or director.

Tim is the son of Tanya Simpson and Lloyd Mink, Jr. of Mt. Vernon. Grandparents are Bobby G. and Wilma Bussell of Mt. Vernon and Lloyd and Rosie Mink of Mt. Vernon.

Dyehouse named All-American Scholar

The United States Achievement Academy announced today that Mark Yadon Dyehouse of Brodhead has been named an All-American Scholar.

The USAA has established the All-American Scholar Award Program to offer deserved recognition to superior students who excel in the

academic disciplines. The All-American Scholars must earn a 3.3, or higher, grand point average. These are awards few students can ever hope to attain.

Mark, who attends Rockcastle County Middle School, will appear in the All-American Scholar Yearbook, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly, winners of the All-American Scholar Awards should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

Mark is the son of Kathy and Kenneth Dyehouse of Brodhead, the grandson of Billy and Wilene Bussell of Brodhead and Viola and the late Elwood Dyehouse of Crab Orchard.

Silvers attends UK Health Career Program

Chad D. Silvers, son of Jim and Nancy Silvers of Mt. Vernon, is attending a six-week residential program at the University of Kentucky Chandler Medical Center.

Chad is among 33 college students attending the Professional Education Preparation Program (PEPP II). The program is for students who are preparing for a career in medicine or dentistry. The participants initially were selected for the program as high school students based on their grade point average, ACT

scores, extracurricular activities, volunteer work and a written essay. The students also have attended a previous residential program at UK.

PEPP II emphasizes academic enrichment in the sciences, clinical experiences, health-related seminars, skills enhancement and health professional school admissions test workshops.

The majority of students selected to participate in the program are from areas of Kentucky with health professional shortages.
