Our Readers Write

Dear Editor,
Rockcastle County Alternative School would like to thank the following people for coming to our school and speaking...

Judge Debra Lambert and County Attorney Jeff Burdette. We would also like to thank the following businesses for providing lunch to us on Fridays: Apollo Pizza, Godfather's Pizza, Hardee's, McDonald's and Pizza Hut.

On Friday, October 13th, we had the opportunity to visit Natural Bridge, and the Reptile Zoo. It was a beautiful time of year with the brilliance of the Kentucky foliage almost at its peak. We learned a great deal about reptiles native to our state, as well as reptiles in general.

Along with our usual academic studies, we have been learning how to pour plaster and candle molds, which we plan to sell to help provide funding for our future endeavors.

If you and your business would like to help encourage our students please call 256-3846.

Thank you
Staff & Students of RCHS

Albert Robinson For State Senate

Paul Patton and the Democrats Tried to Raise Your Gas Tax! But..... Albert Robinson and the Republicans Stopped Them!

This year, Paul Patton attempted to push the 10 cent gasoline tax through the legislature. The Republican Senate said, "NO!"

State Senator Albert Robinson stood up for the people and against an unfair increase in the gas tax. Albert Robinson and the Republican Majority in the State Senate led the fight against \$700 million in new taxes. Together they will continue to work against the worst tax of all - a 10 CENT INCREASE IN THE GAX TAX!
