Judge Debra Lambert announces truancy program funding

Judge Debra Lambert has been informed by Congressman Hal Rogers' office that her grant application for a truancy prevention project is in the federal budget. "According to Congressman Rogers, \$58,000 is in federal budget... fund our program to prevent truancy in Pulaski, Lincoln and Rockcastle Counties," said Judge Lambert.

In September 2000, Judge Lambert started the first truancy prevention project of its kind in the Circuit. She volunteers an hour each day before court in four middle schools, Southern Middle School, Mecca Middle School, Lincoln Middle School and Rockcastle Middle School. The program, called "Whatever It Takes," works intensively with students and parents who are showing signs of truancy problems. The funding will provide for a truancy court liaison to work full time on the project. "Truancy is the most powerful predictor of juvenile delinquency and we must aggressively address the problem," Lambert said. "Whatever

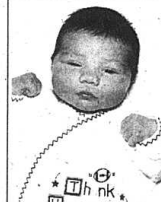

It Takes" is about to graduate its first group of students who have been very successful to improving their attendance. A new class of students will be accepted each semester and an aftercare program will follow the students throughout middle school.

"What Is Written"

In Matt 17:1-9 we read about the transfiguration of Jesus. Notice vs 2-3, "And was transfigured before them: and his face did shine as the sun, and his raiment was white as the light. And, behold, there appeared unto them Moses and Elias talking with him." Now Moses and Elias (or Elijah) represent the law and the prophets. Now let's notice a very important point from verse 5, "While he yet spake, behold, a bright cloud overshadowed them: and behold a voice out of the cloud, which said, This is my beloved Son, in whom I am well pleased; hear ye him." What did God say? Hear ye THEM? No! Hear ye HIM! God says we are to listen to Jesus. The problem with a lot of folks is that they want to listen to Jesus AND Moses or the prophets of the Old Testament. Beloved we are obligated to follow the New Testament teachings, the words of Christ, God's beloved Son. We have many today who try to bind and force O.T. commands on folks today, such as the Sabbath day, or the dietary laws. People seek to justify their religious practices by O.T. teachings such as, instrumental music in worship, a separate priesthood. No beloved, God tells me to listen to Jesus' teachings, not Moses' and Elijah's teachings.
