

Rocket spirit invades RCHS

Spirit Week was October 23-27. The week led up to the Rockets' match up against the Bell County Bobcats last Friday night. Students got to show their school spirit by dressing up for activities like Red, White, and Blue Day and Huntin' Day. Clockwise from top left: seniors Steffany Gabbard, Tara Abney, and Theresa Chisum cheer during Friday's pep rally; English teacher Mr. Chris Frith takes advantage of relaxed dress codes to frighten his students; senior Ladonya Mink is a fashionable figure in her huntin' fatigues; sophomore Justin Rogers epitomizes the Rocket Spirit.
