

Honoring the 46th Graduating Class

Rockcastle County High School

COMMENCEMENT

Thursday, May 17, 2018 • 6:00 p.m.

Rockcastle County High School Gymnasium

To the Class of 2018,

As I reflect on our four years together, I want you to know how proud I am of you and your accomplishments. This is the time of year when seniors across the country prepare to take that celebratory march down an aisle and across a stage, symbolizing the beginning of a new phase in their lives. Caps and gowns are pressed to perfection, announcements are mailed to friends and relatives, memory books are filled and promises are made to keep in touch. Some of you will move immediately to other communities, perhaps other states, to attend college, seek employment or defend our country. Others of you will remain close, reluctant to leave the security and familiarity of home. I want to encourage each of you, whatever path you take, to remain true to yourself and remember that you have an opportunity to make this world a better place than it is now.

In these uncertain times, I know that you all understand the frailty of life, having lost one of your 11th grade friends earlier this school year. The outpouring of friendship and kindness your class demonstrated to the junior class during that difficult time humbled me. More importantly, I gained more respect for, and confidence in, the young adults you have become. I know that you will continue to support and lean on one another, long after graduation. Those kinds of bonds cannot be broken by distance or time and will see you through many tough situations later on.

In addition, this past year forced schools across the country to deal with critical safety issues, as we had two devastating school shootings this year, one at Marshall County High School, KY and the second at Marjory Stoneman Douglas High School in Florida. Our thoughts and prayers have gone out to the students, staffs and families of those schools and communities, yet we have also come to realize, unfortunately, that the unthinkable can happen almost anywhere. My wish is that you will use what you have seen, heard and know to usher in change and help prevent such acts as occurred this school year from ever happening again.

Please know that I, along with every staff member here, wish the very best for you and hope you accomplish those goals that we know you can set and ultimately reach. Your potential to change the world is not only possible; it is also essential. You see, whether you believe it or not, your graduation is also a symbol of hope for those of us who are counting on you to take your place as a contributing member of society. We want to welcome you into our communities as fellow citizens and instruments of change. We need your creativity, your ideas, innovation and friendship as we move further into the 21st century. We trust that you will accept the challenge and attempt to right those wrongs that mankind has committed, not only against ourselves, but also against the very earth on which we live and depend.

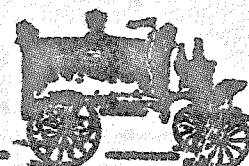

The work may seem overwhelming, and, at times, practically unmanageable to attempt, let alone accomplish. I pray that you will never give up and never settle for less than 100% of your best. Your community and, ultimately, your world depend upon your strength, your wisdom and your unwavering commitment to positive change. You have a whole team of folks here at Rockcastle County High School who will be cheering you on and supporting you in your efforts. I wish each of you happiness and the satisfaction of a life well-lived. I pray that the important decisions you will make shortly bring you to a place where you can look back unashamed and without regret. Most of all, I wish you peace and love all of your days. I will miss you all. May God bless you and keep you safe.

Sincerely,

Mrs. Jennifer Mattingly
