Mr. VERNON, Kv., Aug. 31, '9; Editor Signal .- As there has been Editos Signal.—As there has been impress upon the good lett town they began ining on the signal in the columns of the Signal, of late, in reference to bolters and voting. I beg leave to bolters and voting. I beg leave to all angels and that the bolters of them by waiting for Circuit Cour submit a few thoughts concerning the party are lights and purifying the party are lights and purifying the same. I wish to ask in the first secuters. We have said nothing is the only way." bolters and voting. I beg leave to all angels and that the bolters of submir a few thoughts concerning the party are light and pursuame. I wish to ask in the first place, what is the object of our but what can be established by voting, and what are but writtens as fore a good law subding citizens voters. We have the right under of this county and if they think with the concernment to identify the county and if they think the first of the county and if they think the county and the concernment to identify the county and the county are the county and the county and the county and the county and the county are the county and the county and the county are the county are the county and the county are the co

this matter, or should we fear being called a boilter. I emphatically say some of those who signed their called a boilter. I emphatically say in an ot only by them but by some of partic, provided we have the proper our partic, provided we have the proper on the before us, but otherwise it is mot, nor neither, is one a bolter simply because he fails, to support our men who, perhaps, secured their monitipation through corrupt means. Is a botter, one who has not the weekfare of his country at heart. Now as to the homesty of my friend but symply to get reference for some celf-sh-motive? We think the symply to get reference for some celf-sh-motive? We think and dishonest or a liar and if the country want to prove the standing, go-to the bighmen who were in favor of good government.

men who were in favor of good est officials of the Lee at Stationary of the humblest section hand, or to the humblest section hand, or Now is conclusion, let me urge every voice egardless of party will tell you he stands as high as ties or the party lesh-study man who placed his name to well be dute before he casts his that article. Go to Brochesd and hallot, and vote for the best men and measures, and thereby casting get the strail in this matter. Four a vote that he will not be ashamed to one that R. O. Williams will be

LIVINGSTON, Ky . Sept. 1, '97

Mr. Editor:

*Dear Sir We cannot conjuges Q port the present nominees of the Republican party or at least a part of them. We have seen too much of their conduct ourselves and heard too many good sien talks for the citizens of Mt. Vernon to deny the charges that has been preferred against the present officials as to the jug business that has been carried on and the blind tige siness that is carried on in front of the court house. They can't deny that for it is too plain. The deny that for it stoo plant. Are Brodhead letter with its charges is endorsed by us. What are we going to do with that kind of work? Do you call that good conduct? The people of Livingston call it very had. And now fellow citismen and will not vote for them. We are for Dick Williams because we think that he will make us the names follow that articles amount have good, solier, upright, honest officials and we, therefore, ill necessary, it can be proven by shall two for Little Dick. Now some of said officials have been going around indorsing the present guilty of official and, secured should have good, sober, upright administration, saying it is the best in the world. New we can't

MARKTOURG, Ky., Sept. 3.

Editor Stonat.

In the Republican of August 26. there appeared an article written there appeared an article written by some one very closely con-nected with that political ring at Mil Verson, which denounces the letters written to the SIGNAL by J. B. Farmer and myself as falsehoods; and that we are not worthy of the confidence of good people. Not saying the writer told a false hood but that he has surely been asleep, deaf or blind, or all com-bined, to make the assertions you have made when it is of no special benefit to either one who signed

impress upon the good people of this county, that the Republican candidates are our form of government to claim we have field bring suit for the protection for our person, lives, good name of some of the highest liberty and our property, and we deficials and see if we are not right have to look admissionable our princher. I will say, I am not attail nave to look amost scattery to our partner. I waitsay, I am not arrance officers to giarantee this protection; to have my character compared hence the importance of selecting with that of some of our highest soher, honorable and discreet men officials of this county. Suppose to fill the várious positions as officials of the citals. chais Now, wherever a right exists a cach man alike and see who is the corresponding duty also exists, letter man. I have never been Tree, as we, the voters, are entired accused in court or elsewhere, of the third of men labor, estaining, druttenness, moons ly responsible for the kind of men lying, stealing, druckenness, moon we elect, we cannot be too careful shining or selling, whisky illegally when we cast our ballot, for it is nor any other crime; not even successive.

when we cast our ballot, for it is nor any other crime; not even sured one of the highest privileges that belong to an American citizen, besides one of the most important lites, comply with my proposition? and sacred cuties that we are called upon to perform. Should we suffer party affiliations to guide us this matter, or should we fear being called a boffer. I emphatically say that the complex of the comple

The Blue and the Gray.

blue and the Uray.

Both men and women are apt to feel a little blue, when the gray hairs begin to show. It's a very natural feeling. In the normal condition of things gray hairs belong to advanced age. They have no business whitening the head of man.or woman, who has not bearm to down the slope of life. As a matter of fact, the hair turns gray regardless of age, or of, life's assenson; sometimes it is whitened by sickness, but more often from lack of care, When the hair tades or turns gray there's no-med to resort to hair dyes. The normal color of the hair is restored and retained by the use of
