## ANNOUNCEMENTS.

We are authorized to announce  
**JUDGE T. Z. MORROW,**  
a candidate for re-election to the office of Circuit Judge of this judicial district subject to the action of the Republican primary Oct. 9th, 1897.

We are authorized to announce  
**JOHN W. BAKER**  
As an Independent Republican candidate for Sheriff of Rockcastle county to be voted for at November election, 1897.

## TO WHOM IT MAY CONCERN.

Having learned that some of the Republicans of this county have become excited and are threatening to vote against Judge Morrow in the coming primary, in consequence of the fact that his picture appeared in the last week's issue of the "Mt. Vernon Signal," I make, in justice to him, the following statement:  
The picture was put in the Signal without Judge Morrow's knowledge or consent, and without any suggestion or intimation on his part. It came about in this way: I found the cut in a Louisville Times last winter when the "Old Judge" was prominently mentioned as a probable candidate for the U. S. Senate, and simply intending to pay him a personal compliment and without thinking that it would effect the vote in the coming primary. I put it in. My relations with Judge Morrow have been cordial, and being his neighbor, I took the privilege of putting in the picture. This is the sum and substance of my offending. If in so doing, I have done him an injustice or have displeased any of his friends I regret it and have thus tried to make "The Amende Honorable." It is well known that I am a Democrat, and always vote that ticket and take no part in Republican primaries. And whether Judge Morrow or Judge Denton gets the nomination, I will vote and work for the success of any good Democrat who may be a candidate against the nominee. Hoping this explanation will be satisfactory to all concerned, I am respectfully,

**JAMES MARET, Editor**

In answer to an article which appeared in the "Republican" of last week in regard to the conduct of some of the County Officials. We wish to differ from those whose names follow that article:

If necessary, it can be proven by reputable Republican citizens that some of said officials have been guilty of official and general conduct, not only unworthy of their official positions, but of the dignity and morality expected of the humblest private citizen:

- J. J. Smith, " "
- James Maret, Democrat,
- Wm. Poynter, " "
- Geo. E. McCoy, " "
- P. J. McMullin, Democrat,
- R. P. Norton, " "
- H. K. McKinney, Republican
- M. Pennington, M. D., " "
- J. H. Gaut, " "
- Art Taylor, " "
- Mesack Gentry, Republican,
- A. Pennington, Democrat,

We see that some of our Republican friends are calling us "bolters." Who have always been bolters both in politics and religion? Have they not always been men who have stood in the van guard of civilization?

He who stood on Pliska's height and viewed his people's promised land from afar, bolted from Pharaoh's oppression and led the Sons of Israel from Egypt's dark land to that land that flowed with milk and honey. Moses was a bolter.

When this world of ours was shrouded in the veil of intellectual night, when the earth bowed to the mandate of the Pope at Rome, those illustrious bolters, Wycliff, Luther, Calvin and Knox struck from the limbs and minds of men the shackles of Catholicism and the Protestant religion shed his light upon a gladdened world. Wesley in England and his co-workers in America, bolted from the established creeds of their day and gave to man a better and truer way to follow the teachings of the humble Nazarene. They were all bolters; because they dared to do the right, and stood up boldly against the errors of their day.

When England's oppressive King had disregarded the rights of his subjects, the bolters of England met him on the immortal field of Runemede, and wrested from the tyrant's hand the Magna Charta the Palladium of our liberty, and to-day they praise are sung wherever the human heart is moved by the sweet chords of freedom; yet, they were bolters.

They opposed wrong and upheld the cause of right.  
And, in our own beloved land, when King George I trampled upon the rights of our people. Washington and his patriotic comrades unsheathed their swords and bore their breasts to England's ledan mistles through seven years of bloody war that you and I and all of us might be free. Washington, Adams, Jefferson, Patrick Henry, Hamilton, Madison and Lafayette were all bolters—bolters that their children might have a flag of their own.

The very Republican party boast whose ancestors we love to boast, withdrew from the old whig party and took a step forward in the pathway of civilization and in the cause of human freedom. If this is telling, give us the name and gladly will we wear it, and following the bolters whose names we have mentioned, in November, we will march up to duty's call and following the dictates of an honest conscience, will cast our votes for honesty and fair dealing and the welfare of our wives and children.

We are for the right against the wrong. We are for the upright against the corrupt. Some of us have journeyed far down the stream of Life, and now let us for once, pause beside its still waters and with our hands upon our consciences, in the presence of our God, declare "Country is above party and right should triumph over wrong."

R. G. WILLIAMS.

Above is a likeness of R. G. WILLIAMS, the Democratic Candidate for County Judge of Rockcastle county. Why, and what kind of a man is he? Is he a fit man to manage the affairs of our county? Has he the necessary qualifications to give us a business-like administration? Has he the courage to uphold and enforce the law? Would he honor the bench by giving exact justice to all alike—the rich, the poor, the high, the low? Born and reared in our county and having associated with our people, you all know Dick Williams.

He is sober. He is honest. For a Williams would not know how to be any other way. He is upright in all his dealings; gentlemanly by birth and by choice; a scholar by application, and a lawyer by nature and by training. He possesses both heart and brain, and has ever had charity for all and enmity toward none.

He has been engaged in active practice for over three years. He admires honor and truth in men, and truth, honor, and justice in officers. Although, poor himself, having borrowed money to go through school, he has ever been the friend and helper of poor and struggling young men and respected old age and gray hairs, and in turn looked by them. He is a friend of the colored man as well as the white, a friend to the poor and bends not the suppliant knee to the rich. He is a strong advocate of education, and many a time has he raised his voice in its behalf.

A host of the Republicans in this county have pledged to him their earnest support and the only fault that any of them can find is, he is not a Republican. He is a good, sober, and honest democrat better than a bad Republican bent upon evil. Is not a sober, upright, Republican better than a drunken, dishonest Democrat? You men who have families and property, you young men who hope to have, lay aside blind political prejudice and vote for the man who will best serve the county.

"Should I be successful in this contest, I will have no pets; I will at all times try to the best of my ability to decide controversies according to law and justice. I will know no man's politics, or religion, but will give the same law to the humblest colored man that I will to the richest white man in the country. If elected, the County Judge's office will be kept in decency and in order. I will at all times endeavor to reduce the expenses of the county and thereby reduce taxation. My motto will be 'Low taxes and an honest dispensation of justice without regard to men or party.'"

We ask the people to compare his record at the bar and in private life with that of his opponent. Where is the man in Rockcastle who would advise his son to follow the example of the present County Judge through life? Where is the father or mother who would shed a tear over their son following in the foot prints of R. G. Williams? Voters of Rockcastle, look to the best interest of your home, your family and county, and then walk up like men and vote as an honest conscience dictates to you. Select one before whom all can get justice. Vote for one who will ever be sober and honest on and off the bench. Vote for one who will strive to build up our county financially, morally and intellectually. Such a man is plain Dick Williams.

When in town don't fail to see Mrs. Brown's fine selection of millinery.

Jim Frank Prewitt and Bill Walker raised two orders, given by Geo. Fish, from \$1.35 to \$5.35. They were arrested and lodged in jail, but afterwards compromised the business and were released.

Sheriff W. G. Mullins has instituted suit against J. J. Wood who has his duty up to Jan. 1st '97 to recover \$89.08 alleged to be balance due from Wood on back tax and other tax collections.

Miss Bettie Pennington, of Oakley, Ky., who has been the guest of the Misses Pennington has returned home.

He is a hard student, an honest and upright gentleman, and will always be found battling for that, that is right. There is a bright future for Monroe Pennington; and when his name is written high up on the cliff of fame, no one will be more proud than I. NILEKARR.
