LAKE STEAMERS ON FIRE.

Unknown Vessels Burned to the Water's Edge On Toledo-Lake Erie Route.

TOLEDO, O., Sept. 20.—Two large steamers anchored on Lake Erie, about three miles from land, were a mass of flames at 2 a. m. Tuesday. They have been blowing distress signals for half an hour and are apparently burning to the water's edge. As they have not cleared from port their names or number of crews can not be ascertained. The watchman at the nearest point reports that the boats were Toledo-bound and are discharging large freight barge and consort. They were burned to the water's edge. A relief party has been sent out from the city and fast tugs equipped for an emergency. Several hours will elapse before definite news can be obtained.

A Big Fire in Florida.

JACKSONVILLE, Fla., Sept. 20.—A special from Pensacola to the Times Union and Citizen says: A special from DeFuniak, headquarters of the Florida Chautauque, 30 miles east of here, says that a fire had broken there in the large store of W. L. Cawthron and destroyed 15 stores and hotels besides a number of smaller buildings. The loss is estimated at fully \$100,000.

Attempt to Poison Aguinaldo.

MEXICO, P. I., Sept. 20.—The Republica Filipina asserts that an attempt was made to poison Aguinaldo on Friday night. A steward, it is alleged, saw a Spanish prisoner who had been allowed his freedom, make a movement which appeared like tampering with a bowl of soup intended for Aguinaldo, whereupon the steward tasted a spoonful of the soup and fell dead.

Two Men Burned to Death.

STRAVON, N. Y., Sept. 20.—Seven buildings in Elmwood, four miles from here, were burned to the ground early Monday morning and two men, Frank Harvey and George Stravon, were burned to death. The men were guests of the Sheppard hotel. The loss will amount to \$26,000, with \$10,000 insurance.

TO GO TO MANILA.

Five Regiments Have Received Orders to Leave San Francisco.

The Order is in Accordance With the General Plan of the War Department Regarding a Garrison of 20,000 Men for the Philippines.

WASHINGTON, Sept. 20.—Five regiments now at San Francisco have been ordered to Manila. Arrangements for their transportation will be made at once.

The regiments ordered are the following: Thirty-first Iowa, 20th Kansas, 1st Tennessee, 1st Washington and a detachment of the 2d Oregon. It was stated at the war department that an exigency had arisen which made it necessary to send the troops now at San Francisco to Manila, but the order issued Monday was in accordance with the general plan of the department regarding a garrison for the Philippines. That plan of garrison duty included 30,000 men for the Philippines, 15,000 for Porto Rico, and 50,000 for Cuba. The troops to be sent to Manila under Monday's order will fill the complement for that station. Troops would have been sent before, it was said, except that the department was awaiting the return of transporta. It is not expected that troops now at Honolulu will accompany those to be embarked at San Francisco, but that these troops will be sent to Honolulu in the near future.

SAN FRANCISCO, Sept. 20.—The news received from Washington Monday to the effect that five regiments encamped in this city had been ordered to Manila created much excitement.

The bulletin announcing the decision of that department at Washington said that arrangements for the transportation of the troops were in progress. A call on the Merchants' exchange elicited the information that the only vessel available for transportation purposes, not already otherwise engaged, is the steamer Centennial, and she has been rejected by the government on two occasions.

WASHINGTON, Sept. 20.—The war department Monday afternoon amended the orders relative to the dispatch of reinforcements to the Philippines so as to increase the number by 1,161 privates and 35 officers. These are made up of four companies of the 23d infantry and recruits for the 10th Pennsylvania, 1st Nebraska and 1st Colorado. These troops made up the expedition under Gen. King which recently left San Francisco on the Arizona for the Philippines but was stopped by the department's orders when two days out and returned to port.

Senator Faulkner a Canadian Commissioner.

WASHINGTON, Sept. 20.—Senator C. J. Faulkner, of West Virginia, was Monday appointed to the position on the Canadian commission made vacant by the retirement of Senator Gray, tendered to the Paris peace commission. The tender of the position was made by the president Monday in a personal interview with Senator Faulkner and was accepted by the latter.

Rev. John Hall's Remains.

BAXTON, Ireland, Sept. 20.—The body of Rev. Dr. John Hall will be removed to Liverpool Wednesday and shipped to New York Saturday, where the interment will take place in the family vault in Woodlawn cemetery. Private Presbyterian services were held over the body at Baxton by a local Presbyterian clergyman.

Very Destructive Blaze.

ROBINSON, Cherry & Co.'s Washington Bureau Out Adjacent Property Damaged—Loss, \$200,000.

WASHINGTON, Sept. 20.—At midnight fire was discovered in the seven-story brick and steel building of the southwest corner of Twelfth and F streets, occupied by Robinson, Cherry & Co., clothing and outfitters. Half an hour later the walls fell, completely demolishing small buildings on both the Twelfth and F street sides, of the burned structure. J. Louis Loebe's building on the southeast corner of Twelfth and F, was badly damaged. The Twelfth street side of the Columbus hotel, which was opened for the season Monday night, was damaged by both fire and water. Other property in the vicinity also was damaged. Robinson, Cherry & Co.'s loss on stock is probably \$75,000. Loss on the building about \$45,000. J. Wardell Simpson, tailor, lost his entire stock. No intelligent estimate can be placed on other losses, but the whole will aggregate nearly \$200,000.

GEN. AGUINALDO'S DENIAL.

The Stories of Bad Conduct by the Lieutenant Towards Americans Are Not True.

NEW YORK, Sept. 20.—The following dispatch has been received at the office here of the Associated Press: MANILA, Philippine Islands, Sept. 20.—The Filipino government desires to inform the American government and people that the many rumors circulated regarding the strained relations between the Filipino and American forces, by the malicious slanders of the enemy to both

GEN. HASKELL'S REMAINS.

Last Tribute to His Memory Paid at Columbus—Body Shipped to Arlington Cemetery for Burial.

COLUMBUS, O., Sept. 20.—The last tribute to the memory of Brig. Gen. J. T. Haskell was paid by Columbus Monday morning and the body shipped to the national cemetery at Arlington for interment. The funeral was held at Trinity Episcopal church. The church was packed with citizens and the streets were lined. The escort consisted of local military and secret orders and the 17th infantry. The remains left here over the Pennsylvania railroad at 11:45 a. m., with a military escort.

Fifty Persons Seriously Hurt.

BRADFORD, Ind., Sept. 20.—An electric street car was derailed while descending a hill here Monday. Fifty persons were seriously injured. Several of them are dying.

SOLDIERS FOR CUBA.

40,000 to Be Sent for the Purpose of Overcoming Cuban Revolt—Half of Them Will Be Volunteers.

WASHINGTON, Sept. 20.—The organization which are to comprise the Cubanians have not all been designated yet but it is assured that at least half of them will be volunteers.

Within two weeks orders will be issued for the movement to Cuba of the first 10,000 of the permanent garrison and it is the expectation now that they will sail from the United States about October 10. These troops will be followed quickly by others, until the entire force of 40,000 has been established on the island.

It is not the intention of the administration to await the evacuation of the island by the Spanish forces, before sending United States troops to Cuba, as the indications now are that they may be several months before the Cuban commissioners complete their work. Quite naturally, a considerable number of Spanish troops will remain on the island until the arrangements for the relinquishment of Spanish sovereignty over it formally have been concluded.

The rainy season in Cuba is nearly at an end and the most delightful season of the year on the island is about to begin. During the late fall and winter months the climate in Cuba is not only enjoyable, but healthful for the health and comfort of the American forces to be stationed in the island.

PICCHED BATTLE FOUGHT.

Spain, Stung and Hit—Used by Cuban and Non-Union Men—No Casualties.

CLEVELAND, O., Sept. 20.—At the result of an attempt of a party of 25 non-union men to strike the city of Cleveland, a pitched battle was fought. The strikers had the ammunition much used. Clubs, stones and slungshots were freely used, and while no one was seriously injured, a number of men were severely bruised and cut. It is alleged that the non-union men were started by a non-union man throwing pepper into the eyes of a striker who was endeavoring to prevent the former from entering the street. The strikers closed in and for a few minutes there was a mass of struggling and fighting men. At the approach of the police the rioters dispersed. Only one forest was made. The non-union men did not get in the works.

On Wednesday afternoon the remains of Winnie Davis will be removed to the parlors of the Rockingham hotel, where they may be viewed by court and there will be no opposition. The funeral services will be held at Richmond, Va., on Friday.

A Critical Time.

During the Battle of Santiago

Sick or Well, A Rush Night and Day.

The Packers at the Battle of Santiago de Cuba were all Heroes. Their Heroic Efforts in getting Ammunition and Rations to the Front Saved the day.

P. E. Butler, of pack-train No. 3, writing from Santiago, De Cuba, on July 23d, says: "We all had diarrhoea in more or less violent form, and when we landed we had no time to see a doctor, for it was a case of rush and rush night and day to keep the troops supplied with ammunition and rations, but thanks to Chamberlain's Colic, Cholera and Diarrhoea Remedy, we are able to keep at work and keep our health; in fact, I sincerely believe that at one critical time this medicine was the indirect saviour of our army, for if the packers had not been able to work there would have been no way of getting supplies to the front. There were no roads that a wagon train could use. My comrades and myself had the good fortune to lay in a supply of this medicine for our pack-train before we left Tampa, and I know in four crises it absolutely saved life."

The above letter was written to the manufacturers of this medicine, the Chamberlain Medicine Co., Des Moines, Iowa. For sale by M. C. & D. N. Williams, Mt. Vernon, Ky.

A CHICKAMAUGA YEM.

The Twenty-five Kansas Dear Ellis friends, I'll undertake The very pleasant work of describing the Kansas Regiment in Chickamauga Park.

First I'll name the officers, The Colonel and his staff, And which I have a chance I'll Speak a word in their behalf.

Our Colonel's name is Thos Fitch; He is a soldier true; One who'd give his very life For the red, white and blue.

Then Chas Crum a warrior brave, Is our lieutenant Colonel, He comes to send the Spaniards To their destiny eternal.

And Harry Smith, a West Point "Boy," is major number one; He is a true-born soldier And inferior to none.

The boys say he is cranky, And I will tell you why, "When Harry gives an order The boys must all comply.

He is handsome, well built man, Very straight and tall, And his fine soldierly bearing Commands the respect of all.

We have another major To make the boys stand 'round, He, also, is a worthy man, His name is Willis Brown.

Our adjutant, Henry Parker, Is a very pleasant man, Who understands his business And understands it well.

Fred Turner and Tom Biddle, Are our assistant surgeons' names, They're very able surgeons And worthy of their fame.

And the chaplain Wm Woodard Is a true child of the Lord, And rejoices in expounding His great and glorious word.

And now the company officers, The captain is Roy Marr, As good as any in the field, And a better one by far.

Than many I chance to meet And so I'll tell you this, We all admire his bearing, His courage and his vim.

And First Lieutenant Lester, Is another able man, One who to lead the boys Does everything he can.

And little C. N. Hamilton Is a brave young man and true; He seems well fitted for the place, He's lieutenant number two.

Arthur Boyd is first sergeant, He is a Russell hero, Bascom, of Ellis is second, And Geo. Gehlbart is third.

The fourth is C. L. Hamilton Who drilled the new recruit, The fifth is F. A. Schwaller Firm and resolute.

The corporals are Guy L. Hoover Fred Paul and H. H. Jones, Levick, Coffey and Brenner, Miller, Pearl and Mines.

Friends, I shall not take the time The privates now to name, But the privates, I will tell you, Are down here just the same.

We have to do the work you know And have to do it well, For if we fail to do our best The corporals will run and tell.

The boys are in good spirits And ready for a fight, They think of fighting every day And dream of it at night.

They want to go to Cuba And go there right away, They would all be glad To leave this Park to-day.

And I apr with the rest of them: Of course, I'd like to go, Not to fight the Spaniards, But to "sail the deep," you know.

And when the war is over We boys will all come home, And am sure you'll be surprised To see us when we come.

We'll wear our navy blue shirts Also our army shoes, We'll all be carrying knapsacks, And all be dressed in blue.

And each kind, loving mother Will embrace her soldier boy, And each dear, patient sweetheart Will meet her beau with joy.

The Circus has come and gone, and it turned out about as we told the people in last issue. It was no good, and those who stayed at home are that much ahead. The circus does the country no good, and will soon be a thing of the past in Rockcastle.

John DeBord, who lived twelve miles west of this place was found dead in bed Monday morning. He had retired in his usual health Sunday night. Coroner's inquest pronounced that death was caused from heart failure. Mr. DeBord was a highly honorable man, energetic and a good citizen and neighbor.

The Crab Orchard, Stanford and Mt. Vernon Telephone Co., has bought of W. A. Carson and J. E. Carson their stock in the Crab Orchard and Lancaster line; also Mr. Carson's private lines in Crab Orchard, from the depot to C. O. Springs and to Green, Brier and Dripping Springs. These wires have been run into the exchange over Bastin's store thereby making connections more convenient for patrons.

We call attention of the Town Board to the patent medicine and other vendors of goods that come here on Court days and sell their merchandise. These men take lots of money out of this town and leave the painful sum of one dollar for the privilege of doing business on our streets. Last term of court one party alone, took over \$200 out of the town, and that all clear profits nearly. We should protect our merchants, who live here and pay taxes to pay the expenses of running the town. The licenses on these medicine vendors should be not less than \$40, and all other licenses from \$2.50 to \$5.00. Let us protect the merchants from these intruders.
