"TELL MY FRIENDS TO BE BRAVE AND FEARLESS, AND LOYAL TO THE GREAT COMMON PEOPLE."

POSSOM HOLLER

(LIVELY GREEN.)

EDITOR SIGNAL: The time has sped along until it has become some time since I wrote to you; and as I have not seen my name in the paper only when I write, I will be after writing again.

It is cool in the Holler now with a sign of cold weather in higher latitudes. Strange as it is that we had pleasant weather till winter was half over and more and then get so cold. Will some folks explain why it is thus, we all know the sun runs much higher and the days are much longer, yet it is much colder. I can only account for it through the Ground Hog, and as I have not had him in consultation yet, I remain unposted.

Since my last writing the previously announced debate between Rev. McNamara, of the M. E. church, and Elder Davis, of the Church of Christ materialized. The subject: Affirmed by Davis: "That the M. E. Discipline teaches doctrines and practices of usages unauthorised by the Bible," was discussed pro and con, for three days; but I believe neither man made any converts from the other side, and can not say that much good, in any way, resulted from the meeting, although looking at it through the eye of a Campbellite I could not hesitate in saying "Davis certainly established his position by the test of authority—the Word of God," but were I a disciple of Theo. Wesley I might take a different view of the matter, for you know very little evidence will make some people see certain things and especially when they start in determined to see nothing else.

R. L. Brown spent a few days at home last week and while here joined our Tent of Macabees; this accession gives us enough to obtain a charter.

Two of the children of the late Rev. C. D. Burnett, dec'd, were conveyed to the M. O. H. by the Master of Woodstock Lodge on the 18th inst.

Rev. Burnett was a charter member of the above named lodge.

Now I have seen nothing of your candidacy in your paper since I last wrote, and you know Ed, I want to keep this fact continually before my constituents, in order to beat them there fellows that a "fuss" over it. Now you know that when Nabobs fight each other they go to bat, (I believe they ought to any way) and if enuff of the voters of Rockcastle will help me we want leave root nor branch, hair nor bristle or them. Sum pepil air life enuff to think I can't git a sussticate, but wait an see.

Corn has raised to 50c. hogs (shots) 4 1/4 c. Plenty of cattle feed cheap.

John W. Wesley Kirby, a prospective candidate for assessor and one of my pupils, says some one has reported that he voted for Goebel for Governor, which report he denounces as false and malicious, and says that it was circulated for the sole purpose of injuring him in his race.

Now as for me, fellow-citizens, I voted for Goebel, but I do hope none of you will vote against me on that account, for I have done politically worse! In my life I've voted for a few Republicans and as I feel so disposed, I'll do so again.

Prof. Morrison will teach a class in short methods in mathematics at this place beginning March 4th, and continuing five days.

BUCK YARNON P. N. Brown is sick again.

All persons indebted to me please call and settle with E. L. Brown, Forest Turner.

TWICE PROVEN From the Victicator, Rutherfordton, N. C. The editor of the Victicator has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First, with rheumatism in the shoulder from which he suffered excruciating pain for ten days, which was relieved with two applications of Pain Balm, rubbing the parts affected and realizing instant benefit and entire relief in a very short time. Second, in rheumatism in thigh joint, almost prostrating him with severe pain, which was relieved by two applications, rubbing with the liniment on retiring at night, and getting up free from pain. For sale by Theo. Wesley Druggist.

WHAT ONE OF THE STUDENTS THINKS OF THE COLLEGE.

Mr. Editor, of the Mt. Vernon Signal: As my father has always been a friend to the editor and his valuable paper, and as we, the school children have read your paper until we think it is one of the text books in our home, I hope you will give me a little space to relate to the children at home, and to my schoolmates at Broadhead my opinion of the new school at Mt. Vernon, that I have recently entered, (viz.) Mt. Vernon Collegiate Institute.

In the first place I want to say that Mt. Vernon is a beautiful little town, located on the L. & N. R., it has some magnificent brick buildings completed and others going up, and the town seems to be on a boom, and all its citizens seem to be friends of the Institute, that is suspiciously run by Prof. Ewers, who is not only taking great interest in educating his pupils in the text books, but he manifests a great interest in their moral training, as well.

We are required to go through an examination in the Word of God, and are graded in the Bible as well as our text books.

We have a good corps of teachers, and now, after a six-week's stay at Mt. Vernon, and attending school every day, we can say to the young men and women of our county, who feel an interest in getting an education, that they can not do better than to come to our school at Mt. Vernon. If you want an education this is the place to come, and if you want to teach, you can be better equipped for your work by coming and spending a few months with us, for the last month of this term will be given especially to this line of work.

We now have three pupils from Broadhead and are looking for more soon. So come on, girls and boys, we will be glad to see you, and our teachers will do you good.

We do hope that Miss Delpha Collyer, our school-mate who entered school with us, but was compelled to drop out for a few weeks on account of her mother, being sick, will get to return soon, for Miss Delpha was a studious pupil and we miss her so much. So Delpha come back, just as soon as you can. We will all be glad to see you, and especially will the writer. Respectfully,

(Miss) AMY PEKE.

STRIKES A RICH FIND.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Greer, of Lancaster, N. H. "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run-down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by all Druggists.

A GOOD COUGH REMEDY FOR CHILDREN.

"I have no hesitancy in recommending Chamberlain's Cough Remedy," says F. P. Moser, a well-known and popular lawyer, of Petersburg, Va. "We have given it to our children when troubled with bad coughs, also whooping cough, and it has always given perfect satisfaction. It was recommended to me by a druggist as the best cough medicine for children as it contained no opium or other harmful drug." Sold by Theo. Wesley Druggist.

Mrs. C. E. Vandensen, of Killbourn, Wis., was afflicted with stomach trouble and constipation for a long time. She says, "I have tried many preparations but none have done me the good that Chamberlain's Stomach and Liver Tablets have." These Tablets are for sale at Theo. Wesley's drug store. Price, 25 cents. Samples free.

AN HONEST MEDICINE FOR LA GRIPPE.

George W. Waitt, of South Gardner, Me., says: "I have had the worst cough, cold, chills and grip and have taken lots of trash of no account but profit to the vendor, Chamberlain's Cough Remedy is the only thing that has done any good whatever. I have used one bottle of it and the chills, cold and grip have all left me. I congratulate the manufacturers of an honest medicine." For sale by Theo. Wesley Druggist.

THROAT REST

You can cough yourself into bronchitis, pneumonia, and consumption. Bandaging and bundling your throat will do no good. You must give your throat and lungs rest and allow the cough wounds to heal. There is nothing so bad for a cough as coughing. Stop it by using Ayer's Cherry Pectoral.

A SWIFT PACE

Even the cough of early consumption is cured. And, later on, when the disease is firmly fixed, you can bring rest and comfort in every case. A 25-cent bottle will cure new coughs and colds; the 50-cent size is better for settled coughs of bronchitis and weak lungs; the one dollar size is more economical for chronic cases and consumption. It's the sure you should keep on hand. An additional reason for its use is the fact that it contains no opium or any other harmful drug. Sold by Theo. Wesley Druggist.

BESSIE BETHURUM
Sickness has been in our midst and the cradle song of Mr. and Mrs. L. W. Bethurum has been changed into a funeral dirge. Their only child, Bessie, age 26 months, died last Friday and was buried Saturday after beautiful and touching services by Mr. W. H. Cox at the family residence. Thursday afternoon while Mr. Bethurum was engaged in the Sayers will case, the announcement of the serious illness of his baby came. It was a sad message indeed, for he was greatly devoted to this little heart charmer. As he and his wife watched the life of little Bessie ebb away the suffering was almost greater than they could bear and filled their souls with utter wretchedness. A child dies only once, but in watching its death, the parents die a hundred times. Every infant comes into the world, like a delegated prophet, the harbinger and herald of good tidings, whose office it is to make glad the hearts of its parents and well did Bessie do that. There is sadness in their home because the prattling voice, the tender embraces and affectionate kisses of this brief sojourner are no more save in memory. The parents are sorrowful because a sweet treasure has been taken away; yet they should be joyful because that sweet jewel glitters in the diadem of the redeemed.

HON. J. K. MCCLARY DEAD.
At 1:40 o'clock Monday afternoon, surrounded by his son and daughter, several relatives and a few devoted friends, Hon. John K. McClary ceased to live, and the soul of this big brained man passed behind the veil and made its entry into the realms of that unknown world. After a long and lingering illness, during which the fatal malady of which he was the victim made steady and relentless progress, the end came quietly and peacefully. Funeral services were held to-day morning by Dr. Ewers.

In youth as in manhood, one of his most striking characteristics was his firmness and unquaverable determination of purpose which rapidly developed his character and filled him at an early age to grapple successfully with the stern duties of practical life. He was born in April 1834, was deputy sheriff under David M. Lewis, elected to the legislature for one term defeating W. A. Brooks. He then resided some of his life in Sta-

man in the practice of law and afterwards was Master Commissioner under Judge W. H. Randall and Judge Morrow. During his services as Commissioner he always took two receipts for the payment of money, one of which he would file with the officers of the case and the other he would mark with red ink and retain so that, in case the receipt, which he had filed away, should get destroyed, he would have the duplicate and in many instances prevent trouble, that might arise. From '67 to the fall of '69 he and D. N. Williams sold goods on the State road at the old James Houk place. He then went to Lynn Camp, Knox county, where he and Mr. J. L. Joplin sold goods for a short time. When Berea college was first founded by John G. Fee, Mr. McClary was the first to enter from this county. Soon a meeting, of all the students, was called for the purpose of drafting some resolutions, to be given the board of directors, stating that if the colored people were not removed from the school, that the white students would all leave. The resolutions signed by all the students were presented, but all of no effect. Mr. McClary was the only one to leave the school. This we give only to show his firmness and how closely he tried to carry out any resolve that he made. In 1875 he married Miss Mollie Fish, second daughter of Judge J. B. Fish, who has been dead five years. They had only two children W. F. and Miss Margaret. He leaves three sisters, Mrs. W. P. Hiett, Mrs. Perander Hiatt and Mrs. Lee Andrew Houk, of Jamestown, Ind. and two brothers, W. C. McClary, of Kansas City, Mo., and Mr. A. K. McClary of this county. He never joined any church but God in his mercy absconded him the time during his long continued illness to regulate the affairs of his conscience.

In all the changing scenes of his eventful life, in storm and sunshine, his manly spirit faced with fearless front whatever chance.

He had not walked for over fifteen years having been a victim of rheumatism for years. His lower limbs were greatly drawn as were his hands. He felt a kinship in the whole human race and lived a sharer in its sorrows as well as its joys. In this life he knew no fear and when he faced the last and grandest test to which the soul of man is ever put, and heard death's footfall nearing fast in plainly marked approach, he met him with the unblanching cheek of perfect fearlessness. The summons came at last to tread the unknown pathways of "further shore," obedient to its mandate, no knightlier, braver spirit ever passed into the realms of death.

LION COFFEE

When you buy an unbroken package of LION COFFEE you have coffee that is absolutely pure, strong and invigorating. A single pound makes 40 cups. No other coffee will go so far. You will never know what it is like till you try it. LION COFFEE is not a glazed compound, but a pure coffee and nothing but coffee.

In every package of LION COFFEE you will find a fully illustrated and descriptive list. No housekeeper, in fact, no woman, man, boy or girl will fail to find in the list some article which will contribute to their happiness, comfort and convenience, and which they may have by simply cutting out a certain number of Lion Heads from the wrapper of our one pound sealed packages (which is the only form in which this excellent coffee is sold).
