REV. A. J. PIKE ON LICENSED SALOONS.

MR. EDITOR Mt. Vernon Signal: While I was in your town some days ago, I heard a gentleman say, he was in favor of having a public license saloon, that high license would control the sale of whisky and make it better for the common people etc.

The Apostle Paul says: "We must all appear before the Judgment seat of Christ; that everyone may receive things done in his body; according to that he hath done, whether it be good or bad."

Now then in view of the Judgment, where we must all appear, let us take this whisky subject, and go before God in Judgment...

These people are many; he is one, they are stronger than he, and without their consent, expressed or implied, he cannot sell.

But he answers, and says, I will divide the money, that I make in my business, with you, I will give you a part of the proceeds of my sale, say \$500 or a \$1,000 per year.

For in every community, where you find a man that is willing to take for his business the sale of alcoholic drinks, whose living depends on his success, you will find a man with facilities, and in a business, that appeals to the social nature of the youth, as well as to his appetite, and in the majority of cases he bids successfully for the boy, against the home and the school...

Now in the face of all these facts, how can a Christian, that must appear in Judgment, say, he is in favor of licensing saloons.

Now the result of selling, is drunkenness. When the man gets drunk, he kills his fellow man, now we take him before the Judgment seat of Christ, for trial, and the Judge says, "No murderer, nor drunkard, can enter this Kingdom."

But the poor unfortunate drunkard, answers and says, Master, I was not a student of the Bible, I did not know that you had such a law as that on your Statute book, and I found a man, who was licensed by your people, to sell me this drink, that made me drunken, and I did this crime while I was drunk.

Then comes in the licensed saloon keeper, for his trial, and the Judge says to him, did I not say to you, that if you put the bottle to your neighbor, and made him drunken, that you should be cursed. And then he will answer, and say, I never read your law, I did not know what you had said, on that subject. And as you, the Judge was gone away from the earth, and I could not see you, I went to your executive body in the world, called your Church, or Bride, the Lamb's wife, yes, the Church of the Living God, and I asked their permission to enter this business. And after a consultation on this subject, they first said no; it is wrong, but I said, I will divide my income in this business with you, and it will reduce your taxes and make your burden less, financially, and as the love of money is the root of all evil.

ignorance cannot excuse you. I said you must be cursed, if you did this act, and the saloon-keeper is cursed for his un-Godly deeds and business.

Now Christian people, who favor license saloons, who of us all that must appear before the Judgment seat of Christ, will be the most guilty factor in trial, these men are all cursed and condemned, but it is the result of our license, will not the Judge hold us as partners, and as accessories to the crime? What will the answer be?

COUGHS KILL

We know of nothing better than coughing to tear the lining of your throat and lungs. It is better than wet feet to cause bronchitis and pneumonia. Only keep it dry and you will succeed in reducing your weight, losing your appetite, bringing on a slow fever, and making everything right for the germs of consumption.

Better kill your cough before it kills you. Ayer's Cherry Pectoral kills coughs of every kind. A 25 cent bottle is just right for an ordinary cough; for the harder coughs of bronchitis you will need a 50 cent bottle; and for the coughs of consumption the one dollar size is most economical.

Getting Thin
is all right, if you are too fat; and all wrong, if too thin already. Fat, enough for your habit, is healthy; a little more, or less, is no great harm. Too fat, consult a doctor; too thin, persistently thin, no matter what cause, take Scott's Emulsion of Cod Liver Oil.
There are many causes of getting too thin; they are all come under these two heads: over-work and under-digestion.
Stop over-work, if you can; but, whether you can or not, take Scott's Emulsion of Cod Liver Oil, to balance yourself with your work. You can't live on it—true—but, by it, you can. There's a limit, however; you'll pay for it.
Scott's Emulsion of Cod Liver Oil is the readiest cure for "can't eat," unless it comes of your doing no work—you can't long be well and strong, without some sort of activity.

George W. Whit, of South Gardner, Me., says: "I have had the worst cough, cold, chills and grip and have taken lots of trash of no account but profit to the vendor. Chamberlain's Cough Remedy is the only thing that has done any good whatever. I have used one bottle of it and the chills, cold and grip have all left me. I congratulate the manufacturers of an honest medicine." For sale by Theo Wesley Druggist.
