POLITICS AND POLITICIANS

President Roosevelt has selected Judge Beckman Winthrop to succeed Senator Fairbanks of Indiana will be the Republican nominee for Vice President.

The belief is growing among the party leaders in Washington that Senator Fairbanks of Indiana will be the Republican nominee for Vice President.

The results of the Democratic county convention held in Indiana are said to assure control of the State convention by the Parker forces. Hearst carried the county.

When told that he would gain in strength if he would declare himself in favor of obedience to the majority at the St. Louis convention, Mr. Hearst is said to have stated that he will support the candidate who agrees with him.

Returns from the Democratic county conventions in Georgia indicate that a large majority of the delegates will favor the candidacy of Judge Parker, of New York, for the presidential nomination. Twenty counties have instructed for Parker. Only one county has been carried by Hearst.

William J. Bryan made speech in the Second Regiment armory in Chicago taking for the subject of his remarks the platform recently adopted by the Democratic State Convention in New York. While disclaiming any personal choice for the nomination for president he vigorously assailed Judge Alton B. Parker and declared that the platform adopted in Albany was "evanescent, ambiguous, cowardly and dishonest."

Fifteen thousand dollars a day, a total of a million and a half, is said to be the price William Randolph Hearst, is paying for his presidential bid. A man who is unusually well informed as to the workings of the Hearst Bureau says this is about the figures the editor candidate is putting up. At the present time he has but thirty-two delegates, making a liberal estimate and allowing him a total of 100 when the gavel falls at St. Louis every one of them will have cost him \$10,000.

Ev-Gov. W. O. Bradley and the customhouse faction won an easy victory in the Republican primaries to Louisville Saturday, the Sapp element offering practically no opposition. A. E. Willson and Henry L. Stone will be the delegates to the national convention, former Gov. W. O. Bradley will receive instructions for delegate from the State-at-large, Burton Vance or W. A. Evans will be the new State central committee members from the district, and Albert Scott will be chairman of the new county committee.
