The Democratic and Republican candidates for Congress in the Fifth district will institute during this campaign a novelty in the way of conducting a canvass.

They will travel together, sleep together and speak from the same platform. They are the best of friends now, and believe that they can save the ear and gear on the voters, have bigger crowds and cover the situation by going together than by holding separate meetings.

Blaise, the Republican candidate, was in Louisville yesterday and called at Republican headquarters.

His opponent is Congressman F. A. Hopkins, and the two have been close personal friends for some time.

Mr. Blakey said yesterday: "We will have to go over the district in a large part of it horseback and we thought it would be just as well to conduct a joint canvass. We expect to meet on the stump and will do most of our speaking from the same platform, and although we will make speeches in Hamilton county, we do not expect the debate to provoke any disorder. We will have a nice quiet time of it, I am certain."

Friday's Interior Journal contained splendid likenesses and write-up of Mr. J. C. Hayes, a former Rockcastle man, who wants to be jailer of Lincoln. Mr. Hayes is one of the best Democrats in all the country and a gentleman in every respect, and has many friends in this county, who are wishing him success.

NOTICE.—I have just returned from the City with a large and complete line of Millinery Goods, consisting of Ladies, Misses and Childrens Hats. All of the newest styles in colors and shapes. We cordially invite everyone to attend our opening, SATURDAY OCT. 1ST. MISS SALLIE POKELAK, With Purcell Sisters, Sept. 30-1st. Brodhead, Ky.

SOME few have refused to give in their property to the town assessor. We wish to again state for the benefit of all that the Circuit Court has ordered that this be done and if taxes are not collected and the streets and sidewalks repaired, the town is going to have the opportunity of making several hundred dollars in fines, which of course will be of no benefit to the town—except as an object lesson—and still the work will eventually have to be done. So, why not all join hands and stop kicking. If anyone doubts that there is a corporation or the legality of the present band of trustees, they are invited to investigate the records and if not satisfied with that give it a test in the courts.

DEAD.—About 8 o'clock Tuesday night the sad and unexpected news flashed over the wires that Mr. John M. Brown was dead. Mr. Brown was born, reared and lived in this county all his life, except the last seven or eight years, when he made his home with his sons, Dr. E. J. Brown, of Stanford, and W. H. Brown, of Preachersville, being at the latter's home at the time of his death. He was 73 years old, and during his long career, at all times wielded a great influence for good in the community in which he lived. As we heard a friend say on yesterday: "If he had an enemy in all this county, where he lived so long, no one knew it." Besides his two sons, one daughter, Mrs. Ellen Baker, survive him. The remains were brought back to this county at a 10 o'clock yesterday morning train and laid to rest in the Rock Springs burying ground beside his wife, who preceded him many years. Rees, M. Owens and A. J. Pike each offered short prayers and the Rev. J. C. Carmichael made a short and appropriate talk at the grave.

SAYS the Harrodsburg Democrat of Mr. J. W. Hutcheson, who is to be the cashier of The Citizens Bank, Harrodsburg, "C. M. W. Hutcheson, who has been cashier of the Farmers Bank of Salvisa since its organization, has resigned. He organized this bank and to his efforts is due the signal success of the bank since its organization. Taking everything into consideration the first year's work of this bank will compare favorably with any bank in the State. During the last year Mr. Hutcheson has organized a number of banks throughout Central Kentucky and there is such a demand on his services in organizing banks that he will probably devote all of his time now to work of that kind. He seems to be a natural financier, and together with the strength that thorough education affords, his many years experience in the banking business, a thorough knowledge of human nature, a congenial disposition and, above all, a young man of the highest moral character, places him at the head of the banking fraternity of our State. He will be a valuable acquisition to any bank securing his services. The people of Mercer county, who they regret to know that he will soon leave our county, yet they can and do give him their unqualified endorsement as a thoroughly equipped banker and high toned gentleman in every respect."

CIRCUIT COURT. Since our last issue, the following appears of record in the Circuit Court: Henry Hellard was given four years in the pen for killing Abe Drew. It will be remembered that on the 24th of last term Hellard was given 21 years on this charge, but was granted a new trial by the Court of Appeals.

Robert Burton was given two years for attempting to assault a ten year old girl. Henry Cox was given two years for the killing of William Gant at Pine Hill last Christmas. Joe Frost, who was connected with Cox in the killing, had his case continued until the next term.

The procted meeting at the Baptist church continues with much interest, there being about fifty additions to the church. Mr. Ross Hatt returned to his home in Louisville last week, after spending some time with his brother, Mr. Per Hatt, who is slowly improving. Prof. and Mrs. Dinesmore, of Berea, are spending several days with us and giving some fine lectures and views at the Christian church which are greatly enjoyed by every one.

Pike the remains were taken to the Christian church for interment. A husband and three little girls are left to mourn the loss of a devoted wife and mother.

ON THE INCREASE

WORLD'S FAIR TRAVEL GETTING HEAVIER.

While the volume of travel to St. Louis on account of the world's Fair has not quite come up to the expectations of the World's Fair management, or the railroads, it has been as large as was expected, all things considered.

The heaviest month, so far as attendance is concerned, will be September, October and November; and during these three months the admission will undoubtedly equal, if not surpass, the entire number registered up to August 31, inclusive.

It is certainly a big, grand show and one that no person with the means should miss. It is the opportunity of a life time in an educational way and one that will be taken advantage of by the great majority of the people of America; are proud of, and justly so.

On account of its unexcelled train service, both as regards equipment and accommodations, the Louisville, Henderson and St. Louis railway, better known as the Henderson Route, has carried the majority of Kentuckians to St. Louis and have beyond a doubt been more instrumental in contributing to the success of the Fair than any other railroad in this territory.

The Henderson Route is justly entitled to all the praise that is being showered on it; there's but one thing to it at all times keep in mind get the Henderson Route habit—and request this routing in purchasing your tickets!

A BOY'S WILL RIDE FOR LIFE.
With family around expecting him to die, and a son riding for life, it is hard to get Dr. King's New Discovery for Consumption, Coughs and Colds, W. H. Brown, of Leesville, Ind., endured death's agonies from asthma; but this wonderful medicine gave instant relief and soon cured him. He writes: "I now sleep soundly every night."

Here is a small boy's essay on the fly: "The fly is a little animal that gets in the butter in the good leg summer time. It has eight legs; 4 to walk on, two to shuffle together and two to tickle with. Flies are found all over America, but mostly on bald heads. He are the cause of much cussin' by folks what he pesters with his tickling legs. The fly cannot be stuck up for the eyes in his back, right behind the shoulder blades. The fly lives on to a baby's nose and snuffle his feet. It is use to leave him on at the baby's nose if yer mother ain't aroun' to land on yer fer. The fly is commonly called 'B', but he has another name. Pop calls him a helluva'nouse."

"IN SUMMERTIME DOWN BY THE SEA."

This is the title of a new and magnificent song and chorus written by Alfred J. Doyle, with a remarkable pretty waltz chorus. This song will surely be adored by everybody.

Chorus—
In summertime down by the sea, The only real place boys for me, Take a ride on a trolley, get there before dark,
Take your sweetheart to Dreamland or to Luna Park.
In summertime down by the sea, The place where we all like to be; Where the breeze softly blows, And were every one goes,
In summertime down by the sea.

Timbers of oak keep the old homestead standing through the years. It pays to use the right stuff.

"Men of oak" are men in rugged health, men whose bodies are made of the soundest materials.

Childhood is the time to lay the foundation for a sturdy constitution that will last for years.

WHAT'S IN A NAME?

Everything is in the name when it comes to Witch Hazel Salve E. C. DeWitt & Co., of Chicago, discovered some years ago how to make a safe and reliable ointment that is specific for Piles. For blind, bleeding, itching and protruding piles, eczema, cuts, burrs, bruises and all skin diseases, DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Were you ever tempted to think that the editor was indulging in personal "digs" when you saw something in the paper which seems to fit your case? Discard that thought. Remember the saying that "Many a shaft at random sent finds marks the archer little meant." Why, only the other day we read of a Texas editor who published the Ten Commandments by request, and with the result that half his subscribers begged he could have time to explain in his next issue that no personal reflection were meant.

THREE JURORS CURD

OF CHOLERA MORBUS WITH ONE SMALL BOTTLE OF CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY.
Mr. J. W. Fowler, of Hightower, Ala., relates his experience he had while serving as a petit jury in a murder case at Edwardsville, converse of Cleburne county, Ala. He says: "While there I ate some fresh meat and some soured meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had never seen one else. That this medicine was so much better he would rather send me one in the box I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. I was never again afflicted in the same manner and one twenty-five cent bottle cured the three of us." For sale by Chas. C. Davis.

THE WORLD Elected Cleveland.
It may be said without reservation that the Democratic party in our first campaign had locked the first and political victory of our history in the hands of the victor.

FIRST NEWS! BEST NEWS!

THE WORLD is the "Chief Champion in America of Democratic Ideas" and the most interesting newspaper in the country in this Presidential campaign. It already has a much larger daily circulation than any other morning newspaper in America.
We are beginning a campaign that promises to be memorable in history. By a single act of inspired courage the Democratic leader has restored his party to its old place as the instrument of enlightened reform, sane and practical liberalism, clear-headed progressiveness and constitutional government.
While the question of the standard of value remained an issue all other topics were submerged and the Democracy could not play its historical part. In the absence of this restraining force the Republican party has ridden in triumph, centralization, plutocracy and privileged inequality. Now the time has come when it can be extruded to account. Once more a party widely, bravely and kindly-led can raise with Jefferson's "Older War," "Turd the rascal out of the Senate."
The Democracy is ready to confront the abuses of a monopoly-trading tariff, to promote trade with our neighbors in Canada, to cut short the insane rivalry with the military power of Europe in armaments made necessary by the thousand miles of ocean, to substitute the reign of law for the present capricious of an arbitrary ruler, to restore economy and integrity in government, to bring about a combination of capital under fair retreat and to discourage the permanent accumulation of the American flag in any country which the Declaration of Independence is a solemn document. To the attainment of these ends the World pledges its energies.
To encourage the prompt formation of clubs for the campaign a special commission of 50 per cent. will be allowed to agents of parties forming clubs at their own expense. Write for particulars.
An active agent wanted in every election district. Write for sample copies applied free on application.
Every subscription will be sent the DAILY MORNING WORLD for one month before the date it begins. This offer is not open to subscribers ONLY. Address THE WORLD CAMPAIGN CLUB, Publishers, 100 N. York St., New York.

FIRST NEWS! BEST NEWS!

THE WORLD is the "Chief Champion in America of Democratic Ideas" and the most interesting newspaper in the country in this Presidential campaign. It already has a much larger daily circulation than any other morning newspaper in America.
We are beginning a campaign that promises to be memorable in history. By a single act of inspired courage the Democratic leader has restored his party to its old place as the instrument of enlightened reform, sane and practical liberalism, clear-headed progressiveness and constitutional government.
While the question of the standard of value remained an issue all other topics were submerged and the Democracy could not play its historical part. In the absence of this restraining force the Republican party has ridden in triumph, centralization, plutocracy and privileged inequality. Now the time has come when it can be extruded to account. Once more a party widely, bravely and kindly-led can raise with Jefferson's "Older War," "Turd the rascal out of the Senate."
The Democracy is ready to confront the abuses of a monopoly-trading tariff, to promote trade with our neighbors in Canada, to cut short the insane rivalry with the military power of Europe in armaments made necessary by the thousand miles of ocean, to substitute the reign of law for the present capricious of an arbitrary ruler, to restore economy and integrity in government, to bring about a combination of capital under fair retreat and to discourage the permanent accumulation of the American flag in any country which the Declaration of Independence is a solemn document. To the attainment of these ends the World pledges its energies.
To encourage the prompt formation of clubs for the campaign a special commission of 50 per cent. will be allowed to agents of parties forming clubs at their own expense. Write for particulars.
An active agent wanted in every election district. Write for sample copies applied free on application.
Every subscription will be sent the DAILY MORNING WORLD for one month before the date it begins. This offer is not open to subscribers ONLY. Address THE WORLD CAMPAIGN CLUB, Publishers, 100 N. York St., New York.

Indigestion Causes Catarrh of the Stomach.
For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes Catarrh. Repeated attacks of indigestion inflame the mucous membrane lining the stomach and excite the nerves of the stomach, thus causing the glands to secrete mucus instead of the juices of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure
relieves all inflammation of the mucous membrane lining the stomach, protects the stomach, and cures bad breath, sour eructations, a sense of fullness after eating, indigestion, nervousness and all stomach troubles.

Kodol Digests What You Eat
Kodol is the best and most reliable of all stomach remedies. It is a natural stomachic and is perfectly safe. It is sold by all druggists and by the manufacturer, J. C. DeWitt & Co., Chicago, Ill.
