Senator McCrea's Views

In a recent interview Senator McCrea said concerning the political situation:

"We had rather more of a cyclone than either Democrats or Republicans expected. But it was not the first defeat of the Democratic party and we should bear it like men who are proud of a political party which is one hundred and four years old, and which governed our republic for about ninety years and made it the admiration of mankind—the model republic of the world."

"Kentucky Democrats have a right to be proud that we did our duty and carried our State and polled the usual vote and made Kentucky appear as an oasis when compared with many other States."

"The Democratic party needs no reorganization, and all talk on this subject should cease. Democrats should simply stand together and support the principles of true democracy. We have sustained every defeat that has been meted out to us since the campaign of 1872, when Horace Greely was defeated, when we predicted that the Democrat party would disintegrate and disappear but in 1876 was strong enough to elect Tilden, who was deprived of his rights by unjust means and when the Democratic party defeated the Republicans in 1884 and in 1892 by electing Cleveland at each election. There is no reason why Democrats may not expect history to repeat itself if they do their duty."

NO MORE SUFFERING. If you are troubled with indigestion get a bottle of Kodol Dyspepsia Cure and see how quickly it will cure you. Geo. A. Thompson of Spencer, Ia., says: "I have had dyspepsia for twenty years. My case was almost hopeless. Kodol Dyspepsia Cure was recommended and I used a few bottles of it and it is the only thing that has relieved me. Would not be without it. Have doctored with local physicians and also at Chicago, and even went to Norway with hopes of getting some relief, but Kodol Dyspepsia Cure is the only remedy that has done me any good, and I heartily recommend it. Every person suffering with indigestion or dyspepsia should use it." Sold by Mt Vernon Drug Co.

Legislation is threatened to prohibit football playing in Illinois, Indiana, Michigan and Wisconsin. FIGHT WILL BE BITTER. Those who will persist in closing their ears against the continual recommendation of Dr. King's New Discovery for Consumption, will have a long and bitter fight with their troubles, if not aided earlier by fatal termination. Beware of T. R. Bell, of Bell, Miss., has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after anything else had failed. Improvement came at once and four bottles entirely cured her. Guaranteed by all druggists. Price 50c and \$1. Trial bottles free.

WILLIAMSBURG.

Mrs. Geo. Boston, of Louisville, who came to attend the funeral of her brother, George Card, returned Sunday.

Dr. James S. Kirtley, of Illinois, will lecture here Thursday evening. This will be the first of our winter course of lectures.

Mr. Thomas O'Mara and his daughter, Miss Alice, left this morning for the City of Mexico, where they will spend the winter.

Some of the daily papers have printed exaggerated reports of the recent killing in whitley county. It is true that about ten days ago George Card was killed and his brother, Tom Card, was severely wounded, and Emma Durham, a cousin of theirs was killed and her house burned. All about eighteen miles from town and near the mouth of Laurel river. The Card brothers about twelve hundred acres of land in that section and it seems that some parties have been living on it, and cutting and selling timber off of it without permission from Tom and George Card moved to their land last spring and started a saw mill, and it appears that some of those squatters thought that the best way to hold their claim was to use the shot gun. The report that Arthur Adams and Will Hart were killed later is a mistake. So far no other killing has taken place.

WABD Jack Towery is pulling "up grade" on the French Hill farm. He will return to Indiana Territory soon.—Craig Elder has moved back from Illinois.—Robert B. Hatcher, who migrated hither from Hazel Patch, is so well pleased with this part that he works all day and a part of the nights, attends church regularly and runs a good Sunday school, and does some talking that is for or meek bill.

Your scribble contemplates a bath in the life giving waters of Hot Springs soon. I have become exceedingly tired of sitting in the house or lying on the bed from day to week, and from week to month, and I am now enjoying my life again, but not, alas, that kick the dogs and quarrel with Betsy. Yes these things are becoming monotonous and burdensome. I want a change even in the Dynasty of Kings and political complexion of Presidents will be found to be almost equal to that of subjects, and we have very nearly getting a change on the 8th inst. didn't we?

No preaching on the 3rd Sunday, but R. T. Dodd will begin a year in December.—The Baptists have just closed a very successful one at Mt. Pleasant. My old friend J. J. Beard, who is now the merchant of the city was among the converts. The grip of Satan can be torn from the aged and he enters the vineyard at the eleventh hour and performing acceptable service, receiving full wages at the end of his day's work.

LEVEL GREENS

The quality one of the farmer's best friends are being slaughtered by lumber for mere sport, and one of the worst features in the case, men who would hardly let you walk over their premises are doing a large amount of it. We are informed that the denials and independence in this county will, at least, a part of it, be taken. I don't know if you will be made or not, but I don't think you could do any more than to make over some land when they do and so little attention paid to others, a public as good by creation and far better by every day life and walks. Does a few wrongfully gotten dollars make the man in this fair land of ours? No. Now if the program were changed a little bit, flowers and bouquets, good words, cast upon the deserving while living, how far it would go toward lightening the burdens of life and encouraging our brother. A few kind words are cast upon a needy person, his heart has some good traits left in her or so humble. Did you ever think of the real goodness of heart—pure and undefiled religion—that predominates in the aidless classes? I would much prefer the chances of a good old lady who died, leaving a few hundred dollars to an millionaire or statesman, than has crossed the Jordan recently. She lived a life of toil and brought a work of love. Let us do a few roses upon her isolated grave for the benefit of others, the living ones.

HON. R. H. HUBBLE was nominated Saturday for Senator in the Lincoln district. Mr. Hubble is a true-blue Democrat in all that word implies and a most pleasant and affable gentleman and a man who will vote for the best interest of the people at large as well as his own constituency.

POLITICS AND POLITICIANS

With but few exceptions, the election of chairmen by Democratic Committees Monday over the State was done harmoniously.

Says an exchange:

The County Election Commissioners of the county of Jessamine, among them Col. W. J. Wilmore, the well known Republican politician and officeholder, yesterday filed in the department of Secretary of State a certificate declaring Judge Alton B. Parker to have been elected President of the United States in Jessamine county. The certificate caused much comment among the other members of the committee suggesting that it be forwarded to Popoas as the only such certificate that will be seen in that direction.

The Commissioners sent no other certificate than the following: State of Kentucky, County of Jessamine, Nov. 2, 1904. We, Z. T. Chrisman, W. J. Wilmore and J. J. Richardson, duly authorized to canvass the returns of the county of Jessamine, do certify that at an election held on said county on November 8, 1904, Alton B. Parker was duly elected to fill the office of President.

J. J. RICHARDSON, Z. T. CHRISMAN, W. J. WILMORE.

ODD POSTOFFICE NAMES.

Kentucky is said to hold the record of all the States in the Union for towns with odd and unusual names, and judging from some of these names, which were discovered by the stenographers at the Democratic State campaign headquarters this record seems to be well established and deserved. One of the stenographers, as she came to a unusual name, would write it down and the resulting list was something that one seldom sees and would hardly be believed, yet the official gazetteer of the post-office gives the names and is the authority cited. During the campaign letters were sent to persons in every one of the towns which are on the list.

Eden, which is in Butler county, should properly come first in the list of towns, and immediately after it would logically come Adam, which is in Lawrence county. Eve is in Greene county and is a promising place altho' small. Cain's store is in Pulaski, and this is the first mention of the way in which the first born to woman earned his livelihood after the ejection from the garden. Abel, the second born, is in Laurel county. So much for the beginning. Having gotten fairly started in the list, the following curious connection in names is to be noticed:

Happiness is peculiarly connected with some of the towns, at least as far as the names go, even if the connections do not go further. One could certainly be to Bappy in Bliss, which is in Lincoln county, or in Joy, in Livingston county, and certainly would not be sad if he lived in Joy, Daviess county, or in Jolly, in Laurel county. So much for the beginning. Having gotten fairly started in the list, the following curious connection in names is to be noticed:

Bliss—In Stone, an 'its eye glasses O. W. Can't see 'trot me, kine kid. Meeker—Just returned from abroad—What became of that charming little Commissioner who bloude you used to refer so much about? Meeker—Oh, she married one of her fool admirers. Meeker—That's too bad, but you always were always unlucky with your love affairs. Meeker—Whom did she marry? Meeker—Me.

"Old man Green, the grocerier died early this morning," said the village editor's better half. "Huh!" he exclaimed, the local molder of public opinion. "He's been dead for years." "Why, William, what do you mean?" asked his wife in surprise. "Exactly what I said, my dear," replied the strenuous knight of the shears. "He has never spent a dollar for advertising, and any man in business who doesn't advertise is a dead one!"

We pay the very highest prices for country produce. A. C. HIATT, HIATT, KENTUCKY.

Summer Shade, which is in Metcalf county, as that is a tolerably warm place. Pomp, in Morgan county, has its opposite in Poverty, in McLean county. The man who named Alone, in Metcalf county, must have been tired and lonesome when he fixed this sad name to it.

Ave, in Lewis county, suggests a subdued feeling, while Faith, in Meigs county, and Hope, in Montgomery county, give one a sense of rest and confidence. If one does not get all one wants there, one can still go to Balm, in Fleming county, and there find relief. Cash, in Harden county, and Corn, in Pulaski county, suggest wealth, although they are not towns in which capitalists reside.

Coy, in Marshall county, and Cy Cole, in Monroe county, reach the opposite extremes, while Jamloree, Pike county, certainly suggests a hilarious time. The following are some of the other names which are out of the ordinary: Alpha, Clinton county; Beck Bone, in Elliot county; Bar, Henry county; Barefoot, Nicholas county; Bet, Carter county; Blaze, Morgan county; Bruin, Elliot county; Bud, Wayne county; Bug, Hickman county; Buzzard, Pulaski county; Bush, Laurel county; Nancy, Polaski county; Choice, Clay county; Coal, Johnson county; Doorway, Owsley county; Firebrick, Lewis county; Sideview, Montgomery county; Fred, Floyd county; Freedom, Warren county; Stop, Grayson county; Wait, Wayne county, and O. K. and Jumbo, Lincoln county.

SCRAPS (BT JET) A poet's wife—At last the wolf is at our door. What shall we do? The poet—'I'll soon fix him. I'll read one of my poems to him. Mary had a little lamb That soon grew quite contrary; It chased her up a tree one day And then the lamb had Mary. Sibyl—Poor Jack. And just think, almost the last thing he did was to kiss me good night. Elvira—Had you told the Coroner that he might have been able to account for his sudden demise. "Prof. Rooter is in a bad fix," remarked the bald headed druggist. "What's the trouble?" asked the doctor. "He has discovered a new disease and is unable to find any germ for it," replied the pill compiler. "You are the only girl I ever loved," said the young man, in envious his proposal. "Oh, that's all right, rejoined the wise young lady in the parlor scene, "but what I want to know is, am I the only girl you ever intended to love?"

Flinnegim—Th' doctor tells me O'm in made of glasses. 'Frawls th' cost? Optician—Do you want nose glasses? Flinnegim—Sture, an' its eye glasses O'W. Can't see 'trot me, kine kid. Meeker—Just returned from abroad—What became of that charming little Commissioner who bloude you used to refer so much about? Meeker—Oh, she married one of her fool admirers. Meeker—That's too bad, but you always were always unlucky with your love affairs. Meeker—Whom did she marry? Meeker—Me.

"Old man Green, the grocerier died early this morning," said the village editor's better half. "Huh!" he exclaimed, the local molder of public opinion. "He's been dead for years." "Why, William, what do you mean?" asked his wife in surprise. "Exactly what I said, my dear," replied the strenuous knight of the shears. "He has never spent a dollar for advertising, and any man in business who doesn't advertise is a dead one!"

"A woman," remarked the female missionary, "should never cease praying for her husband." "That's right," rejoined an engergered man. "I may not avail any thing, but it will keep her out of mischief."

Migles—"What do you think of Rev. Thirdlight's idea of fighting the devil with fire?" Wiegles—"I don't think much of the scheme. When you take into consideration the amount of ammunition his satanic majesty has on hand, it looks so much like a one-sided affair."

The front parlor is the most popular room in the house. Courtship may be bliss, but matrimony sometimes blisters. A woman may be a comundant, but she always has a ready answer. If love makes the world go round it's no wonder lovers act drazy. A woman's understanding is limited only by the size of her feet. "Ring off," said the telephoner, when she cancelled her engagement. A woman's idea of a hell is a man whom she has loved and lost. With the exception of vanity a woman may be able to live down any folly. A who tells fortunes from a tea cup is necessarily a saucer-ess. Women are always in quest of something—but a conquest seems to suit them best. The smaller the girl the larger the doll necessary to appease her recipient maternal affection. Matrimony resembles a beseged city; those who are out want to get in, and those who are in would like to get out. The woman who thoroughly understands men may not be able to write magazine poetry, but she is pretty sure to be a good cook.

The Rockcastle Medical Society met here Tuesday afternoon. A very interesting paper on pneumonia was read by Dr. M. Pennington, with a general discussion by all the physicians present. Van Brummett, about 72 years of age, was arrested at Livingston yesterday morning by constable James Philpot and lodged in jail here, on the charge of attempting forgery. Brummett went into U. C. Baker's store here Wednesday afternoon and bought suit of clothes presenting a check signed by J. Thos. Cherry, of Brodhead, for \$42, to pay for same. Mr. Baker seeing that the check was not properly drawn refused to accept it, so the young man went out of the store and left town, immediately Mr. Baker, not knowing Brummett, but believing that the check had been forged, reported the matter to the officers, who at once pursued him, but being almost dark the officers were unsuccessful in their search. On yesterday morning Brummett was taken to E. H. Davis store at Livingston and bought another suit presenting the same check for payment. Mr. Davis refusing to accept, he went to J. W. Baker's store and made a third unsuccessful attempt to get it cashed. By this time Constable Philpot had appeared on the scene and Brummett then began guessing where he was 'at.' In his pocket were found two other checks for similar amounts with Mr. Cherry's name signed. Brummett is unquestionably a new hand at the business, as the checks were all made payable to The Bank of Mt. Vernon, and when asked by Mr. Baker why they were written that way, said: "I thought my name had to be on the bank." Van is sure of one visit to Frankfort.

The load entered his ankle, and according to a report that the relatives here received, it is feared that the wound will necessitate amputation.

Monday at the appointed hour for the newly elected Democratic Commitment to meet and elect a chairman, only four were present and not being a quorum the matter necessarily had to pass without anything being done. The inexcusable fact was also brought to light that in only four out of the eleven precincts elected committees. We don't know what folks may say, but to us it looks like mighty poor Democracy.

The trade edition of the Chamber Commercial, published at Burdette, issued last week, contained a splendid half tone and write up of our good friend, J. H. Vanhook, who is a member of the first of Dick Denney & Vanhook which is one of the best firms in South Western Kentucky. Harvey's many friends will be glad to know that he is enjoying such a goodly portion of this world's goods.

Capt. J. M. Thomas, the Kentucky lumber king, is having a fine new story brick residence erected in South Livingston in the ward addition. It's built out of the Winchester Brick Granite Co. brick, made at Cooks Siding this county, and is indeed a beautiful structure. The Hon. Sam Ward says that his prediction that across the river would in time become the residence portion of the town is proving true. Capt. Thomas is building a foot and wagon bridge across the river at an early date.

THE KEY THAT UNLOCKS THE DOOR TO LONG LIFE.

The men of eighty-five and ninety years of age are not the rotund well fed, thin, spare men who live on a slender diet. Be as careful a wife will, however, a man past mid-life age, will occasionally eat too much or of some articles of food not suited to his constitution, and will need a dose of Chamberlain's Stomach and Liver Tablets to cleanse and invigorate his stomach and regulate his liver and bowels. When this is done there is no reason why the average man should not live to old age. For sale by C. Davis.

Consumption is a human weed. It is a weed that is easily destroyed while young; it is old, sometimes in- curable.

Strengthen the lungs as you would weak land and the weeds will disappear.

The best lung fertilizer is Scott's Emulsion. It is a good food, but it is very hard to digest.

The time to treat consumption is when you begin trying to hide it from yourself. Others see it, you won't.

Don't wait until you can't deceive yourself any longer. Begin with the first thought to take Scott's Emulsion. If it isn't really consumption so much the better; you will soon forget it and be better for the treatment. If it is consumption you can't expect to be cured at once, but if you will begin in time and will be regular in your treatment you will win.

Scott's Emulsion, fresh air, rest all you can, eat all you can, that's the treatment and that's the best treatment.

We will send you a little of the Emulsion free.

Write for this and you will receive a free trial of the Emulsion. Write to Scott & Bowne, 409 Pearl St., N. Y. See and get all druggists.

THE body gets its life from food properly digested. Healthy digestion means pure blood for the body, but stomach troubles and bowels of constipation in eating and stomach disorders upset the entire system. Improperly digested food causes the stomach, causing indigestion, nervous debility and nervousness. When overeating is practiced in the stomach with the power to liberally digest food.

You can build up your stomach with this mild and natural remedy. Try Theodor's Black Draught today. You can buy a package from your dealer for the money to The Chattanooga Medicine Co., Chattanooga, Tenn., and a package will be mailed you.

QUALITY

Well, it has rained a little at last and the dry weather is broken up to some extent.

C. K. Lewis has been spending a few days in this part of the State and returned to his home in Okla. on a Hamm, Broughton and Sayers boys will soon move their saw mill to the Sayers tract of land.

A. G. and J. M. Craig brought of Walter Linsie a yearling male for \$75 and of Cossie Sutton a yearling filly for \$85.

Miss Compton's notice about the same.

The old neck Vance Pointer farm was sold Monday, County Court day. D. N. Williams being the buyer at \$127.

BEWARE OF COUNTERFEITS.

"DeWitt's" is the only genuine "Witch Hazel Salve" writes L. L. Tucker, of Centre, Ala. "I have used it in my family for piles, and for many years and can recommend it to be the best salve on the market. Every family should keep it, as it is an inevitable household remedy, and should always be kept in hand for immediate use." Mrs. Samuel Chad, of North Bush, N. Y., says: "I had a fever for a week and for twelve days, but by using DeWitt's salve, I was cured. All pains and troubles, such as colds, coughs, sore throats, etc., are cured by its use. I could not walk for over two years. Finally I was persuaded to try DeWitt's Witch Hazel Salve, which has completely cured me. I am now able to do all my work. DeWitt's Salve is the best I have ever used without leaving a scar. Sold by Mt. Vernon Drug Co."

Lots of men who have used tree nigger saw wood.

Experience is the pay a man gets for making a fool of himself.

Many a man loves his enemy because it comes in a pocket flask. No man is capable of raising enemies who is unable to rule him self.

Often a man's wealth is not worth the little nest used to acquire it.

A married man's idea of a good time is going to the things; his wife's good time is getting out of him.

Some men who are inclined to get men putting it off until tomorrow.

Some men are willing to be good for a while, and some others are good for a while.

If some men want to remain single, they must acquire reputations for being single.

Other people don't amount to much when a man uses himself as the standard of comparison.

Most men worry because of their trials, but a lawyer worries if he doesn't have any at all.

The average man is would rather go \$5 on a horse race than a nickel through a hole in his pocket.

Too many men in this glorious country vote as they pray - and they never pray unless it is to ask a personal favor.

Some men remind me of old beavers in the way they proceed in any thing that they attempt to make an unnecessary fuss about it.

GET QUICKLY KICKED OUT.

75-80 weeks ago during the severe winter weather both my wife and myself contracted severe colds which speedily developed into the worst kind of grippe with all its miserable symptoms," says M. J. A. Eggleston, of Maple Landing, Iowa. "Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy and in a few days the same with the use of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grippe." It is a good plan to take a dose of the Tablets when you have a cold. Indigestion Causes Catarrh of the Stomach. For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes Catarrh. Repeated attacks of indigestion inflame the mucous membrane lining the stomach and expose the nerves of the stomach, thus causing the plants to become much irritated and the juices of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure restores all inflammation of the mucous membrane lining the stomach, protects the nerves and cures bad breath, poor appetite, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.
