Mrs. Clara's Henderson is with her folks here for a few days. Alice Perkinson is learning to type under Agent J. A. Landrum. Mr. and Mrs. W. H. Fish of Madison county are with relatives here. Rose Collier has returned from Louisville and will travel with his father. Mrs. S. W. Pugh, of Sta. Ford, is the guest of the Misses Thompson. Mr. William Fisher and son, Tom, are in Berea. Mrs. Fannie Collier has come to Louisville to keep house for her brother, John. Mrs. Harry Spratt, of Hamilton Ohio, is visiting her parents, Mr. Mrs. Jasper Rickles. Miss Kisse Williams and her sister, Miss Peabbles, are spending a few days in Williamsburg. Mrs. D. N. Williams slipped and sprained her ankle Tuesday, which is giving her considerable pain. Mrs. Alfred Wallace, of McKimney is visiting the families of her brothers, Dr. S. C. and W. A. B. Davis. Three of J. L. McAllister's children have typhoid fever, which is a matter to say however that they are better. O. Medaris, ex-James' Maret, and G. B. Lawrence return from a day's fag from a visit to their brother, W. J. Newcomb, at Galveston, Tex. Mr. and Mrs. Fred Hahn, of the Freedom section, will leave tomorrow night for Fort Wayne, Ind. to visit their daughter, Mrs. M. C. C. Swindford. Mrs. W. C. Swindford has rented W. H. Baker's new residence in the western part of town, and is about to move here in the next few days. Later, just before going to press we learn that Mr. Swindford will not come to Mt. Vernon. J. W. Renner was in from Pango Wednesday and by the way we wish to add that Joe is one of the best citizens in the county and told us that the situation for the Hon. Harvey Hein looks good in his section of the county.

LOCAL

The Brown Memorial School opens September 1st with a corps of eight teachers. The old part of the dormitory is undergoing repairs, and the new rooms and halls are being finished. CLIPPING OFFER: Until further notice we will furnish the Signal and Weekly Courier Journal for \$1 a year, or the Signal and Louisville Herald (Daily) for \$2.00 Cash must accompany all orders under this arrangement. With only one printer and in job work up to our ears, we have been for the past month, right in the middle of what we call a bad fix. Our experience for the past month trying to find a printer prompts us to say, that owing to the demand for printers, that it could be no mistake for more of our young boys and girls to learn the trade, even though they may not expect to follow it for a living. We will offer special inducements to the right kind of a boy in this office, to learn the printing business.

A. W. Stewart, of near Widdle, West Virginia, has a deal with some lumber which he has sold to the local mill. The deal is estimated that there is between six and seven million feet of number one timber on it. Price paid \$12,000.00. It is very probable that Mr. Stewart will buy a farm in the Blue grass section. KILLED: John B. Coyle, a merchant and successful business man, located at Boone's Gap, was found on the railroad track between his home and Berea on last Saturday morning. His body mangled and torn to pieces. Mr. Coyle had been taken to Richmond and as the night train does not stop at Boone's Gap, it is supposed that he got off the train at Berea and started to walk to his home. Mr. Coyle was an honorable upright gentleman and his sudden and untimely death was a great shock to his friends and relatives.

J. H. McKimney, one of the prosperous and well-to-do farmers of the Freedom section, was a patient and caller at this office Wednesday afternoon. In signing the "Good Roads" question, Mr. McKimney said there had been a mistake made in the last year of two requiring the issuing of bonds for the purpose of building turnpikes. When the bill was taken at a Mass. on Mr. McKimney said he strongly opposed the measure, but after having carefully studied the matter over, that he is as much for it now as he was against it then. He did not know many others who had also changed their opinion, on the subject of this important question and instead of being opposed to it, now leads, willing and anxious to have his vote for the bond issue.

Remember the Broadhead fair next week. It is a county institution and deserves the patronage and hearty support of every citizen in the county. No one should value the fair according to the number of amount of premiums, which the receive, but according to what it is worth to the county as a whole and every one, unless it is a whole-moose-back, will concede that the fair has been of untold value to the county. It has stimulated our citizens to a stronger effort to excel in the number of the raising of all farm products, which has been thoroughly demonstrated by the marked improvements each year over the former year in the exhibits in the floral hall. The floral hall last year was given up to many who had attended other fairs throughout the county, to be over and over again, and they were amazed that it will still be better than any other time in the county.

On Monday evening August the sixth at the pleasant home of Miss M. Williams, a reception was given in honor of Miss Fannie Sparks and her sisters, Miss Blanche of Danville and Miss Eliza of Maysville. About fifty guests were present, among whom were the Misses Albright and Barnes of Barbourville, Miss Peabbles, of Alabama, Miss Baughman, of Stanford, and Miss Smith, of Franklin county. The affair was a most enjoyable affair. The plan of entertainment original and unique. The color effects were very pleasing, red and green prevailing everywhere; in the decorations, refreshments, souvenir cards and the booklets which were distributed among the guests. Frappes containing marshmallows and cream were served on the outside veranda which was tastefully arranged as a cozy corner. Misses Bessie Sparks and Lela May, Lovell presiding. Later on in the evening the guests, after registering, were ushered into the dining room where the color scheme was conspicuously carried out in the table decorations and the luscious red watermelon served on a bed of mint. In the center of the table was the half of a large melon, the rind of which was carved into fanciful shapes and in the red-meat waded diminutive pickaninies in red costumes. On leaving the dining room, each guest was given a red and green booklet in which he or she was requested to make a pencil drawing and give a description of their ideal of a husband or wife. Prizes were offered, first for the best description and second for the poorest drawing. Miss Bessie Sparks was awarded first prize and Mr. A. B. Furnish second. Shortly after leaving the guests took their leave with hearty appreciation of the delightful entertainment afforded them.

Next week is the Broadhead fair. Three days, Wednesday, Thursday and Friday. Don't miss it.

The examinations for county scholars for Brown Memorial School will be August 18th, 1906.

The Riceville County Fair at Broadhead next week, beginning on Wednesday and lasting three days. Are you going?

Mrs. Willis Adams entertained Wednesday evening in honor of Miss Fannie Sparks and her sisters, Miss Blanche and Eliza. About thirty guests were present, all of whom report a most pleasant evening. Delightful refreshments, which if prepared by Mrs. Adams could not be otherwise than the best, were served. The evening was spent playing games and promoting the health and pastimes which were brilliantly illuminated with Japanese lanterns, until the hour of eleven arrived and the happy young people made their departure, being very grateful to the hostess for the pleasant evening spent.

INITIAL PERFORMANCE

OF THE LYON COMEDY COMPANY WAS WELL RECEIVED LAST NIGHT. The Lydon Comedy Company gave their opening performance last night at the Bowling Green Opera House. A large crowd assembled to witness "Slaves of the Orient," and in a few minutes after the doors were opened only standing room was to be had. This strong play was exceedingly well executed. The company is made up of A. S. Evans as Tommy, Fred and "Bowers" and "the hit of the evening. He kept the audience in laughter during his parts. The specialties were good and of a higher and more expensive class than are generally seen with stock companies. The company will remain in the city for the rest of the week. A matinee will be given Saturday afternoon. The play to be presented to night is "On the Stroke of Twelve," a strong sensational comedy.
