The chances are that Mt. Vernon will soon have a brass band. We have the boys who have the music in them and all that is necessary is a little effort in them to get it out.

The board of town trustees have ordered side walks built on several of the streets. Those who have to build should inspect the one just completed by G. T. Johnson in front of his property, get prices and if at all possible follow his splendid example of making the best. It looks better, it will last better, and is better to build the concrete walks.

We call attention to the announcement of G. T. Johnson as candidate for County Court Clerk, which appears in this issue. While it is sometime yet, more than two years before the final election, yet Mr. Johnson believes in doing things in time, and has therefore decided to make his announcement at this early date. It is an idea we think every one will assist him in, the race might know his intentions. We will give a more complete write up at a later date.

CONSIDER what the hen does when she is working, now that her strike is on and she clamors for ratios. The market value of "Bird-eyes" is about 25 cents and the value of her daily production is only 1 cent or 25 per cent of her own worth. This is the case of short-lived birds, but the hen that can lay a large egg every day, and that cannot be said of some in this world who have great pretensions to usefulness.

People's Cure for Stomach Ills

I would be folly to say that a person should always be his own doctor. There are times when one cannot be too quick in consulting a competent and reliable physician, but the fact does remain that there are many ailments that can be cured at home at very little expense. Such remedies can be bought at any first-class drug store for a small sum.

Among the diseases that can be effectively treated at home are such as pertussis, the stomach, liver and bowels, like constipation, dyspepsia, biliousness, flatulence, sour stomach, bloated stomach, acid stomach, heartburn, etc. For these troubles, Peppermint Cure is the best. It is a simple, natural, and safe remedy, and it is the only one that will cure these troubles. It is a simple, natural, and safe remedy, and it is the only one that will cure these troubles.
