BROWN MEMORIAL SCHOOL

1 Miss Taylor has issued invitations for an "Historical Gathering" at the Langdon Rooms on April 11th.

2 The present corps of teachers has been engaged for next year. Miss Thacker will be here during the summer and will have charge of the dormitory during Miss Taylor's absence. The opportunity for students to get up back work and to start with their classes in September is an excellent one. Miss Thacker has had an English training in education which is even more thorough than ours, her father and brothers, graduates of English and Scotch Universities, directed her studies. Miss Taylor is well pleased with her work.

3 Miss Allen's musical lectures will be given April 20th, and 22nd. The two lectures will be given for 75cts. Single tickets 50cts.

4 Miss Smith and Mr. McDonald give their second concert a week from this afternoon at 2:30 p. m. The first of the pupils recitals comes May 15th.

CONCERT.

by MISS WILLANNA HAMPTON and MR. JAMES McDONALD

BROWN MEMORIAL SCHOOL, Mt. Vernon, Kentucky, April 10th, 1908 at 2:30 p. m.

1. Sketch of the life and works of Franz Schubert. Mr. McDonald.

2. Ave Maria (in German) Schubert Miss Smith (English words.)

Ave Maria! Maiden mild, Ah, listen to a maiden's prayer; For thou can't hear 'em from the wild, Thy Thigh, canst save us from despair. Side may we sleep until the mornow, Though benighted, outcast and reviled; Oh, maiden see a maiden's sorrow, Oh, mother, hear a suppliant child, Ave Maria! Ave Maria!

Ave Maria! Mother mild! Each friend of air or earthly essence From this thy wonted haunt exiled; Shall thee from Thy holy presence We bow beneath our cure for aeden, Now to Thy guidance reconciled. Then hear us maid, a simple maiden, And for a father, hear a child. Ave Maria! Ave Maria!

3. Du Bist die Ruh. Schubert. Mr. McDonald.

4. Serenade (violin) Schubert. Miss Smith.

5. Adieu. Schubert Mr. McDonald.

INTERMISSION.

1. Welsh National Song "Men of Harlech," Mr. McDonald.

5. O that we were maying. Miss Smith and Mr. McDonald.

6. Serenade. Pierré Miss Smith.

7. Good night, good night Beloved. Pinault. Miss Smith, Miss Thacker, Mr. Thompson and Mr. McDonald.

The subject of next Sunday's talk will be "Abraham the friend of God." The orchestra will play a selection from "Martina" by Wallace, and Mr. McDonald will sing "O for the Wings of a Dove" by Mendelssohn.

Miss Taylor's paper, owing to some extra work will not be ready till next week.

"We do not judge a man by his speed at the beginning of a race; it is the home stretch that counts. The test of a character is in a man's ability to persist in what he undertakes until he adds the finishing stroke. The ability to hold on is one of the rarest of human virtues."

"Look out for the period in your life when you are tempted to turn back. There is the danger point—the decisive period. All the great things of history have been accomplished after the great majority of men have turned back."

LEVEL GREEN

The farmers have been tolerable busy for the past week. Some are about done breaking corn ground and some haven't hardly begun.

Some are not done sowing oats yet. W. T. Todd who cut his knee with an ax about a couple of weeks ago is better at this time.

There will be services at the Baptist church next Sunday conducted by Rev. James Lummis.—Misses Katie Price and Ora Brown visited Mesdames Ellen Brown and E. F. Staton Sunday.

Mr. Ernoch Hammock, who has cancer of the eye is reported no better.—Mr. J. J. Brown is on the sick list. Mrs. Elizabeth Lawrence bought of Jerry Woody a cow for \$25 and some corn for \$3 per barrel. Mrs. Mary I. DeBord also bought of Mr. Woody a heifer for \$27. Cattle are in good demand; plenty of buyers are plenty of cattle.—Mr. and Mrs. J. J. DeBord visit D. Mrs. Rachel Todd Sunday last.—John Shuts, our bustling mill man, has got his saw rig in good running order but says he will not saw very much until crops are done.—Jarvis J. Brown has returned from Pittsburg and says that his son who had measles is much improved.—The little daughter of Mr. W. M. Hurst who has had measles is reported no better.

Victor Price, who has been attending school at Clarence, Ky., is at home to attend the trial of Judson Hatcher.—Bode Thompson is at home for a few days from Berea where he has been attending school.—T. J. Brown has returned from Stanford. He now has a position as insurance agent.—Mr. W. F. DeBord, one of the leading farmers of this section, is hauling logs to John Shuts' mill to have some lumber sawed to remodel his house.—Jerry Woody will leave this part in a few days for Indiana where he will make his future home. We regret very much to lose a good citizen and neighbor as Mr. Woody but our loss will be "Hoosier's" gain.

A WOMAN TELLS HOW TO RELIEVE RHEUMATIC PAINS.

"I have been a great sufferer from that dreadful disease, rheumatism, for a number of years. I have tried many medicines; but never got much relief from any of them until two years ago, when I bought a bottle of Chamberlain's Pain Balm. It cured me. I have since used all of one bottle, but kept on applying it and soon felt like I did in my former woman. Through my advice many of my friends have tried it and can tell you how wonderful it has worked.—Mrs. Sarah A. Cole, 140 S. New at Dover Delaware. Chamberlain's Pain Balm is a liniment. The relief from pain which it affords is alone worth many times its cost. It makes rest and sleep possible. For sale by Chas. C. Davis."

Resolutions requesting the Governor to call out the State militia in an effort to stamp out the night riders, and calling upon the law-abiding citizens of the State to identify themselves with the Law and Order League of Kentucky, were adopted at a mass-meeting held at McCauley's Theater Sunday afternoon. Gov. Wilson was one of the speakers. Another was Miss M. Alice Floyd, who severely criticized the Governor and others of the State Administration for their alleged indifference to the existence of the tobacco trust in Kentucky.

Gen. Simon B. Buckner, president of the Law and Order League, presided over the meeting. At the conclusion of the speeches a local Law and Order League was organized.

CURED OF RHEUMATISM. Mr. Wm. Henry, of Chattanooga, Tenn., had rheumatism in his left arm. The strength seemed to have gone out of the muscles so that it was useless for work," he says. "I applied Chamberlain's Pain Balm and wrapped the arm in flannel at night, and to my relief I found that the pain gradually left me and the strength returned. In three weeks the rheumatism had disappeared and has not since returned. If troubled with rheumatism try a few applications of Pain Balm. You are certain to be pleased with the relief which it affords." For sale by Chas. C. Davis.

NEW STATE LAWS.

The Kentucky Legislature that adjourned on March 17th did not enact as many laws as its predecessor, but some of the laws are of vital importance. Chief among these are the following: Act abolishing the present school trustee system and establishing county boards to control the schools and teachers; act to prevent a man from selling his tobacco after he pools it; act appropriating \$475,000 to complete the new Statehouse and again to act appropriating \$500,000 to the ten Normal Schools and \$200,000 to the State University; act putting poolrooms out of business; act giving State aid to all tuberculosis sanatoriums; act providing for a vote to annul the constitution so as to permit state aid to public road building; act authorizing warehouse men to commingle tobacco of like grades; act further regulating the employment of children in factories, and an act providing the tax penalty shall not go on until December 1st each year.

The bill to extend the county unit local option law to all counties in the State failed to pass as did the bills to readjust the Senatorial and Representative districts, and the bill requiring all buyers of tobacco to pay a license fee.

The Governor vetoed a number of bills, the most important one being the Arnett bill exempting from taxation stock in foreign corporations owned by residents of Kentucky.

The total amount of all appropriation bills is about \$1,325,000 and the session of sixty days cost about \$90,000.

Governor Wilson gave out a statement reciting at considerable length his reasons for vetoing several appropriation bills passed by the legislature. The principal bill vetoed was the measure appropriating \$100,000 for a state tuberculosis sanatorium. Three or four other measures added considerably to the sum appropriated by the legislature. In his statement the Governor recites that when the present legislature and state officers were elected there was nearly a million and a half of dollars in the treasury. This surplus, he says, the legislature, against his wishes expressed in messages and vetoes, wiped out and then proceeded to pass the measures just vetoed after the auditor had presented to the two houses a statement showing that there was but \$180 left in the treasury. The course of the majority of the legislature is sharply arraigned in the statement.

The following bills are all that passed and were signed by the Governor.

- 101. Crecllius—Act providing a fine for the seller and the buyer of a crop of tobacco that has been pooled, unless sold by consent of the pooling organization.
102. McCord—Act providing a fine for the sale or transfer of a piece of personal property where the possession is in one person and the title thereto is vested in another. (A companion bill to No. 101.)

76. Simmons—Act empowering fifth class towns to issue refunding bonds to pay debts.

How to Cure Your Piles
It suffers from piles and rectal disease would first try a reliable laxative like Dr. Caldwell's Syrup Pepsin instead of using external salves and suppositories, or having an operation performed, which would save themselves a world of trouble, expense and pain. The reason is that in nine cases out of ten piles are the result of habitual constipation, and when once the constipation is thoroughly cured the piles disappear.

NEWS ITEMS

The correspondence between the United States and Venezuela in regard to American claims has been submitted to Congress and shows that negotiations have reached a critical stage.

The time for sowing tobacco plants beds is about over and the leaders of the Burley Tobacco Society believe that the plan to eliminate a crop this season is a success, and that but a small part of the usual crop will be grown.

The Warner and Frazier bills for the restoration to duty of negro soldiers discharged without honor because of the affray at Brownsville, Tex., were defeated in the Senate Committee on Military Affairs by the votes of the few Democratic members who joined with the Republican opposition.

Trouble has arisen in the ranks of the Burley Tobacco Society over the retention of 10 per cent of the receipts of sales to pay the expenses of the society's organization. A meeting was held in Cincinnati which was attended by President Clarence Lebus and fifty growers. Members of the organization say 10 per cent of the gross receipts is too large a tax.

I had one foot in the grave, but Electric Bitters put it back on the turfcloth, and I've been well ever since." Sold under a guarantee at Chas. C. Davis' drug store 50c FOR SALE.

SHAKE IN A BOTTLE.

Now is the time when the doctor gets lonely, and the patient, mentioning the name of the doctor, has great credit to be given to the doctor who has the nerve to dress warmly and keep the feet dry. This is the advice of an old eminent authority, who says that rheumatism and indigestion trouble weather is here, and also tells what to do in case of an attack.

Out of any good prescription pharmacy one-half ounce fluid extract Dandelion, one ounce compound Syrup Sarsaparilla. Mix by shaking in a bottle and take a spoonful after meals and at bedtime.

Just try this simple home made mixture at the first sign of rheumatism, and it will soon let you feel that the kidneys are not acting just right. This is said to be a splendid kidney regulator, and almost certain remedy for all forms of rheumatism, which is caused by uric acid in the blood, which the kidneys fail to filter out. Any one can easily prepare this at home and at small cost.

Druggists in this town and vicinity, when shown the prescription, stated that they can either supply these ingredients, or if their readers prefer, they will compound the mixture for them.

Kennedy's Laxative Cough Syrup—the cough that tastes nearly as good as maple sugar and which children like so well to take. Unlike nearly all other cough remedies, it does not constipate, but on the other hand it acts promptly and gently on the bowels, through which the cold is forced out of the system and at the same time allays the inflammation. Always use Kennedy's Laxative Cough Syrup. Sold by Chas. C. Davis.

The little infant of Mr. and Mrs. Neal, of Livingston died Saturday night and was buried Monday afternoon in the old Roberts burying ground.—Mrs. Sam Sayers died Tuesday night of that dread disease consumption.

AN INSIDIOUS DANGER.

One of the worst features of kidney trouble is that it is an insidious disease and before the victim realizes his danger he may have a fatal attack. Take Foley's Kidney Remedy at the first sign of trouble as it corrects irregularities and prevents Bright's disease and diabetes. Sold by Chas. C. Davis.
