Remarkablė Story

The story of Mrs. Matilda Warwick, of Kokomo, , as told below, proves the curative properties of well-known female remedy, Wine of Cardui. Mrs. Warwick says:

It Will Help You

"I suffered from pains in my head, shoulders, limbs, side, stomset low down, disziness, chille, nervousness, fainting spells and other female troubles. I was almost dead. Three doctors did not help me. At last, I took Cartiui, and with the first bottle obtained relief. Now I am eured. But for Cardui, I would have been dead." Try Quanti.
