"Before taking Cardul, I had suffered with female
trouble, for eleft years. My greatest trouble was irregularity, I also suffered with severe palms, every month,
but now Lenf greatly improved and will recommend Cardul to all.my audiening friends."

## The Woman's Tonic

The rare medicinal herbs of Cardul are Imported by manufacturers direct from Europe and are not to be manufacturers direct from Europe and are not to be not in any other medicine.

These ingredients are what give Cardul its superiority, a female medicine and fonic, over any other medicine, as for the superiority as female in the superiority. The superiority is medicine. The laddes like it, because it is so easy take, so gentle, so safe, so reliable in its results, and y have faith in its curative tonic powers, because of thousands of other laddes it has helped.
