Correction: In our last issue, we stated that Dr. Pennington was here to see Mrs. Bryant, in consultation with Dr. Southard. Dr. A. G. Lovell is Mrs. Bryant's regular physician and the article should have read Dr. Lovell instead of Dr. Southard.

Prof. Houston entertained at dinner Wednesday evening the members of his faculty and those of the students who took part in the spelling contest. It was a most delightful evening for all and the meal was served at the boarding house of Mrs. Sue Butler.

Bartlett Griffin & Co. have purchased the stock of goods of E. Mullins & Son, at Withers, and consolidated the same with their stock. Fred Mullins, who successfully managed the business for E. Mullins & Son, will take a place with Bartlett, Griffin & Co., and a better more reliable man than Fred, is not to be found, and this firm is certainly fortunate in being able to secure his services.

Miss Rella Hiett and Mr. Roscoe Griffin were married at the home of Mr. and Mrs. J. B. McKenzie at Marehling yesterday. Rev. George Watson of the Presbyterian church officiated. The bride is a daughter of Mr. G. S. Hiett and a very attractive young lady. The groom is a son of Mr. Neh. Griffin of Marehling and a young man of many sterling qualities. They will make their home in St. Louis, where Mr. Griffin has a good railroad job.

The monobony of every day life in Wilde will be broken by a base ball game between one of the minor leagues of Madison county bearing the name of Blue Lick and Wilde Bears. The game to be played April 15th. We are anticipating an interesting game. Blue Lick will use as battery A. L. Griffin and E. Fannery while Wilde will use J. A. Lasswell and E. Phillips as we want to have "Old Hit" for another game. We are hoping to see a good crowd out.

The coming of Transylvania Presbytery to Mt. Vernon, on Tuesday of next week, is a fact worthy of note. There are five Presbyterian districts or Presbyteries in the State. Geographically Transylvania Presbytery is one of the largest, and the meetings have usually been held in one of the largest towns within the bounds of the Presbytery, such as Danville, Richmond and Lebanon.

Not only does this Presbytery meet in Mt. Vernon for the first time, but the Woman's Presbyterian Missionary Society, which covers the same territory as the P. S. meeting meets here on the same dates as the Presbytery. These two bodies do not always meet in the same town, and it is very seldom that both meet in the same town and at the same time.

Why not let these 90 or 100 victors go back to their homes in the Blue Grass and elsewhere with the highest possible opinion of the hospitality and civic pride of Mt. Vernon and her people? If you have not already offered to entertain one or more of the delegates see a member of the Entertainment Committee and arrange for such at once.

The evening meetings will be altogether popular meetings, and exceptionally strong and attractive speakers have been secured for next Tuesday and Wednesday evenings. The meetings close Thursday at noon. The following is the program for the week:

TUESDAY. EVENING SESSION. 7:45: Anthem "Praise Ye the Father." Gounod. 8:00: Opening Sermon: "Christian Education," by President F. W. Hiett, Ph. D., D. D. of Central University. 9:00: Reception at Langdon Dormitory.

WEDNESDAY. MORNING SESSION. 8:30: Devotional Exercises, by Rev. H. S. Murdoch. 9:00: Business. 10:00: Conference on Foreign Missions, conducted by Mr. J. M. Patterson of St. Louis, Southern District, Secy. of Presbyterian Board of Foreign Missions. 10:45: Address: Conserving Presbyterian Forces in Transylvania Presbytery," by Rev. F. J. Cheek, D. D., Synodical Supt.

11:30: Miscellaneous Business. 12:00: ATTENTION SESSION. 2:00: Business. 4:30: Vesper Service. Solo "Fast Ye not O Israel," Dudley Buck. Miss Mary B. Maxwell. Sermon Rev. C. T. Michel. EVENING SESSION. 7:30: "Send out the Light" Gounod. Address: Church France, by Mr. H. J. Patterson of St. Louis. Male Quartet: "In the Lord," Handel. 8:40: Address: "The Observation of Boyhood," by Pres-

ident J. C. Achson, M. A. of Caldwell College. THURSDAY MORNING SESSION. 8:30: Devotional Hour, Rev. J. Rockwell Smith. 9:00: Business.

The evening meetings are joint sessions of the Presbytery and the Woman's Presbyterian Missionary Society. To these meetings, as well as to all other conferences, the public is most cordially invited. Palm Sunday will be observed next Sunday morning at the Presbyterian church. The sermon and music will be appropriate.

Little Henry Thomas, son of W. R. Thomas died at Pine Hill, of whooping cough. We was laid to rest in the Elm Hill cemetery on the 29th. He was the baby boy of W. R. Thomas.

GOOD WORK:—A Gerrard county farmer's wife gives all the eggs she gathers on Sunday to the church. During the month of January and February, it was amounted in value to \$2. Of course the number will increase with warm weather, and should calculate that the good lady will contribute at least \$30 a year. Can you beat it?—Danville Advocate.

The above has reference to Mrs. J. M. Cress, of the Preachersville neighborhood, one of Rockcastle's good natives. W. M. Baker, of Anasab, Mo., arrived in Mt. Vernon Friday to bring his daughter-in-law, Mrs. M. E. Baker, in response to a telegram announcing the serious illness of Mrs. Baker's mother, Mrs. W. C. Childers, of near Plato. Mrs. Childers died before her daughter reached here and the body was being lowered in the grave when news reached the family that Mrs. Baker had arrived in Mt. Vernon and would be there as soon as it would be possible to drive there.

The body was then taken up and carried back to the home to await the arrival of the daughter, when the burial took place in the family burying ground near the old homestead. Judge L. W. Bethurum, Hugh Miller and T. J. Nicely attended a meeting of the Republican executive committee in Louisville last Saturday. It seems to be a long-ago conviction that Judge Bethurum will be a candidate for auditor. While we have no fears but what James E. and those who go on the ballot with him, will go in by one of the old time Democratic majorities, yet should it happen that the Republicans, by some crooked turn, are able to continue in power, we would be awfully glad for Rockcastle to be represented and there is no one better suited than Judge Bethurum to fill the place. If Rockcastle has ever had a candidate for a state office on either the Democratic or Republican ticket, it is necessary that even our oldest citizens remember not the time and should the judges come on the ballot, my wife safely expect to see Rockcastle give a Republican vote such as was never given before.

J. J. McCall is installing a grist mill at Marehling which will be run by a gasoline engine. The Willing Workers are having a visible built in the Christian church, which will fill a long felt need.

O. L. (Red) Mullins and a Miss Vanhook, of near Plato, boarded the early morning train Monday morning for Jeffersonville where they were made man and wife. They intended to go to Jellico, but reached Mt. Vernon too late to catch the south bound train.

Mr. Vernon won—The Spelling contest between the Mt. Vernon and Brodhead Graded schools pulled off at the Mt. Vernon Graded school building on last Saturday evening, was a most enjoyable affair and was thoroughly enjoyed by a large audience. Prof. J. W. Ireland, of Stanford acted the part of referee and gave universal satisfaction. There were twelve contestants from Brodhead and twelve from Mt. Vernon, there being fourteen girls and ten boys. The first to go down was Miss Judith McCall of Brodhead on "was" for "weest," Miss Zelma Jones of Mt. Vernon followed next with "hoard" for "horde"; Brodhead followed with three in succession, Miss Lena Ahrig of the visitors cared but little for her "portraight" while Miss Emma Davis of the home club waddered far from "Parzia" while Miss Ruth Mullins another of the Mt. Vernontites preferred to "Arbitrate" rather than "agitate," Miss Rita Frith, of Brodhead, had an eye on "Arizona" while Bryon Owens of the same class in his rush for "San Francisco" left off the "Fram"; not outwitting "Allergence" but Charles Thompson, of the home club his place. Brodhead lost one then Mt. Vernon one which rotation was kept up until the last of the Brodhead school were down. The "aramallid" of Base Callahan, and the "practical call" of John Rowe, to Miss Katie Case were not "defensible," that to Ben Fishback it was very "blamable," concerning all of which John Lair was so very "facetious" and Wallace Haggard so "in agreement" that Miss Rita Cable was very "exhorted." When the mist had cleared away the only two out of the twenty four left were Masters Homer Proctor and Will Thompson, ages 14 and 12, respectively. A prize of \$3.00 was awarded to the school winning and \$2.00 to the winning party that had been there were two in each team.

Shav Penman, negro, convicted of assault in Lincoln county, will be the first man put to death by electricity in Kentucky. The Governor has fixed the date of execution as May 6.

There will be a union preaching series in the Court House next Sunday evening at 7:30 o'clock. The subject of the sermon will be "The Brotherhood of Man." This is the first of a series of sermons on subjects upon which all Christians are agreed. Come and help make the meeting a success. Some time since an article appeared in this paper, which we copied from the Evening Post, stating that Booth Thompson had shot and seriously wounded a prominent business man in Jacksonville, Fla. Mr. Thompson, in a letter addressed to a Rockcastle friend says the report given out was a mistake and asks that it be corrected. He says that he had some trouble with a man, or rather one of the toughs of the city while riding on a street car and when he (Thompson) got off the car, the man came at him and took hold when he fired the shot which was only a slight flesh wound and Thompson says further, that he had offered the man a small amount as a compromise, which if not accepted again next Friday that then the matter would be fought out in the Courts. Thompson says that he wants his Kentucky friends to know that he has not committed any serious crime.

LOST APPETITE AND HOPE

Neglected Cold Caused Complication, Promptly Restored by Ferrus.

Mrs. Rosa Boyer, 412 1/2 Sherman Ave., Elmira, N. Y., writes: "If any one has reason to praise Ferrus, it is sure by myself. Last spring I became so run down from the serious cold that I could not get up. I was in bed for two weeks. I was so miserable that I could not sleep and had to be up at 4 o'clock. I tried Ferrus and it did wonders for me. I was like another person, and in a month I felt better than I ever had before."

Gave Up Hope

"I suffered five years, with awful pains, due to womanly troubles," writes Mrs. M. D. McPherson, from Chadbourn, N. C. "They grew worse, till I would often faint. I could not walk at all, and I had an awful hurting in my side; also a headache and a backache.

I gave up and thought I would die, but my husband urged me to try Cardui, so, I began, and the first bottle helped me. By the time the third bottle was used, I could do all my work. All the people around here said I would die, but Cardui relieved me."

TAKE THE CARDUI Woman's Tonic

For more than 50 years, Cardui has been relieving woman's sufferings, and making weak women strong and well. During this time, thousands of women have written like Mrs. McPherson, to tell of the really surprising results they obtained by the use of this purely vegetable, tonic remedy for women.

Cardui strengthens, builds, restores, and relieves or prevents unnecessary pain and suffering from womanly troubles. If you are a woman, begin taking Cardui, today.

Write to Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn. for Special Literature, and a large bottle, "House Treatment for Women," cost free.

BEWARE OF POINTMENT FOR CATARRH THAT CONTAINS MERCURY

Mercury will surely destroy the sense of smell, and completely change the whole system, when entering it through the mucous membrane. Surgical articles should never be used unless on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hill's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally acting directly upon the blood and mucous surfaces of the system.

In buying Hill's Catarrh Cure be sure you get the genuine. It is taken internally and made by Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. S. B. H. Druggists. Price, 75c. per bottle. Take Hill's Family Pills for constipation.

HENRY CLAY

My fine combined harness and saddle horse, Henry Clay, a dark bay with black mane and tail, 14 hands high, will make the season of 1911 at my stable near Hiatt, \$10 to insure a living colt. Henry Clay was sired by Old Bill King and is full Drenon and Denmark and to Rockcastle people is well known.

SAM

At the same time and place, my splendid Jack, Sam, will make the season at \$7 to insure a living colt. Sam is a black jack, neatly nose, white belly and 14 1/2 hands high. This jack is known as the Pulaski County John Riddle Jack, and is one of the best breeders in this section of the State.

Reason money for horse or jack is due if mare is traded or parted with. All care will be taken to prevent accidents, but will not be responsible should any occur.

CHINT LEAR

July 11 was fixed as the time and Louisville as the place, for the Republican State convention by the State Central and Executive Committee at its meeting in Louisville Saturday. The result is a setback for the O'Rear forces, which desired an earlier convention, with Lexington as the place.

NEVER OUT OF WORK

The busiest little things ever made are Dr. King's New Life Pills. Every pill is a sugar coated globe of health, that changes weakness into strength, increases energy, brain-fog into mental power, curing Constipation, Headache, Chills, Dyspepsia, Malaria. Only 25c at Chas. C. Davis.

For a purchase price of \$7.00 the Girl's Fraternity's city Saturday purchased the Greens' property in O'Connell street and will remodel it and conduct a home for working girls.

TOM COVINGTON, JR.

Dark bay, black points, 16 hands high, (foaled April 1908; sired by Able's O'gressors, bred by Tom Covington, 1st dam Mrs. J. J. J. dam Gray Eye). Tom Covington, Jr., possessed 1/4 of the five gait, with speed, grace and action. He is a true type of the saddle in body of motion and form is far less and absolutely sound. This Champion 3 year old stallion will make the season of 1911 at my farm 1/4 miles from the Hill, Ky., for \$5 to insure a living colt. Season money one when mare is traded or parted with. Care taken to prevent accidents but not responsible should any occur.

SAVED HIS MOTHER'S LIFE.

"Four doctors had given me up," writes Mrs. Laura Gaines, of Aroostook, "my children and all my friends were looking for me to die, when my son insisted that I use Electric Bitters. I did so, and they have done me a world of good. I will always praise them." Electric Bitters is a priceless blessing to women troubled with fainting and "gray" (neuralgia), backache, headache, weakness, debility, constipation or kidney disorders. Use them and gain new health, strength and vigor. They are guaranteed, purity or money refunded. Only 50c at Chas. C. Davis.

OPENING OF THE BALL SEASON.

Early ball games now being played on 20 to 22 diamonds are a reminder of the coming season, and that it is good business for any town to maintain a strong team.

The use of "lock" of the sport is that it rarely encourages the average fan into excess of his own, putting down players, bearing a name loss, or even exciting the umpire, do not develop upon own muscle.

But the sign of a true fan is that he because of his own mind, the same and strength of a 25- or 30- pound and again are instantaneous, the exhibition of a perfect muscular development and control, the same piece mastery shown over his own muscles as applied to his own.

As a 2000 series of letters to the editor, through columns, appear to be the coming and the coming, America's cup team.

A new idea has to give adequate support to base ball seems to be a most of people as slow as a town needs a railroad. And business men should realize that the stars and stripes to secure a lot of them remain to try at the stars.

Dr. Pierce's Favorite Prescription

It is the best of all medicines for the cure of disease, disorders and weaknesses peculiar to women. It is the only preparation of its kind developed by a regularly graduated physician, an experienced and skilled specialist in the diseases of women.

It is a safe medicine in any condition of the system. THE ONE REMEDY which contains no alcohol and no injurious habit-forming drugs and which creates no craving for such stimulants.

THE ONE REMEDY so good that its makers are not afraid to print its every ingredient on each outside bottle-wrapper and attest to the truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can get it. Don't take a substitute of unknown composition for this medicine which is known everywhere. No counterfeit is as good as the genuine and the druggist who says something else is "just as good as Dr. Pierce's" is either mistaken or it tries to deceive you for his own selfish benefit. Such a man is not to be trusted. He is trifling with your most precious possession—your health—may be your life itself. So that you get what you call for.

HANNA'S GREEN SEAL PAINT

It is without doubt the most efficient house paint on the market, and is cheaper in the end, in that it will go further and wear longer than other paints. Only the best materials are used, with WHITE LEAD AS THE PREDOMINANT PIGMENT, tempered with just enough zinc to prevent chalking quickly, as is the case where lead alone is used.

HON. HARVEY HELM

Congressman Harvey Helm, of the District of Columbia county, representing the Eighth Congressional district, was highly honored by the Democratic caucus of the new House which met in Washington Monday. He was made Chairman of the Committee on Expenditures of the War Department, and was also placed on the Insular Affairs and Census committees. Ben Johnson was the only other Kentucky congressman to be placed at the head

LIVINGSTON

J. J. Painter the Brodhead scrub was here Sunday.—W. A. Rice was in Mt. Vernon Monday.—Mrs. L. G. Palm is visiting at Pine Hill this week.—Cam Mullins and Dr. R. C. Webb were in Louisville Saturday. Cam said he heard the next Governor make a speech Judge O'Leary being the one he had reference to. Well they must put up some man for slaughter and the Judge will do just as well as any for it is a fore gone conclusion that James B. will be the next Governor of Kentucky. It is useless for them to make a fight this fall, but you know a drowning man will grab at a straw. But boys you have run your course and there is defeat laid up for you.

The extra session of Congress was convened Monday. Now the muddling begins, with a Democratic House, a Republican Senate and a Republican President. Well, we may not get the bills passed that should be but we can block the game with the other boys that have had their way for 18 years or until there has been a trust formed on every thing we consume.—There is great competition in Livingston at present and flour has dropped from \$6 to \$4.50 and still the war goes on. But competition is the life of a town, especially for those that have to purchase.—We understand that the Sunday closing law worked like a charm. This is something that we should have had long ago, and most every one is glad, that we have it. On last Sunday every business house closed its doors in Livingston and we did not hear of any one being dissatisfied with the closing law.

Mrs. Susie Mullins and Miss Bertha Hicks left Sunday for London and Corbin for a few days visit.—Rev. Livingston filed his regular appointment for the Christian church Saturday and Sunday assisted by the Rev. Lincolnton of Jackson, county.—W. M. Penson and Joseph O'Mary went to Mt. Vernon Monday and took the Royal Arch degrees in Masonry.—L. M. Westerfield is on the sick list this week.—Daniel Ponder has purchased a house and lot on Main Street and moved into it.—W. H. Colburn, legislator of Pine Hill, was in our town Monday.—H. W. Bowman was in McKee, Jackson county last week.—Crawford Stanley of Stanford, is visiting relatives here.—William Westerfield has returned from Stanford.—Judge and Mrs. Magee was

ited in Mt. Vernon first of the week.—Section Foreman McClary, was in London Saturday.—J. H. Browning is in very poor health and will take a trip to Florida for a month's stay.—We are having a great deal of rain and farmers are getting belated with their work.—Well, some days it looks like Spring is here and perhaps in twenty-four hours it is snowing. So we will write no more about Spring until we are sure that it has come and come to stay.—Dr. Walker Owens of Ponce is in four town Wednesday.—Col. R. M. Jackson, of London, was here between trains Wednesday.—N. B. Crouch, of Lebanon Junction is moving his family here.—Dr. Francis, Dentist, of Mt. Vernon, is with us every Wednesday.—News is scarce this week, so our letter will be short.—Judge L. W. Bethuram was here between trains Wednesday.

BRODHEAD

The Brodhead Graded School thoroughly enjoyed the spelling contest at Mt. Vernon even though they were not victors. We regret however that the trustees of the Mt. Vernon school refuse to permit them to accept the challenge of the Brodhead students to enter into a similar contest with them.—B. C. Anderson and son has just closed a contract with J. Thos. Cherry purchasing his store house for \$800.—Mrs. Monie Dunn of Danville, is visiting her sister, Mrs. J. G. Frith. Mrs. Maud Sproule and children of Paris visited relatives here first of the week.—Mrs. Belle Henderson, of Lowell, is visiting her daughter, Mrs. E. B. Newland.—Mrs. Lizzie Lynch who has been at Stanford under treatment for a sprained ankle is visiting. Mrs. J. Thos. Cherry.—Miss Kate Wells, of Crab Orchard visited Miss Jewel Francisco Saturday and Sunday.—N. Giles Carter and wife of Tellico Plains Tenn., have been visiting his parents and brother Dr. W. F. Carter.—Joseph Dupen Carter who has been in the bank with his brother at Tellico Plains Tenn., has come home to spend a few months with his father and mother.—Charles Yocco and wife, of Manring Tenn., have been visiting Mr. and Mrs. John Robins.—E. L. Dabman and wife of Mt. Vernon visited relatives here last week.—Egbert Wallin, of Oakdale, Tenn., is at home.—Graville Owens and family will move to the country in a few days and Melvin Owens will take charge of the exchange.—Miss Dora Bench

05 Knoxville Tenn., is visiting her sister, Miss Katie Bench.—Mr. T. S. Frith who was sick for several weeks is able to be out again.—Bro. Rogers of Lousville, filled his appointment at the Christian church Sunday.—The Crab Orchard Dramatic club will play "All a Mistake" a force comedy in three acts here Friday night, April 7th. The proceeds go for the benefit of the Christian church at that place.—Miss Jewel Francisco visited Mrs. J. H. Barnett, of Quail, this week.—J. A. Laidrum Proxy of The Grand High Priest with a number of members of Mt. Vernon Royal Arch Chapter No. 140 came down Saturday evening and set to work Brodhead chapter. John Robins was installed as High Priest, J. Thos. Cherry King, W. E. Gravely Scribe, Wade H. Leece Treasurer, Sylvan Bordes Secretary, George B. Layne Captain of the Host, John F. Phelps Master of Ist. Veil. A meeting was called for April 11th, when the other officers will be appointed and installed and degrees conferred on a large class by the Mt. Vernon degree teams.

MIDNIGHT IN THE OZARKS, and yet sleepless Hiram Soranum, of Clay City, Ill., coughed and coughed. He was in the mount sin on the advice of five doctors, who said he had consumption, but would not trip in the hospital. He started home. Hearing of Dr. King's New Discovery, he began to use it. "I believe it saved my life," he writes "for it made a new man of me, so that I can now do good work again." For all lung diseases, coughs, colds, a gripe, asthma, croup, whooping cough, hay fever, hemorrhages, hoarseness or quinsy, its the best known remedy. Price 50c and \$1.00. Trial bottle free. Guaranteed by Chas. C. Davis.

A legislative programme was adopted by the Democratic caucus which is expected to confine the activities of the coming extra session of Congress to popular election of Senators. Canadian reciprocity, tariff revision, investigation of Governmental departments, congressional reapportionment, Statehood for Arizona and New Mexico, general deficiency appropriations, District of Columbia legislation and public works of campaign contributions.

Over 7500 coal miners in Cane Nest Pass coal district, in British Columbia, have quit work through a wage controversy.

Constipation brings many ailments in its train and in the primary cause of much sickness. Keep your bowels regular, modern and you will escape many of the ailments to which women are subject. Constipation is a very simple thing, but like many simple things, it may lead to serious consequences. Nature often needs a little assistance, and when Chamberlain's Tablets are given at the first indication, such distress and suffering may be avoided. Sold by Chas. C. Davis.

EASTERN KENTUCKY MINERALS.

Prof. C. J. Norwood, director of the State Geological Survey, delivered an address before the Lexington Commercial Club...

The extension of the Lexington & Eastern railroad, Prof. Norwood said, would open a coal district that heretofore had been practically untouched...

When advertising fails to attract it is usually because the writer failed to make it newsworthy. In this spring season there is a human interest story in every retail business...

The public listens, Mr. Merchant! Are you there?

dictor seems conservative in view of the fact that the State's production last year amounted to 14,500,000 tons.

Besides the coal in the mountains "there is a good quality of flinty limestone, fine building stone, in salt brines, gas, and petroleum. Prof. Norwood said the building stone in Rockcastle county is of a finer quality than the famous Bedford stone...

Prof. Norwood and his assistants in the State Geological Survey have devoted much time and research to the minerals of Eastern Kentucky. He therefore speaks as one having great knowledge of his subject and his remarks may be accepted as not tinged with exaggeration or over-enthusiasm.

THE NEWS FROM THE STORES.

The relation of the merchant to his public is much like that of the newspaper man to his audience.

The public, or at least the feminine end of it, picks up the newspaper with as much eagerness to learn the news of bargains and styles as to see what the army is doing in Texas.

The merchant who does not respond to this demand with a good story about his offerings and values meets the same fate as the newspaper man who does not know a good piece of news when he attracts it on the street.

When advertising fails to attract it is usually because the writer failed to make it newsworthy. In this spring season there is a human interest story in every retail business...

The public listens, Mr. Merchant! Are you there?

Prof. Norwood said to the Eastern Kentucky coal field last year produced about 6,000,000 tons, "equal to the total output of the State in 1902." Within two or three years, he believes, Kentucky will enter the twenty million ton class in the production of coal and this "will be due chiefly to the development now going on and planned in the Eastern field."

These sections of our neighboring States with the central and northern portions of Kentucky, we earnestly desire your presence to be held in Pineville, Bell county, Ky., on the 19 and 20th of April, 1911 for the purpose of effecting a permanent organization looking to the building and maintaining of a system of highways in South-eastern Kentucky...

We earnestly insist that you be present and give us the benefit of your views and advice and that you might become a member of this organization and assist in its great work. By your aid and cooperation the "South-eastern Kentucky Good Roads Association" can do much that will insure to the general welfare of our State, and especially to the Southeastern portion thereof.

Please advise the committee if they can expect your personal attendance. Very truly, B. A. FUSON, E. S. HELBERSON, N. R. PATTERSON.

The above is a circular letter being mailed out to people interested in the effort to construct the proposed pike connecting Eastern Kentucky, Tennessee and Virginia with the Bluegrass and other points north. All who are interested are cordially invited to attend this meeting.

DEATH ROLL OF THE MINES

It costs the lives of 1,125 men to mine 231,956,070 tons of coal in Pennsylvania last year, according to the annual report of the chief of the State Department of Mines, just issued. In proportion to the number of men employed and the amount of coal mined the work in hard coal mines are more hazardous than the anthracite production was 87,269,204 tons; persons employed, 159,927; killed, 598. The bituminous output was 148,666,776 tons; persons employed, 187,711; killed 527. These figures make it evident that there is either a carelessness or a recklessness of supervision upon the part of the mining corporations that needs immediate remedy.
