Mullins had arrested Grabiel and started to jail with him, when a man by the name of Settles rushed upstruck Mullins and knocked him down. Grabiel then drew his knife and began cutting on Mullins. When Settles struck Mullins, Frank Mullins who was standing near rushed up and grabbed Settles but in the scuffle, Frank Mullins lost his balance and fell across Cam Mullins and had it not been for Oris Mullins a younger brother of Frank Mullins who appeared on the scene, it is very certain that the two Mullins' would have fared pretty badly at the hands of Grabiel and Settles. Mullins received a very painful but not serious hit in the small of the back which will keep him confined to his room for several days. He was brought to his home Tuesday and the best report is that he is resting very well. There will be a meeting of the directors of the Mt. Vernon Fair Association in Atty. E. R. Geunry's office tomorrow (Saturday.) A full attendance is desired.

Our most efficient Livingston correspondent was very much against the stock law in that he voted against it on the 11th. We are told by one of his Livingston friends that Bill in his anxiety to vote against it voted in the square opposite the word "against" which meant he wanted the stock kept up. Bill bitterly denes it but some of his good friends swears it is true. The two year old child of Mr. and Mrs. John Hook of Mareb burg, fell in a jar of water Monday and was drowned. The little fellow, as we get it, fell in a jar which contained just enough to come up over his head and in some way got fastened so as to be unable to extricate itself and died before anyone found it. This was a most horrible experience and the parents, who are crushed at the loss of their little one in such a manner, certainly have the sympathy of all. HOME MISSION WEEK TO BE OBSERVED IN MT. VERNON. Practically all the leading religious denominations throughout the United States will observe a 10 week (Nov. 17th to 24th), as the Home Mission Week. The aim of Home Mission Week is to so impress upon every man and every woman of every evangelical denomination in this country the supreme importance of saving America for the Kingdom of God. Special services will be held in the Presbyterian church every night next week, beginning Monday, at least one union service will be held, and one or two out-of-town speakers will be here for the occasion. The program appears elsewhere in the paper. Dr. D. B. Southard, of Mt. Vernon one of the best known young physicians in this part of the state, has moved to Stanford and will be associated with Dr. E. J. Brown in his practice during the absence of Dr. M. M. Phillips in Chicago. Dr. Southard is a former student of Dr. Brown, and is splendidly equipped in every way for the responsibilities he assumes. He has purchased the home of L. E. Hughes on lower Main street, and will with his family be given a cordial welcome to this community.—Interior Journal.

In fabric, fit, fashion and finish, 4130 is an exceptional suit. It's guaranteed all-wool, fast and full color, full weight.
