

A BLOOD MEDICINE WITHOUT ALCOHOL
 Recently it has been definitely proven by experiment on animals that alcohol lowers the germicidal power of the body and that alcohol paralyzes the white corpuscles of the blood and renders them unable to take up and destroy disease germs. Diseases germs cause the death of over one-half of the human race.

A blood medicine, made entirely without alcohol, which is a pure glyceric extract of roots, such as Bloodroot, Queen's root, Golden Seal root, Mandrake and Pierce's Golden Medical Discovery. The refreshing influence of this extract is like Nature's influence—the blood is purified in the tonic which gives life to the blood—the vital force of the body burns brighter and their increased activity consumes the tissue rubbish which has accumulated during the winter.

DEAFNESS CANNOT BE CURED

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness caused by inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness cured by Catarrh, which cannot be cured by Hall's Catarrh Remedy. Send for circulars, free.

I got able to be up and help do my housework. I continued to take the medicine, and now I am able to do my housework and to care for my children, and I feel as though I could never praise Cardui enough for the benefits I have received."

A WORD TO PROGRESSIVES.

It is being said of us, for political effect that we voted, the Progressive ticket last fall to show our admiration for Theodore Roosevelt.

While this is true in a sense, we voted as we did, for far more cogent reasons, than mere admiration for a man. Admiration for Roosevelt is born of appreciation for his fearless leadership wherever he has appeared in a public capacity. As Moses, who was chosen of God to lead his people out of bondage and as Washington, and Lincoln were raised up and put forward as leaders in a National crisis so the progressive spirit in National politics recognize in Theodore Roosevelt the ideal champion of people who believe in a "Square Deal" for the man Lower down as well as Higher up. A champion of the masses and not the tool of the protected, and privileged classes.

We voted the Progressive ticket because we believe in a true democracy, which means a "Government of the people, by the people, for the people." We give no nothing in our addresses to the fundamental principles, that were dominating and adopted, and won, by the republican party, in the civil war.

We claim these as common property, achieved at the cost of the best blood of the Nation shed by those on both sides of the conflict.

We assume to go a step many steps further in National affairs, and assert that the tolling millions male, and female do not receive a just recompense as reward, for producing the wealth of the Nation wherein the favored classes protected by discrimination in legislation and administration of the law, my fellow citizens who stand identified as you and I stand, this is the one reason why we voted as we did. You and I can give a reason for the hope that is in us, good substantial reasons why we voted the progressive ticket, and why we shall continue to vote it as every opportunity offered to us.

BROODHEAD.

Mr. and Mrs. Dave Roberts were up from Maywood and spent a few days with their grandparents, Mr. and Mrs. J. W. Owens, last week.—Miss Florence Pennington, of Livingston, is spending a few days with her sister, Mrs. O. A. Frith, this week. Ed Owens is over from Lexington for a few days.—Mr. and Mrs. Frank Brooks, of Harlan, spent a few days with home folks here last week.—Mrs. Bess Henderson, of Paintlick, is spending a few days with her daughter, Mrs. Eda Newland.—Cleve Wilmont was down from Knoxville, Sunday.—Homer Wallin was over from Danville, Sunday and Monday.—Rais Wilmont and Frank Ward were in Marebrough calling Sunday afternoon.—Miss Minnie Gearty spent Sunday in Mt. Vernon with Mr. and Mrs. Edg. Gentry.—Mrs. E. H. Hamon has been very sick for the past week, but is able to be out again.—Arthur Anderson was over from Paris, Sunday.—Miss Leila Albright was down from Mt. Vernon from Friday until Monday.—W. J. Owens has occupied his new house in the Henry addition and has moved his family into it.—Mrs. Susie Tharp is visiting her sister, Mrs. J. E. Wallis, at Junction City, this week.—J. Theo. Cherry was in town Tuesday on business.—Mrs. L. D. Ross died at her home near Gum Sulpher, Wednesday of last week, and was buried in the Christian church cemetery the following afternoon. She leaves her husband and several children to mourn her loss.—Mrs. Mattie Payne and daughter, Miss Darling, of Lebanon, Jackson, were visiting Mr. and Mrs. B. A. Yaden and other relatives here the first part of the week.—W. P. Bigley, of the Freshersville section, bought a young horse from W. S. Haggard a few days ago for \$50.—Mrs. Lora Whitted, of Boone, who has been visiting in

at the Graded school building last Saturday evening, which was largely attended and greatly enjoyed. From the manner in which the pupils carried out the program, it showed that they had the best of instruction, and certainly speaks well for Mrs. Whyland.—Frank Messer, who was reported last week as being very ill with typhoid fever, died at his home on Silver street early Tuesday morning, and was buried in the Methodist cemetery, Wednesday afternoon, at 2:00 p. m. He is survived by his wife and two small children. Short funeral services were held by the Rev. A. J. Pike.—The most disastrous fire that ever visited Brodhead was early Sunday morning, when the big store house and its entire contents of B. C. Anderson & Son, and the store building of Dr. W. B. Gravelly, went up in flames. The fire originated in the Anderson store, and had gained such a headway when discovered that it was impossible to save anything from it. The large stock of general merchandise of Gravelly & Elder was so carried out, and the building which stood within a few feet of Anderson's store was left to its fate. The bucket brigade by hand work saved the Citizens Bank building and the Telephone Exchange. The loss to B. C. Anderson & Son is estimated at least \$7,000, partly covered by insurance. The loss sustained by Dr. W. B. Gravelly will probably reach \$5,000 with no insurance. The damage to the bank building will reach close to \$400, which is fully covered by insurance. The Post Office was damaged slightly, that is, the glass in the front windows was broken by the intense heat.—John Singleton, who lives near here, was seriously injured by a falling tree a few days ago. He was cutting saw logs and had cut two trees that he lodged on another and when he cut the third tree, it fell on him, breaking his back.

critical condition, and his recovery is doubtful.—Mrs. Margaret Cook, sister of the Rev. A. J. Pike, is visiting relatives and friends in Pine Hill, Livingston and Taylorsville, this week. Her home is in Seattle, Washington. She has been with relatives in Kentucky since the Pike reunion last fall, and will return to her home in the next few days.—Gravelly & Elder moved their stock of general merchandise to the R. S. Martin Building, east of the railroad Sunday, and are now ready for business, and judging from the neat appearance of their stock, they are none the worse off for their trying experience of last Sunday's fire.—W. P. Bigley bought a tract of woodland on George W. Hasty, three miles west of town. He will move to the W. H. Lynch property, on Main street in the next few days.—Bob Roberts, section foreman from Maywood, has been transferred to the Pine Hill Section, and has moved his family there.—We understand from a reliable source that Brodhead is soon to have a new five-room depot, but just where this much needed improvement will be erected is a question that is causing considerable comment. The Brodhead people are very anxious that it be built near where the old one now stands, but a great many are of the opinion that it will be built about one quarter mile north of the old one. The old one has become such an eye sore that most of us will be glad to have a new one no matter where it is built.

BLAMED A GOOD WORKER.

"I blamed my heart for severe distress in my left side for two years," writes W. Evans, Danville, Va. "I had known one it was indicated as 'King's New Life.' Still completely cured me." Best for stomach, liver and all kidney troubles, constipation, indigestion, etc. 25c each at Chas. C. Davis.

Mt. Vernon Graded School.

The fifth month of our school has just closed with our enrollment of over three hundred pupils. New ones are still coming. We have set our mark for three hundred twenty-five. Parents, are you still helping us in this battle? Are you still sending your children every day and asking your neighbor to send his? Let's do not give up the fight until all are in. If you are not in the army for better schools, join now. It is never too late to do some good.

Agriculture and domestic science have been added to our school. These certainly are needed in every school. All of our best schools have them. Each year let us make our schools a little better by adding something.

The first lesson in domestic science was given this week. Miss Wanzel, of the Langdon Dormitory, is our teacher. She comes to us each Friday. We will be glad to have the parents visit these new classes and see what we are doing. We are greatly indebted to the Woman's Club for the addition of domestic science. We wish to thank it for its aid to us and for the good things it is doing for our town and people. It certainly is doing splendid work.

Our talks in chapel on Monday mornings by our town people are growing better each week. We would be glad to have the parents come out and hear these talks. Mr. C. F. Williams is the speaker for Monday.

The honor roll for the past month is as follows: Calvin Murray, Earl Davis, Taylor Dube, Burdett Brown, Deville Lavelle, Curtis Stanley, Christian Taylor, Emma Davis, Edith Lasswell, Mrs. Emmet Stella, Deacy, Nora O'Connell and Fay McClure.

I highly recommend it to my folks as being a most reliable way of obtaining relief from colds, coughs and croup." Give Chamberlain's Cough Remedy and you are satisfied. It conducted in the future along the same line as set out this year the Farmers Institute will be of great benefit to the farmers and the farmers will take interest. The talks along direct lines connected with the farms were interesting and instructive, and while there were very few farmers present yet those who did attend felt greatly helped as the result of the meeting.

COMMERCIAL CLUB - Enthusiasm was again on top at the meeting of the Commercial Club Wednesday night when the program laid out at last meeting was carried thru with a vim. Every speaker did his subject justice. Mr. McKee, who was here as one of the speakers in Farmers Institute was present and gave an interesting talk along civic lines and on practical farming and the relationship between the farmer and the town. The thanks of the club were extended him for his entertaining and comprehensive address. Four new members were admitted: M. J. Miller, Prof. J. S. Irvine, E. R. Gearty and J. A. Landrum. Reports from Boone Way Booster Band shows satisfactory progress in securing the co-operation of the leading congressman who are pleading their support of our bill to be introduced in April. Commercial Clubs in various towns and cities of our State and those of Virginia, Tennessee and the Tex. Fed. state have taken up the cause and are assisting in the work.

The subject of handling produce that is brought to Mt. Vernon was further discussed and it was the consensus of opinion that the most feasible plan would be to organize a joint stock company each business man taking shares and to have a regular organization directors and a general manager who would employ a competent produce man to handle the business and to see that market prices be paid in cash for produce. It is probable this plan will be carried out at an early date.

Arrangements were made for sending the Secretary of the club, who has been appointed by our Governor, as a delegate to meeting of the Southern National Highway Association that meets in Asheville, N. C. Feb. 12.

Four of the fourth grade pupils, Julia Landrum, Elizabeth Lemons, Edith Morris, and Hazel Reynolds, made 100 per cent in the monthly grammar test of the past week.
