A more complete account in our next issue of the last two evenings.

The Jacksonian, of Cimarron, Kans., publishes the following concerning D. Francisco, a former Rockcastle citizen and a brother of our worthy countryman F. Francisco, of Brodhead, who departed this life at San Diego, California on April 22nd.

D. FRANCISCO.

"The old order changeth." As in the singular, warring line of battle, when one falls, another steps in his breach and leaps up to the fight, so through the shifting scenes of years, the ranks of the citizenry of Gray county, also always pressing forward, some times break and fall, as one of the veterans fall. And as we look through the mist of years, the mantle of charity and teacher, whose drops over them all and obscure the little differences which occasionally come up. And so, when the caravan moves up through the streets of Cimarron and on over the hill, through the pure, sweet sunshine and the soft Kansas air, and as one by one the sons of Gray County are laid away beneath the plow-like buffalo sod, the answer comes from every heart, "Rest in peace!" The social spirit overcomes all prejudices and differences and Death, the great leveler, crystallizes the social spirit and causes us to halt and see things in their true and best light. He was a man of high character and high ability. "Dad" as he was familiarly known, was too big a citizen for Gray county to be forgotten soon. No one could go through the pioneer days and the stirring days of county seat troubles and

## WOMAN'S TRIALS.

The burden a woman has to carry through life is many but they can be lightened if she will turn to Dr. Pierce's Favorite Prescription. A soothing and strengthening nerve—aiding energy, excitability, prostration, hysteria, hoarseness and the many symptoms which may be caused by distressing ill health to women. For those "dazing-down" pains of distress and for the derangements and irregularities the "Favorite Prescription" has many thousands of testimonials from people living in every part of America. Another important thing to every woman is that this medicine is made from efficient medicinal roots, without the use of alcohol, narcotics, or any injurious agents. Full list of ingredients given on bottle wrapper and sworn to by Dr. R. V. Pierce—who is President of the Medical and Surgical Institute, at Buffalo, N. Y. Every woman is invited to try this Institute and receive confidential and sound medical advice, entirely without cost from one who makes the diseases of women his specialty.

Mrs. M. DONNELL.

I can cheerfully recommend your remedies, especially your "Favorite Prescription," for all female disorders. During the past seven years I suffered from pains in the back and nervous. Tried many remedies but found only transient relief until I was persuaded by a friend to try Dr. Pierce's Favorite Prescription. After giving this remedy a fair trial, I found that it would do just what it is recommended to do. I tried it all seven bottles and am now high in spirits. Dr. Pierce's Pleasant Pellets regulate liver ill.

### TO THE CITIZENS OF ROCKCASTLE COUNTY:

I now take this means of publicly announcing myself as a candidate for re-election for county superintendent of schools.

In making this announcement I wish to say I believe I have learned enough from the experience of this term to enable me to give better service another term than I have this, and if elected I will give my whole time and attention to the duties of the office. The new law which goes into effect at the beginning of the new term will require a superintendent to be at the office except when he has official business elsewhere.

There are a great many other things to which I want to call your attention later. Yours truly,  
J. W. KINSER

### BROODHEAD.

Their many friends join us in wishing them success and happiness in their so-called life.—Master Leslie Elder, a member of Broodhead junior base ball team, demands that we correct our last week's letter, in which we stated that on Saturday before the home team was defeated by the Mt. Vernon team, 15 to 1. He wants it plainly understood that the score stood 13 to 4 in favor of the visiting team, as we stand corrected.—Mrs. Russell Thompson and daughter, Mrs. Puckett, and Misses Myrtle and Hazel, and son Herbert, of Louisville, stopped off here Wednesday on their way to Squire H. C. Cable's, to be present at the birthday dinner given in honor of the Squire.—Aunt Judge Chestnut returned home after spending several days in Progersville and Lancaster.—The moving pictures at the bank hall are attracting large crowds.

### WONDERFUL SKIN SALVE

Huckler's Africa Salve is known everywhere as "the best remedy made for all diseases of the skin, and also for burns, bruises and boils. Reduces inflammation and soothing and healing. J. C. Sossaman, Publisher News, of Cornelius, N. C., writes that one box helped his serious skin ailment after other remedies failed. Only 25c. Recommended by Chas. O. Davis.

### THE TAR HEEL STATE FOR BOONE WAY.

Writing under date of May 19th, 1913. Prof. Archibald Henderson, of University of North Carolina, at Chapel Hill, that state, to Mr. Bare, here, says: "Quite by accident, I happened to see a copy of Southern Good Roads for March, and therein observed your article, 'Boone Way.' " "A number of us here in North Carolina are interested in this route; and Mrs. J. Lindsay Patterson expects to travel soon over the entire Boone Way, from Wilkesboro, N. C. to Booneboro, prepared to marking it suitably. "I shall be glad to assist you in any way I can, in urging the North Carolina congressmen to assist the Kentucky congressmen, and to add their voices and votes in support of the plan. "I am engaged in publishing a book on 'The Life and Times of Richard Henderson.' It will contain an elaborate history of the building of the Wilderness Road, which, as you of course know, was commissioned by Col. Henderson. "Do you know of anyone in Kentucky who has any Boone relics?

Or Boone letters, etc? If so I would be delighted to know the names and addresses, as I am making an exhaustive investigation about Boone.

Prof. Henderson is a descendant of the noted Col. Henderson, of Transylvania fame. He will be furnished with all the Boone information we have gained on the subject since launching the Boone Way proposition last January. We would be glad to have anyone having relics or letters of Boone, to advise our Secretary of the Commercial Club or Prof. Archibald Henderson, Chapel Hill, N. C.

## They Have Agreed To Marry Soon

### Just As the Sun Sets Behind the Western Hills

"Kate, my sweetheart, Kate, I must have the answer"—"Yes - or - no?" "Sam, I love you, but I must know something of your plans for the future. I know you have a nice house and farm, but to make a woman happy she must have something to go in that house."

"Now, my dear, I have attended to all that, and shall do everything to make you happy and contented. You must have the sweetest little home in Rockcastle county."

"I am just back from Mount Vernon; went to see Mr. U. G. Baker, told him my troubles and he said, 'My boy, you are to be congratulated—you are certainly making a success.' 'I hear you are thinking of getting married.' 'That's the right step, my son.' 'Now, make Miss Katie happy by coming to my store and selecting some nice furniture and carpets for the house (and don't forget to get her a kitchen cabinet.)"

"Sam, did Mr. Baker say whether he had any nice Range Stoves or not?"

"Why, sure, Kate, he has them by the car load, and he told me that if I liked he would sell us a Range for five dollars down and a dollar per week till it was paid for."

"Why, Sam! wasn't that nice of Mr. Baker?" "Yes, indeed, our folks have always traded with Mr. Baker. Father bought knee pants for me from Mr. Baker twenty-five years ago." "Mr. Baker always treats you nice, his clerks are taught to treat you nice, and everyone is made to feel at home in his store."

"Yes, Sam, I have often heard father say that Mr. Baker had made his success by treating the people nice and giving everyone a square deal." "That's true, Kate."

"Has Mr. Baker any pretty dishes to go in the cupboard and on that table he is going to sell you?" "Sure thing, Katie, he can furnish everything needed for the kitchen. Why, he even buys churns by the car load. We will go to Mr. Baker's and select everything we need—furniture and carpets for the house—a beautiful Range Stove—all kinds of nice dishes—sifters, strainers, wash basins, water pails and every thing."

"We'll get our Dry Goods—Clothing—Groceries and provisions there too, won't we, Sam?"

"Sure thing, Katie, dear."

"Now, Sam, don't think I am too exacting, but promise me that you will go to Mr. Baker's and buy enough of that 'Victor' paint to brighten up the house with. You know a house should look pretty on the outside as well as inside."

"I know that, Kate, and I shall buy some floor paint and paint the kitchen floor and the porches. I shall get hard oil and varnish and fix up the stair way, too."

"O, Sam, you are the best man in the world, I know."

"Now get some of that good Roofing that Mr. Baker sells, and—now you stop, Sam."—"Nuf sed, we're off!"

know how her heart bled for an old-time career, and how she went to rest with a prayer on her lips for us. Remember mother boys, before it is too late—you have yet time to show your appreciation of her love. See her hair, it is white as snow, and it has been bleached by care of you. Watch her. Show her your love. Court her as you would a sweetheart, if you would make her happy. All too soon this mother will be gone—Reformatory Press.

May Run For Congress.—Friends of Judge Leonard W. Bethuram of Mt. Vernon, Rockcastle county, are starting a healthy boom for him for the Republican nomination for Congress in the Eleventh district. Judge Bethuram, who was transferred from his county, Rockcastle, to the Eighth to the Eleventh district by the congressional act made by the last Legislature, has taken exceedingly well with his new neighbors and he already has a large following. While in Louisville a few days ago Judge Bethuram smiled significantly when the congressional matter was broached—Louisville Times.

The words "Boone Way" are boycotted by the Louisville papers they simply take "connotation" fits when they hear or see the words. This paper has in advocating the proposition of a national highway through the mountains and which is being opposed by the Louisville press and discouraged by its business and professional men, has brought out so many facts regarding the selfishness of the falls city that their press could not answer without putting them deeper in the mud, it appears they are simply afraid to open their mouths. We propose to tell more as time passes.

HONESTY does not merely mean that you will not lie with your lips, or steal your employer's money or his property. It means you will not be dishonest in your work by slighting or neglecting it, that you will not steal your employer's time, waste or spoil his goods and that you will do your best in everything, do every task to a complete finish, stamp every job that passes through your hands with superiority, with the trademark of your character.—Success.

A MOVEMENT is on foot among the candidates to pledge each and all to refrain from the use of money or liquor in both the primary and final election. It is to be hoped that all will agree to and abide by the proposition.

CLARK, Mercer and Oldham county democratic committee have adopted strong resolutions against the use of money or whisky in the coming primary. What's the matter with following suit in Rockcastle?

**C. R. LUKER.**  
TO THE VOTERS OF LAUREL AND ROCKCASTLE COUNTIES  
In offering myself as a candidate for representative of Laurel and Rockcastle counties, I wish to state that since early childhood I have had a morbid desire to qualify myself for an office which, when properly filled, would be a great blessing to the laboring class of people. I have tried to do so live that when I had thoroughly qualified myself, there would be a strong demand from the laboring class of people for me to become their servant. I have had a hard struggle in obtaining an education, my father is a poor man and has never been able to help me very much financially. Consequently, I had to resort to hard labor in order to get the money which I spent in school, and I can truth-

fully say that there was never a cent spent for my education other than what I earned by hard labor, such as rolling wheels, barrows and driving steel. However, I feel that this has only better qualified me for the office for which I am now asking the support of the people.

I have had practically two years High school and have had five terms experience in the school room in Laurel county and four terms in Screven county, Georgia. I read several papers and try to keep in touch with the times and I believe that I know what the people need in the way of legislation. However, I do not believe that we need many new laws, but I believe that we need many of our laws amended, some repealed and the rest enforced.

I haven't any thing to say against any of my opponents because I believe they are all well known and if you think they can best represent your interests, I believe you should vote for them. I only want fair consideration in the primary and should the majority decide in favor of one of my opponents, I promise them my warmest support in the final election. I hope that I shall be able to see you before the primary and have a personal talk with you, or else, that I shall be able to present to you my cause for the stump. I do not believe that I will be able to see you all personally as I am teaching in the East Bernstadt Graded School and will not get out until the middle of June but I shall endeavor to see as many of you as possible.

Yours for the uplifting of the laboring class of people.  
C. R. LUKER.

C. H. Drawbaugh, of Camp Hill, Pa., has a clock which has been running since 1870 without attention of any sort. An electromagnet gives the pendulum a pull at each beat. The magnet is connected by wires with metal plates of opposite electrical character buried in the earth. The moisture of the earth acts upon the plate, generating a low current. Eventually the plates will be eaten away, but it may be a full century before this can happen.

**"Pittsburgh Perfect" Fence**  
Because it's Welded, you can take it Down and Put it Up Without Injuring the Fence  
That's a good point to consider. Many a time you would shift a line of fencing from, say, the bull pasture to the hog lot—if it didn't destroy the efficiency of the fence.  
In "Pittsburgh Perfect", the only fence with electrically welded joints, the stays are permanently joined to the line wires.  
It is actually a one-piece fence. Taking down "Pittsburgh Perfect" and re-stringing it doesn't hurt it a bit. This is one exclusive "Pittsburgh Perfect" feature, if economy perhaps you have thought of. Our catalogue, sent free, tells of many more. Get a copy at once.  
Every Rod Guaranteed  
Made in Different Styles for FIELD, FARM, RANCH, LAWN, CRACKEN, POULTRY and BARNYARD and GARDEN
