## THEY PREFER **OURS**

No Wonder, Simple as A B C. Ours Cost Less Ours Wear Better They Have More Style

It's about as difficult to describe these new clothes as to write about the prettiest girl at a Leap Year Party. You've got to see her with your own eyes. Maybe you'll like her-if you don't there are others. So, if one suit doesn't please you, we've another.
It's a question of taste. Prices? That lies with you. The better the clothes you buy, the longer they last and the better they look while you're wearing them. But everyone prefers ours. They are best.;
