Factories.
More Business.
Improved farms.
A bigger Mt. Vernon.
"Will never let up till we get
'em."

Let the people take interest and
push to the front.

Rockcastle has a dozen soldier
boys on Meweston border.

Work of preparation has already
been begun on Mt. Vernon Fair
catalog.

Rev. Geo. S. Watson will preach
at the Presbyterian Church, Sun-
day morning and evening.

Before another year passes Mt.
Vernon will have, in addition to a
light plant, water works, ice plant
and some factories.

Telephone communication is
established between New York and
Denver direct, and by 1915 will be
an accomplished fact between New
York and San Francisco.

A thousand telegraph offices will
be opened throughout the country at
an early date on account of the
separation of the Western Union
telegraph and America Telephone
Companies.

C. H. Mullins, Practical Hatter,
old has cleaned and reblocked,
made to look new. Our reference

Under Masonic Hall,
Mt. Vernon, Ky.

Notice.—The Directors of the
Mt. Vernon Fair Association are
called to meet in the office of Atty.
E. R. Gentry tomorrow, Saturday
April 25th at 1 o'clock p. m. It
is important that every director
be present.

OMITTED. By oversight in
getting up the business directory
of Mt. Vernon, the Commercial
Club list failed to include the
Clothing and Hat cleaning and dy-
ing establishment of C. H. Mullins,
under Masonic Building. Also
life insurance by A. B. Furnish
and C. C. Davis.

Shortly after our electric light
plant is installed and in working
order the water works question
will come up for discussion and
action. It is proposed to have a
plant installed before next winter.
It is probable that the supply will
be secured from some of the big
springs near head of Skeggs
Creek; pumped into a reservoir made
on top of school house hill at an
elevation of some 250 feet above
the town's tallest building. Gravity
pressure will do the rest.

BIG BLAST. The Hazard Her-
ald tells of a big blast consisting
of 35 kegs of dynamite, three and
two and half boxes dynamite, hav-
ing been fired at that place. That
was some blast but was merely a
poggun when compared with some
of the periodical blasts put off
every few months in Rockcastle
quarries by the W. J. Sparks Co.,
the quarries when 120 to 150
boxes of dynamite, three and a
half tons, are exploded in one blast
causing small earthquakes. It re-
quires from five to seven weeks
to crill the one dozen and halfholes
from 50 to 70 feet in depth six
inches in diameter. The holes are
connected up by wires when loaded
and fired simultaneously from an
electric machine (dynamo) by a
man in a small house, to which
the blast wires are connected a
short distance from the "pit."

JUDGE R. G. WILLIAMS.

It requires a pretty good sort of
a lawyer to "get by" successfully
as Commonwealth Attorney.
Judge R. G. Williams has accom-
plished the feat. Not only has he
done with great credit the position
of prosecuting attorney, but he
has made all elements admit the
truth of this assertion.
Absolutely fearless Judge Wil-
liams has performed the duties of
his office with rare ability and dis-
cretion.

As White politicians are burning
the midnight oil in the effort to secure
a straight hold on their jobs, this
capable official was busy attending
to the arduous duties of his official
position.

It is generally conceded that
Judge Williams has made it as good
if not the best prosecuting attorney
this county ever had.

In the world of politics, better
things are in store for this popu-
lar young man.

He is a lawyer of capacity and
one of the best orators in this part
of the world.

COMMENTS ON COMMERCIAL CLUB

The following letter shows what
one of Louisville's busiest busi-
ness men thinks of the work of
our Club.

Louisville, Ky.
Mr. Jas. Maret, Sec.,
Mt. Vernon Commercial Club,
My dear Mr. Maret:

Our Mr. Crooker got in this
morning had want to thank you
for what he brought.

Also want to thank you for the
Circular regarding the Mt. Ver-
non Commercial Club. The writ-
er does not think that for the size
of this city, there is a more ener-
getic, pushing and "get there"
Commercial Club in the State than
the one at Mt. Vernon, and if all
other cities in our State had men
of this kind, Kentucky would be
on the boom all of the time. We
hope that your efforts in what you
are doing may inspire some of the
other larger and bigger cities and
that they will get busy.

"With kindest regards and best
wishes, I am,

Yours very truly,

JAS. CLARK, JR.

Just received a new supply of
tonics and face creams. Drop in
next door to post office for a tonic.
Have Coca Whiskies Jock atten-
tion and you will not be bothered
with dandruff or falling hair. We
use nothing but the best material
and our guarantee stands behind
our work. Our only aim is to
please our customers.

EXHIBIT SHOWS. Took a place
under Masonic building next to
Fish's store, everything new up-
to-date. The show was a
great success. The show was
held at the Masonic building.

FIRST SUNDAY IN MAY

Under direction of the Rev.
George A. Jopin, the general sec-
retary, the Kentucky Sunday-
School Association is starting a
campaign the object of which is to
bring at least 1,000,000 persons to
Sunday-school in the State on one
day, the first Sunday in May.

In order to insure success Dr.
Jopin has made an effort to enlist
the interest of every newspaper,
and a large majority of them are
taking it up. The workers of the
Sunday Schools are also being en-
listed. There are county organi-
zations under the State associa-
tion in every county, and the offi-
cers of most of them are rallying
their forces. Some one will be
asked to act in every town, and
sent to send in reports after the
day.

Thousands of pastors' invita-
tions will be sent out to be plac-
ed in prominent places and given
to people. Many organized classes
will endeavor to have each mem-
ber bring at least one new mem-
ber that that day.

Mrs. Ann Lair of the Rose Hill
vicinity, wife of ex-Judge J. B.
Lair, died last Sunday morning
and her remains were laid to rest
in the family cemetery near the
home. She was one of the most
beloved women in the county and
been a member of the Christian
church for sixty-two years.

Mrs. Lair was 81 years of age
and a severe attack of grip ten
years ago is attributed to the re-
cent case of her death. Fifty
years ago she became engaged in
marriage to Judge Lair, to
which union six children were
born four of whom are still living.

MERCHANTS

All the sweetness of low prices
will not equal the bitterness of
poor quality and poor service.

We believe whoever wrote the
above was absolutely correct. We
have been trying consistently for
the past thirteen years to con-
stantly improve our service. We
will keep on trying for the word
service is as big as all out of doors.
KELLOGG & CO. Inc.

Richmond, Ky.

John Robins the retiring post-
master at Prothead and who holds
the record of being one of the very
best in the county, is also the
drug man. Now that Mr. Robins
is out of the post office, he will de-
vote his entire time to the drug
business. He was in Louisville
last week and bought a \$1000. soda
fountain, which will be a great ad-
dition. It is possible that Mr.
Robins will fill the next round to
drug store which he occupied with
the postoffice with some other job
but that is not settled upon at this
time. Mr. Robins is a splendid
good citizen, courteous and oblig-
ing and deserves the very best of
success in whatever his undertak-
ing may be.

War with Mexico is not exactly
what we ordered but since one pro-
to have it we are ready to protest
our country. Judging from the
way the news of this country has
been getting up would be to get a
Company of men.

County Atty. E. R. Gentry The Rockcastle County Christ-
bought of Judge L. W. Bethuram an Bible School convention will
his residence on Richmond St. be held at Livingston some time
which Mr. and Mrs. Gentry have in August this year. John D.
rented for some time and where Henderson is president and I. B.
they are now living. Chesnut, Hiatt, Secretary.

ROYAL BAKING POWDER
Is the Housewife's Greatest Help.
WHAT so tempting to the
laggard appetite as a
light, flaky, fruit short cake or
a delicate hot biscuit?
Royal makes the perfect
short cake, biscuit and muffin,
and improves the flavor and
healthfulness of all risen flour-
foods.
It renders the biscuit, hot-
bread and short cake more di-
gestible and nutritious, at the
same time making them more
attractive and appetizing.
Royal Baking Powder is in-
dispensable for the preparation
all the year round of perfect
foods.

Settlement.

Why not get your hat made to order?

You know that you can be fitted properly in a ready-made hat and you would not have it made to order just for the mere sake of spending a few extra dollars. You know that it would show poor judgment when there's no particular advantage to be gained.

Why not apply the same principle to the buying of clothes?

Clothcraft Clothes at \$10 to \$20 are ready for service and you can quickly find the one that fits your form and fancy. No waiting—no delay—no guessing how your suit will look when you put it on—you can see and try before you buy.

Almost any man can be fitted in Clothcraft Clothes with little or no alteration. We want to prove this to some of you men, who only think, you cannot be fitted in Clothcraft Ready-for-Service Clothes. Yes, today, we're ready.

The following letter is published by request of Judge G. M. Ballard:

TERRE HAUTE, IND., April 20, 1912.

G. M. BALLARD, Co. Judge, Mt. Vernon, Ky.

Dear Sir:—We have your letter written us on the 14th, and we want to thank you very much for the information you have sent us. We also wish to advise you that J. W. Marler wrote us a letter some time ago advising us that the Court wanted to come to Terre Haute to see us in reference to Colberts Road Machinery and Bridge, and that they would do some business with us.

We sent him \$100.00 in advance to buy the tickets to Terre Haute, and we advised him we would pay his expenses to Terre Haute. He came to Louisville and called us by telephone and said he wanted us to send him some more money, as he stated we did not send him enough money. We immediately sent him \$100.00 by telegraph, and he advised us over the telephone, also by wire that he had all the members of the Fiscal Court with him. We immediately complied with his request and sent him this money, and then he called us up from Indianapolis again and said that they would be here in a few hours, and they never showed up.

Now, this gentleman has paid of our money, and we have this day written him demanding that he return our money at once, and we wish now to advise you that many members of the Fiscal Court was with him, and if Mr. Marler is the duly elected County Road Engineer, as Mr. Marler stated over the phone that the entire court was with him in Louisville. Any information you can give us will be kept strictly confidential, and we trust you will let us hear from you by return mail.

Yours very truly,
THE A. L. GREENBERG IRON CO.,
J. A. FINKELSTEIN, Pres.
