

MARVELLOUS PANAMA-PACIFIC INTERNATIONAL EXPOSITION WILL OPEN UPON A COMPLETED ASSEMBLAGE OF THE TREASURES OF THE WORLD'S ARTS, SCIENCES AND INDUSTRIES

A spectacle of nations unsurpassed in the history of the world will assemble at San Francisco when the marvelous Panama-Pacific International exposition opens on February 20, 1915.

Today, the Panama-Pacific International Exposition over-shadows and eclipses any contemporary and intricate exhibition in history. Progress in all phases of the most brilliant and comprehensive of world's celebrations visualizes the exposition as it will appear when the exhibits of the world are installed within its spacious halls, when hundreds of thousands of rare trees, plants and shrubs brought from far corners of the globe have transformed the grounds into a semi-tropical paradise and when from the Golden Gate the traveler will behold the vast Exposition city rising to great heights against the walls of the encircling amphitheater of the hills of San Francisco.

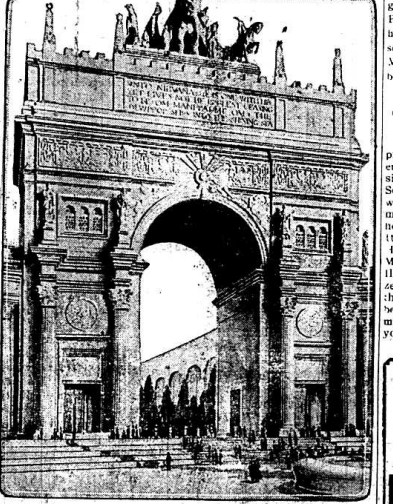

In the assured participation of the foreign nations and of the commercial and industrial interests of the world the Panama-Pacific International exposition stands alone among the great expositions of the past.

As a tribute to America's heroic task in the completion of the Panama canal it will illustrate their progress in every line of social and industrial activity. The Argentina leads with a government appropriation of \$1,300,000 (gold), and in its magnificent pavilion will present the wonders of that faraway land. Canada will expend \$500,000, Japan, \$500,000, China, \$500,000, Turkey, \$500,000, and in the Turkish pavilion will be shown the rarest and costliest treasures of the Ottoman empire. New Zealand and Australia will make tremendous displays. Fifteen hundred manufacturers in Germany will make a collective exhibit, to be shown in a great German building; 600 manufacturers from England will present a combined exhibit.

More than 500,000 accredited delegates from all parts of the globe will attend a series of great international conventions and congresses to be held at San Francisco during the exposition. Among the congresses will be the great International Engineering congress, of which Col. George W. Goethals, builder of the Panama canal, is chairman.

Thousands of visitors from all parts of the globe are planning to see the great exposition at San Francisco in 1915, and wonderful preparations are being made to transport and to care for them.

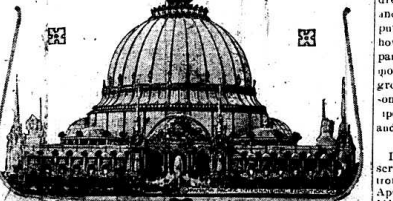

HUGE TRIUMPHAL ARCH AT THE WORLD'S GREATEST EXPOSITION A WONDERFUL SIGHT.

Copyright, 1914, by Panama Pacific International Exposition Company.

The Arch of the Rising Sun at the Panama-Pacific International exposition, which will be crowned by a wonderful array of statuary. "The Nations of the East." The broadway upon the archway will be 125 feet above the floor of the court; the group itself will be 42 feet in height. This huge arch breathing the spirit of the Orient, will be upon the east side of the great Central court, the Court of the Sun and Stars. Upon the west side of the court will be an arch typifying Occidental civilization.

WONDERFUL PALACE OF HORTICULTURE

Copyright, 1914, by Panama Pacific International Exposition Company.

The superb Palace of Horticulture at the Panama-Pacific International exposition in San Francisco will be surrounded by a vast dome of glass, supported with immense steel struts. The dome will be 136 feet in height, of 122 feet in diameter. At night batteries of colored searchlights will play on the inside of the dome from within, so that it will present the appearance of a gigantic soap bubble continuously changing to every color of the rainbow.

SOLD & GUARANTEED BY S. C. DAVIS

The farmers in this vicinity are busy cutting wheat—Quite a crowd of young people attended church at Freedom Sunday.

Mrs. Wm. Price is very sick—Mr and Mrs G. S. Cross visited Mr and Mrs J. W. Norton Sunday.

Misses Martha and Alice McClure visited their cousin, Miss Kate Wilson Saturday night.

Miss Bray spent Saturday night with Miss Dessie Thompson.

The children of Mr. J. M. Norton who have fever are improving.

Miss Allie Moore of Mt. Vernon is visiting home folks this week.

Mrs. Lula Cress and little sons, Chester and Burton, visited relatives in Mt. Vernon the latter part of last week and were accompanied home by their sister, Mrs. Pearl Davis.

Master Dewey Bullock of near Hansford visited his aunt, Mrs. Mattie Sutton Sunday.

Misses and Hessel Bullock visited their sister, Mrs. George Moore Sunday.

Mrs. George Livesey and son, Casper, visited her mother, Mrs. Taylor of Mt. Vernon—Miss Dessie Thompson visited relatives in Mt. Vernon from Thursday until Friday.

Mrs. Sarah Payne of Mt. Vernon, is visiting relatives here.

Mr. J. M. Craig passed thru here Monday buying lambs—Sunday school at Biggys Creek is progressing nicely.—Chas. Kirby of Pine Hill, attended Sunday school here Sunday.

There must be some attractions.—A little child of Mr. and Mrs. Edd Cress, who has been seriously ill is improving.

CURES STUBBORN, ITCHY SKIN TROUBLES

"I could scratch myself to pieces" is often heard from sufferers of Eczema, Tetter, Itch and similar skin eruptions. Don't Scratch—Stop the Itching at once with Dr. Hobson's Eczema Ointment. Its first application starts healing the Red, Rough, Scaly Itching Skin is soothed by the soothing and Cooling Medicines Mrs. C. H. Einmelt, Rock Island, Ill., after using Dr. Hobson's Eczema Ointment, writes: "This is the first time in nine years I have been free from the dreadful 'all ment'." Guaranteed, 50c, at your Druggist.

MOLLYCODDLE LAXATIVES

Can Not and Do Not Touch the Liver

They may clear out the intestinal tract, but do not touch the sensitive liver. You are May Apple Root settled Polypoiditis and do not touch the liver. Polypoiditis with the right out on the bile. Now is the best time to use this.

PODOJAX

HAS ITS ADVANTAGES

Hartford Herald: "Telephone 'part lines' are not such a great disadvantage after all. A fellow in our office the other day said he learned how to cut out a complaint while talking to another party, how many eggs to put under a monthly rock, he; how to trim corns; how to cook parsnips; to plant potatoes in the moon; slop the pigs; the true ground hog day; who Billy Patter-son's assistant was and many recipes for making pump-in pies and cooking ground hogs.

If you have the itch, don't scratch. It does not cure the trouble and makes the skin bleed. Apply BALLARD'S SNOW LINIMENT. Rub it in gently on the affected parts. It relieves itching instantly and a few applications relieves the cause thus, permitting permanent cure. Price \$1.00 and \$1.00 per bottle. Sold by John Koltsus, Broadhead, Ky.

It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Gardul, the woman's tonic. She says further: "Before I began to use Gardul, my back and head would hurt so bad, I thought the pain would kill me. It was hardly able to do any of my housework. After taking three bottles of Gardul, I began to feel like a new woman. I soon gained 35 pounds, and now I do all my housework, as well as run a big water mill."

I wish every suffering woman would give

GARDUL

The Woman's Tonic

a trial. I still use Gardul when I feel a little bad, and it always does me good."

Headache, backache, side ache, nervousness, tired, worn-out feelings, are sure signs of womanly trouble. Signs that you need Gardul, the woman's tonic. You cannot make a mistake in trying Gardul for your trouble. I began to feel like a new woman, I soon gained 35 pounds, and now I do all my housework, as well as run a big water mill.

BRODHEAD

Mrs. Linda Benton, and daughter, Mrs. Shirley Tate, of Sweetwater, Tenn., were the guests of Mr. and Mrs. J. F. Watson last Friday and Saturday. A. M. Hunt and A. J. Haggard were at Langford, Johnetta, Pine Hill and Mt. Vernon last Friday looking after the telephone business. H. L. Tharp of Junction City, was in town Thursday of last week having some improvements done on his Main street property. J. G. Riddle & son of Walnut Grove, have been in town several times lately with a view of moving their Milling plant to this place, and we understand that a deal has been effected with J. Thayer, Choery of Crab Orchard, and that the mill will be located just North of town and near the Copper Creek railroad crossing. Mrs. Georgia McClure of Livingston, was the guest of Miss Tempel Ward last week.

Mrs. James Anderson of the Hunt section, died last week. She had been in a very critical condition for several weeks operation was performed by Dr. Carter and Gravelly about three weeks ago, but she was in such a weakened condition that little hope was held out for her recovery. She is said to have been a Holy Ruler and an active Helper ever since all his faith in trying to restore her to health and when doctors were called she was in such a condition that she failed to respond to the treatment. A very pretty lesson should be learned and that is to 'Work as well as Pray'. Mrs. Mary Skirrow of Dry Ridge Ky. is the guest of her daughter, Mrs. J. M. Adams, this week. Miss Ella Carson is in Lexington this week in the interest of the Girls Canning Club of Rockcastle. Misses Eda Cable and Clyde Watson were taking in the sights at a Mammoth Cave during the week. W. H. Anderson was visiting his mother last Sunday. Mrs. B. W. were here Monday to get new wheat separator. Mr. and Mrs. Dave Thompson, and son Ed, of Paris, motored over Sunday and spent a few hours with Mrs. L. B. Dube and his brother, K. C. Thompson. Miss Bette Caldwell, of Harwell, was the guest of Mr. and Mrs. L. M. Brown last week. Mrs. Maude Sprauland daughters, Misses Bessie and Francis were in Louisville last Saturday.

Uncle John Swadler died at the residence of his nephew, John Swadler, near Orlawa, last Thursday and was buried at the Sellers burying ground on Saturday morning. Dr. W. E. Gravelly was in Middleboro the first of the week. Mrs. Gravelly and children who had been visiting her sister, Mrs. H. H. Hutcheson, there accompanied the doctor home. Wm. C. Edles at his home near here Monday. He was a soldier in the Civil War, and was about seventy years old. Mrs. Lathia Tyree, widow of Fount Tyree died at the home of C. C. Sutton, Monday, and was buried in the Christian church cemetery, Tuesday afternoon. She is survived by one son, James Tyree, and two daughters, Mrs. C. C. Sutton, and Mrs. Sol. Norther. Mr. Riley Owens, who lives with his son, H. G. Owens, near Spiro, is in a very critical condition. He is suffering from cancer on his ear, and can not live but a short time. He is eighty-four years old. Mrs. Mary Ann Wright has been suffering for the past three weeks with a sprained arm. She is some better at present. She left Thursday morning for Lebanon Junction and Louisville where she will visit relatives and friends. Brown and Craig shipped three cars of lambs this week. Lee Williams and Harry Prentiss were here from Garrard County the first of the week on account of the death of Wm. Crank. W. A. Tyree has been quite sick this week. Brack Durban was down from Burr, Wednesday, to see Dr. W. E. Carter. Brack is on the sick list. Mr. and Mrs. John Cress of Prescherburg, were the guests of Mrs. and Mrs. A. M. Hark, Wednesday. J. Thos. Chery was here from Crab Orchard, Wednesday, to close a deal with Mr.

Riddle for a mill seat. Everett Watson and Maurice Proctor are visiting in Livingston this week. J. L. Hasty, one of Lovel Green's best farmers, was in town Wednesday and was invited a stockholder of the Broadhead Fair Association in the same class with John Cress and J. Thos. Chery. E. J. Ford, the Danville Plumber, was here Tuesday.

LIVINGSTON

Mrs. C. M. Griffin and daughter Miss Emma, of Kennick, are visiting Mrs. Sam Stalworth. A party composed of the following visited the Salt Peter cave on Cleveland creek, Sunday. Mr. and Mrs. Mahlon Samuels and sons, Bradlee, and Homer, Mr. and Mrs. Tommy Jones, Misses Letha and Virginia Summers and Frank Dees. All report a fine time. Thomas Elliott has put a butcher shop and groceries. J. M. Flour has rented a room on Main street and put up an ice cream stand. While Livingston is a mountain town, surrounded by a creek river and hills and no farming land worth mentioning, yet it is one of the most business towns in the state according to its size. We believe there are more goods sold here than any other town of double its size. Wagons loaded after wagon loads leave here every day besides the goods that are shipped by rail. If any dispute this, just come and watch our merchants one day and our decision will be yours. Charley Anderson of Mullins Station, was here Tuesday. U. G. Becker of Mt. Vernon was here Tuesday on business. Miss Myrtle Brown of Parksville is visiting her cousin Miss Ella Mae Blanford. Phil Wilson and Miss Lucinda Dees were married at Mt. Vernon last Thursday. Mr. Wilson is from Jackson county. They will leave for Illinois in a few days to make their future home in W. Catlin and J. C. Childress was in Crab Orchard Friday. Capt. W. R. Dillon and L. C. Thompson of London, were in our town Monday. T. J. Pennington and Son Arthur, were in London Sunday. J. T. Owens was in Louisville later part of last week. Miss N. R. Jenkins is in Paris for a few days. Miss John Shearer, of Paris, after a few days visit with her sister, Mrs. Al. in Caribus has returned home. Miss John Mullins has returned from a visit with relatives at Widde. Mrs. James Neal of Irvine is visiting relatives here or a few days. Misses Farley of Pineville is visiting her sister, Mrs. Robt. Mink. Mrs. Brady spent a few days in Louisville the past week. J. P. E. Drummonds left for Knoxville and Asheville, Tenn. Tuesday for a few days. Mr. and Mrs. H. L. Gaudin are in Paris in a few days visit in Cincinnati. Elmer Hurd was called to Hamilton, O. on account of the illness of his father. R. J. Lenoards has returned from a ten days vacation at Paris, Tenn. Mrs. L. H. Davis is visiting relatives at Berea. Lov Oliver has purchased a house and lot from J. H. Woodall, price paid \$850 and Harry Mahaffy has purchased a house and lot from L. H. Davis for \$500. Dr. W. T. Ampt bought a milch cow from A. T. Feathers, price paid \$90. We are informed that J. W. Baker will move into the property vacated by W. H. Woodall. Joe Lear of Carico, was in town a few days this week. Mm. Baker of Mt. Vernon was in our town Monday. Marshal, Hellard arrested Jeff McClure here Tuesday charged with selling booze. Mrs. S. B. Hellard is slowly improving. J. H. Walton, who has been very sick for some time had a very bad attack Tuesday but is better at this time. The hot dry weather is certainly telling on the crops in this locality and if we don't get rain soon the harvest will be light. Our old friend S. O. Franklin was here Tuesday and informed us that our friend Mares had his feelings rubbed at him; that he had got as he would hardly speak to him and would never stop for a conversation. We will have this to say while the war was not bitterest. Mr. Franklin was

laughing in his sleeves at him. Now he is singing a different tune. So you see its all in whose ox is gored. We can now set back and watch the proceedings of the battle. As Mr. Franklin and Mr. Mares have been here long friends, we suggest that the peace committee that has been trying to settle between the U. S. and Mexico be brought to Mt. Vernon.

DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is usually an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. The cases of no one are cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness caused by Catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. P. J. CHENEY & CO., Toledo Ohio. Sold by Druggists. 75c. Take Hall's Family Pills for Constipation.

The New Pistol Toting Law

The following is a copy of the new anti-gun toting law which went into effect in Kentucky, June 16.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

That Section 1303, Kentucky Statutes Carroll's Edition of 1909 be stricken out, and in lieu thereof the following section be enacted.

Section 369. If any person shall carry concealed a deadly weapon upon or about his person other than an ordinary pocket knife, or shall sell such weapon to a minor other than the ordinary pocket knife, such person shall upon conviction be fined not more than fifty nor more than one hundred dollars and imprisoned in the county jail, for not less than ten nor more than forty days in the discretion of the court, if by jury trying the case. If upon the expiration of the time in which judgment of conviction could be ascertained, no superior case bond has been executed it shall be the duty of the clerk of the court rendering the judgment to at once issue and cause to be placed in the hands of the proper officers for execution a capias pro fine and it shall be the duty of said officer to execute at once said writ.

Should the offender in whose hands said capias pro fine shall come for execution, fail or refuse to perform the duties herein prescribed and upon conviction therefor, he shall be fined not less than ten nor more than fifty dollars.

The offense of carrying concealed deadly weapons denounced in this statute is hereby declared a high misdemeanor and any person convicted under this statute of the offense of carrying concealed upon or about his person a deadly weapon shall be disfranchised and such conviction shall operate to execute such person from the right of suffrage for the period of two years from the date thereof. Any person convicted a second time under this statute shall be confined in the penitentiary for a period of not less than one nor more than five years.

MEMBER OF KENTUCKY PRESS ASSOCIATION

EDITOR J. W. Barrall, of the Shepherdsville Pioneer News, in lecturing newspaper critics, speaks his mind as follows:

"The newspapers of this country could cause civil war at any time if they gave their readers all the news. Instead of crying down your paper try to help it up. It rejoices with you in your hours of gladness and mourns with you in the heavy hand of sorrow is laid upon you. When you make mistakes the paper keeps silent or tries to make excuses for you, but when the paper makes a mistake you come out with scorching criticisms. If you are as good a writer as you lead others to be, lieve you are, send in your manuscript; if you are not, but have been talking for your hat, then for the sake of consistency, desist, discontinue, cut it out, quit, stop."

NICHOLASVILLE NEWS HAS THIS TO SAY:

Some men are quick to forget the loyalty done them by newspapers and the kind things said of them at very critical times. But the world is full of such ingrates, especially those who ask public favor.

HAS YOUR WHEAT BEEN INFECTED WITH THE HESSIAN FLY?

Farmers Invited to Co-operate in Destruction of Pest That is Liable to Cause Considerable Damage to Crops This Fall

Washington, D. C. 6-24-14. "Has your wheat been infected by the Hessian fly this season?" is a question that the U. S. Department of Agriculture is now asking farmers. The information is desired that there may be general co-operation between all concerned in reducing the devastations of the fly. There is no indication that the pest will be unusually troublesome to the crop this fall.

Every wheat grower in the country who suspects that his crop has been infested is requested to send his name to the Department's Bureau of Entomology at Washington, D. C. with a request for a question blank. The questions to be answered are merely as to whether the wheat grower's crop was infested at certain seasons. The farmer will then be asked to forward some of the infested wheat plants for examination, postage to be paid by the Government. He will also be asked to give his name, address and the nearest railway station.

The Department is co-operating with various State Experiment Stations in this campaign against the Hessian fly, and in some cases the infested straw will be sent by the farmer to local stations for examination. The wheat grower can learn just where his sample of straw is to be sent when he sends his name to the Department, indicating his willingness to send the sample. The Department encourages the sender not to be afraid to forward so much of the straw, even though it has to be sent by parcel post. The upper part of the straw need not be sent, but enough above the ground should be included to get the insect in what is known as the "flaxseed" stage when the larva is increased in a hard, brown skin and somewhat resembles a flax seed. The insects will remain for a considerable time in the "flaxseed" stage during a drought and will only emerge after rain have moistened the soil. Dry weather in the late stage is especially to get the insect in that stage, which is a fact of special importance in the North where the wheat must be sown early enough to enable the plants to stand the winter.

Probably no other insect causes more damage to the wheat crop in the United States than the Hessian fly, although there are certain years when the chinch bug exceeds the fly in its devastations. During the seasons when the fly is especially abundant hundreds of thousands of acres of wheat may be either totally destroyed or so badly injured as to reduce the yield 50 to 75 per cent. The monetary losses run far up into the millions.

A number of years ago there was in Kansas general co-operation between grain dealers, millers and farmers to restrict the ravages of this dangerous insect. According to their own estimate over a million dollars were saved by prompt action and thorough measures. This year the Department hopes to secure general co-operation throughout the country in combating the pest. There are indications that its ravages may be severe. Already in Iowa and Oklahoma there have been threatening outbreaks of the insect.

Not only are Federal and State organizations of the Government co-operating in this campaign but others such as the National Miller's Protection are working to secure better control over the Hessian fly. The individual wheat grower is asked to send his samples of infested straw before the middle of September, and as soon as possible, as after that the fly will have hatched and entered into the wheat.

Late sowing of the seed and burning of the stubble when no seeded to grass or clover are the only measures known to date that are effective in controlling the Hessian fly, that is, for winter wheat-growing sections. In the spring-wheat sections, late seeding will not apply. On the contrary, the earlier it is sown in the spring the less it seems to suffer from this pest.

A more detailed explanation of late sowing for winter wheat to avoid attack by the Hessian fly will be given in a subsequent article. The present article is merely an invitation to the wheat grower to help the Department in its campaign. The post card to be forwarded the farmer, contains enlarged illustrations of the fly in its adult and also its "flaxseed" state.

THE BUYERS' PROFIT SALE

The chance that only lasts a short time — when YOU get the profits

The opportunity offered by a Clearance Sale means a lot more when you know what values are being offered, and why they are offered at reduced prices.

As to the values—here are the same goods, the same reliable well-known makes that we have been selling at much higher prices. It's just our regular, all the year 'round good quality.

And as to why you can get them at so much lower cost—that's easily answered too.

We believe you know conditions have not been right to make brisk business — to enable us to clean up our reasonable stock as we should. So we've made a big cut in prices (giving you the profits that we'd otherwise receive) in order to clear stock and make room for Fall and Winter goods.

Here's your chance to get several months supply at extraordinary figures and add the difference to your bank account.

We have quoted you just a few prices. You will find hundreds of articles in this big sale not mentioned here. **OUR LAST WORD**

"COME"

SUTTON & MCBEE
MT. VERNON, KY.

Children Cry FOR FLETCHER'S CASTORIA

A TEXAS WONDER. The Texas Wonder cures kidney and bladder troubles, removing gravel, cures diabetes, weak and all irregularities of the kidneys and in both men and women. Regulars, bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of \$1.00. One small bottle in two months treatment, and red-lead pills to perfect a cure. Send for testimonials from his and other states. Dr. E. W. Hall, 2226 Olive street, St. Louis, Mo. Sold by Druggist.

Teething babies always have a hard time of it when this process occurs in hot weather. They not only have to contend with painful gums but the stomach is ordered, bowels loose and the body uncomfortable. The best help you can give is a little sufferer. MOTHER'S BABY FLUXER. It corrects sour stomach, cools and quiets the bowels and helps digest. One price 25c and 50c per box. Sold by John Robins, Brodhead, Ky.

RHEUMATISM SUFFERERS SHOULD USE
5 DROPS
The Best Remedy For all forms of Rheumatism
LUMBAGO, SCIATICA, NEURALGIA AND BILNEY TROUBLE.
DROPS
STOP THE PAIN
SOLD AT ALL DRUGGISTS

Paint is liquid money. You spread it over your house and then sun, wind, rain and dust beat upon it in the effort to wear it out and get at the wood. Bye and bye you have to do it all over again—but less often with **Hanna's Green Seal Paint**

than with others. When you think of the cost of paint and painting, remember that one-third is paint and two-thirds labor. It costs more to put on a poor paint than a good one. Use the paint that lasts longest.

FOR SALE BY **J. B. NOE**

"I don't like your best action," the doctor said, applying the stethoscope again. "You've had some trouble with engine peccators."
"You're partly right, doctor," said the young man sheepishly, "only that ain't her name!"

FURS AND HIDES
HIGHEST MARKET PRICE PAID FOR RAW FURS AND HIDES
John White & Co., Louisville, Ky.
