RESOLUTIONS OF RESPECT

Bredhead Lodge, No. 566, F. & A. M. Brodhead, Ky., April 17, 1915.

We pause in our daily battle of life, with its many trials, tribulations, joys and sorrows, to drop a tear for and pay our respects to our departed brother, R. S. Martin, who gently passed over to the other side March 10th.

Resolved, That in his death the mystic circle has lost a faithful, true and loyal brother, the community a kind neighbor, a genial friend, a loyal and upright citizen, his companion a true, faithful and loving husband, and his children a loving kind and christian father.

Resolved, That we know none but those who have sat in the other side March 10th. Brother Martin, was in his seventy-sixth year, and had been a member of this lodge since February 6, 1884, and was its oldest member. Therefore be it

Resolved, That we extend to the bereaved family our deepest sym-

pathy and assure them of our continued interest in their welfare.

Resolved, That a copy of these resolutions be sent the Masonic Home Journal and Mt. Vernon Signal for publication, a copy sent to the family, and a copy spread upon the records of our lodge.

A. M. HIATT, J. R. CASS, JOHN ROBINS, Committee.

OBITUARY

In loving remembrance of my dear grandfather, George Livesay Sr., who passed from this world to a better one, March 8, 1915. He had been very feeble for several years but seemed as well as usual until Friday night March 5th, when he was stricken with bronchial pneumonia which only lasted until Monday night, March 8th, when the spirit took its flight to the God who gave it.

We miss him, you we miss him; the voice he loved is stilled, a chair is vacant by our fireside, which never can be filled, while we long to meet him, Angels gladly greet him, in t at happy land where parting is no more. Th re never more to shed a tear his sweet voice we shall hear, when we meet to part no never, on that happy peaceful shore. As the dear ones by his bedside saw him close his loving eyes, knew he had come home to Jesus to that home beyond the skies. Weep not for the dear one that has gone, for he is resting in peace at home. Let us put our trust in Jesus, for happy is the best, and be prepared to meet him when He calls us all to rest.

He leaves a wife who used to be Miss Armina Testamin, five sons, J. T. and G. S. Livesay of near Level Green, W. D. and J. B. Livesay of Mt. Vernon, B. F. Livesay of Mareburg, and one daughter, Mrs. R. L. Bray of Wad, to mourn the loss of a devoted husband and father.

**Club Women Work to Clean Up and Paint Up Five Thousand Cities**

**CIVIC LEADERS PUT BAN ON PINK TEAS.**  
"Clean Yards, a Few Shrubs and Flowers, and a Little Paint, for a Better Hometown"—Mrs. Clarence Baxter.  
THAT the club women of America are not waiting for the summer before taking an active part in civic betterment work is proven by the earnest efforts of thousands of women in local "Clean Up and Paint Up" campaigns in practically every state in the Union. "The men are too busy, or too cheap," said one of these women, "to see the need of or to do simple beautification and sanitation work, and yet that work is vital to the health of thousands and to the progress of the community in better conditions of life and increasing population."  
Mrs. Baxter is a clubwoman, and when pink teas and gossip characterized our local club meetings, she was the first to stand up and say, "There are a million things for the betterment of the town that we are able to do, and we are trying to do them as fast as we can get to them." The "Clean Up and Paint Up" campaign, in which we are working shoulder to shoulder with the men, has been a success from the first. The results of the work we have had in mind. The campaign seems to be a fortunate combination of ideas. "Clean Up and Paint Up" gives us work to do, and with a definite program to start things off, and with absolutely no end possibilities in our constructive effort. And the best of it is that this campaign stimulates the men to work with us. A successful campaign means an increased demand for many kinds of merchandise, means conservation of property, means increased realty values, means a better business town and a better home town. Why shouldn't the men and a hand?

And this woman is not alone in her enthusiasm. Mrs. Clarence Baxter, chairman of the Women's Committee of the National Bureau of Campaigns, Bureau, St. Louis, has seen her home town, Kirkville, Mo., transformed from a city with no corporation limits entirely through the earnest work of progressive women. Mrs. Baxter is inspiring and advising hundreds of club women in similar work. She will be glad to receive and advise others.

Mrs. Grace Zimmerman, of Fremont, O., chairman of the civics department of the Greater Cincinnati Federation of Women's Clubs, has recently endorsed the national "Clean Up and Paint Up" campaign and is a member of the advisory committee of the National Bureau. The civics departments of several local federations of women's clubs have already arranged for the work. "Clean Up and Paint Up" campaign is a year with a definite work program to start the ball rolling. One man who always was harping on the old saw, "Women's place is in the home," has not been heard from since the first year when he took part in a "Clean Up and Paint Up" campaign, which results in a better life for the town. The good woman repaired and painted a piece of vacant property belonging to her husband, property that had been a drain on his purse for years. She had to fix it up, she said, because she was preaching "Clean Up, Paint Up, Repairs" others and she believed in practicing what she preached. After this she was busy for her part in the campaign, and especially for spending real money on "that old shack," which she had been so busy charging on day to day to receive an offer of \$600 more for the property than his former valuation. He made the sale, and shut up the place. He is the least of our contributors to that local "Clean Up and Paint Up" campaign fund.

Barbed wire cuts, ragged wounds, collar and harness galls heal up quickly when "Baxter's" ointment is applied. It is the best healing and antiseptic. Price 1/2 cent and \$1. per bottle. Sold by John Robins, Brothead, Ky.

Mrs. R. Williams, Hamilton, O., writes: "Our whole family depend on 'Pine Tar Honey.' My little ones suffer from Croup and severe Cold—perhaps it is the baby. The original Dr. Bell's Pine Tar Honey is an even rarer remedy of remedy. It gives immediate relief. Pine Tar Honey penetrates the linings of the Throat and Lungs, destroys the Germs, and allows Nature to do its own work. Nature to do its own work. Nature to do its own work."

**John Robrman Praises Remarkable Work of Medicine Tonic**  
Louisville, May 13 15  
Almost everybody in Louisville is personally acquainted with or has heard of John Robrman. The "Ice King" of Louisville, as he was formerly called by those who have known and respected him for his honesty and integrity for a score or more years, has received a sufferer from stomach complaints and a general debilitated condition for a considerable length of time. Like lots of other folks, Mr. Robrman was a little skeptical regarding the merits of the new preparation, Tanlac, as he had tried numerous medicines in the past without obtaining the right results. However, the publication of testimonials from Louisville people he knew who had been actually benefited by Tanlac, convinced him that a test of the preparation was worth the attempt.

Mr. Robrman had suffered many a night from indigestion, especially. He got Tanlac and began using it. A few afternoon ago he was prepared to make his statement in the presence of witnesses: "Less than two weeks ago I bought this Tanlac. The medicine was just what I needed. It went straight to the spot. I strengthened right up. My appetite improved as well as my sleep. If I had paid a thousand dollars for the medicine, it would have been worth that to me. The anticipation of taking the next dose of Tanlac is a real pleasure."

Tanlac, the remarkable medicine referred to by Mr. Robrman, is now distributed in Louisville by the personal direction of L. J. Cooper, and is at Mt. Vernon by Chas. C. Davis and is in Livingston at the Central Drug Co. store or at John Robins' drug store, in Brothead, Ky. where the famous medicine was bought.

**SICK HEADACHE**  
Mrs. A. L. Luckie, of East Chester, N. Y., was a victim of sick headache and dependency caused by a bad cold and debilitated condition of her stomach, when she began taking Chamberlain's Tablets. She says, "I was so nervous and sick that I had severe cold-panels it is the baby. The original Dr. Bell's Pine Tar Honey is an even rarer remedy of remedy. It gives immediate relief. The commencement exercises, however, did not begin until Saturday evening, when a first class program was presented by the pupils of the eighth grade. A play, entitled Masonic Ring or Adventures of a College Bride, was rendered and enjoyed very much by the large audience, the drills, songs, recitations and piano solos were all fine. On Monday evening a three hours program was rendered by the little folks, including the first, second, third and fourth grades, and every number was so successfully presented that it was a hard matter to decide which was best, the drills by the little tots, as well as those by the third to fifth grade pupils, were seemingly perfect. A play, Cinderella, was presented by the little tots to the great enjoyment of every one present.—"Rough Diamond" was presented by the sixth, seventh and eighth grade pupils, which was one of the very best numbers on the program. The Principal and teachers are to be congratulated for their untiring efforts and the success attained during the entire school, and especially for the perfect manner in which the pupils acquitted themselves during the closing exercises last Friday, after attending school for nine months, then leave at 10 o'clock next morning to spend his

vacation at hard labor. Edd received his certificate of promotion Tuesday night at school, and we predict that he will soon get a promotion at the hands of the L. & N. We hope those other young men follow his example.—Brodhead seems to have a crack base ball team now. They defeated Sparks Quarry team here last Friday by a score of 11 to 4. The visitors refused to cross bats with the local team unless they agreed to not allow Cecil Hayes to enter the pitchers box. That obstacle being removed, Orrin Wallin entered the box and proved to be entirely too much for the visitors. On Tuesday afternoon a team composed of two men of the East Bernsadt team, two from Livingstone and five from Sparks Quarry met the local boys here, and a double header was pulled off, resulting in a score of 14 to 2, and 9 to 1 in favor of Brodhead, Hayes pitching the first game, Wallin the second.—Frank Brooks, the clever groceryman from Crab Orchard, was in town during the week.—Cashier and Mrs. A. M. Hatt were with his father and family at Quil Sunday afternoon.—Miss Tempest Ward was here from Livingston on account of the commencement exercises.

### CHAMBERLAIN'S LINIMENT

This preparation is intended especially for rheumatism, lame back sprains and like ailments. It is a favorite with people who are well acquainted with its splendid qualities. Mrs. Chas. Tanner, Washburn, Ky., says: "I have found Chamberlain's Liniment the best thing for lame back and sprains I have ever used. It works like a charm and relieves pain and soreness. It has been used by others of my family as well as myself for upwards of twenty years." 25 and 50 cent bottles. For sale by all druggists.

### EXTRA SPECIAL VALUES

#### ALL NEXT WEEK

OUR business is built on the foundation of values—save the customer money—give him better service—go on and upward—slowly but surely,

No swell-headed clerks in my store. When I find a clerk is out-growing his derby hat, I put another clerk under the derby. I dont attempt to tell people what they must buy in my store, what price they must pay, or what quality they must pick. My Motto—and the motto of my Clerks is—"See that the people get what they want," and if you are not satisfied, return the goods and you are not out a cent.

Life is not very long, at best, and I'd close my store tomorrow if I couldn't make every sale, that occurs here, a pleasant and agreeable one.

25 years experience has taught me that you can't run a successful business on "Wind and hot air"—it takes big stocks of every line of Merchandise that people use. Big values and a square deal. This is just what we do our best to give you each day of our lives.

I will thank you to call.
