John, Henry and Martin Fields, Raymond and Al Sampson and Prescott Brown spent a week fishing on Rockcastle River, but they had any fish they brought back no tangible evidence.

Mr. Farmer: Read this over a time or two and then cut it out so you will not forget the dates. Call your neighbors attention to it. Ask your Lawyer or your Banker about the Kentucky Rural Credit Association. And if they don't know, ask them to come with you and see me and I'll tell them. **WARREN**

Jane Keeley was born in Pulaski County, Kentucky, April 1852 and lived until maturity with her parents in the community of her birth. She was married to F. L. Warren in September of 1872. W. was a Baptist pastor in his native state for over 40 years—serving the churches of Olive, Pittman, Skeggs Creek, Mt. Pleasant, others, always being assisted by the subject of this sketch in the capacity of a christian wife and helpmeet.

To this union of holy wedlock were born eleven children, four of whom with husband and father proceeded the wife and mother to their eternal abode. Six of the children survive and mourn the child's sorrow. Mrs. Sarah Cress of Mt. Vernon, Ky., Mrs. Eliza Cress of Nettawa, Kansas. Mrs. Lue Cress of Bird City, Kansas. Messrs William and Mathew Warren of Osborne, Kansas, and Mrs. Margaret Logsdon of Easton, Kansas. Mrs. Warren enjoyed good health for one of her age, up to about eight weeks ago when she fell and fractured her hip. The injury was aggravated by old age and complications until death came her, May 2, 1915, at the home of her son William, at Osborne, Kansas, at the age of 63 years and 24 days.

During her illness she was a patient sufferer, realizing that, "We that are in this tabernacle do groan being burdened; not that we would be unclothed, but clothed upon that mortality might be swallowed up of life."

Five of the children were faithful attendants at the bedside of the mother and did all that human hands could possibly do to alleviate suffering and also accompanied the remains to the cemetery for burial. Funeral services were conducted from the home of William Warren by Rev. Bates of Osborne, Kansas, and the remains were taken to Muscotah, Kansas, for interment where a short service was conducted by Rev. Geo. H. Clark, Jr., of Whiting, Kansas.

**It Always Helps**

says Mrs. Sylvia Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further, "Before I began to use Cardui, my back and head would hurt so bad I thought the pain would kill me. I was hardly able to do any of my household, after taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill. I wish every suffering woman would give a trial. I still use Cardui when I feel a little bad and it always does me good."

Headache, backache, side ache, nervousness, tired, worn-out feelings, etc., are sure signs of womanly trouble. Signs that you need Cardui, the woman's tonic. You cannot make a mistake in trying Cardui for your trouble. It has been helping weak, ailing women for more than fifty years.

### BROADHEAD.

Dr. and Mrs. W. F. Carter and children were the guests of Mr. and Mrs. N. Giles Carter, Hartman, Tenn., from Friday until Monday. One of the latest rules of base ball is to allow the Manager, Coach and Owner of the team to umpire the game, and this stunt was pulled off by East Bernstadt team, however the decision was in their favor, and we know they feel proud of it.—Mrs. J.
