New York church statistics for July and August show a large gain in the matter of attendance over the same months in 1914.

Church men say that the war, by setting people to thinking of serious things, is responsible for the increase. No doubt, there is truth in this, for we learn that the churches of Paris are crowded every Sunday, but the weather in New York helped.

Last July and August were hot months the country over; this year they were unusually mild.

Many people will not go to church in warm weather and some will not go in any kind of weather.

ACUTE INDIGESTION.

"I was annoyed for over a year by attacks of acute indigestion, followed by constipation," writes Mrs. A. J. Gallagher, Geneva, N. Y.

"I tried everything that was recommended to me for this complaint but nothing did me any good until about four months ago I saw Chamberlain's Tablets advertised and procured a bottle of them from our druggist.

I soon realized that I had gotten the right thing for my help and it came. Since taking two bottles of them I can eat and help myself without any bad effects."

The buildings were the property of Brown Brothers loss \$1000, with small insurance. By good work the depot was saved.

Two engines were cut loose from a double header train at Sinks and rushed to the scene of fire. Origin of fire unknown.

DIARRHOEA QUICKLY CURED

Born Sept. 13th to the wife of Rev. Carlisle A. Smith, 1887, Mrs. Lena Nicely and children of Burr, spent the latter part of last week with Mrs. Wm. Nicoley at this place. - Rev. Carlisle was called to Sparks Quarry last Wednesday to preach the funeral of Uncle John Palla. Mrs. John Taylor is numbered with the sick.

Mr. VanWinkle, the teacher at this place, is building a house near the school house, to teach upon light school. - There is a very large crop of grapes and cherries and black walnuts in this part this year. - Rev. Carlisle at this place attended the decoration at Maret Cemetery last Saturday. - There will be preaching at Mt. Plogah Saturday and Sunday. - Rev. Jas. Barnes has recovered from a long spell of sickness enough that he is able to preach and he assisted Rev. Clifford in his meeting at Soper-wood last Sunday. - There is more typhoid in this surrounding neighborhood than was ever known. - Food is saving the order of the day in this part. - We wonder why this has been such a bad season for raising chickens. The most women in this whole neighborhood have raised but few. - Mr. McClain Sowler and little Hazel Barnes are numbered with the sick, not being able to stay in bed. - Mrs. Will Rash is very sick. - Dollie, the small child of Mr. and Mrs. James Nicely has recovered from a severe spell of sickness.

A WONDERFUL ANTISEPTIC
Germs and infection aggravate Colic and retard healing. Stop that infection, get rid of the germs and get rid of the poisons. For this purpose a single application of Sloan's Liniment not only kills the pain out but destroys the germs. This neutralized infection and gives nature assistance by overcoming constipation and gives a chance for the free and normal flow of the blood. Sloan's Liniment is an emergency doctor and should be kept constantly on hand. 25c, 50c. The \$1.00 size contains six times as much as the 25c.

The bravery or rashness of
the managers of the Kentucky
State Fair to hold their 13th
exhibition, beginning on 13th
of month, is something out of
the usual.

WHEN any state, city or county
is predominated many years by
any one political party the usual
result is the breeding of factions
in that party and the interests of
said State, county or city is of second
consideration. It is a "pity" 'tis
true.

OLDEST RED MAN
ENDORSES TANLAC

Remedy Filled Him With New
Energy and Vigor After
Many Years.

Louisville, Ky. Among
those to indorse Tanlac is Fred
Meinecke, a retired hardware dealer
of 252 1/2 West Jefferson street
in this city, who found speedy relief
from chronic stomach trouble by
use of the premier preparation,
Mr. Meinecke, who is sixty-eight
years old and the oldest member
of the Order of Red Men in Kentucky
said:

"I was suffering from stomach
trouble for years. Finally my
condition became so serious that
I was forced to retire from business.
I was unable to retain
even the lightest foods on my
stomach, and had the most severe
pains imaginable in my abdominal
region after eating. I suffered
from headaches, nervousness, and
dizziness, and found it difficult to
sleep.

"After being advised by my
friends to try Tanlac, and seeing
it advertised in the newspaper, I
decided to try it. I was astonished
at the result. After taking a
few doses my appetite returned
and found that I could eat anything
I craved with relish. The nervousness
and dizziness disappeared
and my sleep became restful
and peaceful. I no longer
suffer from pains in the abdomen
and head.

"I can do as much work now as
I ever could and feel well as well
as I did 20 years ago, before I became
affected with stomach
trouble."

Tanlac, the premier preparation
is sold in Mt. Vernon, at Chas. C.
Davis' drug store, and can also
be obtained at the Central Drug
Co., Livingston and John Robins
Drug Store, Brodhead Ky.

THE NEXT BEST THING TO
THE FINE PORT FOR
COLDS IS—

Dr. Bell's Pine Tar Honey
which goes in the very root of
cold troubles. It cures the throat
and gives relief from that chipped
and stuffed feeling. The Phages
have been used by the best of men
in driving away colds. Moreover
the pine-honey ointment are
peculiarly effective in driving
colds from the head. It is a
cold-broke in the start greatly
reduces the possibility of complications.
