The Loyal Sons base ball team went to Stanford Wednesday and went to Stanford Wednesday and met with an overwhelming defeat at the hands of the Stanford High School team. It was a game of errors from start to finish with auth teams, but we regret to say, hat our boys have a tew more to their credit than the Stanford ows. George Payne, who was loys. George Payne, who was on the mound, could easily have had the Lincolnites at his at the Lincolnites at his mercy at any stage of the game, but our catcher, Dick Cox. while a sorain ad ankle and but little practice, was not in condition to take care of his speedy balls, althoug Dick put up a game fight to the Steamboat Bill Thompson at second and Dwight Bowman at third came through without an er ror. The score stood 15 to 6 in favor of Stanford. On last Satur-day the Stanford boys came to Mt. Vernon and defeated the Loal Sons by the close score of 10 to Instead of the Mt. game being a pitchers' battle, it was said by some to have been an umpires' bettle. The box score of the Mt Vernon game would have appeared in this issue, but the score card was lost, and of course there was no way of dupli-cating. Stanford has a good work-ing team, being especially strong in the out field. With Mt. Verson practice and lots of it is what is needed before scheduling any more games with teams that have had to advertise ints, and return to us promptly the empiries. Which anything is the precise that the had been anything anything like the practice that the you success with your supper, and lots of victories in your better that the summer of the Stanford boys have had. The games, which I know you will be suffered these summer of the Stanford game was have How well would I love the province the summer of the s SAFE MEDICINE FOR CHILD

Not Poetic But Sound Better.

To The Average Man The Material Comforts Count Most

For the average person unsed with riches, it is the mate blessed with riches, it is the mate-rial comforts of 'life that count. That "we want but little here be-low" is a trueism, but to be with-out that little is keenest hardship. If a good meal isn't poetical, but the honest declaration, "I can eat a hearty meal without discoma hearty meal without discom-fort, has a better sound to the average man than the best line over penned by poet. It is after long loss that the ma-terial things, when won back, seem so much better! Of all the ailments that afflict humanity, when it was the same of the

humanity, chronic dyspepsia pritsburg, of the Field probably the most common. It preign Mission causes and characterizations are terian Churen many. Skilled specialists have Its emoses and citiators. Skilled specialists have been unable to cope with this almost universal maindy, but Mother Nature in combination with skill and chemistry, has compounded in her exhaustable labratory a marvelous remedy for this trouble.

tory a marvelous remedy for this tromble.

The symptoms of this common disease, which is only a forerun ner of more complicated maladies are many. Belching after meals, frequent nausea, pains in the region of the stomach, and a tired iceling, are only a few of the indications. Payaretics become list. feeling, are only a few of the indi-cations. Dyspeptics become list-less, then morbid, are melancholy over trival things, have whimsical deas, besides physical sufferings, and with appetite gone, sleep fit-ful, dizzy spolls and frequent nau-selie hards recovery and high

sea, life hardly seems worth living Tanjac was designed to check this distressing condition, and to rostee a nearthy, normal appetite bring good, restful sleep—in short to restore the stomach to the hab-it of doing a full day's work, and doing it well.

Tanlac, the ideal reconstructive

Tanlac, the ideal reconstructive tonic, is being especiall intsoduced in Mt. Vernon, at Drug Store of Chas. C. Davis, also at Central Drug Co., Livingston, and John Robins' Drug Store, Brodhead, W. M. Owens' store, Burr, Lyne Bros., Crab Orchard, S. E. Welch Pages Berea

Facts That Can Not Be Denied ———

The FORD has more power in proportion to its weight than any Car made. Its weight is 1500 pounds, its mortor is 224 horse power.

The Ford puts more tire service to the ground than any car; tires are 30x34 rear, 30x3 front,

It costs less to maintain the Ford, 24000 well paid experts are employed in making the Ford Henry Ford spent years that he might find a way to make a stronger tougher steel. He succeeded. Each test that has been made between the Ford Vanadium Steel and the steel used in other cars show that the Ford Steel is over one-fourth the stronger. This is why the Ford Car is so light and yet so

While other manufacturers are discarding the models they declared perfect one season for a car of even more boasted next season, the Ford Company continues to make the Model T. Over one million Ford Chassis have been made at exactly alike, To begin with the Ford was made right. engineers of world fame did it, did it to such a degree of per-fection that changes have not been necessary. No motor runs more smoothly than the Ford Motor, no car is easier to drive.

Prices F.O.B. Detroit—Runabout \$390.00 Touring Car 440.00

Did you know that, although there are over one hundred different companies making automobiles, the Ford Motor Co. puts out more cars than all the other concerns combined?

Easter Means "Dress Up"

And the easiest way to obey that impulse is to buy everything you need here.

You'll benefit in two big ways by doing so.

First our Spring stocks are large - and a wide variety makes buying simple.

Second, you will feel better about new clothes if you don't have to worry about the cost.

- and our prices have a reputation for being reasonable.

Clothcraft Clothes are here in all their Spring newness. At \$10 to \$25 the styles, materials and workmanship can't be paralleled.

Don't delay - Spring is here to stay.
