## What would he give for the coffee you serve?

Like a million other women, you can serve coffee that he would give most anything to have—coffee which starts the day "right" for all.

Everyone loves the rich flavor of Arbuckle's Coffee. Of all the coffees in America, today, it is by far the most popular!

One woman says, "My husband used to swallow his coffee and

hurry off. Now we have Arbuckle's and you'd think it was Sunday the way he lingers over his breakfast."

Serve it in your home—see how the little early morning wrinkles disappear.

Until you try Arbuckle's you will never know what a difference good coffee can make in your home.

Arbuckle's Coffee is untouched by human hands. It is weighed, and sealed by machines—machines which Arbuckle Bros. originated and which experts say are the most efficient in the world.

Round trip Louisville 4:20 Sept. 18 and Sept. 27 limited to 3 days.

We understand from a reliable source that the county will begin putting macadam on the grade between Livingston and Brodhead just as soon as the county can make arrangements for a roller crusher and water wagon. We certainly hope that it can be done for unless it is, there are places on the road which will become impassible before the winter sets in.

We know Judge Ballard favors putting on the rock just as soon as possible, and from a standpoint of travel, and the extra expense of putting the grade back in condition next year it is certainly the only thing to do. We have done splendid work and to leave the road for winter use without any metal would certainly be a serious mistake.

The property of the Kentucky Portland Cement & Coal Co., located at Pine Hill, was sold at public sale by order of the court, at the front door of the Court house in Mt. Vernon Tuesday.

Next week will be prepared to make stove pipe to order at Mt. Vernon Monumental Works. FERTILIZER:—Just received a carload of Virginia-Carolina fertilizer which I now have for sale. JACK HYSINGER.

Dr. Ben L. Bruner of Louisville announces that he will be a candidate for Governor on the Republican ticket in the 1918 Primary.

John B. Nevius, son of Mrs. Mattie Nevius, of this city, was knocked off a freight train upon which he was braking near Brodhead last week and sustained injuries which laid him up for a short time. It is said to have been a wonder that he was not very seriously injured. His home is at Lebanon Junction.—Interior Journal.
