Mt. Vernon Sign at Why You Should live ince

FRIDAY, Nov. 15, 1918

DESCRIPTION ONE YEAR \$1.0

In a message addressed to Sec-retary State Lausing, Dr Solf; retary of State Lausing, Dr Solf, the German Foreign Secretary, requests that President Wilson intervene-to mitigate "the fearful conditions" existing in Germany. According to a German wireless dispatch-received in London, Dr Solf-says, be feels it his duty to draw President Wilson's attention to the feet that the enforcement. to the fact that the enforcement of the armistice conditions, espec-ially the surrender of transports means the starvation of millions

ROSCOENORTON In France

Sept. 3rd, 1018.

Dear mamma and home:

The country in the country well with us. We went over min well with us. We went over, the top only a few days ago. We went through the strongest point on the Hindesday I he our boys did some of the bravest, work since the war began. I must have a sur reasting it about is in the papers I will tell you more when I get home I think we off the good strike, these statements. I call a line from Lee. He is I rec'ed a line from Lee. He is, O. K. I have not had time to serite for a few days. I held up fine threego the fight, only I am tired; and ellegry. I met Jamie. Thromagon from Mr. Vercon, just, as we increa, before and the first days of the firs and shell. I did not know who be was until we stopped for a short rest. He came up and we

short rest. He came up and we had a short talk, until my officer gave the command to go forward. We wished each other "good lack" and our company went over the top. I guoss Jamie is O. K. We are now on a rest. I am sure no will ano have much. trouble now as he is on the run.
I must now close, hoping to hear
from you soon. I am,
Your loving sor,
Roscoe Norton,

Oct. 14-18.

Oct. 14—18.

Dear piba and home:

Just a line to inform, you that I am getting: along fine—I ree'd a letter from Myrile, Lee and Eminet today. Have nor ree'd are letters for some days. We have been in the lines fighting. We have been in the lines for the top and run these Germans from one of their strong 'points' on the Hindenburg line. Believe me we put them on the run and are yet after them miles beyond the line. We went thru, heavy the line. We went thru heavy shell fire, gas smoke and machine shell fire gas smoke and machine gun fire etc. to get them out of, their strong deep dugouts which they thought could, never be broken. Our boys did the best and bravest fighting of the war. We got them though. We were We got them though. We were some tirgd when our relief came and fook up the canse. The Australians are some fighters foo. I think we will soon gethem, I put my machine gun in action, if did fine work Soy ous see I feel lucky to have been ever the -top three times and unburt. I now think we will get a good rest. Our 'officers all complimented us on our gold get a good rest. Our 'officers all complimented us on our good work. We are resting now and the other boys are gone on after them. So don't worry shout me. I stood it noe and thirk I will return before long. Wishing you all good lack and love for all. I am. Your loving some ROSCOE NORTON.

STOMACH TROUBLE

Ma Marion Hologimby of Nandy, Kyr, says: "For quite a logic writer I suffered with stomach trouble. I would have pairs and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I at anything with button old or grease, I would spirit up. I began to have repeat like headache. I had used pills and tablets, but after a course of these, I would be constipated. It just seemed to tear my stomach all up. I found they were to good at all form my troubles. I heard

BLACK-DRAUGH

recommended very highly, so began to use if. It cured me. I keep it in the house all the time. It is the best the mendicine made. I do not have sick headache or the medicine made. I do not have sick headache or the medicine should be to the form and the position of the special throwing out waste materials and poisons from the system. This medicine should be in every household for use in time of need. Get a package today. If you feel sluggish, take a dose tonight. You will feel fresh to-morrow. Price 25c a package. All druggists.

ONE CENT A DOSE

TO THE PUBLIC

HAVE purchased the stock of goods of P. Q. Griffin, the West Main Street Merchant. I expect to maintain the high standard of merchandise and groceries and accord the people the same courteous treatment that brought to this store such a liberal

patronage in the past. My motto will be live and let live. I want your business.
Come and see me at the P. Q Griffin stand.

which was 11 o'clock Paris time the armistice, which brought to close all hostilities and ended th close all hostilities and onded the great world war was signed. The fighting is over but the great task of making the terms of the great is yet to come. Such drastic-terms have never before been demanded by any victor, in any war in the past. It may be Jan-uary or later before the actual terms of peace are signed.

classes now in progress at these camps, but it was intimated here that the students would be permitted to complete the course. Formal orders or announcements will be issued soon coyfing all such questions.

the tax will be issued soon coyertog all such questions.

Canócilation of all draft calls
and inductions vesterday practically has upilified the famous
"work or fight" order promulgated isat summer, and under
which thousands of men flocked
to essiential industry on pate of
timerediate induction, though local
boards have been ordered to contime classifying after physical
examination men between 18 and
36. The "work or flega" ordered
fall by trackon of the fact that
this only penalty attached was that
to being placed in cingas . With
calls is topped the Government has
no power to penalize the sonessential employment.

The, cessation of draft calls

egistrants under the 18 to 45-ear extended limits more than year extended nimes more man fo per cent complete in the United States and entirely emplete in some States and localities. The stopping of the calls does not relieve any delinquent who has

failed to oboy draft board orders from the residue which are attached under the law.
A single order from the General Staff would suffice to start another stream of men flowing into the cautonments and bring the work fight and all other wartime requirements back into force.
