PERSONAL

Miss Gladys Thompson, of Woodstock, is visiting relatives at this place.

E. T. Fish, of Berea, was in town today looking after some business affairs.

Logan Bryant and John Albright drove two new Fords through from Cincinnati yesterday.

John Ramsey will go to Brodhead Monday and begin laying the brick on R. H. Haman's new residence.

Emmett Bullock, another Rockcastle boy, who saw service in France, is home yesterday a free man again.

Cassie D. Sutton has been in Cincinnati this week purchasing more goods for their extensive Main Street store.

Mr. and Mrs. Oscar Wallen have moved to Lebanon Junction. Mr. Wallen is working for the I. & N and runs out of that plant.

Doris M. Miller expects to go back on the road June 1st for the U. S. Army. She is working when he joins the army.

Editor E. C. Stanton and Rowan Smith, of Walden, just on a short visit last Sunday. We always welcome these delightful gentlemen to our town.

Corporal Robert R. Arrington, of Huntington, West Va., was a guest of Mrs. Mattie Mullins last week. He has just returned from overseas after eight months service.

M. C. Williams came over from Somerset last Saturday morning to spend the day with his mother, Mrs. Mary Williams, who celebrated her seventy-sixth anniversary on that day.

Jamie Thompson, who is nearly a year of active service in France, went "over the top" more than once; arrived home yesterday with his discharge. He is glad to have done his part but is still happier to be at home.

Judge R. G. Williams, of Covington, was here last Saturday to join in the celebration of his mother's seventy-sixth birthday. While here he said, "I am always delighted to be back home, for Rockcastle is one of the dearest places on earth to me. I see a spirit of progress in this county never observed before."

Dr. and Mrs. G. D. Lillard, of Lawrenceburg, attended the annual meeting of the association of Surgeons of the Southern Railway Company which met April 23 and 24 at New Orleans, La. They stopped in Chattanooga, Tenn., a couple of days and visited the Lookout Mountain and other interesting places.

Lillard is a daughter of Mr. and Mrs. J. J. Bullock of this county.

Everything is being put in readiness for the convicts, who will be here May 15th, to begin work on our roads.

The old Jell residence is being fitted up in condition for the convicts. A State Inspector, who is here today, says it will be O. K. when finished according to plans.

W. M. Soudner sold E. B. Cox a cow and calf for \$80.

Obituaries, cards of thanks, etc., are charged for at the rate of 5 cts per line. Those desiring such notices will be governed accordingly.

Next Friday and Saturday, May 9 and 10, will be held the County examination for Eighth grade pupils, who expect to enter High school in September. This is a very important examination and all students, who expect to enter High school should be on hand on those days and take this examination.

War Work contributors, who have not paid up their pledges, are asked to do so at once. The headquarters have asked for it and every one making a pledge should see that the amount is paid at once. There is something like \$3000 yet unpaid. Those who do not pay the local treasurer and extend to each and all an earnest invitation to do so. We want to make this meeting the opening of the campaign for the coming November election. We will have present a number of prominent Republican speakers who will entertain the Convention.

Mr. Joseph A. Parrett, age 79 years, and the father of our townsman, Neal Parrett, died Monday at his home near Pine Hill, after a short illness. Although the deceased was sick only a few hours, yet for many years he had been a sufferer from trouble which had long since become chronic, which caused him great suffering at times and which had puzzled several of the best physicians. The burial took place at the burying ground near Sand Hill.

The "Home Coming at Level Green on June 26, 1919, is being looked forward to by hundreds of men and women who spent their boyhood and girlhood days playing around the old school house, conducted by that dear old teacher, Jasper Brown. We are all going to have these days played over again June 26-29, 1919. Please don't forget the date. We will have out hand bills again or calling your attention again.

It has been suggested that a welcoming address be given by Atty. J. W. Brown, of Mt. Vernon, Ky.—Committee.

A personal letter received from our good friend, I. P. E. Drummond, says:

"On Dr. H. V. Pennington's advice as a friend and doctor, he advised myself and wife to go to a higher and drier climate. The day left us both in a weakened condition and we were likely to fall victims to anything, but on immediate danger that he could see, we went to Asheville, N. C., and stayed a month and I gained 10 pounds and my wife gained nothing and lost nothing. We have decided to go to Asheville to live. I had a doctor in Asheville examine me just before I left there and he pronounced me sound as a dollar. So you see how it goes. I am going 'tho' and if you don't watch I'll come back to old Rockcastle to live and die. I expect to leave May 28, or 29."

We certainly regret to lose Mr. and Mrs. Drummond and sincerely hope that the best that he will come back to old Rockcastle some day, will certainly prove true. There will always be a cordial welcome awaiting him and his most estimable wife.

ROCKCASTLE COUNTY STOCK PENS.

Rockcastle County at last has a home market for live stock which is a great asset to the county. Monday April 21, the first sales were made in the new pens at Mt. Vernon. Every one was very much surprised at the interest taken and shown in the live stock market. Cattle, hogs, mules and horses were on the market at good prices both for buyer and seller.

This first market has shown the people of Rockcastle County that County Stock Pens are valuable and that better live stock is demanded.

Better bulls, bucks, hogs, jacks and stallions are now being looked for to. Better sires means better live stock—We hope that some of our neighboring counties will bring us some pure bred registered shorthorn bulls to be sold and remain in county.

Rockcastle wants the best sires of the live stock line—She wants registered sires—sires with blood.

Robt. F. Spence, County Agent, Berea, Ky.

CALL FOR REPUBLICAN MASS CONVENTION.

TO THE REPUBLICANS OF ROCKCASTLE COUNTY:

You are called to meet in Mass Convention at the court house in Mt. Vernon at one o'clock p. m., standard time, Saturday, May 10, 1919, for the purpose of selecting nineteen delegates from this county to attend the Republican State Convention which will be held in the city of Lexington on the 14th day of May, 1919.

The object of said State Convention is the adoption of a platform of principles, which the Republican party will ask the voters of Kentucky to support at the coming November election, and to recommend to the Republicans of the State after consideration, candidates for the various State offices to be nominated at the August Primary of this year.

We urge the Republicans of the county to attend the Mass Convention and extend to each and all an earnest invitation to do so. We want to make this meeting the opening of the campaign for the coming November election. We will have present a number of prominent Republican speakers who will entertain the Convention.

I. W. BETHURUM, Chairman, Republican County Committee.

COMMISSIONER'S SALE, ROCKCASTLE CIRCUIT COURT.

John Owens and Others, Plaintiffs, vs: Notice of Commissioner's Sale.

Roy Owens and Others, Defendants.

By virtue of a judgment and order of sale of the Rockcastle Circuit Court, rendered at its February term 1919, in the above styled case, I will offer for sale, at the front door of the Court House, in Mt. Vernon, Ky., to the highest and best bidder, at public auction, on Monday, May 20th, 1919, between the hours of 10 o'clock a. m. and 3 o'clock p. m., on a credit of six months the following described tract of land, to-wit:

A tract of land in Rockcastle County, Kentucky, on Wiggins' creek, waters of Dick's river and bounded and described as follows:

Bounded on the north by the lands of Lay Dancy and the heirs of Albert Albright, on the east by the lands of the Sayers heirs; on the south by the lands of Sayers heirs and on the west by the lands of Eugene Gentry, John Williams, J. D. Haman, and George Adair, deceased, and on the same land owned and occupied by Esquire William Owens, deceased, at the time of his death and contains 10 acres more or less. From this boundary there is excluded about three acres which was sold by said Wm. Owens to Margaret Roberts, and the same is bounded as follows: Beginning at a stone on the south side of the road; thence S. to a spring branch thence with the branch of the County road; thence with said road to the beginning.

The purchaser will be required to execute bond with approved surety for the purchase price, bearing legal interest, from day of sale till paid, and having the force and effect of a judgment. G. S. Griffin, Master Commissioner, Rockcastle Circuit Court.

The Whippet Tank has come and gone and those who witnessed the manueverings of that wonderful piece of mechanism, can now understand why it was the devilish Hus were so manuevered, in those battles where the tank played such an important part. Regardless of the downpour of rain, a fairly good sized crowd saw the tank here Wednesday. Bonds sold on that day amounted to about \$10,000. The previous sales had also brought the county's total up to about \$35,000, leaving more than \$75,000 yet to raise to make the full quota.

The picnic arranged for tomorrow by the Baptist Sunday School, will be postponed two weeks, on account of the weather.

Those in charge regret very much to disappoint the little folks as well as the grown-ups, but remember that it is coming just the same in two weeks.

FOR SALE—White Wyandotte eggs, setting 15 for \$1.00.

RED CROSS NOTES.

The women have a hundred small garments to be made at the workroom by May 13th. It is hoped that every Red Cross worker will come in and help complete this job. This is the last work that they will have and it is hoped that every body will be in at the finish. There has never been a garment that was made by the women of this Chapter that was returned or reported, in other than Class A. One of this every worker should feel proud. When this job is finished, including what knitting that we have on hands a final report will be made on the activities of the Rockcastle County Chapter, and we wish to have all workers present at the Red Cross work room to have their pictures made, a copy of which will be sent in as a part of the history of this Chapter's work during the war. Whatever may be said about the work done by the Rockcastle County Chapter, nothing but words of praise can be said about the work done by the women of this county.

It goes without saying that they will make an effort and finish this small job in the work room within the allotted time.

CARD OF THANKS

It is indeed with grateful hearts that we express here-in our appreciation for the friendship so perfectly expressed in words of sympathy and deeds of kindness by so many kind hearted people, during the recent illness and death of our dear wife and mother.

So noble and generous were the deeds, that we are left to think that our efforts were too feeble and words inadequate to really express our sympathy.

To Mrs. Rice we tender special thanks for the nice wreath of flowers, when with flowing hands were placed on the casket, and to Mr. Stratton, who took advantage of rendering special service. May the God of all grace reward, in a degree that we can not, those who wrought such loving deeds.

KENTUCKY PRESS ASSOCIATION

We are authorized to

As a candidate for State Senator in the 17th Senatorial District, subject to the action of the Republican party at its primary election on August 2, 1914.

ANNOUNCEMENTS

We are authorized to announce
HON. E. BULLOCK
as a candidate for Representative from the Seventeenth Legislative District, composed of Rockcastle and Laurel counties, subject to the action of the Republican party at its primary election on August 2, 1914.

Get down to business. Be prepared for action that is wanted soon. In those cases may be summed up the demand that is now being made upon the Administration, Congress and official Washington.

Form of requests and petitions that are arriving here and fast at White House and all Government Departments. They are coming from all sections, from every line of business, from agricultural associations, chambers of commerce, boards of trade, etc., irrespective of politics or political parties. The Railroad Administration is asked for a reduction in rates; the Postoffice Department is petitioned to rescind its action in raising the telegraph charges; action is wanted on the meat-packing investigating so as to know whether the packers are in compliance in upholding the price of meats—in fact, there are many subjects upon which a rule and action is wanted that is

out of the question to name the same. There is no real fault-finding; it is not that Congress is deriding all the petitions and requests the explanation is made that those signing them understand that Congress is not in session, but what is wanted is to have the Government departments understand what the people want and to have the different affairs in such shape that when Congress is called into extra session there will be a little time lost as possible in getting matters before the proper committees and having the work lined up for them. So many requests and petitions should have the desired effect in "speaking up" affairs if there is anything in the saying that there is right in numbers.

STANLEY ANN EDGE PAIR.
A Washington telegram says: It is reported here that Senator-elect A. O. Stanley, of Kentucky, and Senator-elect Walter E. Edge, of New Jersey, are arranging a senatorial pair under the terms of which both will continue to serve as governors of their respective states until their gubernatorial terms expire. Stanley's term as governor of Kentucky will expire next December and Edge's term as governor of New Jersey will end next January. Stanley is a Democrat and Edge is a Republican. The alleged agreement stipulates that Kentucky and New Jersey would be represented in the Senate by one senator each until next January. The political center of the Senate would not be in any way changed, however, owing to the fact that they are of opposite political faith. It is said the reasons why the two desire to serve out their terms as governors are very much the same and are founded on a desire to prevent control of their states going to antagonistic factions.

BETHURUM MAY BE CHAIRMAN.
Judge B. J. Bethurum, of Somerset, is being tipped for the post of permanent chairman of the Republican State Convention to be held at Lexington May 14, while Judge McKeezie Moss, of

Benton Green, is being mentioned for temporary chairman. The convention is to be called to order at 2 o'clock in the afternoon by T. Franks, of Owensboro, chairman of the State Republican State Central and Executive Committees. Delegates to the convention are to be named in county mass convention to be held Saturday, May 10. The form of voting in these conventions, with few exceptions, is to be viva voce. Based on one delegate for each 100 votes or fraction thereof amounting to fifty or over cast for the Republican candidate and electors in each county by the voters at the election, there will be 2,414 delegates at the State Convention. The number necessary for a choice will be 1,208.

SUGGESTION FOR A CAMPING TRIP.
By a bottle of Chamberlain's Colic and Diarrhoea Remedy before leaving home. As a rule it cannot be obtained when on a hunting, fishing or prospecting trip. Neither can it be obtained while on board the cars or steamships and at such times and places it is most likely to be needed. The safe way is to have it with you.

COUNCIL OF NATIONAL DEFENSE

Some of our most prominent citizens have joined in making a fight for the Victory Liberty Loan. This is the fifth time that we have been called upon to do this work for our country. It means more to help finance the Government of our country at this time than it ever did before.

Victory in this instance means that our men, free born Americans, have crossed the sea and have by their daring deeds of bravery defeated, whipped and subdued Germany, the strongest military power in the world. The seeds of Democracy in Europe, and instead of autocracy, Democracy will dominate the

world. We are among the first to fight for the Victory Loan first, to save the reputation of our Government, second; to bring the boys home to their dear ones, third; that the whole world may know that had the war lasted for some years, we would have been able to endure its horrors and have men and money left, thus showing the world that the United States of America is a country that will have peace for ever or conquer the world. Mr. Man, no matter what your vocation is in life, you are an American citizen, and it is your patriotic duty to buy a bond and talk bonds and help put the Victory Loan over the top.

Your Patriotism.

The higher type of patriotism is not measured by what you can afford. It is what you cannot afford that counts. You cannot afford to lose an arm, or a leg, or his sight—but he did.

Now he's back here—that is, what is left of him. Today in uniform, a hero; tomorrow, in civilian clothes—what?

It rests with you? If you can't afford to help this man whose sleeve now hangs limp and useless, you pick his faltering way with an unaccustomed crutch—where eyes see only the flickering of eternal night—if you can't afford to lend him a hand in his struggle back to a career of industrial usefulness—if you can't afford to lend your money, every red cent that you can dig up, to encourage him to feel that life still holds much for him of brightness, promise and accomplishment—if you can't afford to do this, what is the name of American patriotism can you afford? What sacrifice that you can possibly make for him is comparable with the sacrifice that he has made for you?

PRINCE ALBERT
the national joy smoke

SAY, you'll have a streak of smoke that'll put pep in your smokemotor, all right, if you'll ring in with a jimmy pipe or cigarette papers and nail some Prince Albert for packing!

Just between ourselves, you never will wise-up to high-spot smoke-joy until you can call a pipe by its first name, then, to hit the peak-of-pleasure you land square on that two-fisted-pan-tobacco, Prince Albert!

Well, sir, you'll be so all-fired happy you'll want to get a photograph of yourself breezing up the pipe with your smokebottle wide open! Talk about smoke-sport! Quality makes Prince Albert so appealing all along the smoke line. Men who never before could smoke a pipe and men who've smoked pipes for years all testify to the delight it hands out! P.A. can't bite or parch! Both are cut out by our exclusive patented process!

Right now while the going's good you get out your old jimmy pipe or the papers and land on some P.A. for what ails your particular smokeappetite!

You buy Prince Albert wherever tobacco is sold. Toss your old pipe, tidy up the smoking pound and half pound tin, handkerchief and that classy, practical, pocket crystal case, humidifier with sprayer, moisture trap that keeps the tobacco in each perfect condition.

"Peruna has positively done for me what many doctors failed to do. I have been ill and again I have been ill and again I have been ill and again I have been ill.
