PERSONAL

T. N. Noe who had an accident with his foot is better. W. H. Fish spent the week in Chicago having goods. Mrs. Mary Carter continues in a very fine condition. Miss Rosa Gentry of Whitesburg has entered school here. Quite a number of Mt. Vernon citizens are at the State Fair this week. Julian Miller will attend the School of Pharmacy at Louisville this winter. Miss Lyon of St. Louis was a guest of Miss Stewart at Langdon School.

LOCAL

The Signal thanks its many contributors for news items. John Ramsey sold to C. Williams a lot on West Main Street, joining W. G. McElie's attractive home. The Rockcastle Real Estate Company sold a lot in Brodhead opposite R. H. Ham's new brick garage to K. J. McKinney and wife for \$300. Ivan Roberts purchased of E. S. Albright the property adjoining the latter's home. He will take possession soon as Dr. Ramsey vacates. Mrs. Alice Davis, Superintendent of Schools informs us the September draft for the county teachers has arrived and she is ready to pay them.

FERTILIZER—I have a car load of V. C. Fertilizers in my fertilizer house, which I will sell for \$27.50 per ton, cash. JACK HYSINGER, Mt. Vernon, Ky.

The Rockcastle Hotel garage, are informed, will be completed by the first of the month, having a capacity of 50 cars and will be one of the largest and best equipped in this section of the county. The Rockcastle is well represented at the State Fair this week. We hope that each man will see all of the live stock that is exhibited. As the farmer becomes a business man, he eliminates the scrub.

The finished part of the grade on the Dixie Highway is a fine piece of work. This great highway, over which the people of the North and the South lands will pass thru Mt. Vernon is slowly but surely becoming a reality. John Lair and his mother fought G. T. Johnson's Newcomb Avenue property. This will make them an attractive home and they will be an asset to our town. Other people like these would come to town if we had more houses for rent or sale.

The residence belonging to Dr. M. Pennington on Old Main Street, occupied by Rev. Webb, has been sold to the county. Another house adjoining was also sold and will be used as a garage for the county trucks. Miss Nettie Lewis, colored, age 14 years, granddaughter of Mr. and Mrs. Fount Modder of Mt. Vernon, died Wednesday of tuberculosis. Burial took Wednesday afternoon. A number of friends from Louisville and Crab Orchard attended the funeral.

Ered Baker has closed out his store where he has for several years carried on a successful business. He is now with his father, U. G. Baker, one of the leading merchants of Eastern Kentucky. Mr. E. S. Albright and Mrs. W. H. Fish went to London yesterday to attend the celebration of the 78th birthday of Mrs. Albright's father, Mr. D. R. Brock and also to meet her brother, C. R. Brock and wife of Denver.

"GO-AWAY PARTY"

A merry party of young people from Mt. Vernon enjoyed a delightful time Friday evening in honor of those of them who are going away this year to school and college. They motored to Crab Orchard Springs, where they took dinner, and then came to Stanford as a theatre party. The entire evening was one of unalloyed pleasure and will long be remembered by all present. The members of the party were: Misses Christine Davis, Dessie Nicoley, Margie Sparks, Sidney Crawford, Tevis Bethuram, Ruth Mullins, Myrtle Bryant, Christine McFerron, and Bonnie Nicoley; Messrs. J. Kazan, Albright, T. Raymond, Richards, R. Wallin Griffin, Logan Bryant, Jesse Meadows, A. Leuz Cooper, "Babe" Miller, "Pat" Cox, A. B. Sparks, Walker and Bradford Snodgrass.—Interior Journal.

Wednesday night Sept. 17th. The Harmon Co. bids a quartette of highly artistic, sprightly and vivacious young ladies, who are delightfully entertaining with their vocal, instrumental and literary work. These ladies have been highly successful where ever they have appeared. Admission 50c or season ticket \$2.00. Tickets at the door.

Rev. M. G. Fish and Rev. J. W. Riddle are conducting a series of meetings at Backeye, Ky. N. N. Bowling, of Brodhead, will probably assist them next week. The Backeye church is located in a good community. The farmers have good homes and some of them have determined to revive the interest of other days in their church home.

FOR SALE—Farm of about 90 acres, all in cultivation; good buildings. Will sell cheap if sold at once. HUGH McBECK, Brodhead, Ky.

The revival held at Freedom church closed Sunday. This was one of the greatest meetings ever held at this church. There were twenty-two professions of faith, three renewals. Twenty-two were baptized last Sunday. Rev. R. N. Goodch, pastor Freedom church and Rev. D. A. Webb, pastor Mt. Vernon Baptist church held the meeting.

B. H. Hillard, Notary Public your work done right at reasonable prices. Livingston, Ky.

President J. G. Frith and Secretary Granville Owens, of the Brodhead Fair Association, are more than delighted with the splendid showing made by that institution this year. The fair had such a liberal patronage of satisfied visitors that the Directors after paying off a small indebtedness and paying premiums and other expenses, had enough money left to pay the stockholders a dividend of 50 per cent. This certainly is a good showing and Messrs Frith and Owens have every reason to feel proud of the outcome.

Bob White received a letter Monday from his sister, Mrs. John Culter, at Tucson, Arizona, stating that his father, Jas. L. White, had gone totally blind. Those who saw Mr. White when he was here on his last trip, will remember that he was blind in one eye and was fearful that he would lose the sight of the other. He has many warm friends in this county who will regret deeply to hear of this sad occurrence.

THE BEST ADVERTISER ENT The best advertisement any business can have is a satisfied customer. No greater recommendation can be given an article than the following by E. B. Milburn, Prop., Guico Drug Store, Guion, Ark. "We have sold Chamberlain's Cough Remedy for years and have always found that it gives perfect satisfaction." Russel Nicoley, who was the representative of the Farmers Club boys, lost the same by being confined to his bed with typhoid fever, but County Agent Spence, who is always on the job saw to it that Rockcastle be represented, and Homer Habel, of Livingston, the next boy in line was promptly named and is right on the job. The grown-ups as well as the little friends of Russel Nicoley regret that he was so sick that he had to lose the trip but since he must lose, the county club boys are best assured that they will be most gratifyingly represented by their chairman, Homer Habel.

CHAMBERLAIN'S COLIC AND DIARRHOEA REMEDY BY DR. J. C. HIGGINS Mrs. A. H. Hall, Casville, Mich., says, "I wish to thank you for your grand good medicine, Chamberlain's Colic and Diarrhoea Remedy. We are never without it in the house, and I am sure it saved our baby's life this summer." Mrs. Mary Carrington, Casville, Mich., says: "I have used Chamberlain's Colic and Diarrhoea Remedy for years, and it has always given prompt relief."

R. P. White, with that splendid real estate firm of Hedges & Hart, of Stanford, closed a deal this week with W. H. Moore for the Dr. Wesley farm in Lincoln county consisting of 200 acres for which he paid \$13000. Mr. Moore sold his splendid farm in this county to Mr. Noah Tipton.

State of Ohio, City of Toledo, Lucas County, ss. Frank J. Cheney makes oath that he is senior partner of the firm of F. J. Cheney & Co., doing business in the city of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of HALL'S CATARRH MEDICINE. Frank J. Cheney. Sworn to before me and subscribed in my presence, this day of December, A. D. 1886. A. W. Gleason, Notary Public.

Hall's Catarrh Medicine is taken internally and acts through the blood on the mucous surfaces of the system. Send for testimonials, free. F. J. CHENEY & Co., Toledo, Ohio. Sold by all druggists, 75c. Hall's Family Pills for constipation.

The Mt. Vernon Graded High School has more children than there are seats for, there is no room for more seats. We either have to maintain our school or we do not have enough school building.

## CALLED HER FAMILY TO HER BEDSIDE

Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now She Is a Well, Strong Woman and Praises Cardui For Her Recovery.

Royse City, Tex.—Mrs. Mary K. man, of this place, says: "After the birth of my little girl, my health seemed to hurt me. I had to go back to bed. We called the doctor. He treated me...but I got no better. I got worse and worse until the misery was unbearable...I was in bed for three months and suffered such agony that I was just drawn up in a knot... I told my husband if he would get me a bottle of Cardui I would try it... I commenced taking it, however, that evening I called my family about me... for I knew I could not last longer days unless I had a change for

the better. That was six years ago and I am still here and am a well, strong woman, and I owe my life to Cardui. I had only taken half the bottle when I began to feel better. The misery in my side, and back, continued right on taking the Cardui until I had taken three bottles and I did not need any more for I was well and never felt better in my life... I have never had any trouble from that day to this."

Do you suffer from headache, backache, pains in sides, or other discomforts, each month? Or do you feel weak, nervous and ragged-out? If so, give Cardui, the women's tonic, a trial.

### BERRA'S FIVE DEPARTMENTS OPEN SEPTEMBER 17.

The five great schools that run under the name of Berea College, or Berea Alliance, open the fifth term on Wednesday, September 17th. The number of students applying for admission in the mountain region is so great that it has been decided that no additional students from the north and the Blue Grass can be received this year.

Among the new members of Berea's working forces are several men whose coming is of large significance. The Red Cross is placing Prof. G. B. King at Berea to conduct special courses for training community workers and social service. Dr. Carl T. Waugh, now a member of the Y. M. C. A. army work and formerly a professor of philosophy at Debit, comes as dean of the collegiate department and professor of education. Rev. Dr. Hutchins, formerly pastor of Washington Gladden Church of Columbus, Ohio, will

be temporary pastor of the Union church, and Prof. H. H. Grover, of Tennessee, will take the place of Prof. Hua of the Normal Department for a year, while Prof. Hunt gives his services to the Red Cross.

### DISORDERLY

Sufferers from indigestion are apt to become discouraged and feel that complete recovery is not to be hoped for. No one could make a greater mistake. Hundreds have been permanently cured by taking Chamberlain's Tablets and can now eat anything that they crave. These tablets strengthen the stomach and enable it to perform its functions naturally. If you have not tried do so once.

### How Are You Going to Keep 'Em on the Farm?

ANSWER: With Electric Lights

Delco-Lights Makes the Farm Home More Attractive to the Girl or Boy

When Delco-Light is installed there is no longer as great incentive for the son or daughter to go to the city. Its conveniences are brought to their home in the country.

The daughter can have electric lights in her room, an electric curling iron and all other comforts that are so much desired by young women. It makes the chores easier for the son and provides power for operating labor saving tools.

Delco Light so modernizes the farm home that it brings cheer and satisfaction to every member of the family.

SCHOOLS OPEN

Langdon Memorial School opened Wednesday. The enrollment for this year is the biggest in the history of this splendid institution. The girls are coming in on every train and many have applied for whom there is no room. Our excellent school has for the first time the entire faculty of the preceding year. This indicates that the teachers are pleased with the work and that Miss Stewart is pleased with her faculty. We predict a successful year for Langdon school. It is with unstinted appreciation that we see and know the thorough work accomplished by Miss Anna Belle Stewart and her faculty and for a fortunate indeed are the deserving girls who enter this school to receive the benefits of its guidance and training. The personal of the student body grows better with each year. May we have it ever with us.

Mt. Vernon Graded and High School

The Graded and County High School opened Monday with every reason to believe it will be the best school in its history. Prof. Lyon, after a year's war service, is again with us as principal. He is a man of the logical man for the place. His leadership and discipline as a teacher for our boys and girls has been tried and tested and not found wanting. We trust he will have the earnest support and hearty co-operation of the student body and the citizenship of our town and county. Prof. Lyon's message given at the opening of the school was inspiring and convincing of the genuine and wholesome purpose of his work. Miss Stewart was present as usual, giving her earnest and loyal support to school work. Her address was greeted with enthusiasm.—Judge L. W. Bathura can always be depended upon in matters educational, his presence and his speech was much appreciated. The large attendance of students and patrons' point to a successful year. Following is the faculty: D. H. Lyon, Prin., Instructor H. S. Mathematics and Science.
