

CHANDLER SIX

Famous For Its Marvellous Motor

See How Chandler Checks With High-Priced Cars

THE Chandler Six throughout its seven years of production has been distinguished for its many effectively superior features of design and equipment which are used also on the highest priced American cars, and not used in any considerable degree by cars now priced hundreds of dollars higher than the Chandler. See, then, how the Chandler checks with ten of the best-known high-priced cars in these features selected as being characteristic of high-grade design and most efficient service.

Superior Chandler Features and the High-Priced Cars that Use Them

ONE PIECE ALUMINUM MOTOR BASE, which ties the frame of the car together at four points, thus providing a stiffer frame as well as a more rigid motor mounting. Also used by Packard, LaSalle, Buick, Cadillac, Packard, Flat, Brewster, Stutz, Pierce-Arrow.

SILENT CHAIN DRIVE for Motor Shaft. Also used by Winton, Packard, Cadillac, Brewster, Flat, Mercer.

TORQUE ARM OR TUBE. Also used by Pierce-Arrow, Locomobile, Brewster, Winton, Cadillac, Packard, Stutz.

ANNUAL BALL-BEARING TRANSMISSION. Also used by Winton, Stutz, Pierce-Arrow, Brewster, Cadillac, Flat, Locomobile, Packard, Marmion.

ANNUAL BALL-BEARING DIFFERENTIAL. Also used by Marmion, Stutz.

Pierce-Arrow, Flat, Brewster, Packard, Locomobile.

ANNUAL BALL-BEARING REAR WHEELS. Also used by Packard, Stutz, Locomobile, Marmion, Pierce-Arrow, Flat, Brewster.

HIGH TENSION MAGNETO IGNITION. Also used by Locomobile, Mercer, Flat, Brewster, Winton.

THEN, see how these seven cars—sixes which may be considered competitive to the Chandler—do NOT check

- One car, listing at \$2975, checks with Chandler in only one feature
- One car, listing at \$2195, checks with Chandler in only two features
- One car, listing at \$2655, checks with Chandler in only three features
- One car, listing at \$1945, checks with Chandler in only four features
- One car, listing at \$2285, does not check with Chandler in any feature
- One car, listing at \$2195, checks with Chandler in only one feature
- One car, listing at \$2195, checks with Chandler in only one feature

Not a single one of the seven makes of medium-priced sixes referred to offers you High Tension Magneto Ignition. The Chandler offers you Bosch, recognized the world over as the best ignition system. Only one of them offers you the silent chain drive, although another one of them in its higher-priced model (\$2,195), incorporates this feature.

URGENT KENTUCKIANS ON IN BIG DRIVE

State Conference Held to Arouse Interest in Salvation Army Home Service Appeal, May 10 to 20.

In preparation for the final drive in the Salvation Army's Second Home Service Appeal, May 10 to 20, in Kentucky and other states east of the Mississippi river, a state conference of workers was held in Louisville on Wednesday. Judge Henry S. Barker, of Louisville, the state chairman, presided and the local manager was Ben S. Washburn, of Louisville, vice chairman and former national president of the Young Men's Hebrew Association. Governor Edwin P. Morrow, honorary state chairman, could not be present but sent a telegram giving his hearty endorsement and urging Kentuckians to have no more untrained, uneducated men in the streets of their communities. Governor James A. Cox of Ohio was also present from attendance.

Prominent workers from all parts of the state pledged themselves to do their best. Prof. George Colvin, State Superintendent of Public Instruction, delivered a splendid address in which he stressed upon all the unmet needs of the big drive. Leading officers of the Salvation Army, James H. Stewart, of the Army, most of them having served from 20 to 35 years in the ranks of this great organization. Among other prominent workers in the Home Service Appeal are: Ben L. Brunser, secretary of the state executive committee; John R. Downing, treasurer; Dr. W. S. Leebart, chairman of the speakers' bureau; Judge Walter V. Gregory, chairman of the publicity committee; Mrs. C. Malcolm Bullitt, Mayor George Weisinger Smith of Louisville, Hon. W. P. Linde, Marvin H. Lewis, Alvin T. Hart, Dr. E. L. Powell, Dr. E. Y. Mullins and Dr. Charles W. Welch.

FRIENDLY HOME FOR WOMEN IS HELPED

Salvation Army Does Fine Work in Louisville for Women and Girls.

The Susan Speed Davis Friendly Home for Women in Louisville is controlled and operated by the Salvation Army and is one of the institutions to be helped by the money raised in the Home Service Appeal to be made by the Salvation Army, May 10 to 20. Four times as many cases were cared for in this Home during the past year and during the year before. This work has been carried on in the face of trying difficulties. It has been necessary to remodel and refurbish the Home, and in spite of this many have been cared for. Forty-three girls and young women were cared for there during the past month. Only six per cent of those cared for are over 18 years of age and many are under 14. The Susan Speed Davis Home gives a welcome to all unfortunate girls and women in greater need from what part of Kentucky they come.

For Weak Women

In use for over 40 years! Thousands of voluntary letters from women, telling of the good Cardui has done them. This is the best proof of the value of Cardui. It proves that Cardui is a good medicine for women: There are no harmful or habit-forming drugs in Cardui. It is composed of only mild, medicinal ingredients, with no bad after-effects.

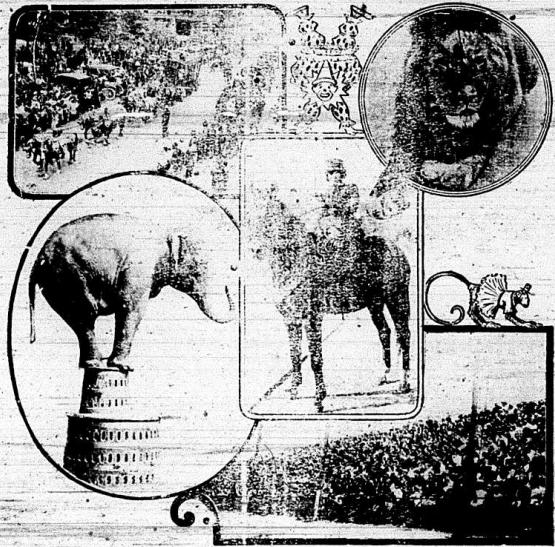

TAKE CARDUI

The Woman's Tonic

You can rely on Cardui. Surely it will do for you. Cardui has done for so many thousands of other women! It should help. "I was taken sick, seemed to be dying," writes Mrs. Mary E. Veste, of Madison Heights, Va. "I got down so weak, could hardly walk—just staggered around. . . I read of Cardui, and after taking one bottle, or before taking quite all, I felt much better. I took 3 or 4 bottles at that time, and was able to do my work. I tried it in the spring when run-down. I had no appetite, and I couldn't eat. It's the best tonic I ever saw." Try Cardui.

"Wonderful" Says This Ohio Woman

WAS IN DESPERATE HEALTH THREE WEEKS AGO. BUT IS NOW STRONG AND WELL.

Three weeks ago I was in desperate health. My condition I was in, but today, after taking Tanle my health is just fine and my friends and neighbors are complimenting me how well and strong I am looking. I sold Mrs. Katheri e Karinkowski, of 255 East Park St., Toledo, Ohio, a few days ago.

"It was seven years ago that my health failed," she continued, "and in spite of everything I could do I kept growing worse until I could not go on longer. My stomach was so badly upset that even milk-toast disagreed with me most of the time and I simply had to force down enough to keep from starving. Many times while I was sitting at the table I had blinding dizzy spells and I would have to get up and leave. I had awful cramps in my stomach and always felt nauseated after eating. My kidneys were badly disordered and I suffered agony with pains all through my back and sides. I was trying to have some dental work done but had to give it up, as I was so weak and nervous. I was on the verge of a breakdown.

"Three weeks ago my son brought me a bottle of Tanle and said he had heard so many people praising it for the good it had done. Then that very evening I tried a dose and began taking it and at day's seven progress in this medicine could do what it has done for me, after I had suffered so long. But my improvement has been so wonderful that I am feeling better than I ever did. I have in seven years and am just so overjoyed in telling the whole neighborhood about Tanle. I can't just think of what a wonderful medicine it is without feeling nauseated or dizzy after eating. My kidneys

men in my back and sides have all felt into. I am not the least bit nervous, am gaining weight every day and can recognize and distinguish all my friends. Tanle is sold in Mt. Vernon by Mrs. C. Davis, in Brodhead by The Brodhead Pharmacy, and in Livingston by S. G. Webb.

TOUCHING TRIBUTE TO SALVATION ARMY

Kentucky Marine, Now Sleeping at Chautauq Theatre, Sent Beautiful Message Here to Loved Friends.

One day night, shortly after the American marines had received their first baptism of blood at Chautauq Theatre, a Kentucky boy, Gilbert Young, of Springfield, sat crunched in a distant writing table and in it he discovered to one of his dearest friends, the Salvation Army, a touching tribute to the Salvation Army, the terrible oration through which he had passed unscathed.

In one paragraph of that letter, now a precious and treasured memorial, the young Kentucky marine told of the great work that had been done during those long hours by the various first-aid societies. "But greatest of them all," he wrote, "the greatest and best of them all, God bless them forever, is the Salvation Army."

The sacrifice of Gilbert Young, the brave Kentucky boy, lies today at Chautauq Theatre beneath the lines of France, but his soul, poured out to his friend, goes marching on in tune with the great work the Salvation Army is seeking to accomplish now that souls have been turned into plowshares and spears into pruning hooks. The sacrifice of Gilbert Young and the hundreds of other young Kentuckians who gave their lives for liberty during the world struggle will come many a heart in the great Blue Grass state to pour out its benediction upon the Salvation Army's noble mission. Held in the Second Home Service Appeal campaign May 10 to 20. The Salvation Army today as always stands ready to help wherever there is a need.

THE DAY IS DONE

Come, read to me some poem,
Some simple and heartfelt,
That shall soothe this restless feeling,
And banish the thoughts of day.

Such songs have power to quiet
The restless pulse of care,
And come like the benediction
That follows after prayer.

And the night shall be filled with music,
And the cares that infest the day
Shall fold their tents like the Arabs,
And as silently steal away.

— Longfellow.

Slats' Diary

Friday—a beautiful day. I like beautiful days if I, wouldn't haffo work in a ole garden. I feel tired

all the time now only when I can go fishing ma & pa trying to get me to drink sassy frass tea. They say it is to cure spring fever & make folks want to work. I can't get the idea. I hope pa will drink a hold lot of it & want to do all the work they are to do in the garden this summer. Washed my teeth off

Saturday—pa sent me to the centrist shop today to see what he do for I of my teeth. I new what he cud do he wood pull it, but I went and ma tuk me to the dore & then went a shopping which was pa's payday. I set in there & I was the next I then a lady cam in. I in said she shud take my tea. I believe in lady's & children st as they say when a ship hits a iceberg then ma cam to the dore & ask me Was I ruddy & sed yes. She sed what he did do to it. I sed Nothing I had gave my lerra up others. She sed yure a gonna get it when we get home. Did. Not only my tooth hurts now.

Sunday—pa & ma including the wen as you see a baby. Whether they are a new baby in town they want to go see it. Thissen was a week old & while it was bigger my pup was it eudden stand up & beg like he does.

Livingston News

Mrs. Maggie Martin fell over a good school this year. The weather still continues cool and rainy, and it seems as if summer is not coming at all. From all indications there is going to be a wedding in our town soon, but we can't be too personal. The Juniors of Livingston Council No. 107 will meet at their hall on Sunday, May 9 and march to the grave of Cam Mullins; then to the grave of Tom Mullins; then to the grave of Henry Clark; then to the Bales graveyard, decorating each grave and the Daughters of America will join us at the latter place for dinner will be served and after dinner there will be services by two or more ministers. We would like to see all the members of Livingston Council present, and also Brothers of other Councils are cordially invited to attend. We will meet Sunday morning at 8 o'clock. Remember the date and also the time, May 30, at 8 o'clock in the morning at our hall—Go to Davis' place for new dresses, caps, and candies. Mullins & Quinn have just received a new and up-to-date line of grave stones which will be sold at right prices. See them before buying elsewhere—Work on the Dixie Highway is progressing nicely.

Sunday School going. — There will be services the fourth Sunday night on Old Ridge. All welcome. Carl Habin will be home Sunday from Ohio. Several of the young people of Chestnut

Tharp, of Lebanon, and Mrs. Sam Tatum, of Riley, did not attend the funeral except Mr. Hope Tharp who was unable to get here. To the grief stricken family we commend them to Him who is able to take the death cloud that hangs so heavily over them and pain them the most beautifully here. In the care of Him who clothes the field and the birds the wondering flight of the bird we leave them. After a short funeral service on Friday morning at the residence by the Rev. C. W. Purvis, of Saleida, the remains were brought to Brodhead and taken to the home of Mrs. Tharp's sister, Mrs. I. R. Cox, and after being viewed by his many friends.

Within the three years following 1917, there were shipped from Mt. Vernon to Louisville more than 400,000 pounds of lumber and some to Cincinnati. In 1918 and some years following first class lumber was sold in 100 cars in Rockcastle at \$1 per hundred feet. Potatoes 30 cents bushel. Mt. Vernon has had the following named post-masters: Joseph Rowland, 1859; Col. Richard G. Williams, Charles Kirtley; George S. Lawrence; J. W. Moore; S. L. Whitfield; Mrs. M. E. Brown; Josie Boring; Mrs. Cleo W. Brown; Mrs. Eda Bamber; Walter B. Smith; Mrs. Anna E. Miller; Mrs. Cleo W. Brown.

Rockcastle News Notes

The word Reverend appears put on ice in the Bible. The 1st verse of the 11th chapter of Ezra contains all the letters of the alphabet except J.

The making of cedar vessels, such as pails, buckets, chairs, tubs, piggins and keels was once an important business followed by numbers of Rockcastle people.

Gunpowder was manufactured for many years at two or more "mills" in or near Mt. Vernon. One of these establishments was owned by James McCall, just a little north of U. G. Baker's. Newcomb Avenue residence Salt-peter, one of the ingredients used in its make, was secured from Great Salt Peter Cave and placed in Rockcastle.

Sixty years ago thousands of native hogs and other thousands from the bluegrass counties were fattened in the Rockcastle wild-geese woods. On the mast (acorns) in those days the citizens raised more meat than they needed and sold them in the bluegrass. Deer, bearded turkeys were to be found in good numbers.

Between the years 1880 and '93 the writer was sent with telegraph outfit, to see had train wrecks that occurred between Rowland and Corbin and sometimes to points beyond.

The old Elkin Hotel, built which did a half century's service, in calling guests to meals, at that locality, has been in possession of the Kirtley and Bragg families for another half century, yet retains the sweet tone it started out with one hundred years ago. Mrs. W. M. Kirtley moved over the dining room roof of the house on East Main street, and at times it is used to remind "Billy and Dave" that meals are waiting for them.

The legal card of C. C. Williams has appeared in every issue of the Signal since the beginning of its publication in November 1887, more than 32 years.

HOORAY! THE RAIN WAGONS ARE COMING.

The down town billboards and dead-ends are proclaiming with all the eloquence of the pictorial art that Sangers Greater Early Rain is visiting Mt. Vernon this Tuesday, May 18. The announcement is hailed with delight by the juvenile element, who some of the "older boys" are looking out for their stray nephews and nieces, saying they will probably have to go and carry the children to see the animals. But don't let that in. It means they know they would not miss the big show if there were not a small boy within a thousand miles of Mt. Vernon on show day.

Although the Great Sanger Show is one of the oldest and most favorable known of all "white tops" attractions, the big show is visiting this section of the state for the first time. The show will come here from Lebanon about its own special train of railroad cars. Many new and novel features are apart of this season's program. Among them being the "Sanger" family of acrobats; the Siegrist-Sifton troupe of daring interquad acrobats; the Sington circus dancers on a hilly double wire; the Nelson family, gymnasts; the Aerial Christensons and the St. Leons. In addition there will be seen Prof. Sangers' collection of educated Showdown ponies, monkeys and sleds.

— There will be two performances of the show in the afternoon, an hour earlier to permit a concert of popular and operatic music by Prof. Fred Mevinn and his military band. A downtown concert will be given at noon followed by a series of free exhibitions on the grounds.

Mr. Abe Adams, one of this county's very best citizens died at his home here Tuesday. Mr. Adams has been suffering for several weeks with pneumonia. It was thought that he would recover until a sudden change came about Sunday. He was born and raised near this town and is survived by a wife and four children. Mrs. Ben Purcell, of this town; Mrs. Viole Francis, of Lebanon Junction; Will and Roscoe Adams who are at home, two brothers and a sister.

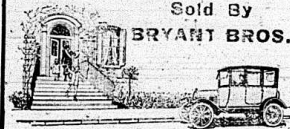

15, admission of 20 and 25 cents for Commencement exercises. Rev. Brazleton, of Stanford, will officiate. The Baccalaureate Sermon at the Baptist church, Sunday, May 16. — A. E. Albright, writes from Ocala, Florida that he has arrived safely and is enjoying the beautiful weather to the fullest extent and likes the South line. In the death of Mr. H. L. Tharp at his home in Junction City on Wednesday afternoon, April 29, after a four months illness of cancer. We bow in humble submission to Him who from the crucible of eternity forms our lives. In the richness of living and in the fullness of usefulness, perhaps when the tide of life went highest, death, unlovingly, dealt its death blow. — "The smallest bark tossed on life's tumultuous ocean will carry a tract behind for evermore," so the influence of this man is that of a soul who has caught the meaning of the Cross. Mr. Tharp was born in Marion County July 20, 1868, where he lived until about the age of eighteen, afterward coming to Brodhead where he remained until he went to Boyle county some few years ago and made his home in Junction City where he held a responsible position with the L. & N. and Southern railroads. By Mrs. Fred Souder is suffering with a severe cold. — Mrs. W. F. Carter, who underwent an operation at London three weeks ago came home Friday apparently well. — Messrs. J. A. Landrum, C. C. Davis, G. D. Sutton, Floyd Miller, H. Logue Cummins, E. S. Albright, of Mt. Vernon, were among the Madison who officiated in the burial of H. L. Ford

THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting, is the most important development in the car for every day in the year has no equal as a family car. Just as popular on the farm as it is in the city. In fact, it fits the family demands in every vocation of life. Large, roomy seats, finely upholstered, plate glass windows, inside an open car in pleasant weather, while in winter, independent weather it becomes a closed car, dust-proof, and rain-proof. It is not only comfortable, but really cozy, and above all, economical in operation and maintenance, and has all the Ford merits of strength and durability.

REDEMPTION ARMY IN PRISON WORK

Adjutant James Thompson Works
Army Prisoners in Reformatories
at Frankfort and Eddyville.

One of the most important departments of work conducted by the Salvation Army in Kentucky is that of Army Prisoners in Reformatories at Frankfort and Eddyville. Adj. James Thompson among the men and women in the state penitentiaries. Adj. Thompson has been in charge of the Salvation Army corps at Frankfort and in connection with his labors has worked among the inmates of the Frankfort Reformatory and the state prison at Eddyville.

Great attention has been paid to the "Fighting Day League," a national organization of men and women prisoners fostered by the Salvation Army. Each member who joins the League is given a button to wear and a certificate of membership to hang on the wall of his cell. There are more than 600 members of the Fighting Day League in the Frankfort Reformatory and about 300 in Eddyville.

Adj. Thompson conducts a Bible class twice a year in the two prisons, continuing from six to eight weeks. Each contestant must stand and repeat from memory many passages of Scripture. There is keen rivalry among the contestants. Every Sunday the Adjutant spends many hours inside the prisons, as well as on week days when his services can be utilized.

A prominent feature of Adj. Thompson's work is the care of newly families of prisoners who go to Frankfort to visit their relatives inside the prison walls or who seek to see the governor on pardon matters. Men, women and children often land in Frankfort, knowing no one and with little or no money. The evening door of the Salvation Army Emergency Home is always open. The visitors are fed and given lodging and a ticket home. This is a big job, the work funds for which are to be raised May 10-20.

KENTUCKY GIRL AT BOOTH HOSPITAL

Declares Her Life Was Saved at Salvation Army Memorial Hospital in Covington.

Woman was given up for dead by prominent physicians. They pronounced it cancer. Through the Salvation Army this young woman was taken to the Booth Memorial Hospital at Covington, conducted by the Salvation Army. For more than two hours leading surgeons of Covington and Cincinnati operated on this young woman's cancer, and she was saved.

Today this young woman is alive and well and holds a fine position in a Cincinnati office. She declares that she owes her life to Booth Memorial Hospital, the surgeons and the faithful workers.

One object for which the Salvation Army's Home Service is in Kentucky, May 10 to 20, is to be conducted is to raise money for an extension to this hospital so badly needed. Kentuckians in every part of the state are justified in giving to this fund because all Kentuckians are welcomed to Booth Memorial Hospital, whether they have money or not. No person is turned away on account of a lack of funds.

Booth Memorial Hospital holds the record of caring for more charity patients than any other hospital in the United States. A training school is a part of the hospital work, and during the influenza epidemic many Salvation Army nurses were sent out into various sections of Kentucky and rendered valuable service.

AMERICAN LEGION TO SALVATION ARMY

Kentucky Department Commander U. H. Bell in Strong Letter to Legion Members.

U. H. Bell, department commander of the American Legion of Kentucky, in a recent endorsement of the Salvation Army, said:

"It will not be necessary for the American Legion to say to the former soldier that the Salvation Army is a good thing and deserves support. It is already well known that Johnny Buck has learned to respect the 'Salvy Ann' under a stress that has tried the souls of both. Soldiers of the Salvation Army shared in common, during the late war, the same risks and dangers faced by those who now make up the American Legion. It is the hope of the State Department of the Legion that the Salvation Army will meet with the same success as the work and the conviction that 120 units of the American Legion in Kentucky will stand shoulder to shoulder with the Army in all good things."

The Salvation Army's Home Service Appeal is May 10-20.

"Nothing Scares the Devil

like the BIG BASS DRUM," and Col. John L. May, 1624 Infantry, A. E. F. The Colonel knew, and the 18,000,000 people who stand THE SALVATION ARMY, open air meetings each year know it is true.

WILL THE DRUMMING GO ON?

Equip Your Smaller Car With Goodyear Tires

If you own a Ford, Chevrolet, Dort, Maxwell or any other car using 30x3, 30x3 1/2, or 31x4-inch tires, you can well take advantage of the high relative value built into all Goodyear Tires.

You can well do so because you can secure in the smaller Goodyear Tires the results of such skill and care as have made Goodyear Tires the preferred equipment on the highest priced automobiles of the day.

You can well do so because these smaller Goodyear Tires are easy to obtain, being produced at the rate of approximately 20,000 a day, and because their first cost usually is as low or lower than that of other tires in the same types and sizes.

Go to the nearest Goodyear Service Station Dealer for these tires, and for Goodyear Heavy Tourist Tubes. He supplies many other local owners of the smaller cars.

30x3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread \$23.50
30x3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a thin tube of less merit. 30x3 1/2 size in underproof \$4.50

NUMBER 33

Columbia Grafonola
Price \$120.00

A Columbia Grafonola you will be proud to Own

THIS imposing, clear-voiced Columbia Grafonola is worthy of a place in the most beautiful home. Its artistic design and satiny finish will harmonize with the finest fabrics and handsomest furniture. The range and power of its sweet, sonorous tone will do justice to the best of operatic records. This is the Grafonola we sell to families who want only the best of everything in their homes.

The price of this Grafonola is, of course, somewhat higher than that of others we sell. Yet at \$120.00 this splendid instrument represents a big musical value for the money. The purchase is usually a lifetime investment, and in such a purchase genuine quality is always the truest economy. It is like buying sterling silver, mahogany furniture, or oriental rugs. Such things cost more in the beginning but less in the end. And then there is a real satisfaction in owning anything of universally recognized quality.

We should like to have you hear this handsome, clear-toned Grafonola play your favorite music. We shall be glad to arrange for a private recital at any time.

Convenient terms may be arranged, and we shall be glad to advise you regarding the disposal of your present phonograph.

HON. RICHARD P. ERNST.

ERNST ENTERS SENATE RACE

CANDIDATE NOTED FOR EXTENSIVE CHARITY WORK

EDUCATOR AND YIP LEADER

Ardent Supporter of Movement to Wing our Wings

It is hardly necessary to introduce Richard P. Ernst, a long and honorable connection with the United States Senate has just been announced, to the average Kentuckian.

His name has appeared throughout the State in connection with charitable and missionary work and with the schools and school teachers, especially in the mountain districts.

His charitable work, aggressiveness and progressiveness in civic movements and personal popularity have made him one of the most generally admired men in Northern Kentucky.

His extensive work in the interests of his state and its people began immediately upon Mr. Ernst's graduation from the famous Old Centre College, Danville, where he was valedictorian of his class.

Admitted to Bar.
 He was admitted to the bar in Kentucky after examination by Senator John W. Stevenson and Judge William H. Arthur and since has received law in Covington and Cincinnati with the same aggressiveness and success that have featured every movement worth while into which he has directed his efforts.

Glancing over the long list of his activities one can see that he continually has fulfilled himself in movements by which he could accomplish the best results for the people.

As trustee and a member of the Executive Committee of Old Centre College, Kentucky State University at Lexington, and of Pikeville College, his excellent advice and assistance in matters of importance have been extremely beneficial to the students.

Was on Itinerary.
 Recently he has taken a deep interest in the campaign to have an increase in salaries and has been taking active steps in connection with both for the teachers of the state and for the professors in our colleges and universities. The mountain schools especially appeal to him and he has been an ardent supporter of the movement to wipe out illiteracy and to offer residents of the mountain districts better facilities for education. Mr. Ernst's continued interest in his church, and his success in more than doubling the amount heretofore given for this purpose.

And his work does not end there. He is president of the Covington Y. M. C. A. and a member of the National War Council. As head of the Y. M. C. A. he has been usually instrumental in erecting one of the most complete and modern buildings to be found.

Was in Active Service.
 He was active in every form of war work and gave continuously of his time, labor and money, wherever he was called upon. His only son has served at the front in France, as a captain in the regular army, when the armistice was signed. He had entered the army as a private during the Mexican trouble and later passed his

Covington, Kentucky, May 7th, 1920

For some time past it has been known to many of my Republican friends throughout the State that I would be a candidate for the Republican nomination for United States Senator.

I now desire to make public announcement of that fact.

I keenly appreciate the responsibility and importance of this high position, and in the event of my election, I will give all the duties of this office the best there is in me and will represent the people of Kentucky and of the United States to the best of my ability.

I desire, also, to take advantage of this opportunity to express my sincere thanks to all my Republican friends throughout the State who have, without solicitation on my part, so kindly and generously offered me their support.

RICHARD P. ERNST

examinations at Washington, winning a second lieutenant. Mr. Ernst's son-in-law, John P. Dornall, of Flemingsburg, volunteered as a private and was in active service at the front.

Good Republican Record.

Beginning as a Congressman in Congress, he was kept in office by members of both parties until he insisted on retiring. For many years he was on the State Central Committee and for four years served as its chairman. He has represented his district a number of times at National Conventions and has been one of the "Big Four" from this state. It was he who, while state chairman, established state headquarters at Louisville, since continuously maintained by the party.

He has been a liberal financial supporter of the party during all three years and one of its vice-presidents.

Mr. Ernst's father was William Ernst, a banker at Lexington, subsequently Covington. His mother was Sarah A. Butler, a domestic county girl.

It was through Mr. Ernst's instrumentality that the Covington Industrial Club was developed and through his efforts that the campaign to erect a magnificent headquarters for this remarkable civic organization was successful.

CARD OF THANKS.
 We wish to express our sincere thanks to relatives, friends and neighbors for the many acts of kindness and sympathy extended us during the sickness and death of our dear husband and father, Henry L. Tharp, also for the many beautiful floral offerings.

WIFE AND CHILDREN.

FOK SALLER.—My farm of 30 acres for sale 2 1/2 miles from Broadhead, 3 1/2 miles from Mt. Vernon, on Boone Highway. New house, plenty of water, can be piped in, to houses.

WHY BE DULL AND LANGUID THIS SPRING?

'Spring Fever' Is Natural, But Not Necessary—It's Due to Sluggish Blood

KEEP FEELING YOUR HAPPIEST

and Tone Up Your Blood With That Famous Tonic, Pepto-Mangan

Do you feel unable to do any work, to concentrate, to take any interest in things, during the wonderful Spring days? Do you feel just useless an "no account"? Nothing is really the matter, except that, as happens every spring, your blood is sluggish—it is sluggish with poisons from its long Winter flight.

In time your blood will probably adjust itself. But meanwhile you fret and frown, feel unhappy—and accomplish nothing. Why do it, when it is easy to clear up your blood by tasting Pepto-Mangan for a while? For

Pepto-Mangan has been recommended this effective and agreeable tonic to purify and build up the blood of run-down, listless people.

Feel your best. Have a fine color, and spring in your step be vigorous, happy, and bloom for a bottle of Pepto-Mangan today. The nearest druggist has it, and in either liquid or tablet form, just as you prefer. There's no difference in medicinal value.

Get the sure you get the genuine Gable's Pepto-Mangan. Ask for "Mangan," and to sure the full name is on the package. Advertisement

ABOUT RHEUMATISM.

People are learning that it is only waste of time and money to take medicine internally for chronic ad muscular rheumatism, and about ninety-nine out of a hundred cases are one or the other of these varieties. All that is really necessary to afford relief is to apply Chamberlain's Liniment freely. Try it. It costs but 35 cents per bottle. Large size 60 cents.

C. D. Sutton, Chairman and W. H. Fish, Secretary of the Salvation Army Home Service Appeal yesterday to attend a district conference of county workers. This appeal is to be made from May 10th to 20th, starting next Monday.

DO YOUZ BEST.

Everyone should do all he can to provide for his family and in order to do this he must keep his physical system in the best condition possible. No one can reasonably hope to do much when he is half sick a good share of the time. If you are constipated, bilious or troubled with indigestion get a package of Chamberlain's Tablets and follow the plain printed direction, and you will soon be feeling as fit and able to do a day's work.

FOR A WEAK STOMACH.

As a general rule all you need to do is to adapt a diet suited to your age and occupation and to keep your bowels regular. When you feel that you have eaten too much and when constipated, take one of Chamberlain's Tablets.
