THE MARSHES OF GLYNN

Ye marshes, how candid and simple and nothing-with-holding and free
Ye publish yourselves to the sky and offer yourselves to the sea
Tolerant plains, that suffer the sea and the rains and the sun
Ye spread the span like the catholic man who has mightily won
God out of knowledge and food out of infinite pain
And sight out of blindness and purity of a stain.

As the marsh hen secretly builds on the watery sod,
Behold I will love me a nest on the greatness of God,
I will fly in the greatness of God on the marsh-ben flies
In the freedom that fills all the space 'twixt the marsh and the skies;

By so many roots as the marsh-grass sends in the sod
I will hearily lay me a hold on the greatness of God;
Oh, like to the greatness of God is the greatness within
The range of the marshes, the liberal marshes of Glynn.

BASE BALL

REAL BASE BALL GAME

MT. VERNON WINS 5 to 3
East Bernstadt Played Good Ball

Large Attendance and Great Enthusiasm

The base ball team of the Mt. Vernon Athletic Association defeated East Bernstadt last Sunday in one of the best games ever staged in Mt. Vernon. Drew and Mooster were the opposing twirlers and both men played a good game. Drew had the visitors at his mercy at all times and only allowed them two hits. He would have won the game without letting the East Bernstadt score had it not been for some costly errors. Drew's pitching, the hitting and hitting of Bowman, Davis, Murrell and Sparks featured the game. In the last half of the fifth inning East Bernstadt led by eight runs while our boys hadn't scored. Bowman got busy and sent the horsehide toward Bernstadt for a total of three bases, scoring later on a single by Sparks. The second score for the visitors came in the

Lexington, Ky., May 18.—Two big gifts to Transylvania College in connection with the Disciples' World Movement Campaign in Kentucky, which began May 9, were announced the past week. One of \$10,000 to the athletic field fund from Ben Allen Thomas and the other of \$15,000 from a woman devoted to the interests of Transylvania the Christian Church, but who believes in the scriptural injunction to "let not thy right hand know what thy left hand doeth," and whose name is not to be made public.

By: BOONERWAY MAN

One of Rockcastle's noted churches was located about one third of a mile east of Brodhead at the ford of Boone's Fork creek which was widely known as "Boone's Fork Church." The building was a two story frame, the Masonic fraternity using the upper room for lodge purposes. In the late '70's the membership of both institutions changed the location, moving into a new building at Brodhead, the Mason's taking the usual second story.

The old church building was dismantled and moved away.

The first tavern or hotel at Livingston was the Gresham, located on the Laurel side of the river. The next following was the Goodin house, after the railroad came in 1870. Then the Sambrook, the Mullins and the Eight Cablos. We believe there was also a Livingston hotel, operated by the man for whom the town took its name.

Prof. A. G. Lovell, (now docent), came from Bedford, Indiana,

SUGGESTION FOR A CAMPING TRIP.
Buy a bottle of Chamberlain's Cough and Diarrhoea Remedy before leaving home. As a rule it cannot be obtained when on a hunting, fishing or prospecting trip. Neither can it be obtained while on board the cars or steamships and at such times and places it is most likely to be needed. The safe way is to have it with you.

ABOUT RHEUMATISM.
