Louisville Cement Company's Community House By E R Gentry, Director of Social Work, Louisville Cement Company.

The Louisville Coment Company's Community House has been le opration for more than eight months. While it is too carly yet to show the real results of the work done, we feel that the crucial period is past, and we can speak with confidence, not only for what has actually been acomplished, but what we may represent the works or time passes.

Exterior. S. Louisville Cement Company's Communito House, Speeds Ind.
Has au Attractive and Homelike Appearance.

The building is constructed of concrete and stacco. It has a frost of 78 feet, with a depth, in unding an L. of 68 feet, which gives a room porch in the reas. There is a spacious lounging and smaller room furnished with tables and condictable ctairs. Paring from this room through wide enames, which have no doors, one enters the poolroom, when we have you tables. There is also a reschament stand and an office for the superinance, in this past of at the state of the superinance of the superinance of the superinance of the superinance. On the left, we one enters, is a rest room for holes only and trumwere espacially of the most with connecting weathrough and rolls. If eshiment, stand and an office for the nucerimandes in the seed of the training of the main entraine. On the left, is not estimate, is a reset room to halve so saly and turminest espacinity for them with connecting washroom and tollet. The auditorium couples the remainder of the "L" and mas a scating capacity of about three hundred. For lectures, picture shows and other enter tailments scating in this room is provided by folding chairs, which, when not it use, are stored in a room set united for that purpose. The auditorium has a stage with curtains, etc., which are removable. We use this room is provided by folding chairs, which are removable. We use this room is left topen as a playroom ror the children, where they play all sorts of games when the weather prevents them from playing out of doors. In the basement we have men's tollet, shower baths, a barber shop and necessary store rooms. The building is steam heated, electric intrind, and has hot and cold water, all furnished from the plant, which is only a few hundred feet away; to the rear of the building is a tract of saveral acree of ground which is being converted into yack and elgacycount. We streadly have a comic court, welley but cover and cround ground. Shade frees have been planted and other improvements will be added to beautify the place. The front has times sodded, making a beautiful tawn, in which there are already four large trees. We have flower sets sincely arranged, and the walk adproaching the building in a wide circle has been bordered with hedge and flowers. Projecting from each of the four French doorways in frost are decorative

Spacious Reading and Reception Room Connects with Poolroom at Left and with Decorative Porticoes, Through French Windows, at Righ

porticoes and large porch or window boxes filed with flowers, which give a touch of beauty and freshness to the interioras well as the exterior of the reception room. A short distance from the building we place to have a real athletic field. We already have a good base ball damond here and have built a grandstand that will accommodate about three funderd people, and can easily enlarged. The building and grounds have been furnished and equipped by the company. This equipment includes two pool tables, all the tubies and chairs pians. Victoria, with a mos see of records, and a splendid moving picture outfit. It also includes atbletic equipment such as a westling mat, boting gloves medicine bull, volley ball and one, basker balls, indood base balls and bats, as well as all kinds of small games such as checkers, rook, etc.

To The Republicans Of Rockcastle County

I hereby announce myself as a candidate for the Republican nomination for the office of Jailer, subject to the action of the Republicans of this County at the Primary to be held in August.

I am a Republican and my people have always voiced that the control of the contro

Your support and influe oce will be gladly received. Yours very truly,

[Mrs.] BALEN PRICE

To the Republican Voters of Rockcastle County, Both Ladies and Gentlemen:

MRS. JOHN RENNER

want it.

We are not surprised at the men saying the court house is not the place for a lady. Those who are saying that are the ones that don't want any change in the betterment. The place that is not fit for a factleman. We all agree with them that under present circumstances it is not a fit place for a lady or gentleman, but we believe the good men and women of Rockessale are going its -bave a house-cleaning this fall and sweep the fifth out and let none come into the court house a clean place for our men and women to cover by a White Mule that is being sheltered there.

Well, my opponent Mr. Clark says in his appeal to the people for which we thinks they people ought to elect him because he assistant of the people are going to elect Mr. Clark on his plea they ought to elect Little Tom Taylor for Jailor.

So again to the men and women of Rockessale.

So again to the men and women of Rockcastle:

So again to the men and women of Rockcastle:

I know it will be impossible for me to see you all before the election as I am not able to get a round like the men, but I will appreciate you have been as the comes to you with a long smile on his face and takes you be than who comes to you with a long smile on his face and takes you be than who comes to you with a long smile on his face and takes you be the man who will be the smill and it will so say his to you all. If I am elected to this office I will approve two sober law-abiding men for my deputies, to do the riding, and I will attend to the office work, and do all in my power to have the law enforced inasmuch as it is the duty of a Sheriff.

As there may be many that I will not have the pleasure of seeing or talking with, I am going to tell you who I am. I-know a great many people over the county, for I Nursed over a great portion of the county, for It Nursed over a great portion of the county, for It Nursed over a great portion of the county, for It Nursed over a great portion of the county, for It Nursed over a great portion of the county, for It Nursed over a great portion of the county, for It Nursed over a great portion of the county, for It Nursed over a great portion of the county, for It Nursed over a great portion of the county, for It Nursed over a great portion of the County and I will come out of the county for I not for the protection against the evits of our county will come out of hadge that and show by voting for Intelligent, sober, law-abiding men and women.

To one and all o one and all: will appreciate your support on next Aug. 6th, MRS, JOHN RENNER.

To the Republican Voters of Magisterial District No. 2

ed of Quail, Bullock, Pongo and East Fork Voting Precincts.

After being asked by a goodly number of the voters to may the race tor justice of the peace. I take this method of announce-ling myself for the odice subject to the action of the will of the Primary Election August 6th. I have always been a Regustifican and railled, to the support of my party in both national state and County and if Slected I will do all in my power to keep taxes down as much so as possible. I am for better roads now and or over and for anteriors the law. Now won't you help makes for ever and for entorcing the law. Now won't you help me? so thanking you in advance for your votes

Every Drop an Asset

AS a dairy farmer you can figure out to the penny what your cream is worth. You know that every particle of butter fat has a distinct value to you. You cannot afford to use a separator that misses any cream

you. You cannot afford to use a separator that misses any cream; as separator that misses any cream; the principle on which it operates is as simple as the mechanism. The frame is open and sanitary—the supply can large and low. Every bearing and quiet gear is well oiled by a large and low. Every bearing and quiet gear is well oiled by a large and low. Every bearing and workmantably and materially close skimming and durable; lower the destinguishing points. These are points the visually concern your profit.

No matter what the size of the control of the concern of the control of the concern of the control of the co
