Sorghum Co-op Virtually Assured

Corporation Papers Drawn Saturday

A group of men who had been elected temporary directors of the Rockcastle County Co-operative Sorghum Growers Association, met Saturday afternoon at the Court House with State Marketing Director Ivan Jett, and articles of incorporation were drawn up, subject to approval by the growers.

Several more acres were secured and are now under contract. It is expected that more than 100 acres of sorghum will be planted in 1941.

A feature of the corporation papers is that other crops besides sorghum can be raised without drawing up new papers. This means that potatoes, strawberries, raspberries or other crops can be raised when desired necessary.

The forming of this co-operative is one of the biggest advances ever taken by the farmers of this county. Although only a few are now members, enough belong to show the others that the system will pay, and if the crop is good this year, several hundred acres will be grown next summer.

In present day American big business is run on the co-operative plan. The small farmer or business man has a hard time to market his goods, unless he belongs to a chain. This small co-operative that we have formed here, is only the beginning, and if rain sizzles it is loyally supported by its members, should be the start for much better times for our farmers.

Jack Laswell Stars in Tournament

Jack Laswell, son of Mr. and Mrs. J. M. Laswell, of this city, was an outstanding player on the Union squad that were runners up in the KIAC tournament held in Richmond last week-end.

Jack is a senior at Union college and a regular on the college basketball team. Union were the underdogs in the KIAC tournament but went into the finals by defeating Kentucky Wesleyan. Their opponents were the strong Murray squad who previously had won from Western. The first half was close but the pace proved too fast for Union and the Murray boys were crowned champions.

J. F. Pike, of Livingston, son of Mr. and Mrs. Clell Pike, is also a member of the Union team.

Laswell, although small in size, received much favorable comment as a guard, many were of the opinion he should have made the all-star team. Many fans from here saw the final game.

Kingdom Seekers Glass Met Thursday

The Kingdom Seekers class of the Baptist Sunday School held their monthly meeting at the parsonage, Thursday evening, February 27th.

The program was opened by singing "More About Jesus," followed with prayer by Mrs. Younce. The scripture reading was read by Edna Mullins. Ada Rae Proctor, class president, had the program. Those taking part were, Edna Mullins, Mary K. Woodall, Lena Harst, Anna Mae Nee and Bernice Younce. The Aetna was sung by Edna Mullins and Ada Rae Proctor.

After the program games were played. Lena Harst won first prize. Delicious refreshments were served.

Announcement

McGaughy Named General Manager

The distributors of Blue Bonnet gasoline and oils announce the appointment of Mr. Charles McGaughy as General Manager of the organization.

Mr. McGaughy assumed his duties February 24 and with his family has taken permanent residence at Clays Ferry, Kentucky where the marine terminal for Blue Bonnet gasoline is located. Mr. McGaughy brings with him many years of business experience as manager of the Louisville Tite Company and the Aurora Barge Terminal. Mr. McGaughy is 36 years old, a native of Indiana, and is moving to Clays Ferry from Aurora.

Under Mr. McGaughy's direct supervision will come the newly constructed marine terminal at Clays Ferry with a storage capacity of 400,000 gallons of gasoline, a fleet of distributing trucks, and the 12 Blue Bonnet gasoline stations located at Danville, Lancaster, Lexington (under construction) Richmond, Mt. Vernon, Paint Lick, Berea, Sand Gap, Benfro Valley, Buenville, Victoria, and Corbin, Kentucky.

Windstorm Hits Lincoln County

Aged Couple Hurt Houses Unroofed

Monday night's storm caused considerable damage in the northwest part of Lincoln county and several people were injured. Four tobacco barns were leveled to the ground, and an aged couple narrowly escaped death when the high wind

blow down a small community on the Stanford to Hustonville road. One of the houses unroofed was the old Isaac Shelby homestead which was formerly occupied by the first governor of Kentucky.

The high wind coming and was accompanied by high wind, thunder and lightning. Very little damage was done here.

Scripture Gleaners Class Met

On Monday night the Scripture Gleaners Class met with their new president, Mrs. Kearney Campbell. The meeting was opened with prayer by Brother Younce. The theme of the meeting was led by the president was "More About Jesus, the Master." A welfare committee was appointed and plans were made for building up the class. Mrs. Chas Gibson suggested that the class have a part in relieving the suffering of the British by helping with Bundles for Britain.

The Class enjoyed having as visitors, Misses Lucy Williams, Katherine Mullins and Elsie Van. After the social hour refreshments were served by the hostess. The next meeting will be held at the home of Mrs. Clyde Barnett.

Mrs. Chas Brown, Class reporter.

593 License Plates Sold To Date

County Clerk T. A. Nicely reports 593 passenger car licenses have been sold to March 5. This is 93 more than was sold to this time last year, which is a large increase. Truck licenses were about the same with 166 this year and 156 last. The clerk's office has been a busy place the past week, for as usual many waited until the last day. To date nobody has been arrested here for non-purchase of tags, although the officers are on the lookout.

Misses Nell Wanda Nicely and Doris Smock attended Bible Theta Pi Fraternity formal at Centre College Saturday night, March 1st.

Miss Annie Bray spent the week in Richmond.

Signal At Bargain For Short Time

Starts Friday, March 7 Ends Saturday, April 5

The citizens of Rockcastle and adjoining counties will have the opportunity to renew or subscribe for the Signal for the special price of \$1.10 a year starting this Friday. The offer will positively end April 5. Due to war conditions and increasing price of paper we cannot guarantee the length of time and reserve the right to discontinue at our discretion. It is doubtful if the Signal will ever be offered at a reduced price again. The Signal is a weekly paper and it will probably go out of sight and it will be difficult to publish a weekly paper at a price of \$1.10 a year. Only Rockcastle residents and those of adjoining counties will be allowed to participate in this offer.

To all our friends that can, we advise that you renew your subscription at once. New subscribers should also take advantage of this reduced price by subscribing or renewing now you will save forty cents, which is a substantial saving. This is election year, and more news will be coming in than ever before. News notes of localities over the county are of great interest. The Signal is growing each week. This is your opportunity to be a Signal reader at a reduced price. Remember that under no circumstances will this offer be repeated after April 5. First come, first served.

DEFENSE EQUIPMENT ROLLING OFF LINE AT TREMENDOUS RATE OF SPEED

Detroit, Mich.—At least 150,000 men will be working on national defense contracts for automobiles companies by the latter part of the present year, and between 100,000 and 200,000 more men will be employed by the time its bomber parts program gets in full swing, according to a progress report issued in Detroit from the office of the Automobile Manufacturers Association.

Every company in the automobile industry now is represented in production of one or more defense items, the report shows, with the load growing rapidly. Defining the defense assignments as "this industry's No. 1 job" today, Alvan Macaulay, president of the Association in forward stated:

"From the start the automobile companies saw this job as one that must have the right of way. They voluntarily pledged to subordinate their forward looking programs wherever by doing so they could expedite defense production. All along the line the job has been and is, a fight against time."

Special recognition is given to the "energetic and devoted efforts" of the hundreds of technical men in engineering and tool departments, on construction jobs and elsewhere, whose long hours and close application have pushed the preparations for production "as never before."

"The same effort goes forward in production itself," says Mr. Macaulay. "The record of accomplishment to date is one of which the people of the country generally as well as those within the industry can feel proud. It is evidence again of America's ability to produce for the well-being of all."

The report summarizes the following items:

Airplane engines from the automobile industry have been going into service since July, 1940; are coming out now at the rate of 350 a month; will in a short time be many times that number.

Two new airplane engine plants are in the final stages of construction and equipment; will be producing this summer. Two more are to be in operation by the end of the year.

Ammunition components of many types, such as shells, shell casings, fuses, bomb and torpedo parts are being produced in several automobile plants; will shortly be coming out in a steady stream of large

Mt. Vernon Loses Tournament Game

Highland Easily Victorious 47-25

Fighting desperately but to no avail the Mt. Vernon basketball team ended the season by losing the first game of the district tournament at Stanford to Highland by the decisive score of 47-27 Wednesday night.

The team and Coach Landrum have many alibis, all which are legitimate for illness and injuries plaguing the team from the start of the season. Totsie Noe, star center has been out for months and recently Jim Covguard was stricken by illness and forced to quit. Curtis Harmon missed a bad injury to his knee in a previous game and played the Highland contest with the knee tightly bound. The best team in the world would have been sorely handicapped by such tough luck.

The Highland game was featured by slick play by left C. Opp Bussel, who played an inspired game. He scored 14 points and was easily the outstanding man on the court.

A large crowd of fans from here attended the game.

Mr. and Mrs. J. T. Meadows and Mr. and Mrs. Ewell Cummins and son spent Sunday afternoon with Mr. and Mrs. J. A. Owens at Lancaster. Mrs. Owens who has been quite ill does not seem to be improving.

equipment is being used on shell production now. The country is ready for machine gun production, and several companies are working on parts and accessories for big guns, such as breech housings, recoil cylinders. Ammunition hoists, etc.

Thanks to construction workers who carry forward even under heavy snow, and other comparable preparatory effort, tank production will begin well ahead of schedule, if current rate of progress can be maintained. A start on actual parts production has been made.

Six companies are actively at work producing or preparing to produce airplane body, wing and tail parts. First shipments of subassembly units have already been made. Ultimately from 100,000 to 200,000 men will be required for this work alone, especially in the projected output of parts for bombers to be assembled at new Army plants in the Midwest.

Continuous deliveries, at a raising rate, are being made on power plants for many vessels, ranging from the super-speed motors for "mosquito boats" to submarine diesels.

Extensive and systematic sub-contracting of precision-made parts for aircraft engines and many other defense products has been resorted to as a means of expediting and enlarging production. Major motor companies have taken on such parts assignments. More sub-contracting is expected through the efforts of the Automotive Committee for Air Defense.

Material "bottlenecks" have been attacked through erection by members of the industry, of foundries for magnesium and aluminum, both now entering production.

Despite all these added jobs, not in the regular line of automobile work, the industry's assembly lines are turning out 13,000 special cars and trucks for the U. S. Army each week; expect to step this rate up to 20,000 to pace the Army's expansion, and to have more than a quarter million vehicles in service by the latter part of this year.

Pointing out that this list still is only a partial accounting of the industry's defense work, the report concludes:

"Every American at the wheel, whether driving car or truck, can look at the namplate of his vehicle and know this: the company that turned it out is doing its bit today."

Enrollment At Ky. Reaches 3,498

All but seven of the 48 states are represented in the second-term enrollment at the University of Kentucky, Lexington, which closed Feb. 17, and 117 of the 120 counties in Kentucky are also represented in the student body.

While there was a drop of more than two per cent from the second-term registration for the school year 1939-40 voluntary enlistment and the dropping out of students seeking jobs in defense industries accounts for a percentage of this loss.

Seven foreign countries and possessions, including Africa, Canada, Canal Zone, China, Egypt, Mexico, and Puerto Rico, and 100 or more students to the University of Kentucky this semester.

Students registered at the University from Rockcastle county are Robert Edwin Robinson, Mt. Vernon; Adele Rice, Livingston; William Rivers Poyton, Mt. Vernon; Cacus Partin, Withers; Paris Swink, Disputant; Monroe Jesse Smith, Conway; Claude Gilliam, Livingston.

County Officer Gel Moonshiners

Two Taken To Jail Two Evade Capture

Walter Sowder, deputy sheriff, and son, William, raided a den of moonshiners Sunday afternoon and caught four men in the act of making illicit liquor. Two men, Raymond Rebeck and Elmer Decker were captured. Mr. Sowder says he recognized the other two men but they escaped.

The still was an elaborate affair and Sowder says is one of the best he ever saw. The capacity was approximately twenty gallons. Two and one-half gallons of moonshine was confiscated and one hundred gallons of mash was destroyed.

Classified Ads Contain News Interest

Those little classified advertisements that you see on the back page cost very little, but usually they contain information that benefits the reader. For instance this week, we had an unusual advertisement brought in by A. F. Shell, of Orlando. He wants to trade a radio for a good organ. Instead of circulating the news amongst his neighbors Mr. Shell came to this office and inserted the small ad that you can read by turning to the Classified Department on page 8. The cost was only 25c.

When you have something to buy, sell, rent or trade remember that these little ads cost very little and they are always read.

Lincoln Sorghum Co-Op Granted Charter

The Lincoln County Sorghum Growers Association was granted a charter Saturday. Organized under the State Co-operative Marketing Act, it was empowered to market various agricultural products including livestock. Its capital stock was fixed at \$2,000 common and \$5,000 preferred. Incorporators were Everett Mansard, W. L. Diamond, W. F. Osborne, J. S. Sledge and Dewey Smith, of Wayneburg; its headquarters, and D. K. Hemphill and J. L. May, Eubank—Interior-Journal.

McBee's Visiting In Mexico City

We received a card from W. G. McBee from Mexico city saying they were having a grand time in the capital of Mexico.

Bill said he hadn't seen an American newspaper for a week or heard a radio. The McBee's left here two weeks ago for an extended trip in Texas and Mexico.

Building Of Dams May Be Approved

Must Be Built To Specifications

With prior approval of the county committee, farmers in Rockcastle county may receive credit in the 1941 Agricultural Conservation Program for building properly placed dams in gullies on their farms. J. L. Jones, chairman of the county Agricultural Conservation Association, announced today.

Instructions for proper construction of the dams are now available at the county office. Mr. Jones said, "The dams are to be built to specifications."

"Prevention of this type of erosion control is a part of the effort to extend and improve conservation," Mr. Jones pointed out, "and is being urged to supplement other practices carried out on farms in the county."

"Control of erosion is essential to conservation and soilbuilding; and investments in legume and grass seedings, liming and spreading of phosphate on soil-conserving crops should be protected by use of winter cover crops whenever land is cultivated and by all other water control measures needed on the farm," Mr. Jones said.

"These water control practices include planting of trees on badly eroded land, building of terraces wherever practicable, contour planting and strip-cropping and construction of dams which will hold the soil by reducing the speed of water runoff and by absorbing the water," Mr. Jones stated.

Dams given prior approval and built according to plans approved by the county committee will be eligible for credit of cost each under the 1941 program. Mr. Jones said.

Mr. Jones pointed out that efforts to stop gullies already formed should be accompanied by plans to prevent gullies wherever possible in the future.

While gullies may be formed by unavoidable causes, such as freezing and thawing accompanied by heavy rains, he said, others caused by plowing and planting up and down hillsides or by temporary farm roads across fields may be avoided by future planning.

Bridal Shower Given Thursday

The home of Mrs. E. R. Denney was the scene of one of the loveliest showers of the season. With the assistance of Mrs. B. N. Egan and Mrs. Mattie Griffin, invitations were sent for Thursday evening, February 27th for a surprise shower honoring Mrs. Ethel Azbill Hadfield. In order to make the surprise complete Mrs. Denney ask Mrs. Hadfield to a bridge and those in on the secret went at seven o'clock and the bridge game began as usual. At eight o'clock she was called to the door and her many friends who had gathered at the home of Mrs. H. L. Adams greeted her with cries of "Surprise! Surprise!" The gifts had been placed in a large basket beautifully decorated with white crepe paper ruffles and pink carnations and covered with an umbrella decorated in the same manner. The many beautiful gifts were opened and they speak for themselves the esteem with which Mrs. Hadfield is held by the community.

The guests were invited to the dining room where the table was covered with a lace cloth and the center decorated with a bowl of cut flowers. Mrs. Mattie Griffin and Mrs. Robert Harry Miller poured coffee and served individual brides cakes decorated with lilies of the valley to about sixty guests.

Baby Boy

Mr. and Mrs. R. H. Sparks Jr. of Lexington announced the birth of a son on Wednesday March 5th. The young man weighed seven and one-half pounds and as yet has not been named.

SLANTS

By W. L. S.

We're proud to announce that the Rockcastle Sorghum Growers Association is almost a reality. Articles of incorporation have been drawn up and final signatures will be affixed in a few weeks.

This should mean several thousand more dollars that will for the most part be in the hands of the growers. Something of this nature has been needed for a long time.

Co-operation of several citizens of Mt. Vernon working with the State Marketing Bureau, the Assistant County Agent, and the Vocational Agriculture teacher has helped put the project over. Financially these men were not helped, but all have the future of Rockcastle county in mind and all were working toward that end. In fact, those who never lend their efforts will be helped for more than they give.

We are pleased at the fine response given The Brothead Booster, by the Brothead people. This page in The Signal is devoted to the interests of our neighboring city and comments have come in from far and wide, attesting to the fact, in the people of the county really want Brothead happenings. The editor, Miss Lillian Wallin, is doing a grand job, and is taking a real interest.

Another Rockcastle city that is up and coming is Livingston. This town has been sorely hit many times, but has always sprung back to its feet. It is still a progressive little city. This is attested to by the fine Lions Club that boasts of twenty members, and this club is already known, as one of the best clubs in Southeastern Kentucky. Dr. R. G. Webb, is president and Walter Chisnut, secretary. We take our hats off to Livingston.

We can take a slight hint of what's coming by the fact that Ladies and Girls' National Guard is being formed over the country. Today, women are equipped and trained for the man's job, with the idea that they might have to take over, in an emergency. The Boy Scout's famous motto, "Be prepared" is certainly proper in these troublesome times.

County Agent Notes

By Robert F. Spence

The Home Agent, Assistant Agent and County Agent met with the Extension Committees in each community last week and worked out our plan of work for 1941. Special attention is being given in each community to producing their own food, which includes a good garden with small fruits, poultry, hogs for meat, and two milk cows, one freshening in the fall and one in the spring. Some of the other projects being promoted in about every community are: Soils, Pasture Improvement (legumes), Corn (open pollinated and hybrid), tobacco, freshening in the fall and one in the spring, sheep, dairying, workstock, 4-H clubs, roads, Ford Sunday Schools and churches, mattress program.

4-H Club Leaders and Officers Confer

Our annual meeting of 4-H leaders and officers will be held at Mt. Vernon Saturday.

A good program has been planned and we are making every effort to have all clubs represented at this meeting.

The program will consist of the 1941 plans, both for the county and individual clubs. We will also have project and group instructions on the cash crop and the acreage is limited for group meetings for Leaders, Presidents, Vice Presidents, Secretaries, Soil Leaders, Yell Leaders and Captains.

J. M. Felner and Miss Burdette from the State 4-H Club Department will be with us to help with our planning and instruction. This is the most important meeting of the year and should be attended by all leaders and officers.

TOBACCO MEETING

Thursday, March 13, Mr. Russell Hunt, Tobacco Specialist from the University of Kentucky, will be with us in the County Agent's Office at 10:00 a. m. to help outline this year's tobacco program. This is a tobacco leaders meeting but anyone interested in tobacco is invited to attend. Since tobacco is our main cash crop, it is important that we are going to continue trying to increase the yield per acre and improve the quality.

Farm News

Approximately 100 Pulaski county farmers sowed cover crops on their cultivated land. Their names were inscribed on a county honor roll and they were awarded certificates of merit.

Henson Martin, McLean county farmer and cattle man, is planning to seed a large acreage to lespedeza and rye grass. He also will sow bluegrass on Green river bottoms. Bluegrass was the only grass on his farm that withstood the 1937 flood.

Trigg county farmers plan to use 30,000 tons of limestone and 4,000 tons of phosphate under grass and legumes. They also hope to plant at least a third of the corn acreage to hybrid varieties.

Pike county poultry raisers reporting profits include G. W. Bivens, whose 270 hens returned a profit of \$148 in one month; Mrs. Minnie Wedginton, who made \$30 from 67 hens last month, and Mrs. W. W. Culbertson, whose flock of 175 hens returned a profit of \$63 over all expenses, in January.

Grayson county farmers, who have been increasing their livestock operations for several years, recently purchased 70 registered cows and 14 purebred bulls. Many of them were for 4-H club members who are starting herds.

C. A. Turner of Barren county grew three tobacco crops on one acre; that is, the yield of 2,323 pounds was about three times the average yield. The land had been in alfalfa four years, and he added large quantities of manure, and 400 pounds of 20 percent superphosphate.

TRIPLE PLAY BY TOBIAS

Hollywood, Calif.—George Tobias, Hollywood's Protean personality, set a new record when he played roles in three different pictures in one day at Warner Bros. The films to which Tobias contributed his versatility were "The Bride Came C. O. D.," "The Gentle People" and "Affectionately Yours."

Hollywood News

JACK LONDON'S NEIGHBORS WANT "SEA WOLF" PREMIERE

Hollywood, Calif.—The Sonora Valley Chamber of Commerce has invited Warner Bros. to hold the world premiere of "The Sea Wolf," filmed from the Jack London novel, in the valley of the Moon, 40 miles from San Francisco. After London decided this valley was "the most beautiful spot in California," he built his home there. His widow still resides there.

Warners is giving serious consideration to the proposal. The picture, which stars Edward G. Robinson, John Garfield and Ida Lupino, is scheduled for release March 22.

YOUNG CHARACTER ACTOR SIGNED BY WARNER BROS.

Hollywood, Calif.—Tom Whitney, young character actor recruited from the Pasadena Community Playhouse, has been signed to a long-term contract by Warner Bros. His first assignment is a character role in "Sergeant York," starring Gary Cooper and Joan Leslie. As soon as he is finished in that, he will play "an important role" in "Underground," which is scheduled to start soon.

JOAN LESLIE HONORARY HEAD OF VETS' DRIVE

Hollywood, Calif.—Joan Leslie, sixteen-year-old Warner Bros. star who is playing opposite Gary Cooper in "Sergeant York," has been chosen "Miss V. E. W." by the Veterans of Foreign Wars.

She will be honorary head of the organization's annual Buddy Post campaign to raise funds for the maintenance of its orphanage. Her credentials will be presented to her by Commander William L. Wilson, U. S. Air Force, national chairman of the V. E. W. Patriotic Films Committee.

STEINER TO SCORE "SHINING VICTORY"

Hollywood, Calif.—Max Steiner has been assigned by Warner Bros. to write the musical score for "Shining Victory," in which James Stephenson and Geraldine Fitzgerald are featured.

He recently completed the score for "The Great Lie," soon to be released with Bette Davis, Robert Brent and Mary Astor in the top roles.

KENNEDY GIVEN LEAD IN "HIGHWAY WEST"

Hollywood, Calif.—Arthur Kennedy has been given the lead opposite Brenda Marshall in "Highway West," which starts this week at Warner Bros.

Since Kennedy's film debut in "City For Conquest" he has played leads in two Warner features not yet released, "Knockout" and "Strange Alibi."

Others in the cast of "Highway West" include William Lundigan, Olympe Bradna and Willie Best. William McGann directs.

GARY COOPER TO SING HILL SONGS IN FILM

Hollywood, Calif.—Gary Cooper will sing at least one mountain song in his portrayal of the title role of "Sergeant York" at Warner Bros. The World War hero, after his conversion to religion, became widely known in the Tennessee mountains as a talented hymn singer, acquiring the nickname of "The Singing Elder."

WARNERS STARTS FOUR NEW FILMS

Hollywood, Calif.—Four new Warner Bros. productions will go before the cameras this week. They are: "The Gentle People," with John Garfield, Ida Lupino, Eddie Albert and Thomas Mitchell. Antole Litvak directs.

"Three Sons O'Guns," with Wayne Morris, William T. Orr, Tom Brown and Lucille Fairbanks. Ben Stolln directs.

"Highway West," with Brenda Marshall, Arthur Kennedy, William Lundigan, Olympe Bradna and Willie Best. William McGann directs.

"The Nurses' Secret," with Lee Patrick, Regis Toomey, and Mars Wrixon. Noel Smith directs.

ALINE MACMORHON BACK AT WARNERS

Hollywood, Calif.—Aline MacMahon, who left Hollywood several years ago after a long term marriage to Warner Bros. contract player, has returned to the studio to play a character role in "The Gentle People," film version of the Irvin Shaw stage success.

Also added to the cast are James Conlin and Alec Craig. Previously on the roster were Ida Lupino, John Garfield, Thomas Mitchell, Eddie Albert, John Qualen, George Tobias, Odette Myrtil and Lee Correy. Anatole Litvak is the director.

DIETRICH TO CO-STAR WITH RAFT AND BOGART

Hollywood, Calif.—Marlene Dietrich has been signed to co-star with George Raft and Humphrey Bogart in "Handle With Care," which goes into production shortly, it is announced by Warner Bros. This will be Miss Dietrich's first appearance in a Warner picture.

"Handle With Care," a story about the linemen who string high-voltage lines across the nation, was written directly for the screen by Jerry Wald and Richard Macaulay. It will be directed by Henry Walsh, whose most recent Warner picture is the current "The Strawberry Blonde."

Granville Owens Passes On

Prominent Brodhead Citizen Died Sunday

The entire city was saddened Sunday when it was learned that Granville Owens, a leading citizen of Brodhead for many years had passed away at his home here.

Funeral services conducted by Rev. Warren Filkins were held from the Baptist church Monday afternoon at 7:00. Interment in Pine Grove cemetery.

The deceased was born August 13, 1865 and died March 2, 1941. He was a member of the Baptist Church.

Mr. Owens was well known over the county. He was a member of the County Judge Dick Williams for four years. He was postmaster here for eight years under Pres. Wilson. He served on the school board for many years. He was chairman at the time the new high school was built.

Mr. Owens was a fine character who will be missed by his many friends in this county.

Going Places!

Phyllis Dobson, lovely New York singer and actress, who recently made her radio debut on the "Uncle Walter's Dog House" program, came to Chicago from New York where she has appeared in numerous stage plays, the last of which was "Little Foxes."

She has appeared in such productions as "Seventh Heaven" with Charles Farrell, "Personal Affection" with Lenore Garry, and "Many Happy Returns of the Day" with Lucille Watson.

Upon arriving in Chicago, the early part of this year, she was on the radio network every Tuesday in "Backstage Wife" . . . and was the audience over several of the well-known Chicago actresses. Keep your eyes or ears for this girl; she's a hot piece in radio.

She is cute as a bug's ear and about as big as a minute. . . stands five feet two inches high, weighs 125 lbs., has blue eyes, fair complexion and reddish hair. Likes flying, ice skating and has won several blue ribbons for her radio ability.

Phyllis is heard on "Uncle Walter's Dog House" which comes over the radio every Tuesday night. Written by Al Moore and produced for radio by Watson Humphrey, well-known producer.

BRODHEAD HIGH SCHOOL ITEMS

The 46th District Tournament opened with a bang Tuesday evening March 4th at Stanford with Kings Mountain and Stanford playing the opening game. The game was close and hard fought. The score at the half was 7 to 6 in favor of Stanford. However Kings Mt. proved too powerful for Stanford and defeated them 25 to 13.

The second game was between the Brodhead Tigers and the Liberty Casey Cats.

Those swift moving Tigers set the pace for the Liberty Casey Cats as Sturgeon of Brodhead started the game off with one of those flashing crisp shots in the first second of the game.

The sturdy and staunch Brodhead Tigers kept up their outstanding playing until the finish. The final score being 34 to 18.

Brodhead plays its next game Friday evening at 7:30 p. m. with a pre-district team.

Sturgeon opened the scoring with a field goal. Liberty then scored their only two points of the first quarter. Robbins and Sturgeon each made another field goal, bringing the score up to 8 to 2 at the end of the first quarter.

In the second quarter Robbins made one foul shot and Owens made two foul shots. Sturgeon came through just before the whistle with a field goal. Liberty scored two foul shots and one field goal, making the score 11 to 6 in Brodhead's favor, at the half.

In the third quarter, Brodhead started a scoring spree, and rapidly built up a comfortable lead. Robbins scored 8 points, Owens one point, Sturgeon seven, making a total of 14 points in the third quarter against 5 points by Liberty. This brought the score to 25 to 11 at the end of the 3rd quarter.

In the fourth quarter Robbins scored two points Hurt two points, Owens one point, Sturgeon 3 points and Bordes one point. Liberty scored seven points in the 4th quarter. The final score was 34 to 18 in Brodhead's favor.

Both teams played good ball and good sportsmanship was prevalent throughout the game with one man from each team fouling out.

Brodhead will play again Friday night against the winner of the Morehead-Broughton game.

Johnny Allen Sports Editor

Mr. Robbins got very liberal Tuco-day afternoon and let us out at 2:15 to go to the ball game.

The gym floor has been sanded and refinished. We want everyone to co-operate and help keep it clean.

The Jr. and Sr. classes are planning a four day trip to Chattanooga at the end of school.

The Senior Class is putting on a play "Fuecin In The Hills." The date will be given later.

Our school lost one of its best friends, in the death of "Uncle" Danny Owens.

Wonder why the basketball boys were so white when they went out on the gym floor at Stanford. Could it be measles.

News/Flashes

Byron Robbins "didn't" foul out last night.

The Senior Class has a crush on some little blonde in school.

Johnny Allen looked his best last night. Could it be that Smith girl?

Virginia Phillips was accompanied at the basketball tournament by her beau setting on her feet.

Virginia Phillips, editor.

The Brodhead Basketball Squad went to Middleburg Friday night, Feb. 28th. Coach Wright played the boys that will be the first team next year. They proved themselves worthy of the honors by winning by 22 to 25. The lineup consisted of William Bordes, Charles Hurt, Everett Frankin Watson, Edward Elder, Byron Robbins, and Johnny Allen. Bordes was high-point man with 12 points. The second team also won with a score 11 to 9. Bordes again was high-point man with 7 points making a total of 19 points for the night.

Army Commissions For Air Corps

A ruling made last week by the War Department permits graduates of the Air Corps Cadets to enter the Regular Army as Second Lieutenants. It was announced today by Lt. Colonel W. L. Blanton, Executive Officer of the Lexington Military District.

Time limit for the submission of applications has been set at March 20th, and to be eligible for the appointment as Second Lieutenant, Air Corps, Regular Army, a candidate must be a graduate of the Air Corps Training Center, must be single and not previously married. Those who were married prior to July 1, 1940, are eligible to apply.

Thus an opportunity is offered the young men who have heretofore entered the Air Corps Cadets, an opportunity of world travel, promotion with increased pay, and excellent retirement allowances.

Similar opportunities to all young men, who are unmarried, citizens of the United States, between 20 and 27 years of age, and of excellent character will undoubtedly be offered for their meals and free quarters and other things upon their three years service as Reserve Officers in the Air Corps. The initial pay and allowances for 2nd Lieutenants in this branch of the service is \$206.00 plus quarters, medical and dental attention and opportunity to enter the Regular Army from the Reserve.

Any young man interested in flying, who desires to learn from the best technical school in the United States, and likewise receive \$75.00 per month pay, plus \$1.00 per day for his meals and free quarters should write Colonel W. L. Blanton, 427 Post Office Building, Lexington for further particulars.

Elmer Howard Dies in California

Elmer Howard, son of Mrs. William Howard, and well known here, died in Los Angeles, California, Saturday, Feb. 15, death being caused by an automobile accident. The body was brought to Brodhead for burial and interment was at Negro Creek, Wednesday.

The deceased was a talented young man and an accomplished guitarist, having made several recordings.

He is survived by his wife, mother, two brothers, Edgar and How of Crab Orchard; six sisters; Mrs. Eva Middleton of Crab Orchard; Miss Ethna of New York City; Misses Evelyn, Ruth, Eula and Eva of Crab Orchard.

Sportsmen Aid 4-H Conservation Plan

The League of Kentucky Sportsmen again is actively sponsoring the 4-H club conservation plan, according to Dennie Gooch, Somerset, president of the league. Members of county sportsmen groups are being asked to help county agents interested in 4-Hers in wild life conservation, and to send at least one boy camp entry to the Bingham 4-H Club Camp in Washington county in July. Charles L. Horn of Minneapolis, is helping sponsor this camp.

Horn also is making it possible to have a camp for Negro 4-H club boys in July, probably at the Boy Scout Grounds in Christian county.

Four-H club members taking part in the conservation plan have a 20-point program, including the following things: knowing the hunting and fishing laws, attending meetings of county conservation clubs, knowing the habits of birds and animals, providing good during hatching season, sending crews furnishing food for wildlife, building feeding stations and bird-houses, and planting trees. They also lead community discussions on wildlife.

For soil erosion control, forest fires should be planted on more than two million acres of Kentucky land which cannot profitably be used for cropping, says W. E. Jackson, extension forester for the State College of Agriculture. Much of this land was originally in timber and should never have been cropped. By nature it was meant for forests.

Band Notes

A Brodhead band was organized the first of February by G. L. Gooch a resident of Eubanks. They have had six lessons and progressing very rapidly.

The band has twenty-one members the clarinetist are: M. G. Albright, Jackie Albright, Wilene Maryland Painter, Mable Burton, Rosemary Anderson, Eddie Hurt and Mrs. June Hall. Playing the cornets are Raymond H. Ernyst, Clyde Owens, Wanda Masters, Carrie Louise Shivers, Ed. Walker Bordes, and Lolly Elder. In the bass section we have William Bordes playing the basse, and Leo Reynolds, the baritone. In the drumming section are found Ernest Wallin, Corrie Bassell, and Elizabeth DeLaney. Trombonist are Glenn Laskwell and J. Owens.

The Band plays a concert the last of March and this is remarkable for the short time that they have been practicing. Mr. Ernyst, a very close friend of Mr. Gooch will be here this evening to have a special session of the band. We have very great hopes for the band, and wish them the greatest success.

HUMAN SKULL FOUND
NEAR MT. PISGAH
About three miles from Mt. Pisgah on the Parnelys road and about three hundred yards up a rough hollow always used by a noman skua a few days ago and later in company with other parties a search was made and one man's shoe was found. The party had only some sticks to work with and because a log had fallen in the hollow they were unable to make any more discoveries. It is claimed a party left there about nine years ago and never reached his old home in the Eastern part of the State, while a lady who was there three or four years ago says she smelt a faint odour of a man to and from a neighbors house. A further search might find other evidence.—Wayne Co. Outlook.

3 MURDER CASES DISPOSED OF

Three murder cases on the docket of the Laurel Circuit Court were disposed of this week, with two of them resulting in convictions and the other acquitted.
Friday, Finley Bruce, North Corbin, charged with the slaying about three months ago of George Lester in North Corbin while the two were sitting in the Lester automobile, was freed upon peremptory instructions of the court.
Evidence by Dew Philpot, chief and only eyewitness of the murder, was not sufficient for a conviction. Philpot testified that Lester threatened Bruce's life shortly before the shots were fired.

BURNS FATAL TO YOUNG WIFE

Mrs. Edna Overbey Mounts, 16 years old, wife of Henry Allen Mounts, Livingston WPA laborer, died shortly before noon Sunday at the Pennington Hospital from third degree burns.
The young housewife suffered the wounds Jan. 8, when her clothing ignited from a cook stove.
A daughter of Jackson and Fannie Cromer Overbey, Mrs. Mounts was born May 14, 1924, at the Skages Creek, Rockcastle county. She and Mr. Mounts were married June 27, 1939. They did not have any children.
Her body was removed to the Cox and Begley Funeral Home. Funeral and burial services were conducted at 2 o'clock Monday afternoon at the Hill cemetery in Rockcastle county.—London Sentinel-Echo.

Mr. and Mrs. George Phelps are rejoicing over the arrival of a new boy.
Earl Phelps who is in the C. C. C. camp writes he is glad he went to correct the statement in regard to their ages as I have been misinformed. "I do not wish to state or cause anything false to be made" or cause our editor any criticism.
Mr. DeVault states his mother age 78, her birthday. His parents 10 years younger.
These ladies had been spoken as aged persons as I recall to memory, so I did not know otherwise than to believe the rumor that uncle Jack Norton and his wife were both up in the 90's especially as the information came from persons I thought knew.
I think our editor did a nice job on the arrangement of the write-ups of the communities. I enjoy reading every letter and look each time for old Level Green news, "this was my birth place."

Renfro Valley Gets Kentucky State

By S. L. W. The following article appeared in The Chase, the official organ of The National Fox Hunters Association:

"Everyone who listens to the radio has certainly heard the Renfro Valley programs broadcast over WLW on Saturday nights at 6:00 o'clock and 8:30 on Monday evenings. This famous place, 16 miles south of Berea, will be host to the Kentucky State Foxhunters Association for a week of October 19, 1941. The decision was made at the Directors meeting of the Kentucky State held Saturday morning, February 22, at the Lafayette Hotel in Lexington. President Edmund Power, of Frankfort presiding.

Renfro Valley, in Rockcastle, and Elkton, in Todd County, were the contending bidders. Renfro Valley's proposition was submitted by Renfro Valley's John Lair and backed up by statements made by Mr. C. H. Mullins of Mt. Vernon, a foxhunter of note who has hunted in that country for years. They were also accompanied by foxhunters Clay Coffey and the Lear brothers.

Elkton, in the southern part of the state, was represented by Mr. and Mrs. George Walker and Mr. Cook from Hopkinsville. Mr. Walker stated their proposition so capably and clearly and so favorably impressed their audience that she was the winner. The proposition was approved by the National and other hunts, but we have never heard one presented so well as Mrs. Walker did for Elkton.

The Directors discussed and weighed the two propositions. It was finally decided that they would conduct their next annual field trials and bench show at Renfro Valley. Besides its radio fame it is also noted for its excellent restaurants and splendid cabins. There are numerous hotels at Berea and Mt. Vernon and the hunters can be well accommodated.

Some of the hunting will be done on Lear's Ridge, the famous hunting ground where so many of the great Walker hounds made their reputations. Mr. Ed Walker once told us that for a real test he would rather go to Lear's Ridge than any other hunting ground he knew. Here foxhound history was made for the first time.

Other Ed Walker hounds; Cork, Blind Rider, Pete Lear, M. C. and Bird Catcher, and the pack of Mr. Woods Walker. The bench show will be held Monday night, October 20, the hunt ball, horse show and other features will be announced later. For reservations, all hunters should write to John Lair at Renfro Valley, Kentucky.

Truck Gardens Will Help Grocery Bill

A campaign is under way to have residents of this county to put in large truck gardens this spring and summer. Worked properly these gardens can save many dollars and will help to balance the budget.

Last summer we noticed many bare spots covered with weeds in Mt. Vernon. Some of this land has not been worked in years. Put in tomatoes, beans or other garden crops it will help to feed many hungry mouths this winter.

The government has recommended that all who possibly can put out crops this year. Nobody knows the course of the war and it would be wiser to be prepared. Some of our better-type citizens feel that putting in a garden is too much work, while others like B. N. Egan, Mrs. Robt. McKenzie and W. R. Champion annually cultivate a large garden. Last year we purchased a few tomato plants which kept us in this fine garden vegetable, the entire summer and fall. Without question truck gardening is neglected in this community, and it is time that all should turn back to the soil, from which everybody originated.
