MISS RUBY SINGLETON, Editor

Devoted To The Interest of Livingston and Community

Number 1 — Volume 1

## First Issue Of Livingston News

Livingston News which makes its bow to the readers of the Signal for the first time in this issue is the result of co-operation between Mr. W. L. Simpson and Livingston Lions Club. Miss Ruby Singleton has been chosen Editor and we urgently request all of the business men and citizens to cooperate with her in making this page a source of valuable news.

I have agreed to write an article each week when time permits. My subject for next week will be The Town of Livingston.

R. G. Webb.

Mrs. A. C. Carpenter is visiting relatives in London.

Mrs. Fannie Brown and Mrs. Maggie Harte were in London Monday.

Mrs. Joe McHargue of Mt. Vernon was in Livingston last Friday.

## Christian Church

Sunday School 10:00 a. m.—C. L. Mounts, Supt. Enrolled—94—Lesson March 16, 1941. "Why we observe the Lord's Supper", Luke 12-27. Discussion was enjoyed by all.

We have a wide awake Sunday School and much interest is being manifested. The past year we had several to receive diplomas for their years perfect attendance, two got gold pins for two years perfect attendance and Mr. C. L. Mounts, Mr. C. F. Mullins, Anne Bradford, Laura Ruth Bingham and Miss Lida Cook are making their fourth year of perfect attendance. We extend our invitation and welcome to any who are not attending Sunday School to meet with us.

Public Worship—11:00 a. m. The pastor, Rev. Welrick of Cumberland Height, Tenn. being ill Rev. Bash filled the pulp with two interesting sermons 11:00 a. m. Text, Faith, Prayer, Work, or the History of the Johnson Bible College. Their President Alva Ross Brown died March 3rd, 1941. President Brown had managed that, try to get at least four or five eggs a week into the diet of every child in the family. And see that adults get at least three or four a week.

The most important thing to remember about cooking eggs is to keep the heat low. If eggs are cooked for too long or at too high a temperature the delicate protein becomes tough.

Instead of "hard-boiling" eggs, fry eggs in simmering water.

Use a thick pan for omelets and scrambled eggs and keep the heat low under the pan.

Use moderate fire for different baked dishes containing many eggs.

4-H Girl Wanted For Mission Work

The Woman's American Baptist Foreign Missionary Society, 152 Madison Avenue, New York, N. Y., wants a young woman with 4-H club training to take charge of a woman's department which is planning to work at this mission agricultural school at Pymmanah, Burma. She also should have extensive rural experience and home economics education.

The College of Agriculture of the University of Kentucky points out that 4-H club training has value in many fields.

Mr. George Lee, agent at Livingston has been sick for a few days.

Mr. W. H. Rils has been working in his place.

Members of the 4-H club have "Citizenship" as a major subject of study this year.

Health, production of food on the farm for home use, safety, the good-neighbor attitude, and life on a give rather than get basis—all these things and more are included in being good citizens, says J. W. Whitcomb, state 4-H leader.

By producing in home gardens, in herds and flocks, most of the food required by the family, more things will be left to buy books, radios, for travel, etc. Therefore the 4-Hers are encouraging wiser expenditure of money for the greater good of the family, in their live-at-home program.

And getting vitamins A through C may be very important to young citizens who regard health as vital to good citizenship. Boys and girls who have adequate food, exercise, sleep and rest attention will be more alert in all respects.

In fact, it's an all-inclusive kind of program the 4-Hers are getting this year, the State leader declares.

After the world war of 1914-19, many people settled down into a negative attitude toward patriotism for their country. This program is emphasizing that, rather than trying to get something from America, the main emphasis should be on giving something to it, concludes Whitehouse.

Mrs. R. G. Webb and Miss Lida Cook were in Richmond Monday.

Mr. Bill Parker who is a resident of Livingston is working in Frankfort.

Mr. Ansel Loudermilk was home last week end.

The next time that you have something to offer for sale. Try a Classified Ad.

## Eggs Plentiful Eat Them Freely

With hens, March is a busy month. So are April, May and June. During those four months the hens lay about as many eggs as they do all the other eight months of the year.

"With this springtime spurt in egg production just starting, now is a good time to check up on eggs in the family diet," says Miss Florence Inlay, nutrition specialist for the Kentucky College of Agriculture.

"The most important fact about an egg is that it is a package full of the food values you want to get into the family diet. Eggs are good body builders because of the efficient protein in their yolks and whites. The yolks are especially rich in iron, the mineral needed for red blood cells. They are an important source of calcium a rich source of phosphorus, and a good source of riboflavin (vitamin G). Vitamins A and D are present in varying amounts."

"For all these reasons an egg a day for everyone in the family is a good idea," says Miss Inlay.

Management that, try to get at least four or five eggs a week into the diet of every child in the family. And see that adults get at least three or four a week.

The most important thing to remember about cooking eggs is to keep the heat low. If eggs are cooked for too long or at too high a temperature the delicate protein becomes tough.

Instead of "hard-boiling" eggs, fry eggs in simmering water.

Use a thick pan for omelets and scrambled eggs and keep the heat low under the pan.

Use moderate fire for different baked dishes containing many eggs.

Livingston School News

The members of the Livingston High School Basketball team chose five men each and are playing off a school tournament. The winners are to play the faculty.

Preparations are being made for the Junior and Senior play which is to be coached by Rev. J. A. Bass and Mr. Clyde Linville. The title, "A Pair of Country Kids."

The attendance has been below average due to an epidemic of measles, but has gained in the last week.

Many new volumes have been added to our library this year. All books have been recataloged and indexed according to the Dewey decimal system. Thanks to Miss Lelia Jane Harris.

Wonders never cease to happen, Elna Schoonover and Allene Jarvis, were on time Tuesday morning.

Lloyd Mason is the only man our basketball team will lose this year, so we are expecting to have a very good team next year.

We are very proud of our team for winning their first game in the tournament. We hardly expected to defeat the Highland Aviators with their very strong state contender.

The \$5.00 for the highest percentage of attendance for the first four months of school was won by Mrs. Joe Webb and Miss Frances Dickerson's rooms who tied on 91.5 percent each. We want to thank Mr. Ed. Denney of Mt. Vernon for contributing this prize.

Misses Emma Rankin and Pauline Mullins were in Mt. Vernon Monday night.

## Juggernauts Rout Man-Eaters, 37-31

### Overtime Necessary To Decide Winner

The Commercial Club Juggernauts basketball team surprised their most ardent admirers by displaying a whirlwind offense and defense which caught the aged Faculty Man-eaters completely off guard and resulted in a hard-earned victory by the score of 37-31, in the game played Monday night in the high school gymnasium. The proceeds went to help buy band uniforms.

The preliminary game between the Seniors and the other classes was won by the Seniors. The score was 29-23.

Bill Martin acted as trainer, doctor and coach. In fact it was due to his capable and over-efficient administration that some of the boys were able to continue at half-time.

"Two Gun" Landrum was high point man for the Man-eaters, while "Killer" Krueger pulled the most for the Juggernauts. Krueger was also the roughest man on the floor, being credited with six fouls. The contest was much better than last year, the two teams being evenly matched. In fact when the final whistle blew the score was tied. In the extra overtime period, "Wild Bill" Cox sank a long shot to virtually end the contest. After that the Man-eaters' defense crumbled and two more crisp shots only made the score larger.

One of the heroes of the game was "Horseshoe" Maggard, who was certainly right. He dropped in goals from all angles, and this is some recompense for his tired, aching ankles. Some interested spectators commented that it was a miracle that Maggard survived.

"Big Boy" Champion pleased the audience by playing a stellar game for one quarter. By that time he was wheezing like a Model T Ford on a cold morning and was sent to the showers for repairs.

Both sides performed nobly and deserve lots of credit. Several of the Juggernauts failed to show up, and only one substitute was on the bench. The men who did service were: "Juggernaut" — "Killer" Krueger; "Dynamic" Griffin; "Spike" Simpson; "Wild Bill" Cox; "Horseshoe" Maggard and "Steep" Banks. Man-eaters' — "Two Gun" Landrum; "Toots" Campbell; "Pretty Boy" Atkinson; "Big Boy" Champion; "Lightning" Brown and "Man Mountain" McHargue.

A fair crowd saw the game and \$22.00 was realized for the band uniform fund.

## Signal Adds New Subscribers

Since March 8th the following new subscribers have been added to our list: W. M. Daugerty, Jop Hill; Edward K. Cook, Willams; Wm Ballinger, Centerville, Ind.; Mrs. Mollie Gentry, Mt. Vernon; Leonard Allen, Orlando; C. H. Phibkeek, Mt. Vernon; Mary S. Holton, Broadhead; E. D. Sargent, Piqua, Ohio; Willie Smith, Jop Hill; K. J. McKinney, Broadhead; Marquis Brown, Quill; Carl Brown, Broadhead; Fred Clugston, Mt. Vernon; J. E. Blevins, Norwood, Ohio; Emily J. Mullins, Withers; Eliza Barnett, Jop Hill; Mrs. Patsy Parkerson, Broadhead; Mrs. Thomas Freck, Sand Springs; Miss Emma Schuttz, Mt. Vernon; and Mrs. Bertha Shepard, Mt. Vernon.

We were also glad to have the following renewals: W. L. Hiatt, Wildie; Mrs. Nellie Burdette, R. I. Mt. Vernon; Willie Vanzant, Orlando; R. G. Dodd, Broadhead; James Winstead, Mt. Vernon; W. R. Norton, Mt. Vernon; Owen Allen, Orlando; Mrs. J. Bordes, Broadhead; Hiatt Mink, Mt. Vernon; H. E. Jones, Broadhead; W. B. Cummins, Livingston; and W. E. Dilingham, Mt. Vernon; and Mrs. Robert Childress, Mt. Vernon.

Carl Dean Bradley and Mrs. Carl Bradley announce the birth of a daughter on Wednesday, February 19th. She has been given the name, Carl Dean.

## Special Bargain Over In 14 Days

Many of our friends have already taken advantage of the Signal's special offer of one year's subscription for \$1.10 up to April 5. To those who have neglected to come or send in their subscription this is a reminder that only 14 days remain when the offer will expire for all time.

Now, more than ever, you have an urgent need for a county paper. With a red hot election just around the corner, you will want first hand information on who is running, and what they have to say to the voters. To be a subscriber is much better than having to borrow a neighbor's copy, even though the neighbor is glad to loan you theirs. To receive the paper cut of the mail box, take it home and lay it on the table gives one a sense of possession, and the whole family can read it during the week. It pays to read the entire contents, for the advertisements often save the subscriber the cost of the paper.

We will be pleased to add you to our list or accept your renewal for \$1.10 in this and adjoining counties.

## Local People Attend Banquet

### H. V. McChesney Speaks At Berea

H. V. McChesney, President of the Kentucky Crippled Children's Club was the main speaker at the K. C. C. banquet held Tuesday evening at the State Hotel in Berea.

Mr. McChesney spoke in interest of the Crippled Children drive for funds which starts April 2 and ends Easter Sunday. The speaker has been actively engaged in this form of charitable work for seventeen years.

The Berea Kiwanis Club had invited interested men and women from Jackson and Rockcastle counties and the following attended from here: Mr. and Mrs. D. C. Craig, Mr. and Mrs. B. N. Egan, Mr. and Mrs. W. L. Simpson and Fritz Krueger. The speaker was well acquainted with his subject and spoke authoritatively on the help being given thousands of crippled youngsters in this state. He said that there were always a waiting list in spite of the money now being expended.

Many people confuse the Infantile Paralysis drive with the Crippled Children's National Association for the Infantile Paralysis are only allowed to use this money for that purpose, while the Kentucky Society for Crippled Children help in all kinds of crippled conditions, which constitute 80 percent of the cases. It is important that all the money possible be raised to help these little sufferers in our state.

## Marriages For February

William Pryor Wright, Broadhead, Ky.  
Opal Robbins, Broadhead, Ky.  
Hayes Clark, Hummel, Ky.  
Nann Anzlin, Hummel, Ky.  
Hester C. Brummett, Corbin, Ky.  
Gertrude Baird, Corbin, Ky.  
Virgil Brock, Broadhead, Ky.  
Ressie Wood, Pine Hill, Ky.  
John George Albright, Spiro, Ky.  
Maxine Brown, Quail, Ky.  
Mitchell, Fletcher, Sand Springs, Ky.  
Nettie Carpenter, Sand Springs, Ky.  
Annie Bullock, Hansford, Ky.  
Nannie E. Evans, Hansford, Ky.  
Oscar McClure, Mt. Vernon, Ky.  
Opal Howard, Mt. Vernon, Ky.  
Carrie Cromer, Hansford, Ky.  
Ruth Kirby, Mt. Vernon, Ky.

Visitors In Florida  
Mr. and Mrs. Henry Mason and daughter, Amelia Jane, left Monday for Fort Berring, Ga. where they will visit their son, James and for Bradenton, Fla. where they will visit their son, Luther and family.

## Livingston To Receive Full Page

### Miss Ruby Singleton Editor Of News

The Livingston News makes its bow this week to the world and will be the official publication of the city of Livingston. This new feature will be part of the Mt. Vernon Signal, and the editor of the News will be Miss Ruby Singleton, daughter of Mr. and Mrs. Wm. Singleton, of Livingston. Miss Ruby is a graduate of Livingston High School and is a talented young lady whom we are certain will succeed at her task of editing the News.

This page in the Signal should do much toward advancing our sister city. Any community needs a newspaper, and although we had an efficient correspondent in Mr. W. M. Owen, it was felt that the rigorous habits of editorship would be too trying at his age, so the services of Miss Singleton were secured to solicit news and feature articles in order to give people of Livingston a full page.

We are certain that the good people of Livingston will cooperate in this new endeavor. Your subscriptions, advertisements and job work will be appreciated as well as any news item. Remember, the News is your paper, and its views reflect the feelings of Livingston.

It is important that all cooperate with Miss Singleton in order to get the most important news in this area. Those who know items should communicate with the editor and she will be too glad to receive them. Also any subscriptions can be given to her.

This page this week is only a start. With your help the editor intends to make a better page each week.

## Homemakers Met In All Day Session

The March meeting of the Homemakers' Club was held on Friday, 14th at the home of Mrs. N. J. Tripton. The president, Mrs. C. C. Cox opened the meeting and the eighteen members present answered roll call with a current event. In the absence of the secretary, Mrs. E. B. Demme, Mrs. Della Gentry read the minutes of the last meeting. The club welcomed two new members, Mrs. John Mullins and Mrs. Cecil Ferguson. An invitation was issued by Mrs. S. T. Frantz to a few Red Cross at home on Tuesday afternoon and many members accepted. Mrs. Elizabeth Hatcher gave an interesting lesson on Style Trends For Spring, and announced the district meeting to be held at Mayview, April 29th. After a bountiful covered a dinner Mrs. Charles Gibson had charge of the better speech period; the drill being enunciation. The club was glad to have as guests, Mrs. Sherwood Bowman of Berea, Mrs. J. W. Helton and Mrs. W. L. Simpson. The April meeting will be at the home of Mrs. C. C. Cox.

Mrs. Fannie Thompson Assistant Publicity Chairman.

## Notice To Taxpayers

The law is becoming more stringent each year in regards to delinquent taxes, under the law now the sheriff is forced to sell household and kitchen furniture or any personal property which the taxpayer may possess.

All this of course, is embarrassing to the sheriff and also the taxpayer and adds quite a little cost to the tax bill. So to avoid cost, embarrassment and trouble please come in before April 3rd and settle your taxes. This also applies to poll taxpayers, there is no possible way for us to get around advertising unpaid taxes, both real estate and poll taxes, and we must advertise in the April 3rd edition of the Mt. Vernon Signal, in order to have time to make our settlement with State and County, when required.

R. E. Phillips, Sheriff

## County Directory To Be Published

### Will Contain Many Interesting Facts

This newspaper has already started compiling data on a County Directory, which when completed will contain the names of all business firms in the county, officials, civic organizations, school teachers and hundreds of other items that will be of interest to all.

Five thousand of these books will be printed and FARMERS IN A COPY THIS COUNTY WILL RECEIVE A COPY FREE OF CHARGE. Every farmer home in the county will be entitled to one book. Merchants who advertise also will receive a copy free. Chambers of Commerce in all Kentucky cities will be sent several copies.

It is our idea to make this directory a manual for all Rockcastleans. Anything you will want to know about the county will be found here. At this time it is expected that the book will be a lot of 80 pages.

The cost of this book of this size costs a lot of money, and the only way it can be financed is through advertising. This advertising is very reasonable, and every business man in the county should be represented. For example your name is in the county at only \$1.00 in black type. For printing your store is general merchandise it would be listed there as—John Doe, General Merchandise, Wildie, Ky. This is only an example, and you can use your own copy. Only two lines will be printed at this price. All small type to send or bring your ad to this office as soon as possible. It will be impossible to contact all the stores in the county and unless co-operation is shown someone will be missed. This directory will be in homes in this county for many years and it is important that your business be listed. All these ads will be for cash only.

Farmers who sell hams, sorghum, eggs, seed corn, etc. or any other item can be listed for ONLY 25c. For example—John Doe, Bummer, (Sorghum) This name will be noticed all over the county and the farmer should have a ready market for his product. Farmers need not have these items on hand now, as it will be understood that they will be for sale in season only. Farmers should call at this office and list their goods not later than April 20.

Preparks can buy space in quarterly, half and one year contracts. This is one time that virtually all the farmers of this county will see your advertisement and it is a foregone conclusion that very few of these books will be thrown away. Forms for next year's service. The price of this advertising is also very reasonable and will be furnished on request.

The editor will be glad to print interesting facts about the county in this book, and if you have something of interest bring it in.

## A. L. Roby Initiated In Medical Frat

A. L. Roby, son of Mr. and Mrs. R. O. Roby of this city was honored by being initiated into the Alpha Nu Chapter of Alpha Kappa Kappa, national medical fraternity.

The Alpha Nu Chapter is the Chapter active at the University of Louisville, of which young Roby is a medical student. Each medical school in the United States carries its own chapter and has an individual name.

Mrs. Amelia Mason and daughter, Lillian of Orlando are visiting relatives here this week.

Mrs. Pearl H. Arnold has returned to her home here after a visit in Cincinnati, Ohio with her daughter, Mrs. Mary Ball.

Mr. and Mrs. Roy Cummins gave a turkey dinner Sunday and had as their guests 24 relatives and friends. Angel food cake and whipped cream was served. Everyone had a very nice time.

## Junior Glass Presents Meet My Wives

### Will Contain Many Interesting Facts

This year the Junior Glass proudly presents "Meet My Wives" Friday March 28, under the sponsorship of Miss Nina Cox.

This is the story of three old college chums who have promised to stick by each other no matter what happens. Their motto "all for one and one for all" proves to be true after a hilarious night in the home of Alik Ware, where almost anything can happen—and does.

The Cast Of Characters  
—Billy Zalkoffs, in love with Ann-Ballard Peyton.  
—Hank Evans, his pal—Bob O'Mara.  
—Tessie Heimberger, The Dutch Cook—Helen Bullock.  
—Louisa Ware, Who rules the roost—Winnie Ray Lewis.  
—Alik Ware, who is married—Sue Cuddles La Rose. A chorus girl—Edna Marie Mullins.

Miss Prudence Whitney, Who wants to wed—Alma Jean Griggs.  
—Anna Whitney, Her younger sister—Doris Signis.  
—Oval Swanson, Tessie's boy friend—Jim Davis.  
—Mrs. Thurston Thawacker, Alik's mother-in-law—Daisy Mason.  
—The uncle—Berhardt Zanders, Billy's uncle—Arnold Chastain.

Time—An early fall evening.  
Place—A suburb of a midwestern city.

Synopsis of Acts  
Act 1—The living room of Alik and Louisa Ware's home about six o'clock of an afternoon in early fall.  
Act 2—The same as Act 1 a few minutes later.  
Act 3—The same as in previous acts a minute or two after the close of Act 2.

## High School Notes of Interest

### Seniors Capture Basketball Title

The senior class of Mt. Vernon High School captured the basketball title for the second consecutive year. Last year the honor went to that graduating class. Most of these boys are graduating this year and are glad of their success in winning.

### 1941-1942 Cheerleading Group Elected

The cheerleaders for the 1941 and 1942 basketball season was elected Tuesday morning by the school. At the Commercial Club-Faculty game last Monday night they had their first game. The contestants did well. Out of the group running a committee of three from the town and two from the high school selected five for the students to vote on. Those selected were, Ann Lair, Tabitha Craig, Mary Ann Davis, Winnie Roy Lewis, and Jeroline Fairchild.

At the conclusion of the counting the outcome was, Mary Ann Davis, 211. Ann Lair, 135; Tabitha Craig, 108; Winnie Roy Lewis, 103; Jerry Fairchild, 79. One cheerleader remained for next year's service, Christine Bussell. Misses Davis, Lair, and Craig will replace Bob O'Mara, Virginia Bray and Raymond McClure.

market through the medium of their local State employment office and to refrain from labor scouting and national advertising. Such practices, Knudsen pointed out, duplicate existing labor recruiting and placement facilities maintained by State Employment Services and result in wasteful and unnecessary labor migration and disruption of the labor market.

Federal authorities say that in addition to the sharp increase in defense labor requirements expected shortly, some 600,000 men would be withdrawn from labor market for military training by July 1. The Employment Service is preparing to meet these extraordinary demands for labor Fraysure said by securing, through its registration program, complete information on the number, location and occupation of all workers who are fully qualified for immediate or future employment. It will also locate all individuals who are in need of additional training to equip them for jobs in defense plants.

## Unemployed Urged To Register

### Skilled Laborers Needed Badly

Frankfort, Ky.—All facilities of the employment service of the Kentucky Unemployment Compensation Commission have been geared to top efficiency for a complete registration of unemployed workers and certain other types of skilled workmen beginning Saturday, March 15, and continuing through April 15, Robert B. Hensley, acting executive director of the Commission announced today. Kentucky's effort, Hensley said, would be a part of a nation-wide registration which will be made to list every unemployed worker available in the State who may be available for work or for training in skilled jobs and all those individuals possessing, or recently possessed, skill which is not now being used on their present job. The registration is being conducted by Kentucky offices in conjunction with a similar nationwide registration.

Managers and staffs of the twenty area offices operated in Kentucky by the Commission have been instructed to make every effort to obtain a complete registration in the districts they serve.

"Every effort will be made by the employment service in Kentucky to obtain a complete registration of all unemployed workers and of those performing types of work needed in defense industries," William H. Fraysure, director of the employment service said today.

"This intensive effort to locate all unemployed workers is being taken to prepare for the greatly increased demand for defense workers expected within the next few months, as well as to meet growing shortages of skilled labor in certain occupations in the aircraft, shipbuilding, and machine shops and machine tool industries. Skilled and experienced workers in the following occupations are being asked to register at once provided they are not using these skills in jobs in aircraft manufacturing such as airplane sheet metal workers, airplane woodworkers, inspectors, and aeronautical engineers; in shipbuilding such as ship carpenters, loftsmen, boatbuilders, shipfitters, caulkers, and marine mechanics; and in machine shops and machine manufacturing such as machinists, tool makers, lathe operators, die makers and tool designers" he said.

Fraysure explained that workers applying for jobs in these skills are not being asked to leave their present jobs. They are merely to register their qualifications with the nearest employment service office so they may be called upon when and if needed in an important defense industry. All unemployed men and women who are able to work are also being asked to register so defense officials may have a complete picture of the labor resources of the country in terms of availability for anticipated job openings or for training in defense occupations.

"It should be made clear however to all workers who register during this special registration, that registration does not mean they will be certain to get jobs. It is likely that a man's chance for obtaining employment will be greater when he lets himself as available for work in this tremendous labor pool than if he doesn't," Fraysure declared.

The registration will be conducted throughout the nation from March 15 to April 15 as part of the national program to speed up defense production. Results of the registration will be made available to the Office of Production Management which is directing the industrial defense effort for the nation.

The registration of available defense workers follows closely upon a message from William S. Knudsen, Director of the Office of Production Management, calling upon all employers to get defense contracts to use the local State employment offices to recruit needed labor. Mr. Knudsen in his letter urged employers to utilize their local labor

### County Agent Notes

By Robert F. Spence

#### FARMERS' AGRICULTURAL EXTENSION PROGRAM 1941

The following program for the farmers of Rockcastle county was outlined by the County Agricultural Extension Committee in the County Agent's office at Mt. Vernon, February 15. The County Agricultural Extension Committee, for 1941, consists of the following farmers who are chairmen of their local community Agricultural Boards:

D. R. Gentry, Quail; R. L. Smith, Brodhead; Sam Fields, Mt. Vernon; E. E. Bullock, Hansford; Dr. R. G. Webb, Livingston; W. C. Johnson, Orlando; W. S. Stewart, Wilder; J. H. Lambert, Boone; Otto Finnel, Disputanta, Nath Mullins, Climax.

#### COUNTY AGRICULTURAL PROGRAM 1941

Use more lime and phosphate.  
 Drain wet land.  
 Stop ditches and gullies—(Build dams, set trees and seed grasses).  
 Seed winter cover crops, practice crop rotation.  
 Use more grasses and legumes.  
 Keep steep pastures land in pasture.  
 Keep steep, rough wooded land in woods.  
 Protect forest land from fires and grazing and plant more trees.  
 Make use of all idle land in the most economical way.  
 Grow more strawberries and grapes.  
 A good garden on every farm—(For summer and fall).  
 Use best seed for all crops.  
 Increase the number of all crops.  
 Improve dairy stock by using dairy bulls and better management.  
 Improve beef cattle by using beef bulls—Encourage 4H Beef Project.

Raise more sheep.  
 Raise more hogs for meat.—Every farmer should have a brood sow.  
 Raise more and better poultry for home use as well as for market.  
 Improve work stock by use of better jacks and stallions.  
 Keep farm record.  
 Keep our boys and girls in 4H Club work.  
 Repair remodel and beautify buildings and grounds.  
 Conduct more county meetings.  
 Go to Sunday school and church.  
 Continue Rural Electrification work.—Our farm homes should be lighted.  
 Cooperate with schools, churches, community, county, state and Government and other organizations and institutions in the promotion of a bigger and better life on the farm.  
 Cooperate with National mattress program.  
 Improve roads from farm to markets.  
 Every community represented at State farm and Home Conventions.  
 Details and information on each subject will be furnished by the county agent.  
 Each Community Agriculture Board has adopted the above program and selected leaders for each project mentioned. It is hoped that much will be accomplished through the efforts of leaders, committees, organizations and individuals in the promotion of this program.  
 One of the best ways we can help with our national defense is to properly manage our farms so as to get the best returns. Let's all put our shoulders to the wheel and do our part for our families, schools, church, community, State and Government.  
 As your County Agent, I pledge my efforts toward a better and more satisfied, contented life on the farm and in business.

#### LEADERS' AND OFFICERS' CONFERENCE

The officers and Council Members of Rockcastle County 4-H clubs held their spring conference in the Mt. Vernon Graded School Saturday, March 15. The program began at 10 o'clock with singing led by Mrs. Hatcher. Pledges were made to the Christian, United States and 4-H club flags.

Mr. J. M. Felner, Field Agent in Club Work, showed slides of the National 4-H Club Camp which is held at Washington in June. Two girls and two boys from each State are sent each year as delegates. They are chosen according to activity in club work, records, ability in leadership and community service and health and physical fitness. Wayne Stewart of Wildie Club is one of the boys having the honor of going from Kentucky this year.  
 The county plans by the County Council in January, for this year, were emphasized by Mr. Felner.

Mr. Simpson spoke to the group on publicity and gave the club reporters some instruction on what is essential in good news articles and how their club could benefit from them.  
 Group discussions were as follows: Presidents and Vice Presidents—Miss Lacy; Leaders—Mr. Felner; Secretary—Dorothy Howard; Song Leaders—Mrs. Hatcher; Yell Leaders—Mrs. Mills; Project Captains—Mrs. Hatcher.

Later the entire group was divided with Miss Edith Lacy, Field Agent in Club Work, talking to the women and girls about home projects and Mr. Felner talking to the men and boys about farm projects.

### Hiatt

By Bonnie Berry

Mrs. Morris Frith and granddaughter Bella Joe Hampton spent Monday night with Mr. and Mrs. G. T. Lear.

Mr. and Mrs. G. T. Lear spent Sunday with her parents Mr. and Mrs. Charlie Sargent.

Miss Ruby Lee Lear is confined to her bed with chicken pox.

# Special BARGAIN OFFER

## 14 Days Remaining, Ends April 5

WE WILL OFFER THE MT. VERNON SIGNAL TO NEW AND OLD SUBSCRIBERS FOR \$1.10 A YEAR. AT THIS BARGAIN PRICE WE CANNOT ACCEPT A SUBSCRIPTION FOR LONGER THAN 1 YEAR. ONLY SUBSCRIBERS IN ROCKCASTLE AND ADJOINING COUNTIES WILL BE ACCEPTED AT THIS REDUCTION. ELSEWHERE THE PRICE WILL BE THE SAME, \$2.00 PER YEAR.

**REMEMBER** — That the SIGNAL is now bigger and better than ever and more news is being added each week. This is election year and it won't be long, before all the candidates will fire their opening salutes. **IMPORTANT NEWS** is happening every week. It's your county and the SIGNAL is your county newspaper. This is your golden opportunity to get the news for 52 weeks at just a little over .02c per issue.

### Act Now -

**ONLY ONE YEAR SUBSCRIPTIONS WILL BE ACCEPTED AND THIS IS A STRICTLY CASH OFFER.**

**UNDER NO CIRCUMSTANCES WILL THIS OFFER BE REPEATED LATER. THE PRICE AFTER APRIL 5 WILL BE \$1.50 PER YEAR.**

**WARNING** — Due to present conditions we cannot guarantee the extent of this offer and reserve the right to cancel at any time deemed necessary.

**NOW IS YOUR CHANCE** — To take your home paper at a price that might never be offered again. **WAR** has already increased paper prices and nobody knows the trend of the present conflict. It is extremely doubtful whether we will ever be able to offer the SIGNAL at such a low price again.

# THE MT. VERNON SIGNAL

## 54 Years Service To Rockcastle County

W. L. SIMPSON, Editor

FINE JOB PRINTING

Luner

By Mrs. J. R. Logsdon

Geo. Doan of Quail section has been in this part burning tobacco beds.

Several farmers have sown tobacco beds, some plowing down, but in general all are behind with their work.

Robert Browning has the measles. John Cromer Sr. is sick.

Mrs. Robert Cromer and daughter, Wilma June of Level Green are visiting her parents, Mr. and Mrs. Charlie Doan.

Edward Cromer of Level Green is visiting his sister, Mrs. W. N. Lovins. Mr. and Mrs. Arlie Whittaker and son, Tommy of Sand Springs spent the week end with her father and mother, Tommy is just over the measles and was sick during his visit here.

Mrs. Doll Doan is better after much suffering from a very bad infected hand. We are glad to report Mrs. Alice Bustle some better after a serious illness, her children were called from their homes to her bedside. We hope her speedy recovery.

Mr. and Mrs. Leonard Bustle and family and Mr. and Mrs. Elmer Emly and daughter of Blue Ash, Ohio are visiting with Mr. and Mrs. W. S. ... Curtis Eversole and Walker Bustle who have positions in London, Ky are with home folks for a few days.

Ruth Bessie is on the sick list. Foster Cope, one of the C. C. C. boys was called home on account of the serious illness of his grand-mother, Mrs. Alice Bustle.

J. T. Kirby, and son Eddie were in Mt. Vernon, Wednesday on business. Joe William Mink remains in very poor health ever since he returned from the C. G. C. Camp.

Henry Rowe is seriously ill. Mr. and Mrs. Ray Doan and family are moving to the Whittaker farm. Mrs. Doan is slowly recovering from a long illness.

Mrs. Fern Cromer has been on the sick list. Mrs. Loin French had the misfortune to fall while crossing Long...

Mrs. Edna Rymer has returned to Mareburg. Mrs. H. M. Cromer and Gene are better with the measles.

Mrs. Matilda Doan is staying with her sister, Mrs. Eazy Mink while trying to escape the measles. The measles have been spreading more in this community than ever before.

Thanks to Mrs. Pauline Kincaid for some news items for this week, I would be glad if others of this community would let me know when they have some interesting news for the Luner letters.

We were sorry that Mr. Owens of Livingston has decided to retire as correspondent after so many years in this service. I am wondering if he is not the longest in this service of all the correspondents? We will miss his letters.

Singleton Valley

By Mrs. Fred Mullins

We have sure had some bad snow and cold weather, it is a bad time on people that have not burned their tobacco beds.

It's time the women are gardening some and soon will be time to begin salt pickling.

Rollie and Geneva Mullins have rented the farm that Hubert Jennings vacated on Fred Mullins and will move soon.

Hubert Jennings who went to Hamilton, Ohio a week ago, returned Friday and will move his family soon back to Ohio.

## ANTS

By W. L. S.

One of the finest organizations we have in the county is the 4-H Club. This group of boys and girls are the future citizens of tomorrow.

We attended a 4-H Club meeting at the High School Saturday afternoon and the fine group of youngsters and their leaders was an inspiration to anybody.

The fact that these youngsters are concerned over their future and are interested in improving themselves means that conditions in this county are bound to improve. Twenty years from now these fine young men and women will be in charge of many farms in this county. They will, and should be the leading citizens of their communities.

Too few people realize that unless we educate our younger people to the better things of life, progress is impossible. Give these youngsters of ours good schooling and in ten or fifteen years much of our poverty would be eliminated. No finer or smarter boys and girls exist than in Rockcastle county, but due to circumstances, many have not been able attend school.

The 4-H Clubs of the county are active and they are doing a grand job of teaching their members how to raise better crops and livestock. One 4-H Club boy in Jackson county raised 140 bushels of corn to an acre.

We knew a boy in Missouri, who was a natural born farmer. He knew how to handle hogs. His parents died when he was young and he had to shift for himself. He graduated from the eighth grade in a rural school, and got a job milking and doing the chores for a farmer near town in exchange for his board, while he attended high school. This farmer gave him a few dollars now and then, and the boy purchased a few pigs on halves with the farmer. This was only a start and before the young farmer graduated he was selling hogs by the carload. I talked with this young man several years ago and he said he cleared \$2800 during the four years he attended high school. This is an example of what can be done, when the proper spirit is shown.

No organization in the county should be backed more than our 4-H Clubs, for no organization will give a greater return for the time expended.

## Hummel

Miss Virgie McGuire spent last week end at Berea.

Mrs. W. C. Sears of Cowhay was the Wednesday night guest of Mrs. Julia McGuire.

Mr. Shirley Ball spent Saturday night with Hayes Clark Jr.

Mr. Robert Dooley and Aster McGuire of Dayton, Ohio spent last week end with Mr. and Mrs. John Clark.

## Baptist Church

By Rev. W. C. Younce

The Lord willing, the Fifth Sunday Meeting will be held at the Freedom Baptist Church, March 31st. They were the first to answer our inquiry. The general subject "A Revival in Rockcastle Association." Time: 8:00 p. m. to 10:00 p. m. Every pastor present will be expected to have a part in the program. We hope to have a good representation from each church.

We wish to remind our people throughout the association that an Associational Sunday School Conference will be held at Mt. Vernon Church on April 2nd, from 10:00 a. m. to 3:35 p. m. under the direction of State Sunday School Secretary.

We are offering a practical and helpful program to be presented. A team of capable workers, three in number, will come from Louisville to spend the day in presenting helpful plans and exchanging ideas regarding Sunday School work with Mt. Vernon.

We are offering the "meeting" we truly hope that every pastor, Sunday School Superintendent, Leader and officer in the association will be present. One of the most extensive campaigns for the enlargement and Bible teaching in our Sunday School work ever put forth by Southern Baptists is now under way. Surely every worker in the Sunday School will want to have a part in this good work. The Mt. Vernon Church will provide dinner for everyone attending.

**Sunday Services**  
Sir Wilfrid Grenfell once said "Man must play, work, love and worship in not the same way of life." This is true, we wonder if there are not some in our community who are failing to get much out of life by not attending the church services.

Sunday School—9:45 a. m. Chas. Brown, Supt. Present last Sunday 175. We expect our attendance to increase with the coming of spring. Lesson next Sunday: "Is Christ our trial to-day?" Luke 23:13-34. A disgraceful trial; an unqualified statement "no fault"; vulgar insults and indignities; Satan's forces marshalled against Jesus; the way of the cross indicated; the meaning of love—these are the high points in the lesson.

A little boy was gazing at a picture of the Crucifixion which was being displayed in the window of an art store. A man approached, stopped, and looked at the picture. The boy, seeing his interest said: "that is Jesus." The man made no reply. Again the boy said: "them's Roman soldiers." After a moment he con-

tinued, "they killed him." "Where did you learn that?" asked the man. "In Sunday School" the boy replied. "Too much cannot be said in regard to the fine work our Sunday School is doing. We have but one request, namely, that parents see to it that their children come to Sunday School. The best way to insure their coming is to bring them.

Public Worship—11:00 a. m. Text: "Shall I then take my bread and my water, and my flesh that I have killed for my sheaers, and give it unto men, whom I know not whence they be?" 1 Sam. 25:11.

Training Union—6:00 p. m. Mrs. Fred Baker, Director. Present last Sunday 107. Theme for the month "Learning in the School of Christ." Our B. T. U. Study Course will be held next week, each night 6:30 to 8:00. Everyone working together will insure success.

Public Worship—7:00 p. m. Text: "Shouldst thou help the ungodly and love them that hate the Lord?" 2 Chron. 19:2.

We welcome Miss Lucy Williams who united with last Sunday by letter from the First Baptist Church, Barbourville, Ky.

We are glad to announce that Mr. and Mrs. D. C. Parker have assumed the responsibility of leading the R. A.'s and Sunbeams.

**Prayer Services**  
Although our midweek prayer service is well attended, we continue to urge those who do not attend this service to give the matter a careful consideration. If we expect as Christians to attain degrees of blessing, we must not forget to honor Him who said: "Ask and ye shall receive." To seek the face of God and forsake our ways represents a duty that is ever present and needful. No one can become what he needs to be in the sight of both God and man without prayer.

## Crooked Creek

By Mrs. A. F. Shell

Miss Lena Miller spent Monday with her sister, Mrs. Rufus Gregory.

Mr. and Mrs. Lee A. Gregory and Mr. and Mrs. Rufus Gregory visited Mr. and Mrs. Jim Miller last Sunday.

Mrs. Alice Abney visited her son, Mr. Jesse Abney last Monday. Mrs. Jesse Abney is now at the home of her son.

Miss D. H. Owens who has been staying at Stanford, Ky. is with home folks now.

Mr. Omar Allen was in Mt. Vernon last week on business.

Rev. Marnett Clark filled his regular appointment at New Hope last week end.

No Ford has ever carried EXTRA VALUE quite so far!

We'd like you to see and drive the finest Ford we've ever built. You'll find its big bodies longer inside, greater in total seating width, and larger in windshield, than anything else in the Ford price field right now.

You'll find a great new Ford ride, too. A soft and quiet new ride that has surprised a lot of people and may surprise you.

And with its room and ride and view, you get Ford extra power with extra trim, the biggest hydraulic brakes near its price, and a lot of fine-car mechanical "features" found only in a Ford at low price.

If you are choosing a new car this year, you'll do well to miss this Ford. And not just because we say so, but because the facts do!

GET THE FACTS AND YOU'LL GET A FORD!

## Brodhead Closes Successful Season

### Sturgeon Makes Regional All-Star

Brodhead's basketball team has just completed one of the most successful seasons in the history of the school. Coach Wright has again manifested his basketball astuteness by leading his charges through a highly successful season. For the third time, in as many years, his team has been successful in compiling an impressive record, and on each occasion his team has made an exceptionally good showing in the tournament. This year the team gave an excellent account of itself at Stanford, ultimately emerging as the runners-up, after losing a thriller to a great team from Highland. At Somerset the boys lost to East Bernstadt in an overtime period. This fact now assures non-sufferers for basketball in Brodhead, the ultimate winner, by only three points. We now realize that most counted of all prizes, a trip to Lexington this week.

Our team was composed of Roberts, Barks, Hart, Elder, Owens and Sturgeon, four of whom remain for the following season. Our boys conducted themselves in a way that was self-commendatory, however, we might note some of their individual achievements. Sturgeon and Roberts were the team's most consistent scorers, both of whom averaged better than ten points a game. Their consistency was rewarded after the district play for both were chosen on all four tournaments. Sturgeon showed that he was not satisfied with the above honor for in his swan song at Somerset he played a remarkable game, this feat causing him to be chosen among the select

the best, if not the best, players to play for Brodhead in the history of the school, he will be greatly missed next year. Owens the other man who lost, has distinguished himself as one of the best floor men in this end of the state. He has consistently been a terror to the opposition, for hawking the ball is his specialty. The other boys have played splendid ball and will be subject to further comment and plenty attention next year.

The team and its supporters wish to thank everybody who has contributed to its success during the past season.

John L. Saylor.

## Albright Restaurant Robbed Wednesday

The restaurant owned by M. G. Albright was broken into last Wednesday by persons unknown and \$300.00 in cash and four cartons of cigarettes were stolen. Mr. Albright had went to the basketball game in Somerset, and he left orders to leave the money in the cash drawer and he would get it when he returned. He noticed the empty spot where the cigarettes usually were and immediately knew the place had been burglarized. The robber or robbers gained entrance by breaking a lock on the kitchen door and climbing through a window.

## Brodhead School News

Lolly Elder was in Mt. Vernon Sunday evening on business. They say Juanita Smith is taking notice of one of the Senior boys.

Kevin Parsons took the state, co-operation test Wednesday.

Johnny Allen seems to have taken a sudden interest in one of Mt. Vernon's cheer leaders.

Edna Reynolds and Amanda Kinship are in Hotel Green Monday to see a donkey basketball game — were they?

Josephine Morning was in some what of an accident Saturday. Someone decided it was easier to run into the bus, than to stop and get into with a wounded hand.

Miss Frances Masters visited Edna Hayes of Berea College over the week-end — was it Edna she went to see?

Golden West Cow boys from Station W H A S Louisville are coming to Brodhead Friday evening, sponsored by the Senior Class of Brodhead High School.

Uncle Dave Riddle, the smiling piece of machinery in the world is the dynamo in a lightning-bug.

Pop Elder has a little lady from Mt. Vernon seemed to take a sudden interest in her aunt, she was accompanied by her friend, Bernice, eh William?

Virginia Phillips, editor.

## Dry Land Sailors

With so many actors owning sailboats, Pat Lupino commented it was odd that none of the principals of "The Sea Wolf" knew anything about sailing.

For the local news subscribe for the Signal.

## Brodhead Baptist Church Notes

"Glimpses of the Last Days of Christ on Earth" is the title of a series of sermons to be started next Sunday at the Brodhead Baptist Church by Warren Filkin, pastor.

The first two sermons in this series will be "Gethsemane," this coming Sunday morning, and "Entry Fire," this coming Sunday night. Other subjects in the series include, "Thirty Pieces of Silver," "A Corrupt Court," "The Institution of the Lord's Supper," "Three Tragic Crosses," "A Rock-Hewn Tomb," "A Conversation on the Emmaus Road," and "Going Up."

Sunday school officers and teachers were encouraged last Sunday morning when the Brodhead Baptist Sunday School increased to 102. A continued increase in Sunday School attendance is predicted by W. O. Yaden, superintendent. He pointed out that the public schools were hampered for a number of weeks by a wave of sickness, and that this wave of contagious diseases had its effect upon the churches as well. Now that most of the children are back in school again, the Sunday School can expect a steady growth.

Great interest was aroused last Sunday morning by the children's object lesson. Brother Filkin presented a piece of rope approximately only three or four inches long until it was twelve or fourteen inches long and then reminded them of Peter's question, "Shall we forgive men seven times?" Jesus' reply was that people should forgive others not merely seven times, but seventy times seven. Brother Filkin explained, and forthwith he stretched the rope to a length of fifteen or twenty feet as a symbol of the unlimited bounds of forgiveness that believers in Christ should show toward those who have wronged them.

Next week Brother Filkin will bring another Bible object lesson to make writing appear on slates previously wiped clean with a cloth, it was announced.

Preaching last Sunday evening before a splendid crowd the pastor brought a message on Hebrews 13:8, "Jesus Christ, the same yesterday, and today, and forever." There are changes everywhere and in all the things in the world except Christ. Nobody wants a new Christ. He said that Christ is the same today as He was in the days of His disciples in several respects. He said Christ is the same today as the center and grand subject of all Scripture; He is the same in His person and message; while He has in Him, Jesus Christ, the Son of God, loved the world; Jesus Christ is the same in His power to save. He is the same as the Greatest News and the Best News in all the world. When one reads a daily paper and suddenly realizes that he has read a paper of "yesterday," he wants to kick himself, but when one reads the Scripture and sees a Christ loving lost men, that is good news and does not need to be changed or brought up to date. Last of all the pastor said that Christ is the same as the Blessed Hope, for one day Christ will return as He promised, "Jesus Christ, the same yesterday, and today, and forever."

The evening services continue throughout the month of March under the Baptist Training Union meeting at 6:15 and the preaching service at 7:15. Beginning with April 6, however, the services will be moved up to a later hour, it was announced last Sunday.

employed at the Rockcastle Tavern in Mt. Vernon has returned home and is working at Albright's restaurant.

Mr. and Mrs. John Ephraim Harris announce the arrival of a baby girl Wednesday March 12.

Mrs. Jack Wright is confined to her home with the flu.

Miss Lucille Owens and Mr. Denver Belcher of Cincinnati Ohio were in Richmond Sunday for dinner and afterwards attended the show.

Mr. and Mrs. Ben Pike have moved back here.

Mr. Herbert Hall is at home with his family for a week.

Mr. and Mrs. A. M. Hiatt, daughter Dorothy Vernon and Mr. and Mrs. O. R. Cass returned Monday from Florida and Cuba.

Miss Jean McCall of Mt. Vernon was the guest of Miss Mary Elizabeth Reynolds Tuesday.

## Dietelians Enroll In Defense Program

By the time the annual meeting of the Kentucky Dietetic Association is held March 21-22 at Lexington, every dietitian in Kentucky will be registered for service in national defense if needed, it is indicated in a preliminary report by Miss Elizabeth Helton, state secretary.

"Cards listing, education and training, experience, specialties, available for service and other data have been sent to members of the organization, and are being returned and reports tabulated."

Among speakers at the state meeting will be Dr. Lydia J. Roberts, head of the University of Chicago home economics department; M. S. Marsha Wheeler, director of the Consumer's Bureau of WLV radio studies; Dr. Statie E. Erikson, head of the University of Kentucky home economics department and chairmen of the Kentucky Nutrition Committee for national defense; Miss Gladys Hall, educational director of the American Dietetic Association; Miss "Mildred" Bridges, extension nutritionist of the U. S. Department of Agriculture home economics department, and Dr. Frank Gunderson, Chicago research director.

Special features will include talks by Mrs. Wayland Rhoads, president of the Kentucky Woman's Club, who will discuss nutrition as a force in professional and home activities; a dramatic reading by Frank Fowler, director of the university's Little Theatre; a 40-minute movie of Bluegrass stock farms, by G. B. Leach, Lexington, and a talk by Miss Myrtle Weldon, state leader of home demonstration work. Miss Lillian Honaker, Lexington, will give demonstrations of flower arrangements at the annual luncheon.

## No Hybrid Oats Saves Grain Man

Other than hybrid corn, there probably are no other hybrid grains available for use by farmers. So explains W. C. Johnstone of the Kentucky College of Agriculture. The appearance of a so called hybrid oats has been reported. There are no varieties of oats that correspond to the hybrid varieties of corn as they are defined in the new federal seed law.

Todd county 4-H'ers sold \$265 worth of beef calves raised from their own cows.

Monroe county farmers who bought beef calves last year cleared 30 percent on investments, above all costs.

## Truck Collides With Blue Grass Bus

According to reports received here the Blue Grass bus which operated between Mt. Vernon and Stanford had a slight wreck Saturday near Crav's Orchard. The bus driver had stepped due to another wreck and a truck coming around a curve hit the side of the bus. A fender was torn off but little damage resulted. Fourteen passengers were on the bus at the time but only one sustained injury. James Meredith was the driver of the bus.

## 7 Million Chicks Raised in Kentucky

More than 7-million chicks will be raised in Kentucky this season under the supervision of the Kentucky Poultry Improvement Association and the National Poultry Improvement Plan. For the most part they will be Kentucky-U. S. approved "improved" chicks. More than 70 percent of chicks raised each year are hatched in incubators rather than under hens, according to J. E. Humphrey of the College of Agriculture of the University of Kentucky. A lot of Kentucky hatcheries may be had by writing to the college at Lexington. It is considered good business to buy chicks near home, so they will not be shipped long distances.

## Less Corn; More Barley

Less corn and more barley and cover crops, is one of the planks in the Trumble county program for 1941. Of the 34,790 acres of cropland in the county, 10,406 acres were in cultivation last year. County Agent Wallace L. Campbell quotes the county planning committee as saying "this is entirely too much to maintain the soil fertility and return income of the county."

Woodrow Jarvis, Muhlenburg county, reports 23 lambs born to 20 ewes with no loss.

In Graves county, during February 425,000 pounds of 20 percent phosphate and 75,000 pounds of 47 percent phosphate were delivered.

A Carlisle county committee has been appointed to bring in 1,000 western ewes.

## NOW IS THE TIME TO BUY

PRICES ARE ADVANCING FAST AND ARE SURE TO GET HIGHER

We have a good stock of the following items of which we have bought right.

A line of NEW 1941 STEWART WARNER Refrigerators and Radios.

Mrs. Grace Howell who has been

## Hybrid Corn Yields 106 Bushels To Acre

Corn that produced an average yield of 106 bushels to the acre produced Oliver Cecil of Daviess county at the top of a long list of Kentucky hybrid corn growers for the year 1940. A 6-acre field made this high yield, he reported to the State College of Agriculture at Lexington.

Mr. Cecil used extra fertile land that had been manured, limed and phosphated. The corn was drilled, with a stalk about every foot, and many stalks produced two ears. The season was favorable for corn.

A successful cattle raiser, Cecil does not finish his cattle on corn, despite his ability as a corn grower. He sells his corn, and fattens his cattle on grass, after roughing them through the winter, with plenty of legume hay. Pasture includes bluegrass, which thrives on the farm, which Cecil reports. He also has mixed grass and legume pasture, and some alfalfa and sudan grass to use in case of drought.

For many years Cecil has run an average of 50 cows, and fed out the calves for market. Manure is conserved and spread around of plowing. All the 260-acre farm has been limed, and phosphate is used every year, with 200 pounds to the acre each of corn.

## Farmers To Use Certified Seed

Greenburg merchants are cooperating with farmers of Green county in the purchase of a carload of certified seed potatoes, in an effort to increase the production of eating potatoes for the county. A list of Kentucky growers to make the farm feed the family. John I. Ewing, Jr., the county agent, is urging farmers to use better seed, good soil, treat the seed for scab and fertilizer.

Mr. Henry R. Ladoures has returned from a visit with relatives in Pineville.

Mr. Claude Dees returned Monday from a business trip to Louisville.

Mrs. Gertrude Owens who has been the guest of her sister, Mrs. Joseph Filkinton and Mrs. Filkinton in Louisville returned here Saturday.
