Canada Rushes Link In Cross-Continent Road

Though few people realize it, there has never been a through-highway from the Atlantic Ocean to the Pacific completely in Canada, writes Stanley C. Forbes, Canadian automobile distributor in the current Rotarian magazine. Now, however, the last 125-mile gap in a transcontinental highway is being closed up and the project which has long awaited the first motorist to cross Canada, will be awarded. It has lain unclaimed for 30 years in Victoria, British Columbia.

The "Trans-Canada," as the ocean-to-ocean highway is called, will span the Dominion from Vancouver on the West to the Gaspé Peninsula of Nova Scotia on the East. It winds through mountains, through Revelstoke National Park—a world above the clouds—and along the banks of the Columbia River. It

traverses the Yoho National Park and the well-known Banff National Park, and runs along the famed scenic Banff-Jasper road to Jasper. Until the last link is completed, motorists must cross over into the United States to pass Lake Superior, usually crossing at the Sault and returning to Canada at the Lake of the Woods—which this Trans-Canada Highway touches, too. But when this last link through the rock and timber and swamp of northern Ontario is finished, it will not only permit an all-Canada route, but will also lure thousands of American sportsmen to use it to reach the big-game country it now traverses.

Officers Capture Large Still

Tuesday afternoon, Sheriff R. E. Phillips, Walter Sowder, Walter Robbins, deputies, and O. J. Collett, Chief of Police of Brodhead, made a raid on a still near Copper Creek.

The operators of the still, Hubert Hoskins and Jesse Sowder were arrested and 11 gallons of whiskey, 330 gallons of mash were destroyed. Nine barrels, 150 gallon tank, 50 gallon charred kegs, 1 presto tank, 1 gas burner, 10 gallons of kerosene and a shotgun were confiscated by the officers.

The still captured was one of the largest and best outfitted that has been captured in these parts for some time.

Mrs. Susie Thorpe Dies At Crestwood

Mrs. Susie Thorpe, age 74, died at the home of her son, Mr. Carl Thorpe at Crestwood. She had been ill for some time. She is the sister of Mrs. Rhoda Sowder and Mrs. Jennie Wallin, of this city, and had lived in Brodhead for years. She is survived by two sons, Mr. Earl Thorpe, Crestwood; Mr. Carl Thorpe of Alabama; one daughter, Mrs. Thomas Robinson of Louisville.

Funeral services were held Saturday.

Mr. and Mrs. E. T. Adams was with her parents near Paint Lick Sunday.

Misses Edna and Helen Harding and Lavada Hampton is with their courtney parents at Scaffold Cane this week.

Safetygrams

By Fred W. Braun

Automobile fatalities for the first six months of this year show an increase of 17 per cent over the first half of last year.

Automobile injuries also show a marked increase — and the figures are still going up.

This increase has a marked effect on production in all operations and on national defense. We should all be alert to this program and contribute our part to the defense program by driving carefully. Courtesy in driving produces wonderful results and pays big dividends. You will feel better at the end of the day for any courtesy you have rendered as a safe driver. It's smart to be careful.

Vetch is rapidly supplanting crime; soon clover in Letcher county, as better suited county conditions.

Brodhead Local Items

The Homemakers Club will meet on Monday at the home of Mrs. Bill Cass. All members are urged to be present.

In human beings one eye usually is the "boss eye", performing most of the work of seeing, according to the Better Vision Institute. Right-handed persons are right-eyed, and vice versa. Experiments indicate that animals do not possess eye dominance, or handedness.

One-third of the automobile drivers in the United States have sub-normal vision, and a substantial part of such drivers do not renew their glasses, for most states do not require visual check-ups for renewal of driver licenses, says the Better Vision Institute.

At the close of 1940 the Louisville & Nashville Railroad had 893 locomotives, 52,889 freight cars and 607 passenger cars.

STAR OF THE WEEK

Lana Turner's appearance in the setting of a Western mining town for Metro-Goldwyn-Mayer's "Honky Tonk" really isn't so strange for her. She was born in the mining town of Wallace, Idaho and her father was a mining engineer. However, she doesn't remember much about the town in those days, as she left at an early age. Her role in this latest picture in which she co-stars with Clark Gable is just the opposite of the real-life facts. Born and reared in Boston, she goes West when reaching young womanhood and stays there after meeting Clark Gable and what young girl wouldn't? By those are cotton stockings that Lana is wearing or haven't you noticed.

Level Green

By Jewell Cooper

Mr. and Mrs. Henry Hasty and family of Lockland, Ohio Mr. Willie Hasty of Louisville were Sunday guests of Mr. and Mrs. W. E. Hasty.

Chevrolet Announces Now 1942 Line

New massiveness, contributing to the smartest styling ever designed for the nation's No. 1 sales volume motor car, characterizes the Chevrolet offering for 1942, according to company engineers. The new car is presented in three lines ranging from an economy model that incorporates unusual refinements to a luxury line surpassing all previous presentations in the lowest-price field.

As in past years, the new car is presented in the Master Deluxe and Special Deluxe series. The Fleetline series, introduced mid-season last year in sedan only, again is augmented by sedan, known as the Sportmaster, and the new Fleetline six-passenger Arcadian, to be one of the most attractively styled models in the entire showing.

The same attention to finished detail that is apparent in the exterior of the new models is noted again inside the car. Smart styling, fine materials, and excellent design have produced the most beautiful and comfortable interiors that Chevrolet ever has offered.

Though wheelbase on all models is unchanged from 1941, remaining at 117", stylish lines are of special length at 195 seven-eighths", creating a long, sleek car that combines sweeping lines with a generally rugged appearance. Completely new front-end treatment, handled harmoniously, does much to create an impression of greater size and increased sturdiness throughout.

A new, lower, wider, more massive grille with its heavier bars gives an instant impression of bigness, while the blunter hood, front splash shield, and more widely spaced Sealed Beam headlights contribute to that effect. Greater length is indicated at once by the new elongated front fenders, which flow back into the front doors, swinging with the doors as they are opened. The new fender design permits desirable clean, smooth surfaces. An ingenious touch is the new foot scraper at the front running board step, created by a triangular extension of the new fenders.

Because of the unusually successful Chevrolet engine developed for 1941, retained with only minor refinements for the new year, power output remains virtually the same, assuring the same high mileage characteristics so generally acclaimed last year. Axle ratios and tire sizes likewise are unchanged, insuring hill-climbing ability, performance, and general over-all perfection at the 1941 level. Fuel economy, long a Chevrolet trait, is also thus assured.

Much broader and deeper than before, the new hood extends back to the front edge of the front door, displacing the former cowl side panel and making a clean sweep. Hood side panels are integral with the hood top and are raised with it, facilitating greater access to the engine compartment. The same "driver-control" method of unlatching the hood is retained from last year. Smart simplicity keynotes the hood louvers, which appear to be extensions of the body molding, tapering off from that molding to a projection of about 1 1/2" at the hood front.

To harmonize with other appearance units, the re-designed front emblem is a massive shield of gleaming finish inlaid with red and blue enamel. Augmenting this striking ornament, on Fleetline and Special Deluxe model hood side panels, shining black letters announce the model name.

Headlamps now are 7 one-eighth inches farther apart, with a total of 54" between them. Flush-type parking lamps have been relocated into the grille proper.

Greater sturdiness is apparent in the new bumpers and guards, for increased depth makes the bumpers appear more massive and increased crown-depth assures greater resistance to impact. Guards are redesigned toward a more massive appearance, and an added feature is the relocation of the front license plate guard bar spanning the tops of the bumper guards and serving as a grille guard.

On the trunk, license light and trunk handle have been revised in accord with the theme of massiveness throughout. The trunk handle and its base form a shield with the license clamp on top. Projecting from each side of this shield on the Special Deluxe and Fleetline models is a widespread pair of wings. Just above this unit the license plate is mounted and above that appears the name Chevrolet in script. Fleetline is the inscription on the models in that series.

bell molding of about the same width as in 1941. Running full length along the lower half are three sharp-peaked raised ribs.

Eye-appealing color schemes have been evolved for the interiors of the new 1942 Chevrolets throughout the entire line. Upholstery in the Master Deluxe and Special Deluxe series is a gleaming light gray, while a rich brown "Fleetweave" broadcloth is employed in the Fleetline models. New color treatment of the instrument panel does much to highlight the smartness of the new design, with plastics and bright-work trim judiciously used. The effect of luxurious styling so readily apparent in the low car's exterior thus is carried out in the handsome interior treatment.

Mechanically, only minor improvements and refinements are apparent with the chassis for all three lines remaining the same. The stabilizer bar and steering knuckle has contributed so largely to the car's easy ride and smooth handling is retained, with refinements to allow for the new front-end design.

Chevrolet's time-proved hydraulic brakes, now on "cars," are mechanically operated stop-light switch, replacing the former hydraulic-operated device. The new switch eliminates all possibility of fluid leakage resulting from failure of the stop-light switch.

The unique vacuum-powered gear shift, originated by Chevrolet and a Chevrolet feature through the past three years, is retained for 1942. A new two-tone color finish in the steering wheel in the Special Deluxe and Fleetline series has been worked out, with a new steering post button design.

Of particular interest in the broad range of accessories developed specifically for 1942 models, is a new wheel disc, painted white, which creates an effect said to be strikingly similar to that given by white sidewall tires.

Following are the 1942 lines and models:

Master Deluxe Series—Sportmaster Sedan and Arcadian, Special Deluxe Series—Sport Sedan, Town Sedan, Five-Passenger Coupe, Business Coupe, Cabriolet, and Station Wagon.

Fleetline Series—Sport Sedan, Town Sedan, Five-Passenger Coupe, Business Coupe, Coupe Pickup, and Sedan Delivery.

Money Talks

By Frederick W. Stamm, Economist and Director of Adult Education University of Louisville.

The greatest tax bill in history, estimated to raise over 15 billion dollars, was signed last week by the President. Very few American citizens or American families will escape paying higher taxes.

Of major importance is the lowering of the income tax exemption for the single person to \$250 and for a married person to \$1500. This means that every single person making more than \$14.40 a week and every married, couple making more than \$28.80 will have to file an income tax return next March 15. It is estimated that over 4,900,000 people will file income tax returns for the first time.

This law includes a new 10% tax on electric and gas appliances, sporting goods, phonograph apparatus, and luggage and a 5% tax on electric light bulbs and radio tubes.

If you have a telephone, you will notice a 6% tax on your local telephone bill. If you should use long distance service, you must pay 10% tax. You may not buy a new automobile next year, but even so you must pay a \$5.00 Federal usage tax on your old car. If you should buy a new one, the tax will no longer be 3 1/2 but 7%. Every time you light your pipe, cigar, or cigarette with a wooden or paper match, you will find helping Uncle Am to pay the war cost, for the new tax on matches is 2¢ per thousand. Do you go to the movies? If so, you will pay larger taxes on your admission tickets. If you enjoy Paul Whiteman's swing music or the New York Philharmonic Symphony's recordings, you will find the price of records due to taxes.

He will be a poor man indeed who will not pay taxes. He cannot smoke drink, own a car, use a telephone go to a movie, buy a deck of cards, buy a box of matches, send a telegram, buy a ticket on a bus or railroad (costing more than 25¢), buy furs, jewelry or cosmetics, go to a party.

There is an old saying that only two things are certain—"death and taxes"—and many Americans will realize this year for the first time that this old saying has a modern version.

My Impression Of CNI

By W. A. Fite

I am happy to say that my impressions of CNI are most favorable. I have never visited CNI except for a few hours on July 3rd and 4th before I arrived on September 4th with my little household effects and library. While I had served the First Christian Church in Ashland, Ky., I relinquished that work in fall of 1918 to enter the first World War as chaplain and that was before the school was founded in 1919. Having lived in Kansas City, Missouri and in Richmond and Mt. Vernon, Ky. since the school has been in existence, my knowledge of it had been gathered from the printed page, and verbal reports, which, while favorable, did not give the same impressions one gets by living on the campus.

I have found both faculty members, and the student body like a very happy family. So free from partisanship, so democratic, so thoroughly Christian have I found this environment, that I am reminded of McCauley's lines about ancient Rome when he writes:

"Then none was a party, Then all were for the state, And the great man helped the poor, And the poor man loved the great, Then lands were fairly portioned, Then spools were fairly sold, And Romans were like brothers, In the brave days of old."

Certainly all in CNI feel themselves brothers, anxious to help and

serve one another, where all worldly distinctions, such as wealth, culture, family prestige and worldly power are obliterated. I like to live in that kind of an environment, and I have been made to feel since coming to CNI that I have been set down in a little corner of an earthly heaven.

I came to CNI untrained in the art of teaching, my life had been given to the Ministry of preaching; but the students in my classes have been most gracious in the reception given my humble efforts. We are all students together. We seem to have, a class democracy here that I am inclined to believe is not found in every school.

I like the emphasis given spiritual things—the faith in prayer, in God's guidance and providence which is so manifest. I like too the fun, laughter stunts, recreation which both faculty and students enjoy here. I greatly enjoyed the President's Reception and the joint meetings of the societies. If it be true that we "laugh and grow fat" I fear an increase in my avoirdupois. The wholesome meals and fun we have here may be too much for me.

CNI is a place of "plain living and high thinking", where there is concentration to the things of the Spirit, and where there are great resolve of heart" made which are destined to bless the world, enrich human life, and "turn many from darkness to light, and from the power of Satan unto God"; that they may receive

remission of sins and inheritance among them that are sanctified by faith in Christ."

Not only am I delighted to be here, but I can truly say that I find the institution a "much better school" than I really expected to find. I believe that a more earnest, concentrated, serious-minded group of young people than we have here at CNI cannot be found. They are indeed high class young people, determined to make good in the ministry and Christian work.

—Buy Defense Bonds and Stamps—

Eyes of children do not move in unison until three months after birth, reports the Better Vision Institute.

Homes can see the road better than human beings, even on a dark night, because of light reflecting curtains at the back of their eyes, according to the Better Vision Institute.

The pupils of the eyes of all mortals are round like those in human eyes, says the Better Vision Institute.

KENTUCKY PRESS ASSOCIATION
INCORPORATED 1917
National Editorial Association

SLANTS

National Newspaper Week starts Wednesday of this week throughout the United States. Formerly this occasion was the majority of editors gave very little space to what is now such an important event.

With the curtailment of free speech in the countries dominated by the dictators, Americans now realize the value of "saying what you think." An American's right to speak freely is inherited, and one of the reasons that this country was settled by Englishmen, who had ideas of their own.

Taxes, taxes and more taxes. People are becoming tax conscious, and begin to realize that defense costs money. It is natural that the citizenry will grumble and fuss over taxes, for from the earliest times the tax collector was a hated figure, and his coming was the signal for much wailing and lamentation. Taxes are a necessary evil, and men in all walks of life, poor and rich are today, paying taxes of some sort.

To those who still don't believe in advertising, the Louis-Nova fight Monday night should prove what balldoo or advertising will do. Due to the play-up given the fight by the promoters, it was a pitiful exhibition of the many art. Those present would probably enjoyed a quilting party or an exhibition on the fine art of croquet just as well, but they wouldn't have paid \$30.00 for the privilege. Mr. Nova had the csmis, but he lacked the punch, which is very necessary in pugilistic encounters.

Baptist Church

In regard to the Clear Creek Mountain Preachers' School, will say that \$400.00 is required to complete a room. In our notes sometime ago which was understood by our Baptist people. We do hope that this matter will be given prompt consideration by those concerned, realizing that \$116.50 is already paid. Brother Wesley Sears, Conway, Ky. will be glad to receive offerings for this school.

The Week of Prayer for State Missions was held at the church last week with an average attendance of ten each day. The offering amounted to \$15.31, which was very good.

In this connection let it be remembered that no church which is not missionary in spirit has the right to exist. Our program is set forth

in Matthew 28:19, 20. Those who seek to magnify Christ will not question the truth.

Sunday Services
Sunday School—9:45 a. m. Charles Brown, Supt. Lesson: "Loving and Honoring Our Heavenly Father"—Gen. 1:26-28; Mat. 6:24-33. This lesson is of tremendous importance. The highpoints are: Our concept of God; the supreme purpose of life; the necessity for singlehearted devotion to Christ; our love for Christ as revealed by our obedience to His commandments; the worship of God is both a privilege and an obligation.

—**Prayer**—Last Sunday, 151. Average attendance during September was 156.

—**Public Worship**—11:00 a. m. Sermon: "The Sure Recipe for Today's Perplexities".

—**Training Union**—6:00 p. m. Mrs. Fred Baker, director. Theme for October: "Conquering Covetousness." The Old Testament is full of warnings against covetousness. The Tenth Commandment says, "Thou shalt not covet." Jesus solemnly warns against it: "Take heed and beware of covetousness." The antidote for covetousness is stewardship. Our duty during the month is to reexamine our responsibility for what God has entrusted to us and that we avoid the sin of covetousness and may learn the joy of being good stewards. Every member interested in the kingdom's work is urged to attend this service. There were 87 present last Sunday. The average attendance during September was 83.

—**Public Worship**—7:30 p. m. Sermon: "The Assumption of a Man After God's Own Heart."

Let it be remembered that spiritual worship excludes the spirit of "spying out the liberty" of another with a view of "bringing that one into bondage." The gospel will be effective when the preacher is empowered with the Holy Ghost and when the hearers are present for the purpose of making a contribution to the service. "Take heed," said Jesus, "what ye hear," and again, "take heed—how ye hear." The what and the how, the matter and the manner, are both important. Yet the manner is perhaps even more important than the matter, when moral and spiritual issues are involved.

Prayer Service
The Wednesday night prayer service on October 8th will be in charge of the Adult Department of the Training Union. Brother C. H. Phibbs will be in charge. The subject will be "Paul's Friends." Let every member plan to be present. Time—7:00 o'clock.

Present day circumstances constitute the greatest call to prayer that this country has ever known. Let us answer the call by being present.

Little Charollett Kay Purcell, daughter of Mr. and Mrs. Cecil Purcell was taken to the Children's Hospital in Louisville last week, pending operation the latter part of this week. Let us remember this child and its parents in our prayers.

Rankin of the Maroons said, "We have not had the privilege of football competition with Murray since I have been coach at Eastern, so I am looking forward to the association which we shall have with Coach Jim Moore and his boys from Murray."

This is the first season in which all four Kentucky teachers colleges have engaged in football competition. The athletic directors of the four schools hope to make this an annual affair from now on. Eastern will play Western at Bowling Green on October 25 and Morehead at Morehead on November 15.

BLUSHING BAKED POTATOES

for school day lunches

by Dorothy Greig

BIG handsome baked potatoes slashed open, with slathers of butter melting down through their meeliness are a favorite with all of us, from the littlest, on up to dad.

They're good for us, too, being rich in vitamins and minerals. One of the best times of all to serve them is at lunch when the children come in hungry from school. Perhaps you would like to know about my own special way of fixing baked potatoes.

First I add cheese and mix that all through the potato. Then—and here's the surprise—blend in a little condensed tomato soup! This gives the potatoes a rosy hue which always amuses youngsters. It helps, likewise to bring out the full flavor of the potato. See how simple it all is:

Take the potatoes. Scoop out a hole for the filling and put through a ricer. For each medium sized potato add:

- 1/2 cup condensed tomato soup
- 1/4 teaspoon salt
- 1/2 cup sharp grated cheese

Mix all together thoroughly and put mixture back in potato shell. Brown in hot oven or under broiler.

Christian Church

By Aubrey Russell

Promotion Day at the church was observed by each of the Bible School teacher informing the congregation of the work being done by the class. Aims and plans were also discussed within the classes. The season was interesting and presented a challenge to the entire Sunday School.

Sunday will be Roll-Call Day at the church. If you are a member of the church we want to know it and also the kind of activity into which you will enter. If you are a member of another congregation and while here you want to have fellowship with the local church, make it known Sunday October 5. You will have a chance to enroll either at the Sunday School hour or at the regular church service or at the evening service. Show the church where you stand by being at the church Sunday.

The Pastor closed a meeting at Buckeye Sunday night past. There were services each night the past week, with the Sunday School on Sunday afternoon and evening services at 7:00. On Sunday afternoon in the little creek there were 8 baptized making the total of 10 added to the church at the evening service.

Eight Weeks With God begins the 12th of October. Plan to be at the church for this series of sermons. They have been printed in this paper for two issues and will be made a calendar for each of the homes in the community. Be sure to get your copy. The evening topics for the same period are printed below:

EIGHT MESSAGES ON THE TEN COMMANDMENTS
IS NOTHING SACRED? Oct. 12
SACREDNESS OF LAW, Oct. 19
SACREDNESS OF WORSHIP, Oct. 26.

SACREDNESS OF SPOKEN WORD, Nov. 2
SACREDNESS OF EXPERIENCE, Nov. 9
SACREDNESS OF LIFE, Nov. 16
SACREDNESS OF PERSONALITY, Nov. 23
SACREDNESS OF OWNERSHIP, Nov. 30.

Poplar Gap

By G. W. Allen

Rev. Chaville Jackson and Mrs. Jackson started a revival at Cornith Holiness Church Sunday night. Every body invited to attend.

Mr. Kenneth Vanzant who is working in Indiana spent the week end with home folks.

Mrs. Georgia Davidson and children Arnel and Barbara visited Mrs. Fannie Allen Wednesday.

Miss Lovella and Odella Allen had as their Saturday night and Sunday guests, Miss Nancy Jennings, Miss Elsie Miller, Miss Velma and Freda Hale.

Mr. Elther Hale who is working at McKee was with home folks over the week end.

Raymond McGuire spent Saturday night with Clinton Allen.

Mr. Sherman Singleton purchased a new radio.

Mr. and Mrs. Emery Vanzant from Indiana visited home folks over the week end and was accompanied home by Odella Phibbs.

Mr. Marshal Davidson was in Berea Sunday.

High School Items

Monday, September 22, the school boy patrol was reorganized in Mt. Vernon High.

Mr. Champion appointed four new members: Jack Linegin, Adams, Jack Conn Crawford, Jack Perciful and Benny Hall. Paul Owens, who was a patrolman last year, was appointed captain.

These boys will be placed at strategic points on Richmond Street and U. S. 25 from Main street to the school building. They will have full authority over all pedestrians and drivers should heed their instructions as a life may be endangered if these are not carried out.

Students should follow these simple rules:
Cross the street only where there is a patrolman.
When crossing, walk. Don't run!
Cross only when the patrolman signals.

Obey the Patrolman!
Paul Owens.

REPORTERS ELECTED
Again this year, as has been our custom, a number of students were chosen by vote of the class, to write all news articles of the high school last year the assignments were distributed among the different classes in high school, but this year they are to be written by 5 seniors. There are to be new elections each month and if anyone has, in the opinion of his or her fellow students, done his job well, he may be elected again. Those elected for the first period are as follows:

Flash: Roy Lewis, Alma Jean Griffin, Helen Rose Bullock, Paul Owens and Ballard Peyton.
Ballard Peyton

That's the way it Was.
Greetings folks, here we are again, same as before, ready to take you to the utmost in bringing you your school news.

Well—Here Goes
Flash Owens-Peyton election machine scores again. In the senior class elections held Tuesday by Mr. McIargue (despite the fact that several students suspected a monopoly). Ballard Peyton the junior class vice-president of last year, was elected president. Paul Owens, last year's president, is now Ballard's vice. After a class race with George Clark as runner-up, Doris Sigmon replaced Alma Jean Griffin as secretary-treasurer.

Now, I'd like to talk about Alfred Sparks. He's just like the rest of us, he loves dear old Kentucky and just can't stay away from it. He's back here with us now, well, I sure can't blame him.

It is expected that most of the fruit crop in Jefferson county will be sold locally. There is a big demand for fruit for canning and drying for home use, and many growers are selling their crops directly to consumers.

Proctor Fyffe obtained limestone at \$2 a ton, hauling it 19 miles to his Lawrence county farm.

L. & N. NEWS
During 1940 the Louisville & Nashville Railroad carried 388,608,756 passengers a distance of one mile.

In 1940 the Louisville & Nashville Railroad laid in replacement 29,065 tons of new steel rail.

An interesting feature revealed in the August issue of the L. & N. Employees' Magazine in an article highlighting the moving of circus show-falls and their equipment by railroads, is that of a contract between the railroad doing the moving and the circus, in which the loss and injury value of each species in the menagerie is stipulated.

Elephants are valued at \$500 each, lions and tigers at \$100, seals at \$10 and so on until a total of \$5 is reached, which figure covers the value of crocodiles, serpents and reptiles.

Total revenue cars handled in the first seven months of 1941 (January, July inclusive) show a gain of 10.1 points over the previous year's reading when the Business Barometer registered 92.6% of normal.

Pike county farmers are using more limestone from local quarries than ever before.

Richmond, Ky.—After an 11-year armistice, the Maroons from Eastern Kentucky College and the Thunderbolts from Murray Teachers College will resume football competition when the two teams meet on the Harroon gridiron, Stateland Field, here Saturday, October 5.

Both teams have improved considerably in the last eleven years. The game Saturday will be viewed with a great deal of interest by all who are interested in the athletic programs of the two schools. The Murray line averages 200 pounds while the men in the Maroon line tip the scales at 183. Cotches "Turkey" Hughes and Tom Samuels of Murray will be in charge. Their opinion the Thorobred team is one of the best college outfits that the Eastern team will have to face this season. Murray won the opener from Eastern, 34-0, at 7. The Eastern boys will be out for their eleventh consecutive win. They are undefeated and untied last season and have won their first two games this season.

When asked for a comment on the Murray-Eastern game, Coach Rome

THE COMMONWEALTH OF KENTUCKY, ROCKCASTLE CIRCUIT COURT.

Horace Thompson, Plaintiff. VERSUS (NOTICE OF SALE) Ruby Thompson and Marie Thompson. Defendants.

By virtue of a judgment and order of sale of the Rockcastle Circuit Court rendered at the August Term thereof 1941, in the above cause, for the division of proceeds, I shall proceed to offer for sale at the Court House door in the town of Mt. Vernon, Kentucky, to the highest bidder at public auction on the 20th day of October 1941, at One O'clock P. M., or thereabout, upon a credit of 6 months, the following described property, to-wit:

Located in Rockcastle County, Kentucky and thus bounded: Beginning at the southeast corner of Lee's line; thence east to a white oak in W. P. Hayes' line; thence with the Hayes line north to a black oak; thence west with Johnson's line to a sweet gum; thence south with J. S. Laswell's line to a double white oak, same corner with Wright heirs, Josiah Johnston to the beginning, containing 60 acres, more or less.

For the purchase price, the purchaser must execute bond, with approved securities, bearing legal interest from the day of sale, until paid, and having the force and effect of a judgment. Bidders will be prepared to comply promptly with these terms.

MELVIN HUGHES, Master Commissioner, Rockcastle Circuit Court, 46-3-1n

County Agent Notes

By Robert F. Spence, County Agent

It's not long until the fair—the big fair—the fair that the most of the people come to and take part in exhibits and contests. In fact, this School and Agriculture Fair which comes off October 10 and 11 is Rockcastle county's big annual homecoming. It's the time that people from every school district in the county meet together to see the progress made in the county through the exhibits of farm, home and school.

Every farmer is requested to look over a premium list and make such entries of garden and field crops as he has produced on the farm. This gives not only the farmer a boost but also the community as well as reflecting the progress made in the county. Farmers, select 10 ears of that good corn, 25 to 30 pounds of different hays, or a bale, a peck of potatoes, a stalk of tobacco and bring it to Mt. Vernon on Friday, October 10 and enter it in the fair. Every farmer can make two entries in the same ring if he cares to. Our crops are good and our farm display ought to be one of the best we have ever had.

Poultry raisers are requested to make entries according to the premium list. Wire coops and feed will be furnished, free. Mr. Lee, the superintendent of the Poultry Department, is very anxious to have a big poultry show. Poultry may be entered on Friday, October 10 and up until 9 a. m. Saturday morning. The judges will start promptly at 9 a. m. Saturday morning, and after judging is started no entries will be made.

4-H club members should make entries of their project work such as corn, potatoes, tobacco, clothing, canning, livestock, etc. Farm women are urged to make entries of their home products. All of these home, farm and school exhibits will bring thousands of people to Mt. Vernon. Let's make it a big occasion.

To Meet Increased Food Need A farm production campaign for

1942 providing for complete mobilization of American agriculture to adjust production to domestic needs for national defense and the needs of the millions resisting aggression, was announced by Secretary of Agriculture Claude R. Wickard.

The campaign will be under the supervision of State and county USDA defense Boards which are made up of representatives of all Department of Agriculture agencies in the field.

Production goals for 1942 and the part which agriculture will be called upon to play in the defense effort will be discussed with farmers and farm leaders in four regional agricultural defense conferences scheduled for Salt Lake City September 15 and 16, Chicago September 18 and 19, New York City September 24 and 25, and Memphis September 29 and 30.

"For the first time in the history of agriculture in this country," said Secretary Wickard, "production goals for all essential farm commodities have been established. They have been established on the basis of a thorough canvass of the needs for improved nutrition in this country and the needs of the nations that still stand between this country and Hitler."

"Every farmer in the United States will be contacted by local farm committees under the supervision of USDA. Defense and will assist with individual farm plans to determine the extent to which each farm can contribute to agriculture's task in national defense.

"The adjustment machinery of the National Farm Program will be applied to the whole range of agricultural commodities to assure plenty of the commodities for which there is increased need while continuing to check the production of commodities of which we already have large reserves."

Quicksand and put on exhibit. On Thursday declamation contests, games, folk dances and other contests were held in which the club members took part. Friday the program consisted of singing contests in which the individual club members and clubs took part.

The County champions from each county were presented to Dean Cooper by Mr. J. M. Palmer. Those attending from Rockcastle were Winnie Roy Lewis as outstanding club girl and Lee Gentry was supposed to have attended as outstanding boy but due to examinations could not.

The following boys received ribbons on their exhibits: LeRoy McClure, Burr, blue ribbon on his wood work; Jimmie Saylor, Hickory Grove blue ribbon on yellow corn; Russell Rowe, Freedom, blue ribbon on white corn; Bobby Rowe, Freedom, blue ribbon on corn; Bill Goodrich, Berea blue ribbon on corn; Lemon and Nolan Brown, Ottawa, received red ribbons on their corn; Raymond and Marvin Saylor, Hickory Grove, received red ribbons on their tobacco; LeRoy McClure, Burr, red ribbon on corn and Russell Rowe, Freedom, red ribbon on Jobacco. The cash won on these prizes has not been announced yet. As soon as we get the checks from the Quicksand fair we will send them to the club members.

Among Co. Agents

The number of laying hens to be kept through the winter will be increased 20 percent over last year in Jefferson county.

Approximately 600 western ewes were brought into Madison county during the first eight months of this year.

A grove of locust 12 to 15 feet tall and covering several acres has been grown by Mosie Pence, Grayson county, since 1938.

A storage house was obtained to store the phosphate used by Harlan county farmers in the agricultural conservation program.

Mr. and Mrs. S. V. Durham returned back to his work in Richmond, Ind. Sunday.

Mr. James Black and Mr. Everett Griffin visited Mr. Bob Barnett Sunday afternoon.

MOVIE STAR JOINS U.S. NAVY

Ensign Wayne Morris Seeks Wings

Wayne Morris, recent star of "Wanted Wings," became a member of Uncle Sam's Navy in May, 1941, when he was appointed to the rank of Ensign.

When asked what he thought of the United States Navy, Morris said, "I think every man who is considering joining a military service should look into the values of a lifetime which the Navy and Naval Reserve offer to get into the big pay field of the future aviation. In the Navy you can attend the finest flying training schools in the world, and receive in-

struction from Navy pilots who introduced dive bombing, aircraft carriers and catapult take-offs to the rest of the world. Also, there are opportunities in Naval Aviation for men who don't want to fly. They can be trained as aviation mechanics, metal finishers, photographers, observers or they can receive instruction in many other trades. It's a great life in the Navy."

Ensign Wayne Morris is pictured here in his line of duty as a member of the Naval Aviation Cadet Selection Board at the Long Beach Naval Reserve Air Base.

Mrs. Etta Coffey is on the sick list.

Mrs. Peasley Mink of Richmond, Ind. is visiting her mother, Mrs. Grace Hutton.

T. E. Hayes of Fallsburg, Ky. is visiting his sister, Mrs. W. R. Coffey and family.

Mr. Jim Smith was thrown from a mule last Sunday is slowly improving.

Irene Coffey spent last Saturday night with Lucille Coffey of Wildie. Lucille returned home with her Sunday and spent till Monday.

Mrs. Nellie Burdett, Mrs. Cecel Dailey and son Jack were Sunday guests of Mr. and Mrs. Ulysses Baker.

Mr. and Mrs. Oliver Dowell were Sunday guests of Mr. and Mrs. W. R. Coffey and Lillian Anglin and children.

Mr. Arthur Coffey of Hummell is with his brother Herbert Coffey and family.

Mr. and Mrs. W. R. Coffey were in Berea Tuesday to see Dr. Baker.

Little Bettie Sue Dowell was the Wednesday night guest of Dorothy and Doris McMill

and Miss Lucille Graves of Sue Bennett College were week end guests of Miss Martha Graves.

Charlie Cummins was Saturday night guests of J. D. Miller.

Mr. and Mrs. Dee Graves and son visited her mother Sunday.

Miss Fern Cummins spent the week end with Mrs. Bessie Cummins.

Rev. Eugene Bradley will have open air services Sunday at the Cave near Sand Springs Post Office at 2 p. m. Come worship with us.

Athletic persons, as a rule, possess the longest and most beautiful eyelashes, according to the Better Vision Institute.

Green Hill

By Mrs. W. R. Coffey

Mr. and Mrs. Oliver Dowell and daughter Bettie Sue spent last week end with Mr. and Mrs. Ulysses Baker.

Mr. and Mrs. P. H. Burdett received the announcement of the birth of their granddaughter Bettie Carroll born to Mr. and Mrs. Everett Burdett of Dayton, Ohio Sept. 13th.

Mr. and Mrs. Arvol Coffey and children were last Sunday guests of Mr. and Mrs. W. R. Coffey and fam-

in peace or war . . .

the RAILROADS SERVE KENTUCKY and the NATION

Railroads Spent \$71,322,897 in Kentucky in 1940

paid \$18,616,339 in 377 Kentucky cities and towns. In wages they paid \$47,376,958 to 28,694 Kentucky citizens. And in taxes they paid more than \$5,300,000 to the State, counties, cities and school districts. Thus, their total contribution to Kentucky's economic welfare in 1940 amounted to \$71,322,897. Similar payments were made in all other states.

For fuel, materials and supplies the railroads last year paid \$18,616,339 in 377 Kentucky cities and towns. In wages they paid \$47,376,958 to 28,694 Kentucky citizens. And in taxes they paid more than \$5,300,000 to the State, counties, cities and school districts. Thus, their total contribution to Kentucky's economic welfare in 1940 amounted to \$71,322,897. Similar payments were made in all other states.

The Twofold Contribution to National Welfare

The railroads carry over their own roadways the bulk of the national transportation load in peace and in war. Most of the \$1,297,000,000 which the public paid for railroad services last year was turned back to the public in wages of employees, purchases of materials and supplies, and direct tax support of the schools and of city, county, State and Federal governments. Less than 1% on the investment in railroad property was paid to the stockholders who own the railroads and furnish the service.

Efficient Mass Transportation Is Essential

Still more important, the railroads at all times support the nation's economic welfare by providing highly efficient mass transportation. Preparation for national defense largely depends on mass transportation by railroad. The emergency and magnitude of the defense pro-

"Yaa! Yaa! Daddy's a BULBSNATCHER!"

CAUGHT red-handed in the act of robbing one socket to fill another! Don't let yourself get into this predicament. Stock up with enough lamp bulbs so that every reading lamp will have a total of at least 100 watts. Keep a supply of "spares" in the cupboard for emergencies. Remember—good light was never cheaper than it is today. Fill those empty sockets with right-sized bulbs now!

STOCK UP NOW

Lamp Bulb Prices Are Lowest in History

15, 25-watt	10c
40, 60-watt	13c
75, 100-watt	15c
150-watt	20c

Keep a carton of "spares" on hand.

Lamero

By Bessie Smith

The all day Singing held at Pleasant Run Church last Sunday Sept. 28 was a big success. A large crowd was there from different parts of the state. Some of the visitors from a distance were: Mr. Clinton Burdette of Stearns, Ky.; Mr. Luther Abney of Louisville; Mr. Levy Burdette and two friends of Cincinnati, Ohio. I cannot name all of the Singers that were present but some of them were Mr. Amos Owens and his quartet of Burr, Ky.; Mr. Jones and quartet and several other singers from Mt. Carmel Church in Laurel County; Mr. and Mrs. Roy Singleton and Mrs. Clara Singleton of Laurel County; and Lawrence Shell, Fern Pearl Abney, and Mr. Coffey from near Bummer, besides the home quartet of Pleasant Run Church.

Mr. and Mrs. Willie Singletton and two children of LaGrange visited Mr. and Mrs. Joe Smith Thursday and Friday.

Jesse Smith of Richmond, Ind. visited home folks over the week end.

Mrs. Martha Owens visited the writer Friday afternoon on her way to Livingston.

UNCLE SAM'S SAILORS ON HORSEBACK SEE PANAMA FROM THE SADDLE

No, the U. S. Navy doesn't have a cavalry unit, but many a sailor straddled leather before giving up his bidding broncho or plow horse for the bounding main. The sailors in whites above are seen in the U. S. Naval Reserve on shore leave in Panama. No distinction is made between sailors in the Naval Reserve and those in the regular Navy. Enlistment in the U. S. Naval Reserve is for four years, but all men enlisting in the Naval Reserve will be released to inactive duty as soon after the national emergency as their services can be spared, regardless of the length of time remaining in their enlistment. If the emergency ends within a period of several months, those enrolled in the Naval Reserve will not be required to complete their 4 year term in active service. Opportunities for advancement to learn skilled trades, for travel and adventure are identical whether a man enlists in the regular Navy or the Naval Reserve, and his pay, food, clothing, medical and dental care are the same.

RadiOddities by Squier

GRACIE ATTENDED A CONVENT, STUDIED DANCING, MADE HER STAGE DEBUT AT SAN FRANCISCO'S SUNDROPOME. SHE FIRST KNEW HER AUDIENCE WHEN SHE MESSED UP A DANCE ROUTINE.

THE BUBBLE-BRAINED HALF OF THE FORMER BOBBS & ALLEN TEAM, WHOSE HIGH JINKS RETURN TO THE KILOCYCLES ON THURSDAY AT 7:30 PM! REPEAT AT 9:00 PM! ON THE RED NETWORK.

SHE LOVES COSTUME JEWELRY AND WACKY HATS... MANY OF THE MORE DAZZLING MODELS SHE DESIGNS HERSELF! SHE'S 5 FT. 11 IN. TALL, HAS BROWN EYES AND RED-BROWN HAIR.

THAT "BROTHER" SHE'S TRACKED THRU MILES OF SCRIPT AND NOW SEEMS IN ARMY CAMPS IS JUST A GUY - SHE HAVEN'T ANY? BUT THE CHARACTER IS SO WELL KNOWN THAT DUMS ROOKIES IN MANY CAMPS, ARE CALLED "GRACIE'S BROTHER."

WOW! THAT'S NO "VIOLIN" BUT YOU CAN SIGN ME UP FOR "RIGHT NOW!"

POPEYE, THE RECRUITING OFFICER, TUNES-IN A RECRUIT!

YES-BUT CAN THE NAVY USE A FELLOW LIKE ME?

ALL SAY THEY CAN! AN' WHAT'S MORE, YA GET'S PLENTY OF TIME IN THE NAVY FOR FUN AN' PLAY.

BUT WILL I HAVE THE OPPORTUNITY TO PRACTISE AND DEVELOP MY MUSICAL AMBITION??

A'COOURSE YA KIN! I'VE GOT SOME OF THE BEST MUSICIANS IN THE WORLD TO HELP YA! -AN' AMBITIOUS LAD KIN LEARN MOST ANYTHIN' IN THE NAVY!

IN THE NAVY, YE HANDELES THE VIOLINS AS EASY AS DRIPPIN' AN ANCHOR!

WOW! THAT'S NO "VIOLIN" BUT YOU CAN SIGN ME UP FOR "RIGHT NOW!"

Want to learn a trade? There are fifty-odd trades you can learn in the Navy. Want a steady job with no lay-offs? You're sure of that in the Navy. Want free meals... free board... free medical and dental care? You get 'all this in the U. S. Navy!

If you are 17 or over this is your great opportunity. Get a free copy of the illustrated booklet, "Life in the U. S. Navy," from the Navy Editor of this newspaper.

SERVE YOUR COUNTRY! BUILD YOUR FUTURE! GET IN THE NAVY NOW!

Round Stone

By Ella & Nancy Bullen

Mr. and Mrs. L. Taylor and Mr. and Mrs. Will Honey Curet have been visiting Mr. and Mrs. T. L. Hays from Indianapolis, Indiana.

Several from Round Stone attended the funeral of Mr. Lindsey Brock at Berea, Sunday. The mother and children have our heart felt sympathy.

Mr. and Mrs. Ralph Ballinger were in Round Stone Sunday from Indiana.

Miss Jean Nannie and Ella Brock spent Saturday night with Ball Bullen.

Miss Nancy Bullen spent the week end with Bonnie Burdette.

Mr. Raymond Croucher spent the week end with Lawrence Rowlett of Paint Lick.

Our Sunday School at Hayes Grove is still progressing, but on account of so many funerals last Sunday, several from Round Stone were absent from their classes.

Because many flesh-eating animals can see better at night than can human beings, primitive man feared the dark, says the Reddington Institute. Dread of the dark common among children is regarded by some scientists as a mental throw-back to prehistoric days.

During 1940 the Louisville & Nashville Railroad laid its replacement 843,128 cross-ties and applied 692,711 cubic yards of track ballast over its entire system.
