

"Dress Money"

If you wanted to buy a new dress in the China of about 200 B. C. you were out of luck if you fished in your purse and could not find a coin shaped like the human body. That was the Chinese "dress money," and other early Chinese coins were shaped like the article they would purchase.

GOOD CITIZEN Laws Are Rules People Make So They May Live in Harmony

This is the fourth of a series of ten articles from the booklet "Good Citizen" which can be ordered from the National Foundation concerning the rights and duties of an American citizen.

A good citizen does not evade the law. He does not say, "I know somebody who can fix my ticket."

Laws necessarily change with needs of the times. A good citizen's attitude toward a law which becomes out of step with the times is that of obeying it while it is on the books.

There is the letter of the law—and the spirit of the law. You cannot make men good by laws and fear of the law and order is grounded in the reverence of a majority of people for justice, truth and good.

"If you refuse long enough to make out a correct income tax return and refuse to obey an order to appear in court, you will get a subpoena of government process. Three or four husky fellows will take you to court and hustle you into a police van motored by the power of internal combustion."

Laws passed either by the senate or by the house of representatives must be approved by a majority of the other body.

The courts have the right to interpret laws passed by congress and to review the legality of acts of officers of the government charged with the administration.

The senate has the power to ratify or reject the treaties and appointments of diplomatic, judicial, and certain other officers of the government, as well as the power to ratify or reject treaties with foreign governments.

The house of representatives has the power to impeach and the senate to try the legality of acts of officers of the United States including even the President.

THE FICTION TABLES TURNED

By Richard H. Wilkinson... FLIRTING was second nature with Deborah Bellamy. No one would have guessed after a glance at her gay, laughing face, after one look into her mocking, tantalizing eyes, that inwardly she was a staid...

"Oh, Lon," she said a little breathlessly, "Not now." She pushed him away and ran up the stairs toward the ranch house. Once back in her room she faced herself in the mirror and laughed.

"PARTY CAME, and she planned a party. She invited all those who had been at the Double O Bar that summer. Lon arrived in due time and called at Deborah's apartment. She sat a little back at the ease and grace with which he wore his smart new tuxedo, and in spite of herself she thrilled when he swept her into his arms.

## Rev. Tucker Ordained As Christian Minister

Ordination services were held at the Brodhead Christian Church last Wednesday evening for the Rev. William R. Tucker, to the Christian ministry and for Mr. Walter Doan, ordained as a deacon.

The ordination sermon was delivered by the Rev. Ray Hammond of Dunville, Kentucky. He is a class mate of Reverend Tucker's and is pastor of several rural churches in Casey and Adair Counties. He used as his subject

Paul's exhortation to Timothy to "Preach The Word." Mr. R. C. Anderson led the congregation in an ordination prayer, Miss Wanda Masters sang a solo, and Mr. A. M. Hiatt delivered the charge.

Reverend Tucker reports that work was begun Monday on remodeling the church. A new front is being built, a furnace is to be installed, and several other changes will be made.

The Buds of Promise Bible School - Class will be written up in the "Lookout", a Bible School weekly published by the press of the free and independent churches of the Restoration movement, according to Reverend Tucker.

He stated further that morning worship attendance is growing slowly and the evening worship attendance has grown tremendously. Prayer service and Bible study is held every Wednesday evening, at 7:30 o'clock. The lesson for this week is the book of Romans.

Reverend Tucker also announced that he has now been authorized by the State of Kentucky to fulfill his pastoral duty of performing marriage ceremonies.

Mr. and Mrs. D. H. Gray were in Louisville last week visiting relatives. Miss Ella Carson is spending the week with her brother, Mr. Wayne Carson and family in Hazard.

Kentucky Highway Aid Is Approved

Senator Virgil M. Chapman of Kentucky announced last Friday that the Senate Committee on Public Works, of which Chapman is a member, had authorized an apportionment of \$10,792,000 in federal highway aid for Kentucky for the 1952 fiscal year. A like apportionment was authorized by the committee for the 1953 fiscal year.

The apportionment for varying types of highways in the state, Chapman said, was as follows: Interstate system, \$1,282,000; primary roads, \$4,040,000; secondary roads, \$4,328,000 and urban highways, \$1,141,000.

State Exceeds Quota In Independence Drive

Kentucky has exceeded its Independence Drive Quota, according to an announcement by N. L. Rockey, state director for Kentucky.

A total of \$8,236,932.38 worth of E Bonds have been sold which is 100.6 per cent of the quota. In addition to this amount, Kentucky's share of the unallocated sales is \$343,000, which makes a total of \$8,579,932.38 and a percent of 104.8.

## Korean Veterans To Get Benefits

All United States Servicemen who were called into action in Southern Korea will be entitled to disability compensation for injuries or disease arising out of the conflict in Korea, according to the Kentucky Disabled Ex-Servicemen's Board.

These claims will be adjudicated by the Veterans Administration under the provisions of Public Law 359 of the 77th Congress. Under this law, provision is made for the payment of disability compensation and death compensation at war time rates if the disability or death resulted from an injury received in line of duty. Dependents of those who lose their lives in action will be entitled to death compensation benefits at wartime rates. A widow with no child would receive \$75, and a widow with one child would receive \$100 plus \$25 for each additional child. A dependent mother or father would receive \$60 (or both) \$85 each.

## Wildie Rockies Take Two From Waco

The Wildie Rockies strengthened their claim on first place in the Tobacco League by winning both ends of a doubleheader 7 to 1 to 6 from the Waco Cardinals.

Bobby Robinson allowed only three hits in winning a 7 to 1 first game. The only run that was collected was in the seventh inning when Fielder scored as a result of two errors on the part of the Rockies. Wildie picked up one run in the first, three more in the second on singles by Burdette, Robinson, Parsons, and Fish. The Rockies' stars were run in the fifth and by Ed Gardner. Parsons led the Wildies in hitting by getting 3 for 2. Crowe was the losing pitcher for the Cardinals.

In a thrilling second game the Rockies eked out a 7 to 6 victory by scoring two runs in the bottom half of the seventh to overtake the 6 to 6 lead that Waco had going into that tense inning. Fish led off in the inning by flying out to right field. Durham then sent a sharp single to center field and stole second and third base. Pitcher Brannaman struck out Wilson, the Cardinal pitcher, then worked O. B. Smith to a 2 and 3 count, the two clubs slugged into the left field for a single with Durham scoring to knot the count at 6 to 6. Smith stole second on a game tying single. The Rockies' Bobby Robinson received credit for the win after relieving McNew in the third inning.

Next Sunday Wildie will visit Richmond to meet the Hammond lads who have replaced Lexington in the league. Wildie is now in first place in the league standings with the one game lead over second place Central.

## Co-Op Committee Formed To Solicit RTA Subscribers

### Half Of Quota Already Attained

At a meeting of the central committee of the Rural Telephone Association here Wednesday evening plans were made to increase efforts in obtaining more subscribers for the new phone co-op.

Bradley Saylor, chairman of the committee said that a total of 500 subscribers would be sufficient to assure a federal loan for the project. It was estimated that more than half that number had already been secured and with Mt. Vernon, Brodhead and Livingston yet unsolicited the additional subscribers would be added soon.

A local committee was appointed for the purpose of soliciting these voters and they will start work at once. A deposit of \$5 per phone is

## Middleboro Mayor, Former Citizen Here, Receives High Praise

Sherman Chasteen, formerly of Mt. Vernon, is now mayor of Middleboro, Kentucky, from reports in that town's newspaper, is doing very well. In a recent story, the newspaper called Mr. Chasteen mayor who acts like a mayor and puts the interest of the town above and beyond his own personal interest. For the first time in that town's history, the report said, they have a mayor who is not down at the City Clerk's office each morning doing clerical work for which he is not being paid in any job in the office during rush hours when some members of the office force takes a vacation.

Mr. Vernon, too, should be proud of this former citizen who has made good in a big way.

## Gravelly Burton Is Democratic Campaign Chairman

Gravelly Burton, campaign chairman for Governor Earle C. Clements in Rockcastle County, in his race for the Democratic nomination for the office of State Senator, has called attention to the fact that all voters in the primary must vote TWICE for their favorite candidate. The nominations are for both a long and a short term.

State Chairman J. Thaxter Sims pointed out that unless voters that many of them will cast a ballot in one or another of the races and neglect to vote in both.

Sample ballots, posted at the polls election day, will show the list of candidates for both the long and the short terms, he pointed out.

## Contest Winners Are Listed

Rain damped Rockcastle's Homecoming last Thursday and Friday, but failed to dampen the spirit of the occasion. Although no financial report is yet available, it is evident by the large crowd that turned out that the Homecoming will be as great financial success as it was a festive success. A "sweet" money" former resident returned as it was hoped they would, and their numbers were swelled by thousands of outsiders who came down to "see what hillbillies look like."

A few of the events were necessarily cancelled, but most of the program went off without a hitch. The marble championship was the first to be decided with Roy Winstead, Mt. Vernon, and Vernon Brown, Wilmore, being declared the winners.

The farmer's footrace was won by Stuart Parsons, Wildie; Mrs. Louise Long, Kirksville, was the dog-calling; Mrs. Mary Louie Highland, the husband-calling; the Ottawa team won the volleyball game, and Roy Winstead and Vernon Brown, winners in marbles, repeated in the horseshoe pitching.

The diaphanous relay race was won by the team composed of Mrs. William Hasty, Mt. Vernon, Dewilla Long, Highland, and Sue Cox, Columbus, Ohio. The horse show was limited to two classes and both were won by Douglas Hysinger, Mt. Vernon. The tacker turnout was also won by Douglas Hysinger and Joe Henderson, Mt. Vernon, and Harold Fair defeated John Laine in the rooster mule race, although Hysinger needed the assistance of Albert Albright, who did his best to carry both Mr. Fair and the mule over the top line. Winstead, Hasty, Mt. Vernon, copped the tractor race, and the tug-of-war was won by a team comprised of

Down Your Alley

By A. F. H.

The highest compliment you can pay a man is to imitate him. And that, as a rule, makes the a-per run a very poor second.

It used to be that a man saved up for a rainy day. Now he just demands an umbrella from Uncle Sammy.

Just noticed an ad of the American Trucking Industry showing a 15-foot slab of concrete road near Owensboro being up about 18 inches. Caption of ad: "Watch out for hot roads ahead." The ad blames the heat for the great damage done to our roads, which reminds me of how the Russians blame us for starting the Korean war.

While on this subject—there is a law requiring those highway box cars to keep at least 150 feet apart. But try to squeeze into the usual 10 or 15-foot space their drivers allow. And by the time they have sprayed your windshield with mud, choked you half to death with carbon monoxide gas and shut off your view you feel like trading the old bus for a mule and taking the by-paths. These behemoths on wheels have almost taken over our main arteries so why not let the truckers keep and maintain them and use our money for building highways for automobiles? Maybe the phrases "driving for

pleasure" and "driving with safety" would come into use once more.
