

# Brodhead

By Mrs. Jeanie Robbs

**Kincaid-Pritchett Wedding**  
Held in Methodist Church  
On Saturday November 4,  
1939, at twelve o'clock noon at  
the First Methodist Church,  
Brodhead, Kentucky, Miss Ida  
Tula Kincaid, daughter of Mr.  
and Mrs. John Kincaid, Sr., be-  
came the bride of Mr. N. B.  
Pritchett, Louisville.

The bride, who was given in  
marriage by her father, wore  
a gown of ivory satin with a  
veil of French illusion and car-  
ried a bouquet of gardenias and  
stephanotis. Mrs. Harold V.  
Tucker, Ludlow, Ky., matron of  
honor wore a gown of green  
satin and net and carried a  
French bouquet. The brides-  
maids wore similar gowns. Mrs.  
Eugene LaFavers wearing yellow  
faile and net and Miss Lois  
Kincaid, orchid tulle and net.  
Both carried French bouquets.

Miss Martha Helen Kincaid,  
Norwood, Ohio, niece of the  
bride, was flower girl, wearing  
white nylon, marquisette and  
carrying a basket of pink  
roses.

V. Phillip Cassaday, La-  
Grange, was best man, and  
ushers were Harris Rhodes,  
Stanford; Harold Tucker, Lud-  
low; William Rambo, Stanford;  
and Eugene LaFavers, Brod-  
head.

Harold Tucker, Jr., Ludlow,  
carried the rings for the double

ring ceremony on a satin pillow.  
The ceremony was performed  
by the Rev. Lanis E. Kinman,  
pastor of the Christian Church,  
Mt. Vernon.

Both the Mendelssohn and  
Lohengrin wedding marches were  
played at the piano by Miss  
Rhett Hendrickson. During  
the ceremony, Mrs. Phillip Cas-  
saday, LaGrange, sang "Be-  
cause."

"The mother of the bride wore  
black with a corsage of gar-  
denias."  
Out of town guests included  
Mr. and Mrs. M. O. McMakin,  
Mr. and Mrs. Irvin Rockwell  
and son, LaGrange, Mrs. John  
W. Kincaid, Jr., Norwood, O.,  
Miss Bettye Homer Cassaday,  
LaGrange, and Mr. and Mrs.  
V. C. Gilliland, Stanford.

Billy George and Donnie  
Brooks of Dayton, O., spent the  
week-end with their parents,  
Mr. and Mrs. George Brooks.

Master Larry Doan, who was  
very ill last week is reported  
very much improved.  
Mr. R. S. Shivel and Mr. and  
Mrs. Hubert Shivel and daughter,  
Tonia, of Bellevue, were  
here for the funeral of Mr. Fred  
Shivel.

Miss Carrie Sponemore of  
Louisville, is visiting her sister,  
Mrs. R. E. Lawrence, and other  
relatives here this week.

Mrs. Jack Wright and daughter,  
Tonia, of Bellevue, were recent  
visitors in Louisville.

Mr. and Mrs. Eugene La-  
Favers arrived Thursday from  
Ashville, N. C., to be in her  
sister's wedding.

Mrs. Edna Taylor, who has  
a position in Louisville, was at  
home over the week-end.

Mr. and Mrs. C. W. Smith of  
Somerset, were Sunday guests  
of Mr. and Mrs. Jack Fletcher.  
Mrs. Ernest Wallis was in  
Louisville Tuesday to visit her  
mother, Mrs. Kate Sharp.

"The Ladies aid of the Brod-  
head Christian Church met  
Thursday evening with Mrs.  
James Meredith at her home  
on Tyree St."

Mrs. Arch Albright and Mrs.  
S. S. Purcell and son, Rodney,  
visited Mr. and Mrs. Joe Gal-  
liff in Newport over the week-  
end.

One hundred and four Fifth  
and Sixth grade students were  
guests of Mr. John Lair at  
Remo Valley museum at Remo  
Valley one day last week.

Mr. and Mrs. Ernest Gob-  
by were in Danville to visit her  
brother, Lecher Taylor, who is  
in Ephraim McDowell Hospi-  
tal. They report him doing  
nicely.

Mrs. Dewey Sowder, Mrs.  
W. H. Masdon and little daughter,  
Susan of Lebanon Jct., were  
with relatives and friends here  
Monday.

Mrs. Clarence Cox, who un-  
derwent an operation in Eph-  
raim McDowell Hospital, was  
able to return home Monday.  
She is getting along nicely.

Mr. and Mrs. Frank Hunt  
and Mr. and Mrs. Jesse Dillen-  
ger of Danville were recent  
guests of Mr. and Mrs. W. H.  
Anderson.

Frankie, the son of Mr. and  
Mrs. Raymond Cherry Ander-

son has been very sick. We are  
glad to report him much im-  
proved.

Mrs. John W. Kincaid, Jr.,  
and little daughter, Helen,  
and daughter, Corinne were for the Kincaid-  
Pritchett wedding, remained  
for a short visit with relatives  
here and in Mt. Vernon.

Mr. and Mrs. Charlie Cox  
and daughter, Corinne were  
up from Lebanon Junction Sat-  
urday with relatives and friends.

The small daughter of Mr.  
and Mrs. Damon Carmack,  
who has been very ill with  
Spinal Meningitis, has recovered  
sufficiently to be brought  
home and is getting along fine.

Mr. Ollie Collett was at  
home from Dayton, O., for the  
election.

Mrs. Ezra Shivel and son,  
Paul Shivel, of Campbellville,  
attended the funeral of his  
uncle, Mr. Fred Shivel.

Mrs. Etta Robins has returned  
from a visit with relatives  
in Louisville, Middletown and  
Lebanon Junction.

Mr. and Mrs. Richard Cheat-  
man of Somerset, were Sun-  
day guests of her mother, Mrs.  
Bernard Riddle and family.

Mrs. Hugh McBee has re-  
turned from a visit in Louis-  
ville, with relatives.

# SERMONETTES

By Local Pastors

## HOLINESS UNTO THE LORD

By Bro. G. W. Murphy,  
Pastor West Main St.  
Holiness Church.

"How we are taught to pray by  
**OUR FATHER, WHICH ART  
IN HEAVEN**"  
Matt. 6:9-13  
This is the golden gate of the  
temple of prayer. When Our  
Lord taught his disciples how to  
pray, it was thus He said they  
should begin. They were to  
realize they could only come to  
Him by addressing Him as  
Father. This precious name at  
the gateway makes the ap-  
proach easy. In Luke 15, 20,  
Jesus said the prodigal son's  
first words uttered after he  
came back home were "Father."  
Of course his father recognized  
the voice of his son. The name  
assures us of love and care. It  
settles this question; does a true  
parent care for the child? Of  
course he does, then much more  
does our Father in heaven care  
for his children on earth. He  
even cares for the birds, seeing  
that they get their daily food.  
He cares for the flowers, weav-  
ing for them with threads of  
light the pretty robes they  
wear. He surley cares more  
for his children. So the pre-  
cious name assures us that we  
shall never be neglected, nor  
overlooked in this great big  
old world. It also gives us as-  
surance of unhindered access  
to the divine presence of Our  
Father. The children of a  
great king are not kept wait-  
ing at their father's door as  
strangers are. Whosoever  
children have perfect liberty  
in his presence. They can all  
pray at the same time; they  
can never come at an untimely  
hour. He is never too busy to  
see them and listen to their  
words of love and adoration.  
He is never off on vacation. He  
recognizes the voice of each  
child, let it be great or small.  
I must not leave the impression  
here that just anybody can use  
this model prayer in their de-  
votion. I read in John 8: 44,  
where the Devil is the father of  
some folks. (Read it.) There-  
fore the only persons who  
could use these words in prayer  
would be the kind Jesus men-  
tioned in conversation with  
Nicodemus, "Marvel not that  
I say unto thee, Ye Must be  
born again." Paul, you tell me

## WHAT THIS BIRTH IS: OK, ROM. 8: 11: And if Christ be in you, the body is dead because of sin; but the Spirit is life because of righteousness. (14) For as many as are led by the Spirit of God they are the Sons of God. (15) For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of Adoption. (Note) and adopted child will receive as much as any other heir. Whereby We (we Who?) Children cry or say Abba, Father. Meaning, My or Our Father. Amen. (Next week, "Hallowed be thy name.")

## LIVINGSTON

By Laura Ruth Bingham

Mr. Bennett Mullins and family moved to Hamilton, O., this week. They sold their home, located near Ruby's Beauty Saloon, to Mr. Mack Bales.

## WABD

By Mrs. Juanita Scott

Mr. and Mrs. Oscar Scott and family visited Mrs. Bessie Cummins Sunday.

CHRISTIAN SERVICES Continued From Page 1

to this problem. When the nominal Christians reach the place where they erect the principles of Christ in their lives and make Christ's church the central theme of their lives, let us not think we have first place, we will experience a great spiritual awakening."

During the month of October, Reverend Kineman delivered a series of messages on Sunday morning on the subject of "Prayer." This month the series will be under the title, "Personal Commitment Of My Life To Christ."

Cottage prayer meetings were begun Monday night, November 6, and will continue through Thanksgiving Day, November 23, at which time there will be a special service at the church. The prayer meetings are being held each evening in different homes.

For the remainder of this week, the meetings will be held at the following homes: Thursday night, at seven o'clock in the parsonage and at the home of Mr. and Mrs. S. F. Bowman; Friday night, Mrs. S. T. Proctor's residence and the William Dowell home; Saturday night, the home of Mrs. Carrie Lee Krueger.

For the week beginning November 12, the service will be held on Monday night at the home of Mr. and Mrs. Claude Cox and Mrs. Ruth Mervin and on Tuesday night with Mrs. Julia Bray and Mrs. Bill Anglin. On Wednesday nights all will meet at the church for special services.

Everyone is invited to attend all these services and all are especially urged to be present at the home in their respective

communities. More announcements will be made in the near future in regards to the campaign, but in the meantime everyone is asked to join in the "Crusade for Prayer."

SUCCESS Depends on Advertising

Thirty years ago the majority of merchants didn't believe in advertising—but all newspapers during the past year carried more ads than ever before. Large firms spend millions of dollars to put over a product. Montgomery Ward's catalogs alone cost two millions—they don't put out these catalogues just to spend money, but because they know it is a wise investment.

People today read the ads and when they see a bargain they buy. Firms in Danville and Richmond send circulars to Mt. Vernon and all over the county advertising their wares and bargains because they know people will travel miles to get a good price on some article they want.

If all the stores in Mt. Vernon had all the business that goes regularly to these outside towns they would have to increase their sales forces as well as their stocks.

A weekly message in THE SIGNAL, which thoroughly covers your trading territory, will do lots toward getting business that YOU DON'T GET NOW!

Mt. Vernon Signal

YOUR NEWSPAPER SINCE 1887

# County Health Report Is Made For Three Months

This is the first of a series of County Health reports to be sent to the County Board of Health, Citizens Health Committee, school principals, local physicians, and the various fire and police departments. The plan is for a periodic report of the activities of the Health Department for month or quarter. The purpose is to keep all "key" people informed concerning the activities of the County Department of Health.

The Rockcastle County Department of Health, organized July 1, 1931, is a three-unit organization. Health Officer, Public Health Nurse and Senior Clerk. One day a month we have the service of a part-time district sanitarian.

All clinics are held at the County Health Department, Ryan Building, Mt. Vernon. Prenatal and hospital care free clinics are held every Friday. For the quarter 46 prenatal and postpartum patients were admitted to hospital care. Fifty-one preschool children and 42 infants received physical examination in the clinic and visits by the county health nurse.

It is the policy of the health department to encourage expectant mothers to see their family doctor once a month during pregnancy.

**General Disease Control.** Clinics are held all day Monday and Saturday mornings of each week.

Reported contacts are urged to attend clinics for a physical check-up and laboratory tests. Those found to have venereal disease are referred to the Kentucky Treatment Center, Louisville, where they are given the intensive ten day treatment. This treatment is followed up by the county health officer with monthly blood tests and physical examinations for a period of twelve months. Only five of these patients are under (Continued on page 4)

# Letcher Taylor Shot In Jail At Brodhead

**Gus Carson is Named Draft Board Clerk**

Gus R. Carson, police judge of Brodhead, has been named chief clerk of the Rockcastle County Draft Board, according to announcement by Miss Billie Crobin, state draft board representative from Louisville. Carson's appointment was effective today.

The Brodhead man succeeds Floyd Owens, who was called to service with the Reserves.

# Brodhead Defeats Buckeye 76 - 40

The Brodhead Tigers defeated the Buckeye first team by a score of 76-40.

The game was played Friday night on the home floor, but the Tigers lost out by a slim margin to the Buckeye second team.

The second team defeated the Tigers by one point, in a fast and furious game. At half time, the second team score was 16-16 and just as the whistles started to blow at the end of the game, the second team was tied 33-33. At that last moment one of the Brodhead Tigers fouled and the Buckeye made the shot, winning the deciding point.

The game was one of the fastest ever witnessed on the Brodhead floor.

But the Tigers still have no losses as far as their first team is concerned. In the first game they were defeated by a larger margin than Friday night's game, and the second team may make a breakthrough with victory against Greenleaf.

# Rola Rose Funeral is Conducted at Johnetta

Funeral services for Rola Rose, 56, who died Friday morning at his home, were held Sunday afternoon at the residence, with Bro. G. W. W. officiating. Burial was in the Johnetta Cemetery.

Mr. Rose is survived by his wife, Mrs. Joan Rose, his parents, Mr. and Mrs. Sam Rose, Hamilton, O., two daughters, Mrs. Alma Andrews, Hamilton, O., and Mrs. Ida Moran, three sons, six grandchildren and two great-grandchildren.

# Emmett Quinn Dies At Son's Home Here

Robert Emmett Quinn, Sr., retired electrical engineer, died Friday afternoon at the home of his son, Clifford, in Mt. Vernon. He was 70 years old.

Funeral services were held Sunday afternoon at the Christian Church in Livingston, with the Pastor, Rev. Ed Simon, officiating. Burial was in the Ward Cemetery at Mt. Vernon.

Mr. Quinn also is survived by another son, Robert Emmett, Jr.

# Bond Set at \$3,000 For Deputy Marshal

Brodhead Deputy Town Marshal Dan Wilson is out on three-thousand dollar bond following the shooting of Letcher Taylor early Sunday morning in the Brodhead jail. Taylor was behind bars at the time of the shooting.

The Taylor boy, 21 years old, was taken to the hospital in Danville following the shooting and later underwent surgery for the removal of an eye. According to the sheriff's office here, the Taylor boy had been arrested for drunkenness and jailed by the deputy marshal. The shooting is alleged to have occurred when the youth cursed the arresting officer for kicking him into the cell.

It was reported that the bullet hit a bar to the cell and split into three particles, the pieces injuring the youth's eyes. The officer is charged with shooting with intent to kill. The warrant was served on Taylor by Brodhead Town Marshal Dan Wilson. Wilson gave himself up to Rockcastle Sheriff Arthur Hammett, who also has been investigated by County Attorney S. F. Bowman.

Bond first was set at a thousand dollars, but was raised to three thousand following investigation by County Attorney Sheriff Dewey Ballinger. Examination trial has been set for November 18.

Wilson was a special deputy marshal, but previously had served as a county deputy sheriff. He gave up his sheriff's badge August 19. He also has served with the State Police Department, under the Willis administration.

Taylor's youth is the son of Mr. and Mrs. Clarence Taylor of Quail. At first it was believed that the youth would lose both eyes as a result of the shooting, but at the last report he was recovering satisfactorily following the removal of one eye.

# Veterans Official Will Be Here November 18

James A. Dixon, field secretary of the Kentucky Disabled Ex-Service Men's Board, will be in Mt. Vernon Thursday, November 16, for the purpose of aiding veterans and their dependents in filing and prosecuting claims for benefits, to which they may be entitled.

The representative will establish headquarters in the sheriff's office.

# Mt. Vernon To Play Hazel Green Friday

The Mt. Vernon Red Devils will play their first basketball game of the season Friday night when they meet Hazel Green on the Hazel Green floor.

The starting line-up will include Paul Carter and George Robinson at forward positions, Paul Mania as center and Paul Cummins and Charles Baker as guards.

Substitutes who will see service in the game are Edward Owens, Jones B. Brown, Bobby Russell, Jack Chaney and Wendell McHague. According to the coach, Albert Albright, the talents of the ten ball players are so evenly divided, that all will be given an equal chance.

The first home game is (Continued on page 8)

# 11 To Leave Today For Army Physical

A group of 11 Rockcastle County men were scheduled to leave today for Corbin for a physical.

The men are: Everett Edgar Brown, Hanford; James E. Ward, Toward; Dayton O. Ulysses Fletcher, Sand Springs; William Taylor Mason, Hummel; Virgil Owen Bustie, Mt. Vernon; M. B. King, Disputanta; Elmer Lewis Peters, Wildie; George Harvey Peter, Jr., Brodhead; James Raymond Sowell, Pine Hill; Charles Edd Sussler, Mt. Vernon; and Curtis Reed Cash, Brodhead.

# Berea Business Section Is Damaged by Fire

Traffic was stopped on U. S. 23 for almost two hours early this morning when a fire broke out in the business section in Berea. Believed to have started in the office of Dr. B. F. Robbins and Dr. John C. Baker, the fire spread to adjoining offices and buildings before it could be brought under control.

In addition to the Berea Fire Department, two trucks were brought from the Blue Grass Ordnance Depot near Richmond to aid in extinguishing the flames.

The fire also damaged the B.&B. Food Market and the Porter-Moore Drug Store.

The Ivory Anglin Furniture Store has been moved to the back of the U. G. Baker Store. The Anglin residence now is on Fairground Hill.

# Thanksgiving Service Planned at Brodhead

A special Thanksgiving service will be held at the Brodhead Christian Church at 3 o'clock on Thanksgiving Day, Thursday, November 23. The program will include a short talk, special songs and congregational songs of praise, as well as prayers of Thanksgiving. The public is invited and urged to attend.

# Saylor and Dr. Webb School Elections Here

Free Stage Show Set For Next Tuesday Night

A free stage show and color movies will be presented at the Mt. Vernon-High School Tuesday night by Bryant Brothers, local International Harvester dealer. The show will start at 7:30.

The stage show will include singing, dancing and comedy. The color movies will feature educational themes, travel and comedy. The show is planned as a family affair, with entertainment suited to the tastes of both young and old.

# Medical Auxiliary Installs New Officers

New officers were installed by the Women's Auxiliary to the Medical Association at a 6 o'clock dinner meeting Friday evening at the home of Mrs. Walker Owens.

The new officers are: Mrs. Willis A. McKenzie, president; Mrs. J. M. Pennington, president-elect; Mrs. N. M. Garrett, vice-president; Mrs. George Griffith, Secretary; Mrs. W. G. McBea, recording president, was presented a gift during the past year.

The program was a discussion of Voluntary Health Insurance followed by a discussion of the possibilities of a hospital in Mt. Vernon. The hospital was highly endorsed by the members.

Guests included Mrs. E. R. Denny, Mrs. Wendell Bailey and Mrs. T. C. McDaniels, Newport, West Virginia.

# Special Services At Christian Church

The Mt. Vernon Christian Church has accepted a challenge made to all Christian churches around the globe and along with hundreds of other churches, has started making preparations to launch a program of evangelism in the form of which has never been known in this community before, according to the pastor, Rev. Lewis E. Kinman.

"The need for stabilizing our present congregation is great and words of the Master, 'go ye and evangelize' are never before," Rev. Kinman said in announcing the plans of the local church.

"I have found it continued," he said, "to be possible to get along with each other in world affairs; the same spirit of contention is likewise found between the nations of our land, both religious and non-religious. The cancerous family ties and management of the split thousands of homes."

"The church which Jesus established through the help of his disciples is the only answer (Continued on page 8)

# County Gives Dawson Total of 2454 Votes

Carlo Saylor of the Brodhead community and Dr. E. G. Webb of Livingston won the county school board elections here this week with the Saylor vote practically doubling that received by the opposing candidate, Givens Lear.

Saylor represents District No. 3 on the County School Board, and Dr. Webb will represent District No. 1. Other members of the Rockcastle County Board of Education are John Harris, Nathan Clark, John Sower, and Mrs. Erma Mullins. Saylor was re-elected to represent District No. 3, and Dr. Webb succeeded Calvin Webb as board member from District No. 1.

The county is divided into five districts, with the sixth board member, John Sower, serving as a hang-over from the days when Brodhead School was independent.

The school board will revert back to five members in three years when Mr. Sower's term expires, according to Mrs. Webb, who received 607 votes, compared to 379 for Givens Lear.

No opposition was offered in Mt. Vernon Independent District. Re-elected to serve as Mt. Vernon Eugene Stebbins, W. G. Dowell and Marcus Mignone. The other two members of the Mt. Vernon School Board are N. M. Smock and L. D. Bryant.

In the town election, 327 votes were cast for Stokes Dowell received 212 and Margaret polled 213.

Rockcastle County gave Dawson 2454 votes, while Governor Clements, who won the election for U. S. Senator, received 368 votes here as independent candidate, James E. Olson, received 14 votes in the county. James S. Golden, who was nominated as congressman, U. S. Representative, received 2264 votes from Rockcastle County.

Clements is Elected to United States Senate by a majority of about 56,000 votes. His opponent, Prescott Hill, received 47,706 votes. The unreported, the official figure was 55,474. Clements received 327,180 votes from 4,013 of the state's 4,115 precincts in comparison to 271,706 for Hill. Independent nominee Charles I. Dawson.

Clements will be sworn in when the Senate reconvenes about November 27, leaving Lt. Governor Lawrence W. Weatherby as governor of the state until December 1951, when the governor elected in the November, 1951, election will be inaugurated for a four-year term.

# Committee Named To Study Hospital Possibility

A committee has been formed in Rockcastle County to study the possibilities of a hospital here and if enough interest has been expressed from the county and if the need for a hospital here can be established, the Federal Government is ready to come to the aid of the county in making a new hospital possible.

That in general is the picture here this week as talk of a hospital spreads. It is the rumor or thought stage of the action stage. Action has been taken in regard to the possibilities of a hospital to do something like two dollars available to match local funds. For every dollar put up locally, the state department will provide something like two dollars to help the county in starting a hospital or health unit.

A Citizens Health Committee to study the problem has been named in the county and the names have been sent to the State Department of Health for authorization. A Citizens' Health Committee would include a representative number of county citizens. Although the committee hasn't received the official stamp of the State Department of Health, it is practically doubling that received by the opposing candidate, Givens Lear.

The State Department of Health has informed the Courthouse Health Director, Dr. Walker Owens, that funds are available to match local funds. For every dollar put up locally, the state department will provide something like two dollars to help the county in starting a hospital or health unit.

County funds can be raised by a bond issue or by endowment gifts from citizens of the county. A check here on (Continued on page 4)

# Building Progress Here May Be Halted by Cold

Building projects in Mt. Vernon were halted or slowed this week as the rain continued to come and the weather started turning colder. Real winter weather is expected to set in, with the Weather Bureau forecasting an abrupt drop in temperature to near 30 degrees.

The first snow of the season was recorded at 1:30 p.m. Saturday, just as the Conoco Service Station here started making progress on a new building. The foundation of the new building, located on Richmond St., already has been laid. Manager of the station is Ben Wilson.

Workers were busy all week preparing to move into the old Bethum residence on Main Street, to make room for the new building.

The new building is being moved to the back of the lot. Work was halted on the inside of Jim Winstead's new Half-Way House, south of town, earlier due to difficulty in securing cement and not of bad weather sets in, completion of the building may be delayed until Spring.

Other building projects underway are a new storage building under construction by D. C. Craig near the school house, and the remodeling of the Hill-Top garage, south of town, by Bob Gentry, who has leased the place. The Chrisman Motor Co. also is leveling off the front entrance to their building.

VOLUME 65 - NUMBER 7

### County Agent's Notes

By Robert F. Spence

Farmers are saving money by having their soils tested before spreading limestone and fertilizer. Seventy-seven soil testing laboratories have been established in connection with county agents offices. Some of these laboratories serve more than one county, which means that farmers in about three-fourths of Kentucky now can have their land tested.

It is estimated that about 30,000 soil tests will be made this year, with some 6,000 more made at the central laboratory at the Agricultural Experiment Station at Lexington.

The county laboratories are operating with part-time technicians under the supervision of county agents and local soil committees.

Farmers having soil tests made often find they had planned to use more fertilizer than needed. Sometimes their land needed no limestone. Rockcastle County's soil testing laboratory is set up in cooperation with Berea College Agricultural Department. Dr. Spillman is in charge of the laboratory and the testing is done under his supervision. To have soil tested in this laboratory will cost farmers 50¢ per test. This is much less fee in many cases than in other counties. In fact none of the soil tests in any county run under \$1.00. The farmers who wish to have soil tested can get it done by bringing soil samples to the County Agent's Office in Mt. Vernon. Information on selection of samples for soil testing can be obtained from the County Agent. Taking soil samples

for testing is very important. Direction for taking soil samples follow:

Fields or areas in fields that differ in productivity, or which have been cropped or fertilized quite differently in the recent past, should be sampled separately.

From each uniform field take an equal amount of soil from 4 to 6 places, more if its a big field. If you don't have a field auger, use a spade. Remove grass and weeds. Make an opening to the plow depth with one straight line from bottom to top. Remove soil from top to bottom. In choosing the places for samples, avoid spots that are not representative, such as places where straw or hay stacks stood. Put the soil from different places, in the same field, together and mix well. When thoroughly mixed take about one-half pint for sample to be tested. Spread this out in a place where it will not be disturbed and allow it to dry. Don't dry it over a stove or furnace. Place it in a clean container, paper sack or box and label it properly. We can't test wet soil.

Be sure and number your fields before taking soil samples. You can use same number as you have on your farm map, if you have one. If you haven't the map which the County Farm Office gave you, number your fields the way you want them beginning with 1. Place the number of field on the container of soil from that field.

After soil samples have dried out take them properly labeled to the County Agent's Office. Don't leave without giving the past production record of the land, which is to be tested, to someone in the office. This record is necessary before testing the soil.

It would be a good idea if you would make a rough outline of your field on paper properly numbered and when you get the soil test you won't have any trouble remembering what each field needs.

Recommendations will be made on the basis of the soil tests.

**Home Agents Notes**  
By Letta Jasper

Room Combinations and Color Schemes are the main lessons for the Homemakers Clubs for the month of November. The lessons are being given by the home furnishings leaders who attend the training meetings in each individual club.

**Wine State Championship**  
Wilma Gabbard, from the Birch Hill Club, won the state championship on her Junior Leadership project. She will be entitled to a trip to Chicago, November 20-25 from the Southern Madison-Rockcastle territory which has Mrs. Letta W. Jasper as home demon-

stration agent and Mr. Robert F. Spence as county agent.

**Child Care Meeting**  
Christmas time is the best story telling time during the year. The members of the child care group, a special project to which everybody is invited to join, have asked for a meeting on telling Christmas stories to children.

Miss Florence Imlay, Child Care Specialist, also Foods and Nutrition Specialist, Extension Service, University of Kentucky, will direct the discussion. The meeting will be held November 21, 10:30 to 2:30 on the third floor of the Home Economics building on the Berea campus.

From this lesson it is hoped that story telling centers for children can be set up near the Berea campus.

Most welcome to attend the meeting. It is not limited to members of the Homemakers clubs nor to women. There is no cost. It is free to all who wish to come.

**Advisory Council**  
The Homemakers' Advisory Council will meet Monday, November 13, at the Agricultural building on the Berea College campus. The meeting will begin at 10:00. Miss Vandilla Price, Assistant State Leader of Home Demonstration Agents, Extension Service, University of Kentucky will attend the meeting along with the home agents. All club presidents and county officers are urged to attend and are expected.

**SCAFFOLD CANE**  
By W. H. Stephens

Most of the farmers in this section are busy stripping their tobacco.

Bro. William Hamilton, pastor of Macedonia Church, preached at Corinth Church Sunday at 2:00 o'clock. Several members from Macedonia Church accompanied him.

Mrs. Paul Rivers and son of Richmond, attended Church at Macedonia Sunday, and Mrs. W. H. Stephens.

The little baby of Mr. and Mrs. Jack Hayes was taken to the College Hospital for a few days. It is reported better.

Mr. Tom Barrett, who has been in the hospital has returned home.

**COPPER CREEK**  
Mr. and Mrs. Lewis Simpson are rejoicing over the arrival of a fine 10-pound baby girl, born October 30.

Mr. and Mrs. Leander Durham and son of Richmond, Ind., and Mr. and Mrs. S. V. Durham and family of Liberty, Ind., are visiting their parents, Mr. and Mrs. W. M. Durham.

Mr. and Mrs. Jim Rouse both are in very poor health.

Mrs. Jim Mobley is slowly improving.

Mr. and Mrs. Owen Halcomb of Harlan, visited their sister, Mrs. Elbert Mobley.

Mr. and Mrs. Cecil Sargent of Chesnut Grove vicinity visited her mother, Mrs. Nellie Leese, Sunday.

Miss Marie Sowder is at home after an extended visit with her sister in Tennessee.

Mrs. Sam Crech is at home after a few days in the hospital. She is some better.

Mr. and Mrs. J. D. Croley spent Sunday here with friends.

**Top-Dressing Alfalfa**  
After First Cutting  
Adds Life to Stand

TOP-DRESSING alfalfa after the first cutting with phosphate and potash fertilizer will provide the life of the alfalfa stand, promote heavier growth the rest of the season and help the legumes do a better soil-building job, reports the Middle West Soil Improvement Committee.

Less time will be needed for the plants to push out new growth. Roots will have a better chance to store up reserves of high energy starches and sugars.

Well fed legumes can make fuller use of soil moisture and of the carbon, oxygen and other nutrients taken from the air. The top roots of alfalfa and sweet clover can probe deeper into the soil. The phosphate and potash they carry will be distributed from the surface on down to the moist soil some below.

When these legumes are turned under they not quickly to burn

WEEKLY NEWS ANALYSIS Truman Tells U. N. This Country Committed to Armament Program; Costs of Living Near Record High

(EDITOR'S NOTE: Two opinions are expressed in these columns. They are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

TRUMAN: Armament for Peace

President Truman speaking before the United Nations general assembly on United Nations' Day, told members of the world organization that the United States would prefer universal disarmament, but that this nation is committed to re-arming because it is the only way to stop aggression.

The President used Korea as an example of what united effort by U.N. members can accomplish in stopping aggression, also mentioned the United States' economic mobilization coordinator, also had comments to say on the same question.

PRAGUE: Scene of New Plot

The foreign minister of Russia and the representatives of seven Communist states met in Prague to plot the next Communist move since the gamble in Korea has been written off as a complete loss.

LIVING COSTS: Neers Record High

The latest government consumer price index reported the cost of living continued to move upward. The gain was 1/2 per cent from the previous month. The index stood 173.8, meaning 73.8 per cent above the 1952-53 average.

The government, however, was only putting into figures what the American housewife has known for some time. Low and fixed income families felt the pinch shortly after the Korean war began.

Even with the publication of these figures there seemed little possibility that the government planned any immediate action to stop the rising cost of living. In the average American city the housewife now pays 3.5 per cent more for meats, poultry, and fish, including 10.5 per cent for pork chops, 7.5 per cent for fish, and 4.8 per cent for eggs.

Ike Says 'No'

Harold M. Stassen, former governor of Minnesota, created a lot of interest with his letter to Joseph Stalin asking for a face to face meeting of American and Russian leaders in an effort to stop the drift of toward war.

Stassen did not receive a reply from Stalin but did receive a letter of Communist propaganda, Pravda, published an article calling him silly, crude, and ridiculous, among other things.

The article was, in fact, a flat reflection of the Stassen proposal. The writer made it plain that the Soviet government does not consider Stassen's letter worth a formal answer.

The article said in part: 'Stassen demands no more, no less than a change by the Soviet Union of its policy in its conflict with the West. Stassen is not only crude but also ridiculous in advancing this wild demand which excludes all possibilities of a settlement.'

The former aspirant for the Republican presidential nomination had little to say about the article. He indicated he would wait for a direct reply from Stalin.

Symbol of Freedom Rings in Berlin

The 20,000-pound freedom bell, symbol of the hopes of free men, arrived safely in Berlin after a night run through Communist dominated territory where Red agents reportedly had orders to delay it.

## Know Your County

By GEORGIA CLARK

### Public Assistance Provided For Needy

Somewhere in Rockcastle County today there is an elderly lady who might not have had any breakfast this morning were it not for the county's public assistance program. A widowed mother, ill and unable to work, might be finding it possible to buy milk for her children if the county didn't come to her aid until she is able to provide for a hungry crew of young herself.

The organization which comes to the aid of these unfortunate people is one with a long and involved name but also an organization which is doing a big job.

Known as the Division of Public Assistance of the Department of Economic Security, the organization has headquarters in the Miller Building, located in the heart of downtown Mt. Vernon.

This group of field workers oversee a program designed to help the needy, who are unable to provide for themselves. Mrs. Fannie Mulder, Miss Rinda Brown and Miss Edna Grace McKenzie work under their district supervisor, Miss Mabel C. Moore.

The Public Assistance Program of the Department of Economic Security is a human relations program which provides monthly grants to needy persons seeking the necessities of life.

The cost is shared by the state and federal governments, but any person needing assistance makes application through his county office.

Eligible for assistance are children under 18 years old, or under 18 if attending school, or children deprived of parental support or care because of the death, continued absence from home, or physical or mental incapacity of a parent.

The child must be living in the home of a parent, brother, sister, grandparent, aunt, uncle or other specified relative.

To receive aid to the needy blind, a person must be totally blind or without enough sight to carry on ordinary activities, living elsewhere than in a public or private institution, except for temporary medical or surgical care, and must not be receiving old age assistance or dependent children aid at the time he is receiving aid to the needy blind.

To receive old age assistance, a person must be 65 years of age, or older, and living outside of a public or private institution, again except for temporary medical or surgical treatment.

The Old Age Assistance Program is not to be confused with Old Age and Survivors Insurance, which is available to all persons over 65 who have paid Social Security and are not making more than \$50 per month.

The amount of assistance is based upon current expenses and needs. In September 7 per cent of the people in the Rockcastle District received aid, compared to a state average of

## ROCKCASTLE FACTS and STORIES

By RALPH GRIFFIN

Historians are a notoriously long-winded lot, as any school-child will be glad to testify. They never say a word which they can use a sentence where it is possible to use a paragraph, nor a paragraph where there is an earthly chance of blowing it to a page. Maybe they get paid by the word.

The present chronicler is no exception, and finds it most confining to squeeze a story into the limits of a newspaper column. Right now there comes to mind a rambling narrative which might make a good beginning in Rockcastle history. It is about a pretty messy murder committed right here upon Mt. Vernon's Main Street. There then was a sensational trial and a legal hanging right here on our very own gallows.

After all, there isn't much use of digging up these old things unless the young people read them; the older people know about them already, may be. And to interest modern youth one has to compete Superman, Hopalong Cassidy, Johnny Mack Brown and Mickey Mouse. There isn't much use beginning with anything less than murder and hanging. Goodness knows what we can use for bait after

The murder which we are gradually working up to happened long enough ago that it can be recorded without offending any persons living today; a hundred and thirty years ago. It is reasonably exact, if our arithmetic is right, which it usually isn't, that puts us back in 1841. A good comfortable distance. Distant enough to avoid probability of being corrected on our first story by Judge T. T. Taylor, or Messrs. Rob and Claude Cox.

First we must set our stage. It is alright to use Main Street, that was the scene of the action; but it is going to be necessary to re-arrange it a bit.

## HOSPITAL PROPOSED

(Continued from page 1)

The possibilities of a bond issue showed favorable results, but citizens of the county have to want a hospital before a bond issue could prove successful.

First the Fiscal Court passes an order to submit the question to the people for vote. A bond issue would come up next fall at the regular election, but the amount of bonds issued would be lowered through endorsements and gifts from private individuals. In Monroe County, where final state and federal approval already has been given for a new 20-bed hospital, a bond issue provided \$108,000, including \$10,000 for the land and the federal government's "put" up \$198,200. In some counties the land for the hospital is donated by an individual, and the federal government's contribution is considerably less.

Counties also are allowed up to \$10,000 on public-health centers, and it is believed that if a county incorporates a health center in the hospital building, an additional \$10,000 would be available in state funds.

For a health center alone, the \$10,000 allocated out of funds must be matched by local funds, giving a county twenty-thousand dollars. Then the federal government will match the \$20,000, contributing \$40,000 in federal funds. In that way by the county would make possible the building of a \$60,000 health center. The health center funds are matched on a first come, first served basis.

A few of these log structures boasted false fronts. These were the stores, trading posts and saloons. There one might buy calico and gingham, boots and coarse shoes, jeans pants and overalls, hats, sugar, coffee and sweet cider. In the saloons some of the men bought whiskey that was siphoned out of a keg into large tumblers. A good spot for us to run but of space this week.

Miss Mildred Martin of the State Department of Health in Louisville was in Mt. Vernon Monday to confer with local health department officials.

At present Rockcastle County is reported to have an exceptionally high priority rating in the list of counties now being studied by the State Department of Health for federal aid, but the priority rating will go down if neighboring counties make application for a new hospital first.

For example, if Jackson County were granted approval for a county hospital, another hospital would be close enough to lower Rockcastle's priority rating, but not close enough to serve the county as well as a hospital in Mt. Vernon. With this in mind, all citizens are urged to start thinking about the need here and to support the cause as much as possible.

The hospital already is being discussed by the service clubs, and church groups and other organizations are asked to discuss the project.

In the past, the county has talked about a hospital, but to serve the county as well as impossible due to financial problems. Now federal and state aid both are possible.

### CHAMBER OF COMMERCE

The regular meeting of the Rockcastle County Chamber of Commerce was held Thursday night in the Mt. Vernon Bank Building.

## COUNTY HEALTH REPORT

(Continued from page 1)

observation at this time. A special survey is being made concerning all known old and new cases of venereal disease. The families are being asked to submit to blood tests. This work will be intensified in the near future when a thorough county-wide survey will be made by a field representative from the State Department of Health. Twenty-one of these contacts have reported for blood tests, during the quarter.

**Tuberculosis:**  
Known cases of tuberculosis in Rockcastle County-117. New cases reported this quarter-5. Patients receiving hospitalization-4. Arrested cases discharged from the hospital this quarter-2.

Contacts and suspects admitted for observation-15. Educational home visits to cases and contacts-34. Tuberculosis constitutes the major problem in the control of communicable diseases in Rockcastle County.

The free Cancer Clinic in Lexington is held every Tuesday at the Good Samaritan Hospital in Lexington. A total of 117 residents of Rockcastle County were examined or treated through the Cancer Clinic this year.

A total of 19 were referred to the clinic this quarter. Patients are supplied with gauze and other dressing materials for home treatment.

**Crippled Children:**  
Free clinics are held at the Good Samaritan Hospital in Lexington the fourth Friday of each month for children up to the age of 18. A patient hospitalized for any length of time needed for corrective treatment. Patients return to the clinic at intervals for a check up as long as it is necessary. Seventeen children returned to the clinic this quarter at which time corrective shoes were prescribed, braces applied and readjusted.

One new case has been admitted to the advisory service. One hundred sixteen crippled children are under the supervision of the Rockcastle County Department of Health.

**Rabies:**  
Patients treated this quarter-3.

Mr. Homer K. Hall, district veterinarian, has made a complete survey of all eating and food handling establishments in Rockcastle County. He has made recommendations for im-

proved sanitation and has followed up to see that these corrections were made, at which time new grade cards were issued.

To insure safe and clean milk the pasteurization plant of the one dairy in Rockcastle County is checked weekly by the health officer. Once a month a state dairymen give a rigid formal inspection. Twice a month water samples are sent from the city and Mt. Vernon to the state laboratories. Regularly the plants are inspected by a state engineer.

**Education And Publicly:**  
An estimated 4,000 people attended the movie on Venereal Disease Control which was shown during the three days of the Brodhead Fair. Five hundred pieces of educational literature were distributed at this time.

Twenty-five school room talks on immunization and sanitation were given by the public health nurse, with the approximate attendance of 900.

A movie on sanitation and hearing was shown and a lecture given at the County Teaching and County Board of Education meeting. A total of 105 attended.

**School Program:**  
All teachers and people handling food in the Mt. Vernon, Brodhead and Livingston schools have been given physical examinations and certified.

The immunization program in the Livingston Brodhead and Mt. Vernon school is being met with almost 100% cooperation. A total of 900 children have received the typhoid shots. The 150 first graders have had diphtheria, whooping cough, and tetanus shots.

Physical examinations completed next month. Children in the school will have been immunized against typhoid. The first graders will be immunized against typhoid. Children up to the fourth grade will have received physical examination.

**Roy Turner Attends State Executive Meet**  
Roy Turner, president of the Cumberland District Vocational School, attended a state executive committee meeting in Louisville Friday and Saturday. The executive committee discussed high school and vocational agricultural programs. The executive committee is made up by the presidents of the state's 19 districts.

## Still Trading . . . New Furniture For Old

Since this was advertised last week many people have taken advantage of this offer. We have accepted trade-ins which satisfied the customer and also satisfied our trade-in department. Once again your old furniture of good quality is worth money to you at our store. We will buy it or accept it as cash toward the purchase of new furniture.

There is no secret about it. Our trade-in furniture is re-conditioned and then sold. Present rising prices on new furniture and household furnishings have created this market.

This may be your best chance for years to trade in those pieces you don't like, in exchange for brand new furniture of good quality.

Come on in. WE BUY, SELL OR TRADE, just like we used to.

Attends Library Conference Mrs. Ruth Mullins attended a Library Conference in Louisville Friday.

### Doings At MVHS

By Betty Jo Childress

Everyone is busy now trying to get settled back down to the usual run of things. Things seem pretty quiet around here now after the excitement of the Halloween Carnival; but just wait—something's bound to happen soon.

Every member of the Senior Class is running around with a box of calling cards, a "Book of Senior Memories" and a fountain pen, far too busy exchanging cards and signing autographs to make any news this week.

Mr. and Mrs. William W. Riddle of Monticello, Ala., are visiting Sergeant Riddle's relatives here and in Lexington, as well as Mrs. Riddle's brother, Dr. Robert Hensley and wife of Lawrenceburg.

Mr. and Mrs. Jim O'Mara and daughter had as their weekend guests her parents, Mr. and Mrs. C. H. Childs of Detroit, Mich., and Mr. and Mrs. James Childs and family of Peoria, Ill. Mrs. Childs remained for a visit here.

Mrs. C. A. Lay and son, J. C., spent the week-end in Cincinnati visiting her daughter, Mrs. J. Young and family.

Mr. and Mrs. Leonard Langford had as their Saturday evening dinner guests, Mr. and Mrs. Morris Gaskins. Mr.

The Juniors are still holding their breath, anxiously awaiting the arrival of their new class rings. The rings are due to arrive any day now.

We are very proud of our Library this year. It is still growing rapidly. About 250 new books have been added since the beginning of school and are being enjoyed by all.

At last the thing we have been waiting for is about to begin. Basketball season, of course! Our first game is scheduled for Friday night at Hazel Green. We hope that

a large crowd will attend and will continue to follow the Red Devils this year.

### Mt. Vernon Navy Man Serving on USS Midway

Frank Jesse Folger, Chief Damage Controlman, U. S. N., husband of Mrs. Doris Folger, Mt. Vernon, is attached to a Carrier Air Group embarked aboard the USS Midway and is seeing service in the Mediterranean.

# CHEVROLET TRUCKS

with Chevrolet Power Plant and Axle

Chevrolet trucks are engineered to "take it" in every way. Chevrolet's heavy-duty hypoid rear axles offer maximum strength... with single-unit housings formed into tubular steel beams, and spined axle-to-hub connections that deliver power more evenly. Gears last longer, too... pinion gear is ball-bearing supported at each end, with adjustable thrust pod to prevent distortion on extra heavy pulls. Add these advantages to powerful Valve-in-Head engines, Synchro-Mesh transmissions, and channel-type frames. Then you'll know why Chevrolet is the most popular truck in America. Come see these great Chevrolet trucks today!
