SOIL CONSERVATION
By Clay Colson

Farm Planning
Ed Anderson of the Poplar Grove neighborhood said, "I want to get this farm to making me some money," when he was shown the soil capability map of his farm.

He bought a farm last week and rented out for many years. It has been tilled in corn and tobacco until much of the soil has eroded away.

No livestock has been kept on the farm. Mr. Anderson made an open ditch last spring, using dynamite to carry the water from several springs across a 12 acre bottom. The ditch carries a stream of water that was making the bottom useless.

Fescue, ladino clover and lespedeza will be seeded on that field in the spring.

Using the soil capability map as a guide and with the assistance of the Soil Conservation Service Technician, Ed selected a new permanent location for his tobacco. Cover crops, fertilizer and manure will be used to conserve the soil and build fertility and yields.

A few fences will be relocated to fit the use of the land. Permanent hay, permanent pasture and row crops will be put where the land is capable of supporting each crop.

Sericea lespedeza will be seeded in the spring for hay. Fescue, ladino clover and lespedeza will be seeded for pasture and seed. As each acre is seeded

it will be treated with lime, rock phosphate and fertilizer. "I may not get all of this done next year," Ed said, "but I'll get part of it then and finish as I can. I had some ideas on it but that is the reason I wanted some help on lining it all out. I want to fix each field right as I go." After discussing the best way to plow-in and seed a big gulley Ed got on his horse to go back across the Creek to help strip tobacco on a farm operated with his brother.

Any farmer can get the same help Ed got in planning his farm. A complete plan should be in the farmer's mind, not just what one field, one branch or one hillside needs.

Nurse Tells How Hadacol Was So Helpful To Her

Supplied Vitamins B1, B2, Iron and Nicotin Which Her System Lacked

Mrs. Jennie Lee Adele, 412 N. 27 St., East St. Louis, Ill., a nurse, says she wishes she had found out about HADACOL sooner because since taking HADACOL she feels so good. Mrs. Adele was suffering a deficiency of Vitamins B1, B2, Nicotin and Iron which HADACOL contains.

Here is Mrs. Adele's own statement: "I have been a nurse for over 14 years. My food never seemed to agree with me. I heard one day how so many folks were being helped because of HADACOL. I tried it and after 2 bottles I could tell a big improvement. Now I eat anything I want—sleep well and I am full of energy."

Why HADACOL Gives Such Fine Results HADACOL does not bring just symptomatic relief. HADACOL now makes it possible to actually relieve the cause of aches and pains in the shoulders, legs and arms, certain nervous disturbances, and a general run-down weakened condition due to deficiencies of Vitamins B1, B2, Nicotin and Iron in your system. HADACOL not only supplies deficient systems with extra quantities of Vitamins B1, B2, Iron, and Nicotin but also helpful amounts of important Calcium and Phosphorus.

—elements so vital to help maintain good health and physical fitness.

Why These Vitamins and Minerals Come in Liquid Form There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

Don't Be A "Doubting Thomas" After reading Mrs. Adele's wonderful experience with HADACOL—how can you doubt that this great new nutritional formula will help you if your system lacks Vitamins B1, B2, Iron, and Nicotin?

What HADACOL did for Mrs. Adele, it can do for you if you're troubled with aches and pains in the shoulders, legs, and arms, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for? Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

Bold On A Strict Money-Back Guarantee HADACOL even helps build up the hemoglobin content of your blood (when Iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful!

Be fair to yourself! Give yourself a break if you have such deficiencies. Why continue to drag yourself around—burden to yourself and your family—when relief may be as close at hand as your nearest drugstore if you suffer a deficiency of Vitamins B1, B2, Nicotin and Iron. This great HADACOL is inexpensive, too—costs only a small amount. Trial size, only \$1.25. Large family or hospital size, \$3.50. If your drugstore does not have HADACOL, order it direct from The Lab-Sass Corporation, Lafayette, Louisiana.

Doings At MVHS

By Betty Jo Childress

The highlight for this week is of course, the basketball season has now begun. November 17, is the date for our first home game and we're sure everyone will want to attend.

The Glee Club held a meeting on Wednesday, November 9, and elected the following officers: president, Betty Jo Childress; vice-president, Barbara Hillon; secretary-treasurer, "Kaki" Fred.

There's been quite a bit of excitement over our annuals this year. They are to be leather bound. Group pictures were taken Tuesday. Plans are now well under way in the Senior Class and we're hoping to make this the best annual yet.

Livingston High School News

By Laura Ruth Bingham

The Livingston Blue Devils journeyed to Crab Orchard Friday night to engage in their first game and their first victory. During the very first second of the game the boys of the tip-off hit the home team's mighty basket. That basket led to many more just like it.

The Blue Devils held the lead at the end of the first quarter, found a score of 65 to 39 chalked up on the old scoreboard.

The next basketball game is stirring up a lot of excitement here as it will be our first home victory.

By the way, it's this Friday night at 7 o'clock and everyone is invited to join the fun.

The Livingston P. T. A. will meet Monday afternoon at 3 o'clock. All old and new members are urged to attend.

Mrs. Nancy Fife of Ansville, spent the week-end here with Miss Mandy Moses.

Mrs. Chuck Scott, Sr., who has been living in Louisville, is now living here with her daughter, Mrs. Lon Blatz.

Mrs. Tommy Jones of Winchester spent Tuesday evening with Mrs. Bertie Cummins of Hamilton, O., who spent here with relatives and on Friday night followed the Blue Devils to Crab Orchard to see them start their basketball season.

Mr. Frank Mardis is in Covington, Ky., this week to take his 32nd degree in the Masons.

Miss Lucille Pointer, a senior of the Livingston High School underwent an operation this week.

Red Devils Defeat Waynesburg 58 - 49

The Mt. Vernon Red Devils defeated the Waynesburg basketball team 58-49 in the second game of the season. The game was played on the Waynesburg floor. The first Mt. Vernon game was against Hazel Green Friday night, with the Mt. Vernon team bowing to Hazel Green 51-28.

In the Hazel Green game, the Red Devils trailed only four points at half-time, but lost out in the second half. The half-time score was 19-15.

Coach Albright attributed the team's first loss to experience and the fact that the team played its first game away from home, but reported that his boys came through with flying colors in their second game.

The Red Devils led all the way. The score at the end of the quarter was 16-14, at the end of the half the score was 28-18 in favor of Mt. Vernon.

High scorers in the Waynesburg game were George Robinson, with 20 points, and Paul Man with 18. Other members of the starting line-up were Paul Cummins, Jones Brown and Edward Owens.

Substitutes seeing action in the game were Charles Baker and Paul Carter.

The Red Devils will play their first home game of the season Friday night against Berea.

No Cases Listed For Thursday

Circuit Court will open here at 9 o'clock Monday morning with Judge R. C. Tarter of Somerset on the bench, but a recess will be declared Thursday in observance of Thanksgiving.

Court will be in session for 30 judicial days. More than 60 cases are listed on the criminal docket, according to Circuit Clerk G. W. Murphy, and additional indictments are expected to be made by the Grand Jury.

Recent happenings to be considered by the Grand Jury are the shooting of Letcher Taylor in the Broodhead jail last week and the shooting of Roy Mink last Wednesday at Sand Hill. Dan Wilson, former special deputy marshal of Broodhead, has been charged with shooting with intent to kill in connection with the Broodhead case. The Grand Jury will consider evidence against Willie Cromer in connection with the Sand Hill shooting.

The circuit court may schedule a new trial for Arlo Blackburn, who was given 15 years in January for the killing of James Smith in Livingston. Blackburn's case has been reversed by the Court of Appeals.

PARENTS RECEIVE LETTER FROM SON IN KOREA

Mr. and Mrs. Fred Baker of Pine Hill finally have received a letter from their son, Pfc. Norman Baker, who they feared was missing in action in Korea. No word had been heard directly from the service man since.

Arrest Made Here In Shooting Case

Willie Cromer, father of George William Cromer, who was first to death in the Sand Hill section on September 2, has been arrested in connection with the shooting of Roy Mink in the same section of the county last week.

The senior Cromer is charged with malicious and willful shooting with intent to kill. The warrant is sworn out by the wounded man's brother Robert Mink, who claimed that his brother remembered seeing his father before losing consciousness.

Roy was shot about 4 p. m. last Wednesday while riding horseback near his home, and was taken to the hospital in Stanford for treatment of gun shot wounds.

Cromer was arrested for the shooting Saturday night by Deputy Sheriff Dewey Ballinger. He was released on two-thousand dollar bond, with examining trial set for Saturday before County Judge Carl Williams.

Robert and Nathan Burke were arrested in connection with the killing of Cromer's son. Robert Burke is charged with first degree murder and Nathan is charged with accessory. The Burke brothers also are on bond, but during this expected to come up in court.

BARBARA MESSER HOME-COMING QUEEN

Miss Barbara Ann Messer, daughter of Mr. and Mrs. Jim Messer of Crab Orchard, was named homecoming queen of Georgetown college during homecoming ceremonies Saturday.

Barbara is a junior at the college and serves as captain of the cheerleaders and vice-president of her sorority, the Kappa Sigma. She was named homecoming queen by the football squad and participated in the homecoming parade which started about 11 o'clock Saturday morning.

The Crab Orchard girl was crowned Saturday afternoon in ceremonies held on the football field just before the kickoff of the Georgetown-Union game.

The homecoming event was the third time Barbara has been honored as Queen, having served as beauty queen of her school for two consecutive years while attending Crab Orchard High School.

BRODHEAD MAN GIVEN ACQUITTAL

Lee Napier of Route 2, Broodhead, was acquitted Saturday of a charge of malicious shooting by a jury in the Lincoln Circuit Court, according to a report in this week's Intero-Kentucky Journal.

The Stanford newspaper reported that the Broodhead man was indicted by the Grand Jury there in May after a shooting affray with his neighbor, William Bishop.

The trial was held last week in Lincoln Circuit Court according to the Stanford newspaper account. Napier claimed that Bishop first shot him in the back and the head with a .38 pistol, at Bishop, who was standing 35 yards away in the door of a tool shed.

The complete charge against Bishop was malicious shooting with intent to kill, which was brought out in the case revealed that bad feeling had existed between the two men for more than a year.

Site of New Bus Station Has Historic Background

IT LOOKS LIKE SKIDROW for this old house as it starts its way from Main street to Spring street. A sparkling gem and scene of social activity days ago, it must now move over to a new room for the new Greyhound Bus Station on the site.

As Mt. Vernon looks forward to a modern new Greyhound Bus Station in the near future, with the moving of the old Bethurum house on Main Street bringing the day nearer and nearer, old timers in the town are turning to reminiscing.

Both Bob Cox and W. T. Davis recall the white two-story log house stood on the lot designated for the bus station. The white frame-house, which is being moved to the back of the lot to make way for a new building was built after fire destroyed the original log house.

The fire broke out on the night of August 12, 1898 and before the night was over the Bethurum house had been burned out. Mr. Davis remembers the night of the fire best, as his son, Charles was eight days old at the time. Charles Davis was born on August 4, 1899.

Also destroyed in the fire were a log store house operated by "Uncle Jack Adams, on the site of the present-day U. G. Baker store, and a log building housing the N. J. Miller Store, and M. C. Williams Drug Store.

Most of the buildings were of two-story log construction with a few box-houses scattered here and there.

The log house which stood on the site of the new bus station was the home of the J. J. Williams family. Mr. Williams remembered here as "Uncle Jake" built the house now known as the old Bethurum place about 1899 or 1900.

Bethurum came into the picture when one of Uncle Jake's daughters, Leonarda Bethurum, for many years Rockcastle County judge and attorney.

Judge Bethurum's wife was known as Aunt Matt and will be remembered by many Rockcastle Countians along with Uncle Jake's two daughters, Zula, who became Mrs. W. J. Sparks, and Fanny, who was known affectionately as "Auntie Adams."

As one traces the history of the old house, even Daniel Boone's name comes into the picture. It seems that Boone's

Dawson Springs Scene Of National Fox Hunt

The National Fox Hunt is being-held in Dawson Springs, Ky., this week as a follow-up of the Kentucky State Hunt, which was held at Renfro Valley two weeks ago. The national hunt was last held at Dawson Springs in 1926.

Although Clyde Barnett, Mt. Vernon fox hunt director, reports that he knows of no Rockcastle Countians planning to enter the national event, one state trophy is being held in the county. Henry York of Conway holds a combination trophy for taking second place in the all-age group with his hound, Big Scottie.

J. B. Blevins of Flemings place went to Rockport, owned by Dr. Mitch Caspar of Louisville.

But's entry lost out in points for first place only in the hunting division. The score was tied for bench show and field accomplishments.

FUTURE HOME-MAKERS HOLD DISTRICT MEET

The fall district meeting of Future Homemakers was held at Richmond Saturday, November 11.

The following delegates attended from Mt. Vernon: Dorothy Sowder, Edith Hurst, Louisa Lewis, Bonnie Lee Furell and adviser, Mrs. Smith. Dorothy Sowder led the re-players for the group and Edith Hurst led a group discussion on degrees. Eight chapters were represented at the meeting.

Mrs. Cora Hansel Dies In Louisville

Mrs. Cora Alice Hansel, wife of Billy Hansel, Mt. Vernon, and the mother of two young children, died at 10:10 a. m. Tuesday in St. Joseph's Infirmary in Louisville. She had been ill about eight weeks and underwent an operation three weeks ago, but had been in critical condition since before the operation. Death was attributed to cancer of the brain.

Born August 21, 1921, Mrs. Hansel died at the age of 29 years and three months. The Hansel children are Janice, 11, and Billy Melvin, 8. Also surviving in addition to the husband and children, are her mother, Mrs. Eliza Barnett, Red Hill, and three brothers, Quinton Barnett, Mt. Vernon; Goldie Barnett, Renfro Valley; and her father was the late Melvin Barnett.

Funeral services were to be held at 2:00 p. m. today at Mt. Vernon Baptist Church, of which Mrs. Hansel was a member. Rev. Wendell Belew was to preach the funeral, with burial in Elmwood Cemetery.

Funeral Held Sunday For Mrs. Debbie Leger

Funeral services for Mrs. Debbie Ailed Leger, who died Friday, November 10, at the age of 71, were held Sunday afternoon at her home on Cove Street, Renfro Valley, by J. P. Philbeck officiating as pastor in the McNew Cemetery.

Mrs. Leger was born May 5, 1879. She was united in marriage to Frank Leger of Chicago, 1899. To this union were born 13 children.

The surviving children are two sons, Frank and Charles Leger, and five daughters, Mrs. Ellen Deas, Mrs. Margie Brown, Mrs. Dovie Allen, Mrs. Minnie Barnett, and Mrs. Fannie Stewart. Six brothers and one sister also survive.

Mrs. Leger was united with the Renfro Baptist Church in 1932 and lived a more than life. She was loved by all and will be sadly missed by her surviving brothers and sisters, as well as the many friends she favors to mourn her passing.

Program Scheduled With CBS Network

Now it can be told. Renfro Valley's new sponsor is the General Foods Corporation. The contract was signed last week in New York, and John Lair returned to Mt. Vernon Saturday with the important papers in his pocket.

For Renfro Valley, the new contract means that the Renfro shows will be heard every day of the week over the Columbia Broadcasting System, one of the nation's largest radio networks. In Kentucky, the Renfro Valley folks still will be heard over Louisville Radio Station WHAS, but the show also will be heard over other CBS radio stations all over the country. At present plans for the new shows aren't near enough completed to report, but as Mr. Lair said before, the new deal is the biggest thing ever to happen to Renfro Valley.

The Saturday night show will be broadcast in the back country will go on the air at 7:30 p. m. Central Standard Time (8:30 Eastern time.) but new talent will be added the first of the year.

The daily shows will be heard from 7:30 to 7:45, each weekday morning, with the newest of the new in store for daily listeners.

As announced in the Signal before, the daily programs will be broadcast in the back country to be added to the present Renfro Valley Enterprises. Plans already are underway to start construction of the County Store, to be located between the barn and highway and transferred after the old-time establishments of this community.

In addition to the daily programs, the new schedule also will include a Sunday morning broadcast to be aired over network stations. The new broadcast of 45-minute duration, will be heard from 7:30 o'clock until 8:15.

Although no names of new additions to the Renfro cast are available at present, auditions are being held almost every day to enable Renfro Valley to seek out the very best radio performers in the folk music field.

Entertainers are coming to Renfro from all parts of Kentucky and as far away as Wisconsin. They are available with the Renfro Valley shows. They come from Ohio, Indiana, Illinois and Michigan, as well as Kentucky and Georgia. And each and every person has a chance to show off his talents. The new show will start January 1, 1951.

Homemakers Training School
Mr. Charles P. Taylor, Educational Director of the American Cancer Society, will conduct a training meeting on controlling cancer. The meeting will be held on the third floor of the Agriculture Building at Berea, on Friday, December 1, at 10:00 A. M. The meeting will adjourn at 12:00 noon.

Mr. Taylor was the principal speaker at the Annual Day meeting, and was very informative. Cancer prevention and how a person may examine their own body for symptoms will be discussed. Two movies will be shown on these subjects.

The Health leaders from each Homemakers Club will please attend this meeting.

Homemakers' Xmas Program
For the Homemakers December meeting a Christmas program will be the main part of the meeting.

Each year Mrs. Stanley Powell, Berea, writes a program for the Homemakers to use in their Christmas meetings. The women enjoy the programs very much. They are written with numerous parts for the women in each club and some of the individual clubs always tells the beautiful Christmas story Mrs. Powell writes. Mrs. Powell's stories are written so that they can also be adapted for home and church use.

Mrs. Powell has been doing this for her fellow homemakers for the past five years. She is the County Recreation Leader and also the recreation leader in her own club which is the Whites Station Homemakers.

Bus Station Site Has Historic Background
(Continued from page 1)

In recent years the house has been the home of the Fred Murrell family and the Ivory Zengin family. And as the town of Mt. Vernon looks forward to a new bus station, an old landmark is moved to the background. The house still will be standing, but the new location is Spring Street, with the new bus station to take the limelight on Main.

The house was moved this week by a crew of six men and a couple of trucks. Excavation for the basement of the bus station building is expected to start within the next few days.

George Harmon Funeral Friday At Brodhead.

Funeral services for George Harmon, Brodhead, who died at the Stanford Hospital, will be held at 2 p. m. Friday at the Brodhead Baptist Church. Mr. Harmon was born May 4, 1874, and died at the age of 76. He is survived by his wife Mrs. Matilda Harmon; a brother, who lives in Missouri; and several sisters.

Life thousands of mothers with large families and small budgets, I'm making this a PRACTICAL CHRISTMAS by giving Happy Jack and Happy Jill. They are so easy on my list, I KNOW my little ones won't be disappointed as long as I use WASHINGTON. If you can't afford to spend for every gadget this Christmas, why not give YOUR family the practical Christmas gift, Happy Jack and Happy Jill.

Last week left us trying to take a few facts, tie them to Saturday, offering huge gifts together with a bit of imagination, and recreate the Mt. Vernon of 1841. There were trading posts, a tumbler of sweet cider to eat tobacco, black powder and bar lead. The ad would be melted down into bullets for the "hog-ribs" and "hoss-pistols." The tobacco would probably have slamed a modern man as quickly as the lead and powder mixture.

The stories didn't go in for do-dads and knick-knacks to any noticeable extent nor did they cater to tourists. Seems odd doesn't it? Tourist didn't wasn't as heavy then as now. Dr. Walker and Daniel Boone had been thru a few times in earlier days; after they quieted down thru things quieted down until you might say that there just wasn't any tourist travel. It wouldn't have been much fun touring around with your family in one of those open ox-carts, either.

Last week some thirty cabins were referred to as huddling alongside the Wilderness Turnpike. Our young folks will be startled, no doubt, to learn that these were not tourist cabins at all, but that people actually lived in them all the time. Touseled-headed children darted in and out the doors in their play. Mothers screamed at them from doorways, loudly affirming that they were certain to be run over and trampled by oxen before night-fall.

Mongrel dogs fought over garbage and hogs roared and will. In the very middle of the road a huge sow made a bed for herself and lay down to suckle her brood. Chickens scratched industriously where ever and whenever they were inspired to do so. Two or three disconsolate looking slave

Let us give thanks!

Dear Lord, how can we thank Thee half enough,
For all Thy gifts to us this fruitful year!
For spring's bright promise gloriously fulfilled
This harvest-time: for these that are more dear
Than bread assured: all the sweet joys of life—
Home, work, love, friends—that gild the passing days;
And children's laughter on the evening air—
For all, dear Lord, we give Thee grateful praise.

But most of all, O God, we thank Thee for
Our cherished heritage of freedom. Here
Where men walk safely, surely; speak and pray
As each one wills, and freely, without fear,
Lord make us strong to hold and spread this boon!
From our abundance help the weak to raise
Their hearts and come to share our brotherhood,
And join with us in songs of thanks and praise!

The bride is a graduate of the Mt. Vernon High School and attended the Spencer Business College in Louisville. She formerly was employed with Renfro Valley Enterprises.

Hurst-Taylor Wedding Performed In Indiana
Miss Mabel Hurst of Willailla became the bride of James W. Taylor of Hilton, Va., in a double ring ceremony performed Friday, October 27, at the home of Mr. and Mrs. Francis Taylor in Richmond, Ind. Officiating minister was the Rev. W. F. Badgett.

The bride wore a navy blue crepe street dress with black accessories and gold costume jewelry. Her flowers were a corsage of gardenias and red rose buds. The bride's attendant was her sister, Mrs. Grace Nicholson of Indianapolis, who

wore a brown crepe street dress with brown accessories. Mrs. Nicholson's corsage was of white carnations. Best man was the bride's brother, Mr. Roy Hurst, of Indianapolis.

Decorations for the wedding included candelabra on each side of the mantel, with a large rectangular vase of pink and white mums in the center of the mantel. Palms were placed on each side of the vase of flowers.

Following the ceremony, a reception was held at the Richardson home. The table was centered with a three-tier pink and white wedding cake and Mrs. George Griffith, bingo. Hoyle Good assisted in serving. After the reception, the couple left for a wedding trip to the bride's home in Willailla. The bride's traveling costume was a black wool gabardine suit, with black accessories.

The couple will make their home at 1019 1/2 Sheridan St. in Richmond, where the bridegroom is employed with the Crosey Corporation. The bride is employed at the Beldon Manufacturing Company in Richmond.

Mr. and Mrs. Iren Cummins of Lawrenceburg spent the week-end with their parents, Mr. and Mrs. Asher Cummins. Mr. Cecil Mullins spent Wednesday in Lexington.

Miss Doris Bowling spent the week-end with Mrs. Ethel Mr. Billy Pinnix of Dayton, O., spent the week-end with his mother and family here.

Mrs. Greth Carpenter left Sunday for a visit with her daughter, Mrs. Hubert Hodge and family in Paris, and from Paris went to Ohio, where she is visiting with her mother. Mrs. Ed Martin of Germantown, her daughter, Mrs. Virgil Tinch and family of Franklin, and other relatives. Mrs. A. F. Hoffman is confined to her home due to illness. P. T. A.
