

Textile painting by craft leaders is to be the lesson for the July meetings of Homemakers. Each member bring textile paints, and brushes, a small artist brush, material which is to have design put on it. It should be washed, ironed and hemmed. That is it needs to be a finished article unless you desire to make an all over design. You should wear a wash dress or apron.

Schedule of Meetings For Homemakers in July
 Friday, June 29, 10:30 a. m., West Union Club, Mrs. Sheridan Bowman.
 Tuesday, July 3, 10:30 a. m., Whites Station, Mrs. M. F. Maupin.
 Thursday, July 5, 10:30 a. m., Silver Creek Club, Mrs. Harry Hazelwood. Co-hostess Mrs. Dan Lengelinger.
 Friday, July 6, 10:30 a. m., Big Hill Club, Mrs. Robert Hendricks.
 Tuesday, July 10, 1:30 p. m., South Berea Club, Mrs. Leon Fliske.

Monday, July 18, 7:30 p. m., Brodhead Club.
 Tuesday, July 17, 7:30 p. m., Seaford Cane Club, School Building.
 Thursday, July 19, 10:30 a. m., Mt. Vernon Club, Mrs. Bob O'Mara.

BABIES SHOULD BE KEPT COOL IN SUMMER

Babies kept cool and healthy during the hot summer days make for cooler, calmer, happier mothers and thus happier families. Dr. Cathryn Handelman, head of the Division of Maternal and Child Health for the State Department of Health, points out:
 If baby could talk he would ask to be dressed as coolly as possible and kept out of the hot sun. If he is left in a shady spot to play in his pen, mother should make sure the sun doesn't shift and expose him to the hot sun rays.
 Dr. Handelman suggests that on very hot days baby be sponged frequently and that a clean sheet on the floor is a cool spot for a very young baby who

lies between feedings and that baby and his food and toys. Infants should not be given extra salt in hot water, she says, but water that has been boiled and cooled should be offered to the child more frequently. "And be sure never to leave a baby or small child in a parked car on a hot day," she warns. "Another hint—if the temperature is exceptionally high, dress the baby accordingly!"

COMMONWEALTH OF KENTUCKY DEPARTMENT OF HIGHWAYS NOTICE TO CONTRACTORS

Sealed bids will be received by the Department of Highways at its office, Frankfort, Kentucky, until 10:00 A. M. CENTRAL DAYLIGHT SAVING TIME on the 13th day of July, 1951, at which time bids will be publicly opened and read for the improvement of: **ROCKCASTLE COUNTY, RS 102-317 The Level Green-Hansford-Billows Road from Ky. 80 near Billows extending north 2.3 miles. Reconstruction and traffic bound surface.**
 The attention of prospective bidders is called to the preliminary requirements and qualification requirements and necessity for securing certification of eligibility, the special

proposals after 9:00 A. M. CENTRAL DAYLIGHT SAVING TIME on the day of the opening of bids. Proposals will not be issued except during official business hours.
 NOTE: A purchase charge of \$2.00 will be made for each proposal. Remittance must accompany requests for the proposal forms. Refunds will not be made for any reason.
 Further information, bidding proposals, et cetera, will be furnished upon application to the Frankfort Office. The right is reserved to reject any and all bids.

Farmicals

Sponsored by **KESSLER JEWELERS** Richmond, Ky.
 State Veterinarian, L. L. Breck warned all stockyards that beginning July 1 all sheep returning to the farms which pass through the yards must be dipped—or the yards will be quarantined.
 The state Agricultural and Industrial Development Board announced that nearly a billion

sheep when full production is reached.
 The Kentucky Public Service Commission began a survey to determine the number of farms in each county having electric and telephone facilities, to determine the extent of rural progress in the utility field. It called on all county farm agents to assist.

Governor Wetherby urged all persons and organizations concerned with land use to give soil conservation district supervisors special support during Soil Conservation District Week July 22-29. In proclaiming this week, Governor Wetherby noted that "the rich topsoil of Kentucky's land is still being allowed to wash away—despite the fact that never before has the safeguarding of soil and water been so vital."

Licenses are required for fishing in private waters by persons other than the owner, resident members of their families and tenants according to a ruling of the Attorney General's office.

CALLOWAY

Mr. and Mrs. Calvin Cope and sons of Richmond, Ind., are visiting relatives here. Mr. Henry Moore was taken to Berea Hospital in a serious condition Tuesday.
 Mrs. John Gray remains very ill.
 Mr. and Mrs. Roy Bundy and son have returned to their home in Cincinnati after a visit with his mother, Mrs. Rissie Bundy.
 Miss June Kincaid and brothers, Billy and Keith, are spending the summer in Blue Ash, Ohio.
 Mr. and Mrs. Joe Phillips have returned from Rhoda, Va., where they were called due to the death of Mr. Phillips' mother.
 Miss Lois Kirby spent last week with her grandmother Mrs. Susie Miller at Luner.
 Mr. Ernest Moore has moved his family to Mt. Vernon.
 Mr. and Mrs. Charles Elliott have moved to Burr.
 Mrs. Annie Cox is still very ill.
 Dinner guests at the home of Mr. and Mrs. Ballard Cummins Sunday were Mr. and Mrs. R. E. Sears and son, Don, of Covington, Mr. and Mrs. Mary Bledsoe of Richmond, Mr. and Mrs. Ray Bledsoe and children of Leebos and Mr. and Mrs. Frank Bentley of Lexington.
 Mrs. Ruby Hayes of Cincinnati is visiting her mother, Mrs. Cleo Goforth.
 Mrs. Fike of Livingston visited her sister, Mrs. W. H. Ponder Sunday.
 Miss Jessie Bullock and Mr. Delbert Martin were united in marriage Tuesday. Their many friends wish them a long and happy marriage.

PRUNE EVERGREENS NOW
 July is about the best time to prune evergreens, says N. R. Elliott of the College of Agriculture and Home Economics, University of Kentucky. He said to remove about half of the new growth, but the main central stem should never be removed until the plant is as tall as desired. Drastic pruning, where cuts are made into old wood, is not recommended for evergreens.

OH MABEL—CALL UP RIGHT AWAY AND RENT TWO MORE LOCKERS!
 Half the fun of having a garden is being able to save the fruits and vegetables you grow. And the best way to do this is to put them in a frozen food locker.
 It's especially wise in these days of war tension to save all the products of your garden and enjoy them throughout the year.
 Many families are renting an extra locker this year just to store fruits and vegetables. It's a wise precaution.

SLANDER SUIT

(Continued from page one) "D" If it were not for the measure of your findings it will be such a sum as you shall believe from the evidence will reasonably compensate the plaintiff from mental distress, loss of injury to his character, if any proved, loss to his business, if any proved, which were occasioned by the publication complained of, not to exceed the sum of \$30,000.00 the sum due for compensatory damages as used in these instructions means such an amount in damages as will be reasonably adequate to compensate plaintiff for any loss or injury, if any proven, that was sustained by him on account of the publication complained about.

"F" If you believe from the evidence, that prior to the publication and distribution of said article, there was, in Pulaski County, a general rumor that plaintiff was doing the things named and that he acted on said rumor in whole or in part, in the publication and distribution of the articles complained about, then you may consider said rumor and defendant's reliance thereon, in mitigation of any damages you may believe from the evidence, you ought to assess.

(H) Nine of your number agreeing may return a verdict, but if as many as nine and less than all of you agree, each juror agreeing to the verdict must sign it.

"I" If you all agree, you may return a verdict by your foreman. The verdict returned and signed by Marvin Allen, Foreman of the jury, read: "We the jury find for the defendant; no damages for Sandusky."

Judge Sandusky said he would appeal the case. After Judge Sandusky filed his suit, Mr. Hatton sued Judge Sandusky for \$30,000 in the counter claim. A demurrer to the counter claim was sustained some months ago on the grounds that the statute of limitation had run out.

EXCESS TOBACCO PENALTIES ANNOUNCED

Section 314 of the Agricultural Adjustment Act of 1938, as amended by Public Law 302, 78th Congress, approved February 19, 1946, provides that the marketing of any kind of tobacco in excess of the farm marketing quota (i.e., the actual production of the farm acreage allotment) shall be subject to a penalty of 40 percent (calculated to the nearest whole cent) for such kind of tobacco for the immediately preceding marketing year.

RESOLUTIONS OF RESPECT ASHLAND LODGE 640 F & AM

WHEREAS, It has pleased Almighty God in His infinite wisdom to call from his labors here on earth to his reward in the Celestial Lodge above, our dear and beloved brother, Willis Adams McKenzie, who departed this life May 19, 1951, member whose memory we shall always love and cherish; the wife a devoted husband; the children a kind and loving father, and the community a just and honored citizen.

RESOLVED, That we, his Mason brethren of Ashland Lodge No. 640 deeply deplore the passing of Bro. McKenzie and extend to his family our heartfelt sympathy in the hour of our mutual bereavement.

RESOLVED, That a copy of this resolution be presented to his family, a copy be spread upon the minutes of the lodge, a copy be sent to the Mt. Vernon Signal for publication therein, and a copy sent to the Masonic Home Journal for publication therein.

Trench Silos Add To Dairy Profits

Many dairymen get around the problems of building upright silos and buying field choppers and blowers by using trench silos and putting up grass without chopping, points out Glyn E. Williamson of the Dairy Section of the College of Agriculture and Home Economics, University of Kentucky.

By this method, he says farmers need only to dig the trench, mow the grass, dump it into the silo, pack it over with straw and four to six inches of dirt. Almost any kind of covering trench silo as soon after after will do so long as it is six-foot high. The whole grass is put into the cutting as possible.

Silage made in this way is a little more difficult to remove from the trench, Williamson admits. A broad ax, hay knife or an implement made from a plow collar with a handle welded to it, may be used to cut the silage sections before removing.

Trench silos should be placed near the barn. Some dairymen gravel or hard-surface a road from the silo to the barn, so the silage can be hauled by truck, jeep or trailer to the feed trough.

After using a trench silo a few years, some farmers concrete the sides and bottom. Although it requires more labor to feed silage from a trench, good quality silage and relatively inexpensive roughage can stretch the pasture period of grass for many days and add dollars to the milk check, commented Williamson.

VOLUME 65—NUMBER 40

Real "Gasser" Struck At Ray Scoggins Farm

Equal In Value To 25-Barrel Oil Well

A new gas well was brought in this week by James Dorst on the farm of Ray Scoggins at Ottawa. Dorst is the driller of four producing wells in the Mt. Vernon vicinity. The new well is a real "gasser" it is said, showing first pay at a depth of 350 feet and the gas flow increased to a depth of 374 feet. Drilling will continue to approximately 390 feet.

The volume of gas now coming from this well is estimated at near a half million cubic feet per day with rock pressure of 200 pounds or more.

When the pay strata is fully penetrated the well is to be accurately gauged.

A gas well of this magnitude is estimated to be of as much value as an oil well producing 25 barrels a day.

From the best information obtained the outlook for the development of oil and gas in this county grows brighter and brighter from week to week. Operations whose first purposes were to obtain oil are now getting into the next stages of planning for a drilling campaign in earnest.

As new locations are made in this well is stocks, it is possible to correct advice on the progress. Believing that the progress should be interested we will also try to present some of the technicalities of the subject in an understandable form.

Last Drawing Will Be Held July 7th

The last drawing of the season of the Mt. Vernon Boosters and family, Mt. Vernon Saturday afternoon, July 7th at 2 o'clock, Courthouse Square. All persons holding tickets should be present with all of the tickets collected this year for the grand prize drawing.

Wildie Rockies Rolls Over Hackley

The Wildie Rockies won their sixth baseball game Sunday afternoon by defeating the Hackley Nine 17-6. The Rockies, after two outs had been scored against them in the first inning, big bats began to bang away and when the smoke died away they had scored their hits which accounted for 8 runs. But this was not all the scoring for the Wildie Nine as they picked up three runs in the second and third innings with two in the fourth and four in the fifth and scored one in the seventh. Giving the Rockies a total of 21 hits and 17 runs.

The leading basemen for the Rockies were the Hiatt brothers, Billy and Jackie, each connecting for home runs. Elly also collected four other hits for a total of five hits in six trips to the plate.

Notable "Bobby" Robinson, Wildie Ace right hander limited the Hackley team to eight hits and six runs.

D. T. Porter Dies At Lexington Hospital

D. T. Porter, age 57, died June 14 at St. Joseph's Hospital, Lexington. Mr. Porter suffered a fall at his home in London one week ago. Born at Benge, Ky., March 1894, son of J. H. and Alice Long Porter. He united in marriage to Cecil Touis, October 1915. To this union were born two children, both dying in infancy.

He leaves to mourn his passing, his wife, Mrs. Cecil Touis Porter, one brother, Dr. M. F. Porter of Manchester, and three sisters, Mrs. Martha Pennington and Mrs. Rhoda Evans, of Mt. Vernon, and Mrs. Alza Wright, Anchorage, Ky.

Mr. and Mrs. Porter worked for Lynch, Ky., in 1919, where he was employed by the U. S. Coal and Coke Co., there he held a position as Big Steel Inspector for a few years, and later was Assistant Mine Foreman, until he resigned in 1945.

They then moved to London where he was owner of the Farris Hotel.

Mr. Porter was a Mason and had been a member of the Baptist Church since young manhood.

Funeral services were held Saturday at the First Baptist church with the Rev. Walters officiating. Burial services followed in the A. E. Dwyer Memorial Park by the Rawlings Funeral Home.

Ottawa Woman Attempts To Take Her Life

Mrs. Norman Moyer who lives near Quail, this county made an unsuccessful attempt to take her own life Tuesday afternoon, by shooting herself in the left breast and arm.

No cause for the act was given by Mrs. Moyer to attendants of Cox's Ambulance Service who removed her to the Patton A. Clay Hospital. Her condition is reported favorable.

Thompson Body Returned From Korea

The body of Clarence H. Thompson, 22, of Crab Orchard, arrived in Stanford at noon on Wednesday, June 27, 1951.

Clarence Thompson was born June 23, 1928. He enlisted in the U. S. Army on February 13, 1950, and was killed in action on the Korean front September 5, 1950.

He is survived by his mother, Mrs. Martha E. Thompson, and four brothers.

Services will be held Friday, June 29, at the Crab Orchard Baptist Church at 1 p. m. Burial will be at Ottawa, Ky.

Produce Truck Wrecks At Calloway Curve

A large produce truck, loaded with oranges, apples, plums and other fruits was badly damaged around noon Wednesday when it left Highway 25 at a curve just south of Calloway.

The truck's driver, W. J. Parris of Fletcher, North Carolina, was hurt when the cab was crushed in the turnover.

He was in a state of coma when brought to the office of a local physician by the Cox Ambulance and later removed to Berea Hospital.

It is believed that the driver lost control when the truck hit the newly-repaired and oiled highway which was wet at that time. The truck was badly damaged.

Foggy Mountain Boys To Play School

The Foggy Mountain Boys, with Lester and Earl Scruggs and a troupe will give a performance Friday night, June 29, at 7:45 o'clock.

This group, among its appearance at the request of numerous persons who have heard them before, both on the radio and in personal appearances.

There will also be a contest held for the prettiest girl present, so come out and support your girl friend to the limit. Shows at Mt. Vernon High School.

Eugene Clark Runs For State Senator

Eugene H. Clark, a candidate for Senator of the 19th Senatorial District was born and reared on a farm on Scroggin Creek, in Clay County, Kentucky. He attended school at Oneida, Lincoln Wilson Junior College and Union College.

The Homecoming, although a success last year, will not be held again this year.

The school's recreation fund will be used for building an all-weather, tennis, volleyball and basketball court.

The school has raised most of the funds for building the court through the PTA, Athletic Club and the Homecoming Fund.

"MISS AMERICA WOULD 'CLEAN UP' POLITICS"

Mrs. Venus Ramey Murphy wife of Joe Murphy, Stanford auto dealer, and the "Miss America of 1949" is a candidate for State Representative of Lincoln County.

Mrs. Murphy says in her announcement that having "been told that politics is a dirty game she has a desire to get my broom and clean it up."

Wheelbarrow Woman Pushes To Los Angeles

If it means anything to you, Mrs. Julia Roka King St. Clair and her son, Delphy, have now pushed their wheelbarrow from Jacksonville, Fla., to Los Angeles, Calif. The pair started out May 13, 1950, averaging about 300 miles a month, and sleeping in vacant houses, railroad section houses, garages, or anything handy.

Two years ago they passed through this county on the way to Detroit.

Lightning Damages J. F. Griffin Building

During a terrific thunderstorm Saturday night, one of the buildings, occupied by J. F. Griffin and Sun Furniture Store was struck by lightning with about five hundred dollars damage. It is fully covered by insurance.

During the storm, a bolt struck near Dr. George Griffith's home.

Hamilton Winner

A check for over \$600 dollars left over from last year's Homecoming proceeds was donated by the committee Monday night to Mt. Vernon High School for recreational fund.

The Homecoming, although a success last year, will not be held again this year.

The school's recreation fund will be used for building an all-weather, tennis, volleyball and basketball court.

The school has raised most of the funds for building the court through the PTA, Athletic Club and the Homecoming Fund.

Bids Asked For 2.3 Miles County Roads

The Department of Highways this week is asking for construction bids on 2.3 miles of highway in this county.

The new project is number RS 102-317 Level Grade Hammonds-Billows Road extending from Ky 80 at Billows north.

The reconstruction calls for two bound surfaces.

Another rural highway leading from Spiro to U. S. 150 between Mt. Vernon and Brodhead is nearing completion.

This new highway will open up to fast travel, an old road which was the outlet for some of the best farming lands in the county.

Golda Pensol Gets \$600 Scholarship

Golda D. Pensol left Wednesday morning for Columbia University in New York City, where she will study Art and Guidance for six weeks.

Miss Pensol is studying under a scholarship from Berea College which will amount to \$600.

She is employed at the Pine Mountain Settlement School in Harlan County teaching grades 4th and 5th and is assisting in the training of Berea College student teachers.

Miss Pensol left Lexington on the George Washington and will arrive in New York tonight.

Revival At Mareburg June 29-July 7

There will be a Revival starting at the Mareburg Baptist Church, June 29 to July 27. The Rev. Elby Frost will conduct the services.

Every one is cordially invited to attend.

R. L. Statham, Pastor

FORMER ROCKCASTLE TEACHER AT FT. CAMPBELL

Mr. and Mrs. David L. Henderson, former teachers in grades 4th and 5th and is assisting in the training of Berea College student teachers.

Mr. Henderson is a recent graduate of Eastern State Teachers College, Richmond, Ky. They will make their home on the Army Post.

Mr. Henderson will graduate July 27, 1951.

Mattie B. Robertson Announces For Circuit Court Clerk

Dear Friends of Rockcastle County: Two weeks ago, I made my announcement in this paper as a candidate for Circuit Clerk. Since that time, I have had much encouragement from many of you people and I do appreciate all of it more than I can tell you.

I previously served one term in this office, having gone out of office almost 12 years ago. I am now asking you to let me serve another six-year term. If you vote for me to do this, I shall have regular office hours from 8 A. M. to 4 P. M., and I shall abide by them unless something unusual takes place that prevents my being so. I will endeavor to give you the best, kind, courteous service, and for any help you may give I shall be truly thankful.

Your Friend, MATTIE (GRIFFIN) ROBERTSON

DEAR VOTER: I am using this method to contact you, my friends and neighbors in view of the fact that I will not be able to see each of you personally before the election, which is August 4th, 1951.

I am a candidate for State Senator in the 19th Senatorial District which includes Clay, Jackson, Laurel, Owsley and Rockcastle counties. There are two other candidates for this

office both of whom live in Laurel County.

For those of you who do not know me personally, I am born on Sexton's Creek, Clay County, Kentucky, where I still live on a farm. Prior to World War II I taught school in Clay County. During the war I was in the U. S. Navy for 4 years, two years and 10-months of which time was spent in the Pacific. After the war I immediately entered Law School at Louisville Ky., where

I worked during the day and went to school at night. I obtained my LL.B. Degree from Jefferson School of Law, and since have been practicing law in Manchester, Ky.

It is my desire to be your servant and I believe that I am qualified to make you an able Senator. Your vote and anything that you might say or do for me will be greatly appreciated. Your Friend, EUGENE H. CLARK

RESTAURANT WORKERS WAGE HEARING PROMISED

Commissioner of Industrial Relations Edwin C. Willis promised a hearing would be conducted in July to determine whether to make compulsory a non-mandatory wage order secured from the evidence that some of the facts stated in the publication were true and other facts stated therein were not true.

If the facts were true, then you ought to consider such facts as are provided by the evidence to be true in mitigation of any damages you may assess against defendant.

(Continued on page eight)

(C) If, however, you find for plaintiff, and should you also find from the evidence that some of the facts stated in the publication were true and other facts stated therein were not true, then you ought to consider such facts as are provided by the evidence to be true in mitigation of any damages you may assess against defendant.

IN MT. VERNON Saturday, June 30th

This will be the Eleventh Big Day which Mt. Vernon merchants have been telling you about through the columns of this paper. THIS IS YOUR OPPORTUNITY TO RECEIVE VALUABLE PRIZES FROM THE MERCHANTS LISTED BELOW.

This isn't the last Opportunity Day by any means. It is only the Eleventh one this year. Each Saturday afternoon until further notice The Mt. Vernon Boosters will give away valuable merchandise and other prizes and these will be days when you cannot afford to stay away from Mt. Vernon.

The rules are practically the same as before and you are familiar with the manner in which the prizes are drawn. Many merchants will also have special bargains to offer on these days and special entertainment is being planned for the occasion. Remember, YOU CAN'T AFFORD TO STAY AWAY.

All Mt. Vernon Retailers and Business Men are invited to participate. Please get tickets at the Bank of Mt. Vernon.

HOUSEHOLD TIPS

If the man of the house works with metal and gets metal dust or filings on his clothes and in his hair, take steps to prevent the rust marks that will naturally result when he works his clothes and pillowcases are laundered. In fact, one step will do it: soak the articles in a large vessel of clean fluid before washing so that the metal particles will come out of the cloth and settle to the bottom of the fluid.

Mercurochrome is partially soluble in water, but it's extremely soluble in rubbing alcohol which has been diluted with a few drops of hydrochloric acid. Use this solution as you would cleaning fluid, sponging it on the spots with cheesecloth.

The dog's habit of sleeping on the rug is a real nuisance. Before going to bed, set a number of small spring mousetraps on the dog's favorite resting places. They won't hurt him, unless he happens to get his tail in one and even that isn't usually fatal, but the snapping traps will keep the lights out of him and impress him with the advisability of sleeping elsewhere.

Turpentine, kerosene and cleaning fluid are all good solvents to use on paint spots, but none very reliable if you allow the stains to get stale. For stale paint stains, try combining equal parts of turpentine and acetone, and as long as the fabric involved is not acetate rayon, and use it as you would ordinary cleaning fluid.

When the broom finally is worn out, trim the bristles down to an even length, cover with old flannel or felt (to absorb dirt and wear) and you've got a handy floor polisher.

SCANNING THE WEEK'S NEWS of Main Street and the World

Cattlemen Withhold Beef in Protest Of Government's Rollback Program

EMPTY MEAT CASES—Empty meat cases were beginning to show up across the nation as cattlemen continued to hold beef off the market in protest to the government's price rollback program...

At the moment it seems unlikely there will be a great increase in slaughtering until the summer of 1952...

The present situation is somewhat similar to when cattlemen withheld beef in their successful attempt to kill the government's price control program...

FAR EAST SPECULATION—The unexpected and unannounced visit of George C. Marshall, secretary of defense, to Korea raised considerable amount of speculation in the home towns of the nation...

SHOPPER'S COMPASS By DOROTHY BARCLAY

WHAT DO you make of this? Roll back on meat prices? What does your butcher make out of it? Not much—the quick buck, yes, but at roll-back prices not so many bucks...

Remember, it's not your butcher's fault. He's making his supply last as well as he knows how, and selling it very reasonably. Don't take it out on him, poor fellow!

It seems likely that meat will be in short supply until after June 30 when the present price control laws die. Congress, no doubt, will enact new legislation...

Wouldn't you be surprised to hear that just 5.6 per cent of your money is "meat meat"? It's true, according to the statistician...

And what meals are you buying for your three pounds a week? With prices high, as well known, it's only for special occasion that you squander on steak or rib roast...

In beef, the national favorite, you'll find, chunky, fork shank, short ribs, brisket, chuck steak and ox-tails...

The smart cook not only buys the meat but also the accompaniments: meat as well as her budget. One way is to use left-overs in pie, or wrapped in foil...

Balanced Farming Saves Bucks in Small Town ARKADÉLPHIA, Ark.—Arkadéphia bankers will tell you that better farming practices are responsible in a considerable degree for a substantial increase in the bank deposits in the community...

Mr. and Mrs. Joe Sargeant and daughter, Donna, of Richmond, and are visiting her sister, Mrs. Russell Robbins, and family.

Mandeline Caudill, small daughter of Mr. and Mrs. Eliza Caudill, is very ill.

IN MEMORIAM

In loving memory of my four children, Russell, Edward, Viola and Harold Stallworth. June brings sad memories of my dear ones gone to rest. They will never be forgotten by mother who loved them best. They all got burned to death June, 1923 in Osaka, Virginia.

In memory of my Dear Husband, Jack Stallworth. Members are treasures no one can steal. Death is a heartache nothing can heal. Some have forgotten you, now that you are gone, but I will remember you, no matter how long. All of these loved ones greatly missed by mother and wife, Della.

Sargent Wants More Mail From Home

"I am a sergeant in the U. S. Army, recently returned from Korea. I am not writing this in any official capacity." (But with the knowledge and permission of our Army PAU.) "I am in the Army. I've been in the Navy, I served with the Marines and Air Force. I have spent over six years overseas and many months in military hospitals and I have seen too many servicemen there fighting the unnecessary extra battle against dependency, loneliness and the terrible feeling of being un-

loved and forgotten by the folks back home. "All the attention and care of the various moral, recreational, athletic, spiritual, and various components of the Armed Forces, the Army Cross and special service sections of their unsurpassed 'Grey Ladies', the superlative entertainment such as top-notch entertainers as Bob Hope, Bing Crosby and others, cannot completely combat this melancholy and misery without the unswerving support and co-operation of the folks back home themselves. "My request of you will clarify the entire problem and solution. magazine, newspaper, lecturer, other radio, T. V., stage, movie, magazine, newspaper, lecture, church, club, and other celebrities to urge the folks at home to please write cheery newsy letters often, with their latest snapshot and some small expensive gift once in a while, to their relatives, friends, acquaintances, or home town boys overseas or in the Armed Forces hospitals!"

This is my own personal campaign for "Mail From Home" for my buddies. Will you please let me know what you sincerely and frankly think if it and what you will do to help get "Mail From Home" to the boys overseas and in our Armed Forces hospitals?"

Respectfully Yours, S-Sgt. Wilbur F. H. Radelme

BRODHEAD
(Continued from page one)
Smithers and family here and other places in Kentucky.

Mr. and Mrs. Lee Robins of Kansas City, Mo., and little Miss Judy Wilson of Palo, Ill., were guests of relatives here last week on their return home from Florida, where they spent their vacation.

Mrs. Richard Cherry Owens is here from Louisville to spend her vacation with her father, Mr. Other Cox, and other relatives.

FORD
Come in for a Test Drive!

With V-8 power!

Once you feel the surging power of Ford's V-8 engine, hear its whispering quiet, you'll know why America's finest cars have adopted this type of power plant. And you'll have the security of knowing that it's backed by Ford's 19 years of building more V-8's than all other makers combined.

Ford's V-8 lightens your purse-strings, too. Its Automatic Mileage Maker squeezes the last ounce of power out of every drop of gas... gives you high-compression performance with "regular." And you'll discover fine-car smoothness on all roads with new Automatic Ride Control... and automatic driving at its finest with new Fordomatic.

THE FICTION CORNER
OBADIAH

By Richard H. Wilkinson
OBADIAH Nelson was a man of unappreciated qualities. For two years he had worked at Magnificent Films, Inc., and had thought up ideas for picture scenarios...

OBADIAH Nelson was a man of unappreciated qualities. For two years he had worked at Magnificent Films, Inc., and had thought up ideas for picture scenarios...

"Well, how was Magnificent's \$50 a week?" asked Obadiah.
"About \$200 for it," Obadiah's face went white. Without knowing it Miss Adams had aggravated a wound that she had inflicted five weeks before...

Obadiah paused, breathing heavily, and mopped his brow. "Well," he said, "I guess that's all."

"I'm sorry," said Obadiah. "Because Pacific never offered anything in the first place..."

"You may have tried other Vitamins preparations or other Vitamins preparations, so we make you this offer. Try a bottle of HADACOL today..."
