WHERE THE BOONEWAY JOINS THE DIXIE

WHEN COUNTY POLITICS MADE NEWS

MT. VERNON, KENTUCKY VOLUME 65—NUMBER 45

THURSDAY, AUGUST 13, 1953

TO THE PEOPLE OF ROCKCASTLE COUNTY

Waiting in line in front of the Signal Office to get their copy of the Signal on day of publication. It happened to be the last issue before the Primary Election and readers were most interested in what the political candidates had to say for the past two weeks the Signal was completely sold out by Friday night. Over 2,000 copies were printed each week.

A reunion of the late A. C. Sowder children. A few weeks ago the members of the family gathered at the home of Mrs. Nancy Jane Clontz of Mount Vernon. Reading from left to right they are Mrs. Nancy Jane Clontz, Mt. Vernon; Mrs. Lou Kirby, Mt. Vernon; Mrs. Della Weddell, Memphis, Tenn.; S. P. Sowder, Detroit, Mich.; and Mrs. A. W. Barnes, Hamilton.

When a car shoved the big bus off the road as the latter attempted to pass it. The accident happened at the Shell Station some few weeks ago. In order to avoid a serious collision the bus pulled off the road and landed in a narrow shallow ditch. No one was injured.

## A Friendly NOTE

—Everytime you look in a mirror catch yourself smiling— We've all heard the old expression—'Laughter is the best medicine'—A happy mind is a healthy body—and lately the medical profession has done much to confirm the wisdom of these observations. It has been proven conclusively that anger, with its accompanying rise in blood pressure and accelerated heart beat, injures the person who is angered—and by the same token a relaxed attitude and the ability to laugh can do much to improve the physical state.

So before taking some unnecessary medicine, let's first try a belly-laugh regularly, before and after meals. In today's trying times a deliberate effort to relax and take every day petty annoyances in our stride can not only increase life expectancy but make life ourselves and our loved ones so much more enjoyable.

## Workshop For Rural Teachers At Brodhead

All rural school teachers are participating in a unique public schools workshop as preparation for Year's work.

Instead of teaching, the rural school teachers of Rockcastle County are going to school at Brodhead where a three-day workshop was carried on under the auspices of the county superintendent, Mr. Miracle. The rural schools were to have opened this week but instead the teachers had the privilege to sit-at-the feet of a great number of expert teachers who had the know how of what is the best way to teach. In reality the workshop was sponsored by various book companies who hired the best talent available to demonstrate the best teaching methods.

The shop opened last Monday with a word of welcome from Principal D. A. Robbins of Brodhead. Following the welcoming speech there were representatives from the various book companies. Helen Nix and Jean Mitchell demonstrated hand writing. In the afternoon Group who had their subjects 'Aims for Rockcastle County Teachers for the School Year 1953-1954'.

Today's program included talks by Miss Kay Yacha on 'The Reading Program in the Elementary Schools' and later at the day after another interest group on the same theme as the day before.

On the last day Miss Elsie Hayes, supervisor of the Fayette County Schools spoke on 'Promising Practices in the Elementary Schools'.

Others assisting in the program were Gwen Retherford of the State Department of Education, John Saylor, attendance officer, James E. Baker of Livingston, Lena Mason of the Laurel County Schools, Dr. R. E. Jaggett, former State Teacher College, Mrs. Verla Scott and Mrs. Bertie Rice.

The rural schools of Rockcastle County legally opened on Monday, Aug. 10, but in reality the schools will not open until next Monday, Aug. 17.

### CARD OF THANKS

Dewey Ballinger, Sam Hoskins and T. J. Parsons, best Thanks to one and all, who stood by us and trusted in us. We hope men who would give you the best in service at Sheriff's for the next four years to come after the close of this one.

We would like to say in advance, that is before our term begins, we cannot make you good citizens, to be good citizens is one that will assist by making true reports of the confidence your community is in, therefore a strict no you, get the officers know about it, get a warrant and put it into our hands and then see and wait for results. The sheriff and his deputies should not be window shoppers, we will look after your church, your home and our public highways. The best we can but with your help and cooperation we can do a much better job.

Please help us so we can help you. Thank a Million.  
Dewey Ballinger, Sam Hoskins, T. J. Parsons.

### CARD OF THANKS

I wish to thank each and every voter for the encouragement shown in my recent Rockcastle County Clerk. I am still your friend.  
Hubert P. Vanzant.

### TO THE CITIZENS AND VOTERS OF OUR COUNTY:

I really think that I have always, in all of my races, been supported by the conscientious honest voters, the voters who used fairness and logic and had no axes to grind.

I wish to express here, my sincere gratitude to those of you who so loyally supported me in my recent race for tax commissioner. I tried earnestly to impress upon the citizens and voters my urgent need for

## Governor Wetherby To Attend Celebration of Ky. Utilities.

Governor Lawrence W. Wetherby will head the list of officials and agricultural and industrial leaders joining in the community celebration Aug. 18 at Brodhead this week. The Utilities Company, 200-000 customer, the J. F. Rankin farm at Preachersville in Lincoln County.

An occasion will mark a milestone in the state's economic and agricultural development since K. U. is the first electric utility to serve 200,000 electric customers in Kentucky.

Dewey Daniel of Hazard, president of the Kentucky Chamber of Commerce will appear on the program. Dr. Frank J. Welch, dean of the University of Kentucky College of Agriculture and Home Economics is to be master of ceremonies.

Among the distinguished guests expected to attend are members of the Public Service Commission of Kentucky, and Industrial Development Board and officials and leaders from Lincoln, Garrard and Rockcastle Counties.

A number of the Rankin friends and neighbors in the Preachersville neighborhood will gather for the ceremonies scheduled for 10:45 A. M., on the 200-acre Rankin farm at the luncheon to follow. The luncheon will be prepared and served by the Preachersville and the Owen's Chapel Home-makers Club.

### TO THE VOTERS OF ROCKCASTLE COUNTY

We want to thank our many friends for their loyal support to us in the Sheriff's office. We feel that we ran a good clean race and although we lost we have not had feelings against anyone.

### John Killinger

The Poplar Grove Baptist Church invites you to attend every Sunday evening at 7:30. Bro. John Killinger will bring nightly messages on the age old truths of sin, hell, redemption, faith and Heaven. Bro. Bill Ramsey III of Somerset will direct the choir and congregational singing.

Com. will hear such sermons as 'Bought with the Blood', 'The Devils Paycheck', 'The Prince and the Pauper', 'Reckless Religion', 'It's us in Heaven', and 'Hallelujah a-Heaven! Hear thrilling personal testimonies to the grace of God! Take part in soul stirring spiritual singing!

Meetings begin each evening at 7:30. Come early for the pre-service prayer meetings.

### OPERATE GROCERY AND FRUIT STAND

Mr. and Mrs. Burley Miale of Oneida, Ky., have moved to Boone Gap recently and have purchased three acres of land from Casper McCracken, just north of the Boone post office. Here they have established a fruit stand and grocery. The fruit stand was only temporary construction but this week they will begin to build a more permanent structure to house the groceries and the various kinds of fruits and vegetables. A few weeks ago the couple started to build a small dwelling at the place which they will occupy until a more commodious structure is built. Mr. Miale was formerly a miner in Leslie county while Mrs. Miale was in the employ of the Oneida Maternity Hospital at Oneida.

### A WORD TO THE VOTERS OF THIS DISTRICT

I want to thank my many friends for their loyal support in making it possible for my nomination as the choice for Magistrate. I hold no ill will against those who voted against me so let's go forward with victory in November and four more years of progress. Thanking you one and all. Your road friend, Matt Jones J. P.

### DAVE VAN AND FAMILY SUNDAY

Brutus Martin, Joe Martin, and Samuel Cox spent the last week in November and four more years of progress. Thanking you one and all. Your road friend, Matt Jones J. P.

### TO THE VOTERS

I wish to express my sincere thanks and gratitude to the people of Rockcastle County for the confidence which you have placed in me. I hope that I can serve you well enough to repay you for the friendship and trust you expressed by the election and shall do my utmost to fulfill the duties of my office in accordance with your will.

Again I wish to express my thanks to every voter of Rockcastle County who ever considered me as his possible choice for the office of jailer.

Respectfully Yours,  
Lovell Clontz.

### BOONE POSTOFFICE BEING IMPROVED

The Boone Postoffice operated by Mrs. Casper McCracken is undergoing some changes. A new building is being built and the interior has been enlarged to have more room for the mails. An extension is to be added to the north side of the building and is to be used for the office of the post master.

### ENTRY DATES FOR STATE FAIR

J. Dan Baldwin, manager of the Golden Anniversary Kentucky State Fair, announced closing dates for entries, in all departments, are as follows:

Horse Shows, Aug. 29  
Mules and Jacks, Beef cattle, Dairy cattle, swine, Sheep and Poultry, Aug. 28  
4-H Clubs, Aug. 28  
Poultry and Pigeons, Bees and Honey, Vegetables and Melons, Field Seed and Grain, and Plants and flowers, Aug. 29

Future Farmers of America, Sept. 1. Rabbits, Sept. 3. Tobacco and Horticulture, Sept. 11.  
Over \$18,000 will be awarded at the annual exposition which will be held September 11-19 in Louisville.

Mrs. Walter Renner and children, Mrs. Joe Cromer and Mrs. Theo Stokes were in Berea Friday.

Mr. and Mrs. Clayton Renaker and daughters of LaGrange, Ky., enroute to Tennessee on their vacation stopped Monday to see Mr. and Mrs. W. T. Davis.

Mr. Robert Melvin Hurd, Miss Shirley George and Miss Ella Jean Hurd of Marion, Miss and Mrs. Dan Collins of Louisville.

Louise Collins of Sweetser, Ind., is spending the summer vacation with her mother Mr. and Mrs. Dan Cotton.

I used no false propaganda. I said no unkind word, nor told anything but the plain truth. I tried with every honest fair word to help you. I mean I know to be allowed to serve the people of my Co. again. But I did not have enough to attempt to buy the office.

I have never betrayed a trust and I did not intend to betray this one. It was never in my mind to raise the people's axes altho I was accused of it.  
I needed a job badly and it would have cost the people nothing but their votes to help me get it, and I honestly think that is what they tried to do.  
Yours, R. E. Phillips.

I wish to thank each and every one of you people for electing me your next County Court Clerk and I will try to serve you well in the future as Mr. Niecey has in the past. Sincerely  
Clarence Carter.

## Mrs. Alice Niecey McLean Dies

Mrs. Rose Alice McLean 64, a Tusconan for 41 years, died Wednesday July 29. She was the daughter of Sherman and Elizabeth Niecey, both who have preceded her in death.

She was educated here in the Tuscon Memorial missionary school and sent to the Tuscon Indian Training School, where she taught from 1912 until 1920 when she married William McLean.

In addition to her husband she is survived by a son, William M. McLean of Tuscon, a daughter, Mrs. Margaret Gray son of Tuscon, a brother, Chas. Niecey of Mt. Vernon, Ky., a niece, Mrs. John Niecey of Berea, Ky., and several half brothers and sisters and three grandsons, also many, many friends.

Funeral services were held in the Arizona Mortuary Chapel by the Rev. Dale Hewitt, of Trinity Presbyterian Church at P. M. Burdette in South Lawn Memorial Park.

## SURVEY MADE OF COUNTY

The Agricultural and Industrial Development Board of the State of Kentucky has just completed a survey of this county under the auspices of the local Chamber of Commerce. The survey covers a wide field including such items as population and labor, transportation, communication, utilities, city government and services, and schools, health, recreation, accommodations, newspapers, retail businesses, clubs and organizations. There is also a chapter on resources under the auspices of the local Chamber of Commerce.

## RAMBLINGS

The courthouse is at present receiving a new coat of paint. The inside walls are light blue and the hallway, white. Mr. Henry Payne received the contract for \$275.00.

The outside of the jail is also being painted. The contract was awarded to Leonard Langford for \$175.00.

The outside brick walls are not going to be painted as was first announced. But all the wood on the outside will be painted. A new bid will have to be submitted for this job.

The old brick walls weathered and beaten by many winters and summer rains remain as they are, a reminder of good days and hard days. When the old walls are bordered with a fresh coat of paint they will present a pleasant picture.

The rural schools of the county will open next Monday. Many eager boys and girls who hope will be glad and happy to hear the school bells ring and listen to the voice of their teacher. School should be a very happy and rewarding experience for all our children.

I believe that we are making fast progress. We are making every effort to employ the best teachers possible. We are getting better equipment, better buildings, better environment. One school in Rockcastle County is to have the opportunity of employing an expert teacher sent here under the auspices of the Ford Foundation. That should be an interesting experiment and worth watching.

Traveling on U. S. 25 is getting increasingly heavy. Except for a few detours and inconveniences between here and Livingston, the highway is by far the best and easiest route to the Smokies.

Nothing has as yet been published about the contract of the rebuilding of the road between Roundstone and Berea. This contract is to be let this month, so we are told. Whether the traffic will be routed over another road while construction is being carried on, we do not know.

The project between here and Livingston is progressing very rapidly and the grade is almost completed. When completed it will represent a very attractive piece of road engineering.

The Mt. Vernon Baptist Church bus will run regularly beginning next Sunday on the following route: 1. From the church to the Hall-Way valley garage. 2. To Renfro Valley and back to church. 3. To Fairground Hill and back to church.

The bus will run for both the Sunday morning and evening services. All who live on or near this route are invited to attend the services.

Mrs. E. M. Greenwood of Washington, Ind., and daughter Mrs. Eddie Brewer and children of Bedford, Ind., visited Mrs. Greenwood's parents Mr. and Mrs. W. T. Davis and the Maggard family last week.

Mr. and Mrs. C. D. Ingles visited relatives at Morgan and Latonia last week.

Recent visitors of Mr. and Mrs. W. T. Davis were Mrs. L. L. Christerson and Mr. and Mrs. Carl Hopper of Lexington. They were accompanied home by Miss Joyce Ann Stokes of Michigan for a visit.

## County Agent Notes

**Green Pasture Tour**  
On Thursday, Aug. 6, the farmers of Rockcastle County had an opportunity to visit 4 farms which are making wonderful progress in the County Green Pasture Program. All these farms showed great progress made in pastures, livestock and management. Some of the best pastures in the Co. were found on these farms.

There was a meeting held at each farm either before going over the farms or after the farms was inspected at which time a discussion was conducted with many questions asked the owner of the farm, how he did this and how he did that. Those assisting in the discussion were the farmer, Mr. Johnstone, Representative of the Bankers Association Geo. Corder from the State College of Agriculture, Mr. Sherman representing the Production Credit Association; Clay Colson, Soil Conservation Service; and Mr. W. H. Hamilton, Home Administration. The day was well spent and a profitable day to all those who attended.

Corder from the State College of Agriculture, Mr. Sherman representing the Production Credit Association; Clay Colson, Soil Conservation Service; and Mr. W. H. Hamilton, Home Administration.

**Strawberry Growing**  
The farmers and 4-H club members growing strawberries should clean out all weeds and grasses not only in between the rows and in the rows and in the rows and in the rows.

Strawberries will not grow and spread very much unless the weeds and grasses are kept out. If the plants don't spread and put out new runners the crop is reduced. The first runners should be placed along the row as to make a solid row of plants.

When these runners fill in between the hills then allow them to run out on each side of the row. This gives a solid row of plants from 16 to 16 inches across which will produce many times more berries. Right now, is the time to clean the strawberry patch from all weeds and grasses. If grass is in the hill, use your hands and pull it out. This work will pay in dollars and cents next spring when you go to picking. The sooner the work is done the better and more spread to the row of berries.

### THE BIBLE SPEAKS

International Edition  
By DR. KENNETH J. FOREMAN  
SUNDAY COLLEGS 1:15-2:30  
Devotional Reading: Psalm 67

### Christ Above All

Lesson for August 16, 1953

The reader who goes to Sunday school will have noticed that the quarterly never prints all the Scripture that is listed in this column. The reason is, the interdenominational committee preparing these lessons selects more Scripture than any quarterly is going to have room to print. This is not to say, however, that the student will not be content with reading short bits from the Bible at second-hand, but will go on to read more fully in the Bible itself. This particular column is free to use the whole passages selected, not simply the verses reprinted in most quarterlies.

**Christ Pre-eminent**  
It might go without saying that Christ is pre-eminent, that is to say, above all, for the Christian. It does not go without saying, because Christians incline to forget it. But more exactly, they forget it. They use the word "pre-eminent" only once in Colossians 1, but they use many other ways of declaring that Christ is above all. They say, we have forgiveness of sins; in him all the fullness of God dwells; he is the head of the church. The Christian has been transferred to Christ's kingdom; through Christ all men may be reconciled to one another; in Christ are "hid all the treasures of wisdom and knowledge"; the Christian is to be "filled with the knowledge of his will"; the Christian receives him, is rooted in him, built up in him, grows to maturity in him; he is the Christian's hope of glory. All this is "in the book"; but it is in life! Does Christ actually loom as large in the life of Christians as he does in the plan of God?

**You Received Christ**  
of it. The first thing to do, if you want to develop your prayer life, is to set aside definite times every day for it. Make it a "trust," not something you do if you have time for it. When prayer is something done only if there is time, then there never is time, and there seldom is prayer.

**In Season, Out of Season**  
The mature Christian will pray at regular times; but he also cultivates the habit of praying at irregular times. Do you have a regular time for looking at your watch? Perhaps so; you look at it when you wake up in the morning, you look at it at breakfast time, and so on. But no one who wears a watch looks at it only at regular hours as if it were a medicine. You look at it off and on all through the day, for any number of reasons. So the Christian acquires the habit of looking to God off and on all through the day, also for a number of reasons. When a happy thing happens, the Christian breathes a prayer of thankfulness. It does not have to be long to be real. When someone seems too much to stand, the Christian just asks God, then and there, to help him. When he hears about one in trouble, he does not content himself with saying "Too bad." If there is anything in this prayer, the Christian does not stop there. In the very midst of helping another, he will offer a prayer to God for him. This is most important perhaps when the other person is clear out of reach, when nothing we ourselves can say or do will help him at all.

**Praying Like A Christian**  
A person might pray every day and often and yet not pray like a Christian. For a "gimme" kind, it is not that we should never pray for ourselves. A study of the Lord's Prayer will show that most of the petitions are for ourselves. But for what? For daily life, for forgiveness, for purity of life, for the necessities of living, for luxuries. It is a good thing once in a while to ask one's self: How many other persons could join me in this prayer? Am I praying for something that is going to make trouble for other people? Am I praying for something which if I get it will have to be taken away from others who need it just as much as I do? Unselfish praying and unselfish living go together. Christ lived and died "for their sakes" as he said. Prayer in his name is prayer in his spirit.

**OPEN HOUSE**  
"Open House" has been arranged in 12 counties for farms and farm homes improved in the "Farm and Home Development Program."  
This program is a cooperative effort of farmers and Co. and home demonstration agents and specialists of the University of Kentucky to make farms more productive and farm homes more livable. About 700 families in 42 counties are enrolled.  
The First step is for the fam-

ily, agents and specialists to study the farm and home, to see how they may be improved. Then the family carries out the plans suggested from year to year.  
Following are some examples: Mr. and Mrs. Thurlie Hardin, Anderson County; Bush and scrub tree land turned into pasture and meadow, dairy herd founded and modern dairy barn built.  
Mr. and Mrs. Alonzo Wilson, Russell County; Basement with furnace installed, porch made into modern kitchen, dining

room enlarged, and bathroom door made to open off hall.  
Mr. and Mrs. Otis Reed, Hart County; Fireplace removed from living room and chimney from kitchen, kitchen door relocated, running water installed with window over sink, farm entrance improved.  
Mr. and Mrs. A. C. Arvin, Estill County; New house with all furnishings, tile, limestone and fertilizer used to boost crop production.  
James Neal Langford of Detroit, Mich., visited Mr. and Mrs. Russell Ramsey last week

## HENSON-CROMER

Mr. and Mrs. James Henson announce the marriage of their daughter Maggie, to Kenneth Cromer, son of Mr. and Mrs. Bertie Cromer, on Thursday, August 6, 1953. Rev. Lawrence Adams performed the double ring ceremony. The bride wore a white suit with blue accessories. Her only attendant was her sister, Mrs. Vannas Smith. Best man was Capt. Vannas Smith. The couple are honeymooning in the south.

Hamilton Air Force Chapel, Hamilton, California, at 10:00 o'clock Saturday morning, June the twentieth was the scene of nuptial mass of Sgt. Gerald M. Gregorich, daughter of Dr. and Mrs. E. V. Gregorich of 714 East Center Street, Corbin and S-Sgt. Roger Joseph Drossart, son of Mrs. L. E. Drossart of Green Bay, Wisconsin. Father Joseph Karkaski officiated at the double ring ceremony, performed before an altar decorated with white roses and baskets of gladioli. Nuptial music was provided by Mary Kelly. Selections rendered were "Mother Dear Pray For Me" and "Ava Maria". The bride was gownned in imported French Chantilly lace with all nylon net and nylon tulle skirt over shimmering satin, glowingly accented with a demure chapel train. Her veil of illusion was held in place by a crown of lace edged in seed pearls. She carried a bouquet of white roses with stephanotis and one single purple throated orchid.

Miss Helen Ababore, maid of honor, wore a yellow satin covered with a white organdy overskirt and carried a bouquet of yellow roses. The bridesmaid, Miss Lois Hancock wore a duplicate costume to that of the maid of honor. Both wore hats of yellow tulle, and single strands of pearls, a gift from the bride.

Jim Fleming served the groom's best man and Arthur Kresin was usher. Sgt. and Mrs. Drossart left on a wedding trip to Northern California after a reception at the N.C.O. Club. For traveling the bride selected a pink nylon dress with white accessories, and the orchid from her bouquet.

Mrs. Drossart was graduated from St. Camillus Academy, and Patricia Stevens Modeling School of Chicago. At present she is Physio Therapist at Hamilton Air Force Base.

The groom graduated from West High School, Green Bay, Wisconsin and is Staff Sgt. with the Air Force Police.

The newlyweds are now at home at Route Two, Box 55, Retulama, California.

From the Corbin Daily Tribune. Capt. and Mrs. Vannas C. Smith and daughter Vanna are visiting their parents Mr. and Mrs. James Henson and Mr. and Mrs. L. C. Towery of Con way, Capt. Smith is stationed at Ft. Belvoir, N. C.

Miss Mary Bryant is the piano accompanist and soloist in the opera "Marriage Of Figaro" now performing at the Quignol Opera House, Lexington. This opera is put on by the University of Kentucky's Opera workshop group.

Miss Bryant is doing post-graduate work at the University of Kentucky and will receive her Master Degree next week. She is the daughter of our townsman, L. D. Bryant.

Mr. and Mrs. W. R. Peyton and children Billie and Becky of Hazard, Ky., spent the week-end with his parents Mr. and Mrs. Luther J. Peyton. Billie remained for the week.

Mrs. Clyde Moore and children Ray and Dell of Russell, Ky., spent the week with her aunt, Mrs. Luther Peyton and Mr. Peyton.

Mr. Alice Logsdon and Billy Davis have returned home after spending two months in Chicago with Mrs. Logsdon's sons, Bill and Karl Davis and families. Karl Davis and family accompanied them home and visited relatives over the week-end.

Mr. and Mrs. Ben Ramsey and daughter spent the week-end with Mr. and Mrs. Russell Ramsey and daughter.

Misses Mary, Phyllis Ann, and Billie Jacque Arnold left Tuesday morning to visit their grandmother, Mrs. Lucey Weaver at London.

Mr. and Mrs. Austin Staver and daughter, Esther and Lena Mae (Joiner) and Jerry Caudell all of Atlanta visited friends and relatives in Mt. Vernon.

**Soil Conservation News**

August has been declared as Green Pasture month by the Governor of Ky., good pastures are one of the best ways of stopping erosion of our soils and at the same time getting a good income from our farms. Grass and legume seeds are cheaper this year than they have been. This will allow farmers to sow plenty of seed of desirable varieties. George Corner, Agronomist pointed out to farmers on the pasture tour that testing their soil to know the kinds of fertilizer to use is of first importance.

Prova Ambergue is seeding 10 acres of alfalfa this week. He has one 13 acre field that is 5-years-old and says it has been the best money making crop on his farm. Bert McWhorter is seeding more alfalfa on his fathers farm, too. John Holbrook is also seeding more alfalfa. He is using 18 lbs of Atlantic alfalfa, 5 pounds of orchard grass per acre with 500 to 700 pounds of 2-12-12 fertilizer. This is a special alfalfa fertilizer with boron added. The seed will be inoculated and of course the land will be limed.

The supervisors of the Rockcastle County Soil Conservation District are attending a meeting of supervisors in Clinton County this week. While there they will see many conservation practices as applied on the farm of E. A. Barnes. United States Senator John S. Cooper will also speak to the group of District Supervisors who have gathered from all counties in the Eighth Congressional District of Ky. The Supervisors from Rockcastle County Soil Conservation District are W. S. Stewart, Charles Bradley Saylor, John Houston, W. L. Coffey and W. E. Proctor.

Mr. and Mrs. Delbert Parrett were in Stamford and Lancaster, Sunday.

**This demonstration showed me the way to a better deal!**

I'd been planning to buy a higher-priced car until I found out-all Chevrolet offered—and how much I could save!

You get more power on less gas. That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide\* models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gear-shift models offer the advanced 108-h.p. "Thrill-King" engine.

And it's the lowest-priced line. A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

\*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

You get greater getaway with the new Powerglide\* A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

You're "sitting pretty" behind the wheel. Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around. You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

Biggest brakes for smoother, easier stops. An easy nudge on the pedal brings smooth, positive response — right now! Chevrolet's improved brakes are the largest in the low-price field.

It's heavier for better roadability. You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.
