THE JOHN DEERE No. 5 the Mower that Works with Any Tractor

By every measure of value the John Deere No. 5 Power Mower is still your best mower buy. You just can't beat a John Deere No. 5 for fast, clean cutting... for continuous new mower performance... for protected operation... for ease of hitching to any tractor.

For many years the No. 5 has out-sold every other power mower. The outstanding preference for the No. 5 year-after-year is proof that it is still the highest value in power mowers.

Come in and let us show you the John Deere No. 5 can save you time, save you money, and save you a lot of down time in the years to come.

PLUMBING AND HEATING

Richmond Street Mount Vernon, Ky.

INSECTS and fungus diseases strike suddenly and without warning. Once they get a head start, the cost of salvaging your crops is far greater than the small cost of preventive dusting. That's why it always pays in the long run to invest a few dollars in adequate protection now... and insure your crop against serious damage this summer.

Table listing Southern States Dusts and Dusters with prices: 5% Wettable Rotenone \$1.45, Vegetable Spray 2.75, 75 Rotenone Dust .75, 5% DDT Dust .55, 5% Chlordane Dust .80.

Rockcastle Farm Service Williams Street Mt. Vernon, Ky.

IN MEMORY

In memory of John A. French, who passed away January 11th 1956.

Somewhere back of the sunset, where loveliness never dies, He lives in a land of glory, and the blue and gold of skies.

And we who have known and loved him, whose passing has brought sad tears, Will cherish his memory always to brighten the passing years.

Bidders will be prepared to comply promptly with these terms.

John W. Griffin, Master Commissioner Rockcastle Circuit Court. 3313

**Commissioner's Sale**  
The Commonwealth of Kentucky, Rockcastle Circuit Court at DAYTON, OHIO, vs. DORIS McKEE, Plaintiff, VERSUS Lani: Bowling Defendant.

By virtue of a judgment and order of sale of the Rockcastle Circuit Court rendered at the March Term thereof 1956, in the above cause, I shall proceed to offer for sale on the premises in Rockcastle Co. Kentucky, to the highest bidder, at public auction on the 4th day of June 1956, at two o'clock p. m. or thereabout, upon a credit of six months, the following described property, to-wit:

Tract 1. Beginning at a stone at the beginning corner at Ben Middleton's 116 acre tract, thence with his line N. 31° 10' 103 four tenths poles to a large poplar stump; with pointers in the line of Burgan Farris, 62 1/2 acre tract, then with his line N. 27° 1/2 W 65 poles and 22 links to a gum, his beginning corner, and a corner of A. J. Hargard's 53 acre tract, then with his line N. 43 E 64 four tenths poles to a large chestnut; thence S. 71 E 7 1/2 poles to a stake with a breast of the line of H. G. Hargard and John Ross tract; thence with the Ross line S. 68 E 7 poles and 4 links to the beginning; thence with the line of Hargard and John Ross tract, there is excluded from the above boundary, a right of way deeded from Howard H. Proctor, which is as follows: Beginning at a stone in a county road leading from Brodhead to Lincoln near Brodhead, to a corner of B. A. Yaden's corner; thence with his line S. 81° 01' 103 four tenths chestnut stump; B. A. Yaden's corner; thence E. 10 feet to a stone in J. W. Proctor's line; thence South 161 feet to a stone in line of the aforesaid road; thence with the line of said road 10 feet to the beginning.

Tract 2. Located in the same County and State as above tract and joins except for the right of way observed from the above boundary described as follows: Beginning at a chestnut stump near Isaac Gaberial line; thence S. 27 W. about 175 yards to the County road; thence East with the said road about 370 yards to a stone in line of Lewis or Yaden's corner; thence East with the said line 55 yards to a chestnut stump; thence to the corner of a field; thence N. W. with A. J. Hargard line (new line) to the beginning corner, and containing ten (10) acres more or less.

Tract 3. Beginning at county road in line of Isaac Gaberial; thence S. 26 about 40 feet to a leaning poplar; thence S. 36 three-fourths E. 51 1/2 poles to a gum in a hollow in outside corner, also corner to Farris; then sold to Burgan Farris; and a corner to an 18 acre tract N. 43 E. to county road; then with the County Road to the beginning and containing ten (10) acres more or less.

Or sufficient thereof to produce the sum of money so ordered to be made. For the purchase price, the purchaser must execute bond, with approved securities, bearing legal interest from the day of sale until paid, and having the force and effect of a judgment. Bidders will be prepared to comply promptly with these terms.

John W. Griffin, Master Commissioner Rockcastle Circuit Court. 3313

**THREE LINKS**  
Several from then attended Decoration at Red Hill Sunday.

H. C. Martin had a very painful accident last week by getting his right hand caught in a hay bailer belt. After getting his hand dressed he is getting along fine.

Mr. Chris Allen and wife of Newport spent the week end with D. T. Phillips here.

Mr. and Mrs. James Mullins of Dayton, Ohio are attending college at Richmond. They visited J. L. Phillips and Luther Mullins over the week end.

Mr. Donald Phillips was in Berea Saturday and purchased a 1956 Buick.

Howard Phillips and Chris Allen visited Earl Phillips and family of Red Hill Saturday.

J. L. Phillips is home after a 10-day vacation in Flint, Mich. and he did some fishing while there.

Mrs. Faye Baker of Muncie, Ind. is visiting her mother, Mrs. Della Phillips, at present.

James Anglin of Disputanta was in this section Tuesday buying live calves.

Miss Pat Phillips is visiting Mrs. Edith and Mable Martin spent a few days last week with their sister, Mrs. Mildred Newsome, at Saveraville.

John P. Phillips is visiting Olen Martin, who is employed in Hamilton, Ohio, was with home folks over the week end.

**BUMMER**  
Visitors of Mr. and Mrs. G. W. Drew and family Sunday afternoon were, Mr. and Mrs. Charles Thomas of Berea; M. B. Walter, Thomas and son, and Mrs. Jack St. Clair and Mrs. Walter Sower of Mt. Vernon.

Betty and Jerry Northern of Nicholasville visited their aunt, Mrs. Eddie Ballinger, and family part of last week.

Visitors of Mr. and Mrs. Ed-

die Ballinger over the week end were: Mr. and Mrs. John Northern of Nicholasville, and Mr. Mitchell Ballinger and sons of Centerville.

Belle Ballinger is spending this week with her grandmother, Mrs. Belle Northern, of Centerville, who is very sick.

Bobbie Lee and Belle Ballinger attended church at Slip-Upper Saturday night.

Joe Northern attended the show at Mt. Vernon Saturday night.

# Mount Vernon Signal

"WHERE THE BOONEWAY JOINS THE DIXIE"

THURSDAY, MAY 31, 1956

VOLUME—67 NUMBER 35.

MOUNT VERNON, KENTUCKY

## No Fluoride Robs Children Of Healthy Teeth-Dentist

For fluoride to oppose fluoride would be to rob children of a child's dental health. So writes Jack R. Perciful, a native of Mt. Vernon and now a dentist at Alameda Naval Air Station, Alameda, Calif.

In a letter to the Signal this week, Doctor Perciful pointed out the benefits of fluoride to the city's water supply by the council's next meeting June 7.

Speaking of the danger of poisoning which has been voiced by persons opposed to fluoride, Mr. Perciful said: "It is unlikely that enough of the fluoride compound could be shoveled from a boxcar to those who oppose to actually produce a case of fluoride poisoning, if they tried."

Below is a reproduction of Doctor Perciful's letter in its entirety: "This letter is being written after reading the series of articles concerning the adoption of fluoride which have appeared in the Mount Vernon Signal."

I wish to extend my sincere congratulations to you for your complete agreement with the plans for fluoridation of the city water supply, as outlined

by Dr. Jack Henderson. I also want to make reference to some of the poisonous remarks concerning fluoridation which sound more like a form of advertisement than expressions of interest in the dental health of the community. Those who most directly concerned and benefited by fluoridation are not primarily those children already of school age, but rather those children 1-3 years and unborn. It is generally accepted that the period of tooth development occurs just before birth and through the younger years when children are not likely to receive care from the dentist. Therefore, the same effect produced by fluorine in the water supply is not likely to be achieved by oral hygiene "gels" between the ages of 1-3 years. One of the most pathetic sights for the dentist to see is children throughout the mouth. These children are not capable of learning or practicing oral hygiene. Fluoridation which has appeared to be treated by the dentist. Fluorinated water supply would be their only insurance of sound teeth.

As I see it, elementary chemistry textbooks and dictionaries are hardly authority or proof enough to base sound judgment for opposing the fluoridation plan. The decisions and acceptance of water supply fluoridation should be left to the judgment of those more familiar and qualified with the aspects of dental health; your dentists.

"For Mount Vernon to oppose this plan would be to rob children of a God sent gift of dental health."

Dr. Jack R. Perciful, B. S., Alameda Naval Air Station, Dental Infirmary, Alameda, Calif.

born and of infant age." "Reference has been made to fluorine as a poison. Might I point out that for years Mount Vernon has put a like substance, Chlorine, in the water supply which I believe the dictionary also calls a pungent, corrosive gas. I don't think there are any cases of chlorine poisoning recorded to this date from such use. It is unlikely that enough of the fluorine compound could be shoveled from a box car, by those who oppose to actually produce a case of fluoride poisoning, if they tried."

"As I see it, elementary chemistry textbooks and dictionaries are hardly authority or proof enough to base sound judgment for opposing the fluoridation plan. The decisions and acceptance of water supply fluoridation should be left to the judgment of those more familiar and qualified with the aspects of dental health; your dentists."

"For Mount Vernon to oppose this plan would be to rob children of a God sent gift of dental health."

Dr. Jack R. Perciful, B. S., Alameda Naval Air Station, Dental Infirmary, Alameda, Calif.

HONORED—Shirley Ann Parrett, left, was selected valedictorian of the Mt. Vernon High School senior class, which graduated recently. Salutatorian of the class was Joe Young, right. Mt. Young was the only boy in the three county schools to carry off scholastic honors.

## Clements' Majority 80,000; Morton Scores Easy Victory; Siler Wins Handily In 8th

### Livingston Seniors, Faculty Entertained

The senior class and faculty of Livingston High School were entertained recently at a banquet by Rev. and Mrs. Hugh Shelton.

The banquet was held at the Livingston Baptist Church. Ladies of the church were also hostesses.

The tables were decorated with white linen cloths and flowers of various colors. The group was served fried chicken, whipped potatoes, peas, salad and a delicious berry shortcake.

Members of the class and faculty were on an account of the Washington trip taken by the seniors. Six members of the faculty and 26 seniors attended the banquet.

Kentucky Democratic voters Tuesday turned out in record numbers across the state and with tabulations in 882 of the state's 4,037 precincts complete, incumbent Senator Earle C. Clements smothered opponent Joe Bates under a landslide of votes.

Early today Clements had 211,501 votes and Bates, 131,061 votes, giving Clements a majority of 80,440 votes.

While Clements was winning the Democratic nomination, Thurston Morfitt on the GOP was scoring an easy victory. The tabulation shows Morfitt with 39,691 votes and his two rivals Julian Golden with 12,285 votes and Granville Thompson with 4,507 tallies.

Morton will oppose Clements in the November 4 election for the Senate seat.

While the state was giving Clements a routing vote of endorsement and taking a slap at Gov. A. B. Chandler who backed Bates, most observers now believe Clements will come out victorious with a scant majority.

Should Clements defeat Bates in the county, it would be a sweet victory for Pike who has aided by Chandler since Chandler's election last November. Chandler fired Pike as county highway boss, but not as county chairman.

In the race for Representative, it appears GOP incumbent Gene Siler will retain his seat in Congress. Siler has 15 precincts. Siler has 362 votes. His opponent Joseph Candy has 47 votes.

Democratic side for Representative, W. D. Scalf is winning. In Rockcastle, he has 153 votes. His opponents, Lyle Willis and James and James Cupp has 48.

Though Clements so far is carrying Rockcastle, he is not doing so in the Eighth District. The tabulation gives Bates 11,287 votes and Clements 9,164. Bates is also leading in the Second District with 74,732 votes to Clements' 21,232.

By far the hottest race in the state was the Clements-Bates race. Bates led in the Eighth District but turned into a rout for Clements' forces. In less than an hour after the polls had closed, Clements had a 40,000 lead. M. Blackburn conceded defeat. He backed it on the "wop-sided" Louisville-Jefferson County vote which gave Clements 40,809 votes and Bates 5,533 ballots.

Below is a compilation of the (Continued on page 4)

## Free Blood On Way Out

The American Red Cross this week asked residents of Rockcastle to attend a Red Cross Jamboree June 13 at Berea High School, a show designed to raise funds to keep the Berea Red Cross Blood Program operating.

According to officials of the Red Cross, the blood program for this area is on the verge of being discontinued because of lack of funds.

"If you have received blood free from the Berea Hospital, were the pints you received vital enough to you to make a small contribution to the Blood Program?"

"Then too, there's another way that we have decided to raise money in order to support the Blood Program — The Red Cross Jamboree. It's a big show, starring Big Radio and T. V. Stars will be held in Berea on June 15th. The ad will be your local newspaper explaining the entire show. Tickets will be on sale at the drug stores in Mt. Vernon, Brodhead and Livingston. If you will buy just one ticket and come to this show you will be helping to maintain the Berea Red Cross Blood Program."

"We do not want to lose this blood bank. We do not want to have to restrict our blood just to the Berea area and have our friends from our neighboring counties that do not have a blood bank pay \$25.00 a pint for blood. That would not be a good neighbor. We of the Berea Chapter of the American Red Cross want to be good neighbors to you."

"Please think this plan over, and help us, your neighbor, who serves you, to keep our vital Blood Bank by helping us raise funds for the Blood Program."

"Remember the date of June 15. Get your tickets now for the Red Cross Jamboree at the Berea High School."

in the Berea area. They were not charged one cent for this vital gift. Now we are vying against it. We need money to keep our Blood Bank in the Berea Hospital.

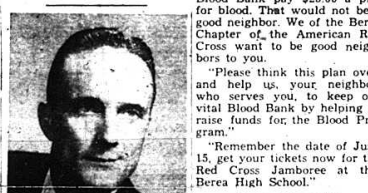

"If you have received blood free from the Berea Hospital, were the pints you received vital enough to you to make a small contribution to the Blood Program?"

"Then too, there's another way that we have decided to raise money in order to support the Blood Program — The Red Cross Jamboree. It's a big show, starring Big Radio and T. V. Dr. H. Leo Eddleman

## College Prexy Revival Speaker

Dr. H. Leo Eddleman, president of Georgetown College, will be the evangelist in a revival at the First Baptist Church, Mt. Vernon, June 10 through 17.

Mr. Eddleman is a former missionary to Israel. He and Mrs. Eddleman were sent to Israel by the Foreign Mission Board of the Southern Baptist Convention.

After returning to America, Mr. Eddleman served as professor of Old Testament at the Southern Baptist Seminary and as pastor of the English Bible Church of Louisville. He is a noted scholar of the original languages in which the Bible is written and of the English Bible. He was selected to preach the Convention sermon at the Southern Baptist Convention meeting in Miami, Fla., in 1952.

In 1954, Mr. Eddleman was elected president of Georgetown College. He will deliver his first sermon of the revival at 10:30 a. m. June 10.

Lloyd Darrell, minister of music of the First Baptist Church of Nashville, Tenn., will direct the music during the revival. Mrs. Ray Wilson of Crab Orchard will be guest organist and the Rev. Wendell Belew will play the piano. The public is invited to the services.

## Rev. Howard Ray Resigns

The Rev. Howard Ray, pastor of the Mt. Vernon Christian Church, handed his resignation to the church's Board of Directors Sunday.

Reverend Ray has accepted a call to the First Christian Church at Ladoga, Ind. While pastor there he will attend Butte College to work toward a master's degree.

Reverend Ray will probably be in Mt. Vernon for another four or five weeks to give the church officials time to find and select a new pastor. To date the church board has not acted on his resignation, but is expected to do so Sunday.

The minister, one of the most popular the church has had, came to Mt. Vernon in 1951. He attended the Seminary at Louisville and received his degree from Johnson Bible College in Tennessee.

The date church officials have not indicated who will replace Reverend Ray. Probably a call will be issued for several ministers who will try out.

## Mrs. Barbara Thompson Buried At Mt. Zion

Mrs. Barbara Thompson, 73, of Crab Orchard, died at her home Sunday after an illness of several years.

Mrs. Thompson, who was a member of the Church of Christ, survived by her husband, George Thompson; two sons, Mirfin Thompson and Roscoe Thompson, both of Stanford; a daughter, Mrs. Lavada Sizemore, Crab Orchard. One sister survives, Mrs. Eugene Brown, Crab Orchard. 14 grandchildren and 13 great-grandchildren.

Funeral services were conducted at the New Hope Church of God Tuesday with the Rev. Andrew Sunday officiating. She was buried at Mt. Zion Cemetery. Howard Funeral Home had charge of arrangements.

## MRS. MARY CRAIG HEADS GRAY LADIES

Mrs. Mary Craig of Mt. Vernon, has been elected chairman of the Gray Ladies, a service organization which will work at the Rockcastle County Baptist Hospital.

Her appointment was announced by Clyde Lanville at a county-wide meeting Tuesday night at the Bank of Mt. Vernon.

The Gray Ladies organization is nation-wide and is similar to a hospital auxiliary. It is a volunteer group.

## Bible School Dates Told By Baptists

The annual Vacation Bible School of the First Baptist Church, Mt. Vernon will begin at 8:15 a. m. June 4 and continue through June 15, according to the Rev. Raymond Lawrence, pastor of the church.

The school, which will have been selected to serve on the faculty. An enrollment of over 200 is expected.

The school will be divided into eight departments where they will receive training in music, Bible, missions, handicraft, worship and character development.

Refreshments will be provided each day. There are classes for children from 3 to 16. The church bus will run on the same route as last year.

A commencement program will be given at 10 a. m. June 15. Parents and the public is invited.

## Tom Hargis Returning To Renfro Valley

Tom Hargis, formerly of Renfro Valley, is scheduled to come to this area to manage the prospective radio station, when and if a construction permit is issued by the Federal Communications Commission.

To date the Commission has not acted on the application for the station. Mr. Hargis is one of the incorporators of Renfro Valley Broadcasts, Inc.

## TRANSY COMMENCEMENT

Dr. Gerald C. Baurer, dean of the Federated Theological Faculty of the University of Cincinnati, will be the speaker at Commencement exercises at 10 a. m., June 4, which will mark the close of the 176th year of Transylvania College at Lexington.

## LAKE CUMBERLAND VISITORS COUNTED

Visitation on Lake Cumberland set a new record in 1955, according to a report issued today by scenic Cumberland Islands. A total of 2,346 persons visited the 105-mile-long lake last year.

Hugh Collett, Executive Director of the Scenic Cumberland Islands, said this is more than 50,000 more visitors than were tabulated in 1954 and nearly twice the number of tourists attracted in 1951 when the lake was first impounded. The statistics were prepared for SCI by the U. S. Corps of Engineers.

For the second straight year, fishing was the lake's greatest drawing card, Collett said, drawing 990,700 tourists to the lake. Other activities and the number of visitors recorded in each are: Boating - 179,401; Camping - 38,167; sightseeing - 85,500; picnicking - 1,000; swimming - 121,604; and fishing - 38,304.

The report, covering 11 hunting camps and 31 motels bordering Lake Cumberland, indicates overnight accommodations are available for 1,618 persons. It lists 11 private cottages and cabins located on or near the lake and estimates their value at \$1,567,000.

## County Immunization Clinics To Continue Through Summer

With the polio season well on its way, Rockcastle County Health Department officials announced this week that polio immunizations will be continued during the summer months.

The parents have been urged to bring their children and teen-agers to the Health Office for inoculations.

Clinics are being held at the office each Friday from 8 a. m. to noon and from 1 p. m. to 4 p. m. The clinics will be held Saturday from 8 a. m. to noon. All immunizations will be given then.

Since January 1, clinics have been held in the county and in the schools with approximately 1,200 children immunized. There are still 5,800 eligible children in Rockcastle County who have not had the vaccine and who will have no protection against polio. The vaccine is given in two injections about four to six weeks apart and a third injection seven to 12 months later.

According to the officials, as

far as they know the Salk vaccine does not prevent the polio virus from invading the body. It is not effective as a treatment for paralytic polio. It does help prevent the virus from causing paralysis or injury to the nervous system.

Officials said protection for the summer season requires prompt action by all parents. In 1955 the rate of paralytic polio was four times greater among the unvaccinated children than among those vaccinated.

Since polio infection and paralysis can be caused by one of three main types of virus and since children who already have had one attack of polio have immunity only against one type of polio virus, it is advisable such children be protected against the other types of polio virus. The Salk vaccine protects against all three types.

Pregnant women are almost twice as susceptible to paralytic polio as others, and when infected, they get a more severe paralysis. It is then very important for their protection.

## Escape Serious Injury When Auto Leaves Road

Three residents of Graves escaped with bruises Monday when their auto ran into a ditch and turned on its side on Burr Hill.

Treated at Berea College Hospital for cuts and bruises were: Paul Jones, 21; Mrs. Zama Lewis, 22; and Mrs. Jerry Jones, 44, all of Graves.

According to reports, it was raining at the time of the accident. State Police car was traveling north and the Jones car was traveling south. The right rear wheel of the police car hit a soft shoulder throwing the car around. Jones apparently swerved to miss the ditch and his auto left the road.

Two witnesses stated the police car was traveling about 35 miles an hour. The witnesses saw the police car was in trouble and stopped to render aid.

## 4-H Meet Set At Lexington

Kentucky 4-H youngsters by the hundred convene at the University of Kentucky campus June 5 for the 33rd annual 4-H week.

In addition to four days of special activities, the 4-H boys and girls from the 120 counties of the state will pay special tribute to J. W. Whitehouse, state 4-H leader.

The program itself, a combination training session and recreational affair, ranges from band-jugging for boys through breadmaking for girls. It also includes such activities as vesper services, election of state officers, a casting class for 4-H officers.

(Continued on page 4)

## Mrs. Alice Perkins Dies At Crab Orchard

Mrs. Alice Perkins, 67, died at her home in Crab Orchard Saturday after an illness of several months.

Mrs. Perkins married the late W. E. Perkins in 1890. They were owners of Perkins Brothers Store at Crab Orchard for many years. She is survived by two sons: John H. Perkins and Sam Perkins of Crab Orchard; one daughter, Mrs. E. E. Edmiston, Cleveland, Ohio, and one granddaughter.

Funeral services were conducted Sunday at the Crab Orchard Christian Church with the Rev. Elmore Ryle and Don Atterbury officiating. She was buried in Crab Orchard cemetery. Howard Funeral Home had charge of arrangements.

## Skeet, Trap Shoot Built At Mt. Vernon

Mt. Vernon will soon have a new club officially designated the Renfro Skeet and Trap Club, Inc.

The shooting range will be located on top of Horse Shoe Bend Hill and will be at the right of Route 25.

The club was formed by Bob Reedy of Renfro Valley, Joe Noy of Mt. Vernon, Arnold Croucher, Claude Williams and Earl Hayes of Berea, and Bill Kidwell of Brodhead.

The club officials hope to have the shooting range open by June 24. Although it has been designated a club, in actuality it is not, since there will be no membership. The public can pay a fee and shoot. The range is expected to be open on Wednesday and Sunday afternoon.

## SCI Officials Ask State For 2 Road Number Changes

Scenic Cumberland Islands, Inc. is seeking Federal route designations for two state highways and has requested the Kentucky Department of Highways to back the proposals.

The tourist development group endorsed the change of KY 35 to KY 25 and KY 35 to KY 24. The request is one of several recommendations proposed to the Department of Highways by SCI's Board of Directors.

Three highway construction projects for the Cumberland-Wonderland region are listed in SCI's request to Humphrys: (1) Pave the Liberty-Thurston road from the State to the south border-to-border highway. (2) Relocate and reconstruct

KY 90 between Burnside and Monticello. (3) Complete construction and paving of KY 187 from Monticello to the Tennessee border.

SCI gavel in the Eight Department for its road-side improvement programs a 4 1/2 urged that more funds be earmarked for the State parks, scenic overlooks, and picnic tables in the department's next budget.

The group commended the highway department for its improvements of US 27. Stokes said he understands major work scheduled for the State Science Hill section and the Burnside-Pine Knot segment of that route.

But Humphrys believe these recommendations are imperative to the over-all economy of our region," Stokes said, "not only because of KY 35 — the only route, come, but as a vital factor in the expansion of all phases of Southeastern Kentucky's wealth and welfare."

SAND SPRINGS

Mr. Flavil Hunt suffered a heart attack while visiting the cemetery and was rushed to a hospital. His condition is reported serious. Mrs. Ruby Nicely and sons are visiting relatives in Ohio.

COUNTY AGENT NOTES

Refund of Federal Tax On Gasoline Used On A Farm Under the provisions of Public Law No. 468 approved April 2, 1956, farmers are relieved of the burden of Federal taxes on gasoline and special fuels used on their farms for farming purposes. The relief in the case of the gasoline tax is accomplished by providing annual refunds payable by the Federal Government directly to the farmers. The first claims to be filed will be with respect to gasoline purchased after Dec. 31, 1955, and used on a farm for farming purposes before July 1, 1956. These claims must be filed on or before September 30, 1956. Subsequent claims will cover the fiscal year period July 1, 1 to June 30, 1956. Claims for a federal tax refund on gasoline on farm and instructions for filling them out are available at the County Agents Office. These forms can be filed by either the owner, tenant or operator of a farm. Red Spiders and Earworms Red spiders are often bad at this time of year on ever greens. They can usually be detected if the plants are not the look-in and when the insects are in large numbers the small twigs may be covered with webs. Red spiders may be controlled by spraying with Airamite or Malathion, or by dusting with dusting sulphur. It may take two or three sprayings or dustings at 10 to 15 day intervals to control completely. If these tiny spiders are not controlled, they may cause the death of the plant. Bagworms are familiar to all, and these worms will soon eat

MULCH

Strawberry growers, think over the following suggestion. If there should be heavy rain every few days, it will be necessary to spray two or three times. These worms should not be regarded lightly and must be taken care of promptly when once discovered or they will ruin the plants in a short time. Sheep - Sharing Contest Is Feature Of Sheep Day A sheep-shearing contest will be one of the features of the nineteenth annual Sheep Day at the University of Kentucky College of Agriculture, June 7. The program will start under way at 9:00 a. m. to be sure to get a thick stand (C. S. T.) in the Livestock Arena. Speakers and panel members include such top-flight U. S. stockmen as Claude Harper, head of the Purdue University animal husbandry department, Norman Winder, Denver, Colo., chairman of the American Sheep Producers Council and several others. Sudan Grass for Strawberry

**FAIRVIEW**

**(Delayed)**  
Services were conducted as usual at Fairview over the week end with a good attendance. We also had a wonderful crowd on Mother's Day. Each of these mothers received a cash prize on that day. The oldest, Mrs. Annie Thomas and the youngest mother, Mrs. Gustava Peters, were the mother with the most children present for church, Mrs. Brown.

Most everyone around Fairview attended the graduation exercises at Brodhead Friday night, May 11th. Four of our young people near here received diplomas that night. They were Miss Barbara Ann Noland, Elwood Treon, Rebecca (Becky) Peters and Lora Lee Stephens. They all left the following Sunday with the Senior Class for a day trip to Washington, D. C., and other points of interest.

Mr. Murray Alfred Noland of Valley View spent a few days with his father, Mr. J. M. Noland, and family recently and helped his father complete a new front porch to his home.

Mrs. Lizzie Griffin remains very ill in the Richmond Hospital.

Mr. Eugene Reppert was in Kingston Monday to see Dr. Lyles.

Mr. William Cope, son of Mr. and Mrs. Willie Cope, left last week for induction in the service.

Mr. Tom Philbeck and Mrs. Alta Philbeck and family were Sunday dinner guests of Mr. and Mrs. Eli Barnett and family May 11th.

This community was saddened by the death of Mr. Tom Nieceley of Mt. Vernon last week. The family has our sympathy.

Sunday dinner guests of Mr. and Mrs. Hubert Chasteen were Mr. and Mrs. J. M. Noland and son, Charles.

Mrs. Marilyn Wren Mullins and family of Indiana visited her mother, Mrs. Agnes Wren, on Mother's Day.

Mr. and Mrs. Dennis Allen and family were Sunday visitors at the home of Mr. and Mrs. George York. They also attended church at Brindle Ridge.

Rev. and Mrs. Paul Allen and family had dinner with Mr. and Mrs. Eugene Reppert Sunday.

Mrs. Molly Young and son, Ray Young, of Hamilton, Ohio, visited her father, Mr. Nick Chasteen, and brother, Mr. Hubert Chasteen, and families over the week end.

Mrs. Ethel Kirby is slowly improving in the Berea Hospital, after undergoing surgery last week. We wish her a very speedy recovery.

Mr. and Mrs. Edgar Barnett and Mr. Robert Reppert and daughter, Ruby, visited Mrs.

Barnett's father, Mr. Ballard Owens, and family of Crooked Creek Sunday, May 11th. They were accompanied home by Miss Geneva Barnett, who had spent a few days with her grandparents.

Mr. and Mrs. Alwyn Perry and daughters of Frankfort were Sunday evening guests of Mr. and Mrs. J. M. Noland and Mr. and Mrs. Cletus Peters and families.

Please remember church and Sunday School.

**--- BURR ---**

Mr. and Mrs. Calvin Barnett of Cincinnati, Ohio, were Sunday afternoon guests of Mr. and Mrs. John S. McClure.

Sunday guests of Mr. and Mrs. Hubert Bell and family were: Mr. Sonnie Price of Berea; Mrs. Nora Bell and son, Arch, and Mr. and Mrs. Millard Bell and children.

Mr. and Mrs. Charlie Lovell and Mrs. Fred McCoy of Covington were home a short time last week.

Mrs. W. R. Gill has been sick, but is better.

Mrs. Maggie Frederick and her daughter, Mr. and Mrs. Florence Harovell, Donnie and

Ronnie, started on their vacation last Wednesday for Ocean side, Calif. We wish them a nice time.

We were glad to have the good rain Sunday afternoon, as gardens were needing it bad.

Mrs. Lee Ponder visited her daughter and family last week.

Mrs. Henry Ponder, at Burr, and Mr. and Mrs. Lewis Cameron accompanied her sister, Mrs. Bessie McClure, home to Ind. last Friday night and returned home Sunday afternoon.

Mrs. Alice Owens visited Mrs. Gill Sunday afternoon.

**(Delayed)**  
Mrs. Maggie Frederick and sister, Nora, were in Pine Hill Monday. They were also in Mt. Vernon on business Wednesday.

Mrs. Nora Hasty and children, Bessie and children, were Sunday guests of Mr. and Mrs. Lewis Cameron.

Mrs. Margie Jones and children and daughter, Mrs. Dempsey Ramsey, and children visited her mother and grandmother, Mrs. Nora Bell, Sunday afternoon.

Mrs. Grace Harper and daughter, Joan, were Sunday guests of her mother, Mrs. Maggie

Frederick, also Mrs. Margie Jones visited her aunt, Maggie Frederick.

Mrs. Ed Madden has been on the sick list, but is better at present.

Mrs. Julette Bell and children visited her parents in Berea Sunday, Mr. and Mrs. Hazel Price.

Mrs. Doshia Overbay, Linda and Burb, are visiting her children in Ohio.

Mr. Delbert Lovell and Mrs. Vivian Pittman and little son visited in Burr and at the home of Mrs. Alice Owens Sunday afternoon.

Mrs. Maggie Frederick is getting ready for a visit in California with Mrs. J. R. Bader and Mr. Sallie Frederick. Also with her two grand-daughters, Wathelen and Juanita.

Mrs. Nora Bell and grand-daughter, Patricia Ann Bell, visited Mr. and Mrs. W. R. Gill Saturday.

**WILDIE**  
Uncle Billy Coffey is in the hospital very sick. We wish him a speedy recovery.

Mr. and Mrs. Homer Reynolds and children of New Paris, O., and Mr. James Reynolds of

Hamilton, visited their parents, Mr. and Mrs. Alvin Reynolds, over the week end.

Mr. and Mrs. Clayton Hurst and daughter, Judy, of Morristown, Tenn., were here visiting friends and relatives over the week end.

Mrs. Rose Adams has been in Chicago, Ill., visiting her daughter, Pauline, who has been ill. Mr. and Mrs. Hugh Coffey of Richmond, Ind., visited relatives here over the week end.

Rev. and Mrs. Dillard Bowman and children of Clear Crk. visited Mr. and Mrs. Vernon

a week with her parents, Mr. and Mrs. Alvin Reynolds.

Mr. and Mrs. Lawrence Fisher and children of Somerset visited with her mother, Mrs. Stella French, over the week end.

Mrs. Rose Adams has been in Chicago, Ill., visiting her daughter, Pauline, who has been ill. Mr. and Mrs. Hugh Coffey of Richmond, Ind., visited relatives here over the week end.

Rev. and Mrs. Dillard Bowman and children of Clear Crk. visited Mr. and Mrs. Vernon

Mullins Sunday afternoon. There was a large crowd attended Decoration services at Merritt Cemetery Sunday. Bro. Gentry made a good talk.

Mrs. Lois Albright and children of Louisville recently spent

Think of this next time you're in heavy traffic - No other transmission is so smooth as Dynaflo\*

You know how it is. Anyone who drives a car these days must sometimes drive in crawling, slow-moving traffic where it's stop-and-go or sputt-and-slow. And if you're used to a car that handles such traffic with a continuous series of upshifts and downshifts - even automatically - then maybe you think that's the best you can have. But it isn't. You can have Dynaflo smoothness in a new Buick - and you won't believe the difference until you try stop-and-go traffic. For here you have absolute smoothness when you accelerate. Here you have absolute smoothness when you decelerate. Here you have absolute smoothness under every road condition and traffic pace - with no lags or bumps to mark upshifts and downshifts - because no gears ever shift in Dynaflo. It's the only transmission on the American scene today where flowing oil does the work of gears every step of the way - and where smoothness is constant, absolute and infinite. So maybe you ought to sample a new Buick with Variable Pitch Dynaflo - and try the new thrills that go with this smoothness - The flash-fast new getaway response - and new stepped-up gas mileage - when you barely press the pedal. The instant new full-power acceleration when you floor the pedal and switch the pitch for a needed safety-surge - The whirling new might of the big new 322-cubic-inch V8 engine that puts the ginger to it all - And the new ride, the new handling ease, the new interior, the new bold look of racy sweep-ahead styling. Drop in on us this week - today if you can - and see for yourself what straightforward truth we tell you here - and what great-buy prices are keeping Buick more firmly than ever in the top 3 of America's best sellers. \*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick built today. It is standard on Roadmaster, Super and Century - optional at modest extra cost on the Special. SEE JACKIE GLEASON ON TV Every Saturday Evening

**"AGAIN!" "Something New!"**

It's true we are always ready to use new and improved ideas through our laundry to better our work and to please our customers.

Now we have added to our laundry work VELVA-SOFT-A product to lengthen the life of your clothes. It gives such wonderful luster, such softness. Housewives are pleased with Velva-Soft. They love the feel of such soft towels and washrags. The entire family sleeps and rests better on Velva-Soft treated sheets and pillow cases. No more harsh feel from starched shirts and wearing clothes, thank to Velva-Soft. For with its treatment a feel of newness comes to clothes.

Bath towels, chenille spreads and robes are fluffed almost twice their thickness. So housewives benefit by using our laundry service. Let the whole family be happy. Velva-Soft can do it.

**Also**

For the best in dry cleaning send to us your garments where they are moth-proofed FREE OF CHARGE with six months guarantee. Where every garment is given our thorough attention. Clean and pressed to perfection. Where all small holes, rips and tears are mended at no extra cost.

Send your cleaning and laundry to us, we assure you to be pleased. Your patronage always greatly appreciated.

Home Agents Notes

Home Makers' Schedule June 1-7. June 1, Friday, West Union, 10:30 a. m. Mrs. John Hammonds.

June 4, Monday, Berea Night, 7:30 p. m. Mrs. Betty Bowman. June 5, Tuesday, White Station, 1:00 p. m. Mrs. Hope Cox.

June 6, Thursday, Silver Creek, 10:30 a. m. Mrs. John C. Lewis.

Good Time To Freeze

Beef, Pork and Broilers. If the food supply in the home freezer is getting low, thrifty housewives will take advantage of the plentiful and reasonably priced supply of beef, pork and southern-grown broilers now available.

The right kind of wrapping materials are important in freezing broilers. The U. S. Department of Agriculture recommends polyethylene bags for freezing chickens whole or halved. Clear, plastic bags are made especially for freezing and come in different sizes.

When half-chickens are being frozen, separate the halves from sheets of polyethylene so they won't freeze together.

Home economists recommend storing giblets for not more than three months in a freezer, as they don't keep as well as the rest of the chicken. The giblets should be wrapped in separate packages before being frozen.

Recipe of the Week

Spring finds fluid milk production increasing seasonally, and homemakers will be using generous amounts to make cottage cheese. Grocery stores, too,

will be well supplied with this favorite food in their dairy sections. Cottage cheese is highly nutritious, yet its calorie count is low as it is made of skim milk. Creamed cottage cheese is made by adding cream or a cream and milk mixture to it. A salad favorite for spring lunches.

Frozen Fruit Salad

2 c creamed cottage cheese one-third c mayonnaise 2 T sugar 1 c diced pineapple 1 c diced oranges one-fourth c chopped maraschino cherries 2 T pineapple juice one-third c chopped pecans

Sieve cottage cheese. Combine with mayonnaise. Combine sugar and stir until well blended. Fold in fruits, pineapple juice and nuts. Freeze in refrigerator tray at coldest temperature until solid. Slice and serve on lettuce. Serves 6.

Menu: Frozen cottage cheese fruit salad, peanut butter fruit sandwiches, celery and carrot sticks, ice cream roll and coffee.

WILDIE

Mrs. Mae Adams spent the week with Mr. and Mrs. Luke Bowman. Mrs. Bowman has been

at Berea. Mrs. Bowman and Mrs. Roy Mullins visited part of Agriculture recommended polyethylene bags for freezing chickens whole or halved. Clear, plastic bags are made especially for freezing and come in different sizes.

When half-chickens are being frozen, separate the halves from sheets of polyethylene so they won't freeze together.
