TIPS FOR SURVIVAL

FCDA Offers Practical Defense Against Fallout

In a split second during the pre-dawn hours of a morning in November 1952, radioactive fallout came of age as a potential hazard to every living thing.

Since then, millions of words have been written and spoken and to every living thing.

We are told that it cannot be detected by any of the human senses, only by radiation detection devices. It can hatch a ripe man on the wind for hundreds of miles from a nuclear blast, visible earth even in remote places and make entire areas temporarily uninhabitable.

But what, ACTUALLY, is fallout? Is its movement predicted? And what can people do to protect against it?

Fallout is nothing more than tiny dust particles blasted into the air when a nuclear weapon's "breath" protects the earth's surface. This material is then made radioactive by the heat and thus carries dangerous radiation to wherever the dust falls.

RADIOLOGICAL monitor at Springfield, Ill., food store uses "survey meter" to measure "nuke fallout" during Operation Alert 1954. Thousands of these and similar instruments are being stockpiled and produced against the day when they would provide the only way to detect "hot" areas and warn people to avoid contaminated areas.

By plotting high-altitude winds, weather men can predict the area of fallout. They tell approximately where it will land. Radiological monitoring would then establish specific fallout patterns.

People can protect themselves by staying under cover and tuning a battery-operated radio to emergency civil defense frequencies for expert instructions. A basement makes a fair shelter, an old-fashioned root cellar an excellent one. This is because only 1,000th of the radiation that would hit a person in the open will penetrate three feet of earth.

MOST IMPORTANT, remember that fallout leaves no margin for error, or amateurs. For example, just because the surface wind is blowing from a "safe" direction doesn't mean that the winds above 10,000 feet—which would usually dominate the direction of fallout—weren't blowing some other way. Only the experts have the equipment to predict fallout areas.

METAL DEAD METAL DO

LISTEN

to the voice of nature. If it were not for pain, our bodies could be destroyed without our knowledge. Pain is a friendly warning that something is wrong. In disease you silence this warning by decreasing the pain, you have not corrected the cause, but you have taken away nature's danger signal.

Chiropractic

is a science—not of deadening pain but of correcting the cause that produces pain.

Wayne Clark was Saturday guest of Wayne and Donald Ray Mr. and Mrs. Elmer Fain at Kirby.

TO BRING YOU PEACE OF MIND

WE OFTEN have thought that the greatest service that the modern funeral director renders is to lift the burden of responsibility from the shoulders of the deceased—to take care of the many tasks that must be performed. From the moment we are called, many members of our organization take part in accomplishing the acts that are required by law or custom along with any special requests from the family. We try to spare our clients just as far as we can from worry and strain of unaccustomed tasks.

VOLUME 67—NUMBER 50

MOUNT VERNON, KENTUCKY

State Allows MVHS \$74,000 For Year

Taking Part In Program Means More Buildings

Because of its 100 percent participation in the state's School Foundation Program, Mt. Vernon Grade and High School will receive whopping \$74,185.82 this year from the state for school purposes, according to Clyde Linville, superintendent.

Last year, with no Foundation Program to participate in, the local school received \$40,097.30. All this is considered good news for Mt. Vernon school officials, since it allows the school more teachers—meaning fewer pupils in classes—a 30 percent increase in teachers salaries, as well as money to pay for the new Industrial Arts Building under construction at the rear of the school.

As a sidelight, Mt. Vernon this year is receiving more funds from the state than all of Kentucky.

Mr. Linville reports state officials are very pleased with the building program. He maintains to space teachers and curriculum, and the officials have called the program "an ideal one for a school the size of Mt. Vernon. In fact, MVHS is one of the few schools in the state that is not overcrowded."

Allowing for expansion and improvements at the school, the superintendent says, the day is fast approaching when school men can look forward to a new gymnasium, which is fifth on the priority list at Mt. Vernon, Mr. Linville said. The state sets up the priority list.

The new gymnasium is a grade five of Mt. Vernon High School, attended by Berea College and graduated from the Cincinnati Conservatory of Music with a bachelor's degree in 1954 and a master's degree in music in 1951. He also studied privately in New York for one year.

He will begin his new duties immediately.

Jack L. Adams Music Teacher

Jack Lincoln Adams, son of Mr. and Mrs. Bruce Adams, Mt. Vernon, has accepted the position of music instructor at Mt. Vernon Grade and High School, according to Clyde Linville, superintendent.

Mr. Adams comes to Mt. Vernon school from Oakland City, Ind., where he taught for three years, where he and his students won several honors in band and orchestra. Prior to that time he taught at Carrollton public schools.

The new instructor is a graduate of Mt. Vernon High School, attended by Berea College and graduated from the Cincinnati Conservatory of Music with a bachelor's degree in 1954 and a master's degree in music in 1951. He also studied privately in New York for one year.

He will begin his new duties immediately.

Rev. Marion Parkey New Minister Begins Duties

The Rev. Marion Parkey has taken over duties as pastor of the Mt. Vernon Christian Church.

He replaces the Rev. Howard Ray who went to Indiana.

Reverend Parkey was pastor of the LeClair Grove Christian Church at Keokuk in Laurel County, prior to coming to Mt. Vernon. The new pastor is a native of Corbin. He graduated from Mt. Vernon Christian College at Grayson in 1950. He is a grandson of the late J. W. Masters a former pastor of the Mt. Vernon Christian Church.

Reverend Parkey served in the Army 30 months during World War II. He is married and has two sons.

Judith Bullock New MVHS Senior Proxy

Officers who will serve the Senior Class at Mt. Vernon High School were elected at a meeting Monday.

Judith Bullock is president. Lois Dailley Brown is vice president. Carole Ann Giestman is secretary. Hansel treasurer, and Harry Harmon, reporter.

Members also agreed to pay 25 cents each week for class dues.

Wetherby To Speak

Former Governor Lawrence Wetherby, Democratic nominee for U. S. Senate, and State Senator Robert Humphreys, will speak at the court house at Mt. Vernon at 9 a. m. (C. S. T.) Saturday.

Maryland Man Under Bonds On 2 Charges

William Rader, 30, of Annapolis, Md., is in the county jail awaiting hearings on two charges after he threatened his wife and her two children, by a previous marriage, Tuesday night at Broadhead.

Found on Rader when Deputy Sheriff Sam Hoskins and Broadhead Night Policeman Delmas Owens arrested him, were newspaper clippings which stated Rader is under \$1,500 bond at Annapolis charged with shooting a taxicab driver and taking his taxicab.

County Judge Walter Sower placed Rader under \$1,000 bond for carrying a concealed deadly weapon, and \$500 for "flourishing and drawing a deadly weapon."

According to police, Rader came back to Broadhead in the act of seeing his wife, Mrs. Carrie Louise Rader, and making a reconciliation. A letter found on Rader threatened his wife.

Rader went to the home of his wife's mother, Mrs. Ruth Shives, and waited for his wife and children to come home. One of the children went into the house ahead of the others and found Rader waiting with a gun in his hand and gave the alarm. He was arrested a short time later.

In Kentucky, the Commonwealth's official publication has been returned to quarterly publication by the Department of Public Relations.

Crab Orchard Bank Is Sold

Negotiations are now being completed for the purchase of the Crab Orchard Banking Co., according to an announcement by Dr. M. M. Phillips, president of the Crab Orchard Bank, and S. F. Matheny, president of the State Bank.

The completion of the sale is now awaiting approval of the U. S. Comptroller of Currency at Washington, D. C. The comptroller must approve the purchase.

Most of the documents of the sale were signed Wednesday by officers of the two banks. All stockholders of the Crab Orchard Bank will meet Monday to take action on the sale.

The Crab Orchard Bank will continue to operate in the same way as it has for the past quarter of a century. Mr. Matheny reported there would be no personnel changes. Some physical improvements will be made in the Crab Orchard office of the bank.

The reason for the sale was given by Doctor Phillips. He said the Crab Orchard Bank was unable to find a qualified successor in salary. The bank could afford to replace Robert R. Baker, former cashier of the bank who was killed in an accident on his farm last July.

The Crab Orchard Bank has 14 stockholders. It was formed in 1903. The bank opened with a capital of \$15,000 and in 1935 the bank now has a surplus of \$25,000 and undivided profits of \$14,000.

After approval of the sale the bank will be known as the Crab Orchard Branch of the Lincoln County National Bank. It will operate like the present McKinley Branch operates.

Farmers Credit MET AT BANKS. N. M. SMOCK SAYS

Kentucky farmers met their credit needs during 1955 chiefly through loans from their local banks, according to N. M. Smock, president, who represents the Kentucky Bankers Association as its C. C. at the County Agricultural Chairman.

During the year the state's banks provided far more financing aid to farmers than any other lending agency, he pointed out.

Using figures from the fifteenth annual farm lending survey of the Agricultural Commission of the American Bankers Association, Mr. Smock noted that on Jan. 1, 1956, the Federal Land Banks held by insurance companies, second largest lender to Kentucky farmers; \$17,013,000 held by Federal Land Banks; \$14,560,000 by Production Credit Associations; and \$12,799,000 by the Farmers Home Administration.

The total of farm credit outstanding in banks was made up of \$61,188,000 in production loans and \$57,776,000 in farm mortgages. In addition, banks in Kentucky held \$4,025,000 in C. C. paper not included in the above total.

"It is estimated that about three-fourths of the farm real estate loans are for purpose normally associated with intermediate-length loans. The banks are to meet the increased needs for intermediate-term (one to five or more years) loans by Federal Land Banks for both real estate and production loans outstanding," Mr. Smock said.

"It is estimated that about three-fourths of the farm real estate loans are for purpose normally associated with intermediate-length loans. The banks are to meet the increased needs for intermediate-term (one to five or more years) loans by Federal Land Banks for both real estate and production loans outstanding," Mr. Smock said.

The banks are to meet the increased needs for intermediate-term (one to five or more years) loans by Federal Land Banks for both real estate and production loans outstanding," Mr. Smock said.

Stork Visits Hospital

The first baby born at the Rockcastle County Baptist Hospital since it opened Sept. 2 was born Friday when Mrs. Curtis Vanzant gave birth to a baby boy. The child has been named Michael Curtis. Mrs. Vanzant will be remembered as Eola Mae Baker of Climax.

In other hospital news, Dr. George Griffith, of Mt. Vernon, has been elected president of the medical staff, Dr. Walker Owens of Mt. Vernon has been elected vice president and Dr. R. G. Webb of Livingston, secretary.

Additional contributions to the hospital operational fund are as follows: Mr. and Mrs. V. Cox, Mt. Vernon, \$15; Mr. and Mrs. Gillis Craig, Mt. Vernon, \$15; Mr. and Mrs. Ed Weststead, Lebanon, \$25, and Miss Joan Savers, Broadhead, \$10.

As of noon Wednesday the Kentucky bank patients were discharged Wednesday morning. To date, 18 bed patients have been admitted to the hospital and 26 persons have been treated for various ills in the emergency room.

New Education Program At State University

The University of Kentucky's College of Education will offer a new type of cooperative educational program beginning with the fall semester whereby students will "earn while they learn."

The purpose of the plan is to prepare men and women for professional education positions in industry, business or in vocational and technical schools, according to Prof. Maurice Baker and Dr. Charles V. Youmans, coordinators of the program.

The program will cover a five-year period—the first two of which will be campus classwork. The last three years will be operated on a cooperative basis, with students spending alternate semesters at the University and in work-training stations on the job in business or industry. An adviser will work with the students in coordinating the overall program, and will serve as a liaison agent in helping the employer give the students practical training and experience.

Students entering the combined program will receive a bachelor's degree in education and a certificate in their field of work.

(Continued on page 4)

LUCKY ESCAPE—Ernest Mason, 19, of Mt. Vernon, escaped serious injury when the dump truck shown, which he was driving crashed into the rear of an auto-carrier last week at Dog Patch, near Logan. The auto-carrier stopped for a school bus and Mason was unable to stop. The truck was loaded with nine tons of asphalt. Standing on the hood is Billy Hale.

Ronald Barker Found Shot; Dies Later At Hospital Here

Ronald Barker, 23, of Ottawa, was found shot in the living room of his home Saturday. A single-barrel shotgun was at his side.

According to Deputy Sheriff Ernest Hoskins, who investigated the shooting, Barker left a note. The deputy did not give details of the note but said Barker apparently committed suicide. He had threatened suicide several times before, Hoskins said. Barker reportedly had been estranged since his father's death two years ago.

The officer reported Barker was shot in the right side of his chest. He was found about 7 p. m. when his family returned home and was rushed to Rockcastle County Baptist Hospital where he died shortly after arrival.

He is survived by his mother, Mrs. Sophia Barker, of Lockland, Ohio; his wife, Wandagene, and five months old daughter, Diane; three sisters, Mrs. Verna Epperson-Havana, Cuba, Mrs. Janet Bishop, Amhurst, Ohio, and Mrs. Norma Jean Barker, Lockland, Ohio.

He served in the Armed Forces for two years and had been farming recently.

Funeral services were conducted Monday at Mt. Zion Church, with Reverend Holt officiating. Cox Funeral Home had charge of arrangements.

Funeral Held For Chester H. Bullock

Chester Earl Bullock, son of Mr. and Mrs. Ben Bullock of Wad, died at his home Sunday. He was 34.

Mr. Bullock was born in Rockcastle County and attended school in the county. In 1944 he married Lucy Barnes, who survives. He is also survived by three sons, Robert Earl, 11; Bentley Jerral, 9, and Donald Ray, 6.

Three sisters survive: Mrs. James Payne, Mrs. Walter Hasty and Mrs. Curtis Bradley, all of this county, and one brother, Floyd Bullock, who is in the Armed Forces.

Funeral services were conducted Tuesday at Freedom Baptist Church, where Mr. Bullock was a member, with the Rev. Fountain Jones officiating. He was buried in Freedom Cemetery. Cox Funeral Home had charge of arrangements.

William M. Norton, 66, Dies In Indiana

William Mitchell Norton, 66, died suddenly at Culver Hospital, Crawfordsville, Ind., Friday. Norton had spent most of his life in Kentucky but had lived in Indiana for the past 12 years.

Mr. Norton was born the son of Robert and Mollie Pruitt. He married Clarice Norton in 1915, who died in 1952. In 1953, he married Rosie Basile.

He is survived by his wife; three daughters, Mrs. Agnes Bullock and Mrs. Lois Witt, of Ladoga, Ind., and Mrs. Shelby Bullock of Mt. Vernon; three sons, William Norton, of New Ross, Ind., Arvel Norton, of Rockledge, Ind., and Shelby Norton, of Ladoga, Ind. One sister, Mrs. Elizabeth Fletcher, 16 grandchildren and two great grandchildren survive.

Funeral services for Mr. Norton, who was a member of the Church of Christ, were held Monday at Skeggs Creek Church. Cox Funeral Home had charge of arrangements.

Broadhead Man Found Today

George Brummitt, 80, who has been missing from his home at Broadhead since Aug. 23, was found early today at Lexington, according to his daughter, Mrs. George Bishop, Broadhead, her father is apparently in good health. He had recently been under the care of a doctor.

The elderly man was found by Lexington police when they made an investigation of workhouse inmates.

Police surmised, Mr. Brummitt apparently wandered a way from the Greyhound bus station when the bus was halted for a rest stop and police put him in the work-house for investigation when they found him wandering on the street.

Mr. Brummitt was just seen at Stanford where he reportedly purchased a ticket for Covington on his way to Cincinnati, Ohio. He failed to arrive at Cincinnati and police began a search.

Members of his family went to Lexington today to return him to Broadhead.

Farm Bureau Meeting

The local Farm Bureau will hold a meeting at 7:30 p. m. Sept. 21 at Mt. Vernon Grade and High School to pass on any resolutions farmers may want to send to the state Farm Bureau Convention to be held at Louisville in November. All members have been asked to attend.

Bus Station Changed To Mt. Vernon Hotel

The Greyhound Bus Station has been changed again. The ticket and freight office will be at the Mt. Vernon Hotel. Buses stop only long enough to load and unload passengers and freight.

Secret of Warm Morning Coal Heater Success is patented, 4-flue firebrick lining

Flames shoot up flue at each corner and envelop top of fuel bed. Gas that ordinarily would go up flue is burned off. Fresh coal is turned into glowing, slow-burning coke. Thus, you get more heat, at lower cost—save on fuel bills. And, remember, with a WARM MORNING Coal Heater, you light a fire just once a year, fill it just once a day. Wake up in a warm home every morning!

Nearly two million folks who have bought these WARM MORNING Coal Heaters know that only WARM MORNING gives you so much for your money! Come in today and choose from a complete line of models we have on display!

Warm Morning Be sure to look for the name WARM MORNING on the front of the heater before you buy. Don't accept substitutes. J. F. Griffin & Son Main St. Phone 134 Mt. Vernon, Ky. Main Street

Why spend the extra dollars for a higher priced car? Chevy's smart as they come with its stylish Body by Fisher—and it's a beautiful thing to handle! In truth, there's been a quiet revolution in the automotive world. Higher priced cars used to provide much more in space, ride, and handling. But no longer. Chevy offers all the luxury, all the performance, all the space you've always hoped for—and better roadability besides! Come in, first chance you get, and let a new Chevrolet show you what we mean.

They don't come any smarter— OR GO ANY SWEETER!

CHEVROLET America's largest selling car—2 million more owners than any other make! Only franchised Chevrolet dealers CHEVROLET display this famous trademark Baker Motor Company Mt. Vernon, Ky.

LIVINGSTON News

Mrs. Alice O'Connor of Indianapolis, Ind., Harold Cox, Eugene Anderson, and Roy Anderson of Richmond, Ind., visited Mr. and Mrs. C. F. Mullins Sr.

Mr. and Mrs. Harold Bullock and sons of Covington spent last week end with Mrs. John Bullock. George remained with Mrs. Bullock.

Wheat Yield is Boosted 28 Bushels by Good Soil Care

INCREASES of as much as 28 bushels of wheat per acre from the use of fertilizer were obtained on some Kansas farms last season, reports the Middle West Soil Improvement Committee, in citing results of tests summarized by Dr. Floyd W. Smith, Kansas State College agronomist.

"Wheat made 60.4 bushels per acre on the top fertilized plot on the Ted Breuer farm near Waverly," Smith said.

"Yields averaged more than 50 bushels on plots at the Ottawa experimental field and on the Vernon Meador farm in Wewa. Seven other locations had yields ranging from 40 to 49 bushels per acre."

Overall results on 18 farms in Eastern and Central Kansas showed that fertilized wheat averaged 13 more bushels per acre than unfertilized wheat.

Smith estimates that fertilizer returned more than \$4 for every \$1 invested in plant food. Even in severe drought areas, there was usually enough yield increase to pay the cost of the fertilizer treatment, he said.

Summing up the results of Kansas tests over 4 1/2 years, Smith said: "If a farmer will have his soil

High soil fertility level gives top wheat yields per acre.

tested and if he follows recommendations for the use of phosphate, potash and nitrogen, he should realize \$2 to \$3 for every dollar spent on fertilizer.

"In some years results may not be this good. But under particularly favorable conditions such as we had in 1934 in extreme Eastern Kansas, returns may be as high as \$4 to \$5 for every dollar invested."

The Signal Says...

MOVHS GETS MANY WELCOME DOLLARS

Mt. Vernon Grade and High School begins the school year, as a front page story shows, in better financial condition, generally, than it has ever been.

In the first place, the school is going to get about \$34,000 more this year than last year for school purposes, and will not have to put up as many tax dollars, about \$20,000.

The school got the \$34,000 added by participating in the state School Foundation Program, and it was done in a somewhat novel way.

In the second place, resident, life-god news on the school program. The school's teachers are getting an overall 30 percent increase in their salaries.

Indeed, all this is good news, and the news speaks well for the school administration and past and present school boards.

MOVHS MONEY (Continued from page 1)

The school will put up about \$20,000.

This is the first year Mt. Vernon has participated 400 percent in the new state program. Its participation was initiated when the school added industrial arts to its curriculum.

All the Mt. Vernon school had to do to take part was to ask to participate, once officials knew the school had met the requirements.

Mr. Linville also reported the grade teacher's load of students had been reduced from 45 to 35 pupils average last year, to a 29 pupil-per-grade average this year.

As of this week, a total of 560 pupils had enrolled in Mt. Vernon Grade and High School.

FARMERS CREDIT (Continued from page 1)

Farmers' "First," he said, "farmers haven't had a steady income to repay their obligations during recent years and the early postwar years.

These investments made through the use of intermediate-term credit have greatly contributed to more efficient farm businesses in Kentucky, and a higher standard of living for all Americans.

Mr. Smock reported that all but eight of the 353 insured commercial banks in Kentucky served agriculture by making farm loans during 1955.

U. K. PROGRAM (Continued from page 1)

operative phase must have completed 65 semester of college work, and have a standing of at least "C." Deadline for selecting this plan is during the first semester of the college junior year.

Freshman and sophomore students planning to follow this course would be advised to take classes in personnel management, industrial administration or a general business course.

older varieties with superior winter-hardiness but weaker straw than desired for commercial varieties.

The three recommended varieties are high yielding and superior in other agronomic characteristics.

GREEN HILL

Mr. and Mrs. Robert Duane of Indianapolis, Ind., are visiting relatives here.

Mr. and Mrs. James Baker and daughter of Eaton, Ohio, are visiting their parents, Mr. and Mrs. Jim Baker.

Mr. Robert Jones, who has been sick several months, is reported seriously ill at this writing.

Mrs. Dalie Weaver of Richmond, Ind., is visiting relatives here.

Mrs. Rufus Wheat of Well Hope visited her parents, Mr. and Mrs. Rymel, over the week end.

Mr. W. R. Coffey and Lillian Anglin spent Monday afternoon with Mrs. Ray Coffey and Mrs. Laura Baker.

Those who have visited Mr. and Mrs. W. R. Coffey recently are: Mr. and Mrs. Arvol Coffey and Eleanor of Berea, Mr. and Mrs. Matt Williams of Cumberland, Mr. and Mrs. Charlie Parsons and family of Richmond, Mr. and Mrs. Fred Ramsey and family of Renfro Valley, Mr. and Mrs. Robert Coffey of Robert Jr., of Richmond, Ind., Mr. and Mrs. John Gibson of Cambridge City, Ind., Mr. and Mrs. W. H. Deane and son, Billy, of Louisville and Mrs. Lillian Decker of Mt. Vernon, Mr. and Mrs. Ray Covey and Mrs. Laura Baker of Berea, Mr. Gentry of Wildie and Mr. Peasley Burdette and Mr. and Mrs. Anderson Ramsey and son, Richard Lynn, of Lebanon, Ohio.

County Agent Notes

A mulch on strawberries during the winter and spring is of great importance.

Small-grain testing conducted by the Kentucky Agricultural Experiment Station agronomy department resulted in recommendation of three varieties of winter oats.

FOUR VARIETIES ADVISED FOR STATE

Small-grain testing conducted by the Kentucky Agricultural Experiment Station agronomy department resulted in recommendation of three varieties of winter oats.

The agronomists tested 11 varieties with varying results. Tested in addition to the three above were LeConte, Bronco, Leo, Mustang, Coy, Cimarron, Wintok and Fulwin.

- 1. Money flavored. 2. Crystal waffle. 3. Golden. 4. Maple.

Use wherever recipe calls for corn syrup.

to handle and perhaps the best straw than desired for commercial varieties. Coy, Mustang and Cimarron are not considered winter-hardy enough for Kentucky.

Whatever mulch you use make sure that it is clean. Do not use any manure or other hay type materials.

Materials to be wary of are corn stalks, leaves and shredded cane. Be sure to stay away from feces, lespedeza or wood.

Mary Martin to Ethel Riddle buy and further insure its cleanliness by placing in a round the strawberry field and breaking the top string on the bale so the rains can penetrate.

This practice will germinate most of the weed seed.

Placing the bales out in the field should be done no later than the month of September.

THE REPUBLICANS Will Open Their Campaign At London, Ky. Saturday, Sept. 15 In Behalf Of Eisenhower - Cooper - Morton

We need four more years of Peace. We need four more years of peacetime economy, the greatest economy the nation has ever known—just like the last four years.

Cooper and Morton will be the speakers, along with others. There will be a motorcade leaving Berea at 10 a. m., and will arrive at Mt. Vernon at 10:30 a. m.

Everyone Is Invited We feel we have a candidate for President on the Republican ticket this time who is second only to the great emancipator, Abraham Lincoln, in ability.

SIGNED—REPUBLICAN CAMPAIGN COMMITTEE P. S. Those who wish can join the motorcade anywhere from the Madison County line to the Laurel County line.

Opening of the Republican State Campaign at London, will be broadcast on the following state-wide radio network: Somerset, WSCF, 5 p. m. to 5:45 p. m. (CST); Louisville—WHAS, 1:30 p. m. to 2:15 p. m. (CST); London—WFTG, 1:30 p. m. to 2:15 p. m. (CST).

Christ In His Churches The warnings and the promises to those far-off and long-gone churches are good today for us. One thing stands out in every one of these short piercing messages...

Jannetta McCown Married In Arizona Church Ceremony

Miss Jesse E. Ahart.

Recently returned from a Grand Canyon and Northern Arizona wedding trip are Mr. and Mrs. Jesse E. Ahart, who were married Sept. 2 in a double ring ceremony at the First Methodist Church, Glendale, Ariz.

The bride is the former Leota Jannetta (d a n e t t e) McCown, daughter of Mr. and Mrs. Woodrow McCown of Glendale and formerly of Mt. Vernon. Her grandparents are Mr. and Mrs. J. J. McCown of Mt. Vernon.

For the ceremonies, the bride, given in marriage by her father, wore a white lace and tulle gown. The fitted bodice had a y neckline and long lace sleeves. The bouffant skirt was floor length and ended in a sweep train. Her fingertip veil was caught by a tara of sequins and seed pearls. She carried a white Bible topped with white roses.

Mrs. Ed Lethem, sister of the bridegroom, was matron of honor. She wore a blue gown with matching coat and carried pink carnations.

Miss Glenna Colleen McCown was bridesmaid for her sister. She wore a red and white gown with matching coat and carried peppermint colored carnations.

Miss Rose Kay McCown, another sister of the bride, was flower girl. She was dressed in blue embroidered nylon, and her veil was held with a crown of sequins and she carried a basket of colored flowers.

Best men were Mr. Ed Lethem, and Mr. Keith Ahart, brother of the bridegroom. Ushers were Dale T. McCown and Jerry E. McCown, brothers of the bride. The Rev. Richard Pitts, pastor of the church officiated. Miss Carol Stahl sang, accompanied by Miss Marlene Loucks.

Following the ceremony, a reception was held in the church gardens. The couple will make their home in Phoenix, Ariz., where the bridegroom attends college.

formerly of Mt. Vernon, became the bride of Leslie Earl Slack, son of Mrs. Mabel Slack of Lexington and Harold R. Slack of Barberden, Ohio, Saturday afternoon at Immanuel Baptist Church, Lexington.

The Rev. Wayne R. Todd performed the ceremony. Attendants were Miss Mary Ann Baker, sister of the bride, and Larry Flynn.

The bride wore a beige ensemble with white accessories and an orchid corsage. A graduate of Lafayette High School, Lexington, and the Kaufman School of Beauty, she is now employed at a beauty salon in Southland.

Mr. Slack is also a graduate of Lafayette, will attend the University of Kentucky, where he will study commercial art.

After the ceremony, a dinner was given at the Coach House for the wedding party. The couple will live in Lexington.

Mrs. Slack is the granddaughter of Mrs. J. T. Meadows and Mrs. Florence Baker of Mt. Vernon.

Out-of-town guests were Mr. and Mrs. Carl Baker and daughter, Carla.

GOLDEN WEDDING ANNIVERSARY—Mr. and Mrs. B. F. Hill celebrated their golden wedding anniversary at their home Sept. 2. The Hills have five children: Mrs. Myrtle Adams, Hazel Chasteen, Mrs. Lillian Jarrett, Mr. Lucian Hill and Mr. Robert Hill. They also have 17 grandchildren and two great-grandchildren. Many friends and other relatives visited them during the day.

SOCIAL AND PERSONAL

Dorene Simpson and Cecil Ray spent the week end with Addie S. Cummins at Irvington and attended the State Fair.

Mr. and Mrs. Claude E. Hanzel and family and Charles McKinley attended the State Fair in Louisville Sunday.

Mr. and Mrs. Marshall Farmer and son, Wayne, of Lexington, were recent visitors of Mrs. Martha Simpson.

Miss Faye Parrett left Monday to attend college at Eastern State College, Richmond.

Sept. 20, Thursday, Mt. Vernon, 10:30 a. m., Mrs. Preston Nunneley.

Recipe of the Week
Stuffed green peppers provide an excellent way of using the scrap-pieces of old, or city ham, along with rice, which is on the plentiful foods list for the month.

Stuffed Green Peppers
2-thirds c uncooked rice
6 green peppers
2 c ground ham
1 T minced onion
1-fourth t black pepper
3 tomatoes or 1 c canned tomatoes

Buttered crumbs
Heat 2 cups of water in a stew pan with a heavy lid; add rice and 2-thirds teaspoon salt. Stir, bring to boil, replace lid and turn fire to low-immer for 10 to 12 minutes. Remove from fire, but do not lift lid for 20 minutes, when the rice will be well cooked and fluffy.

Wash green peppers, cut thin slice from stem end, remove seeds and parboil in salted water for about 5 minutes. Drain. To the rice add ground ham, onion, pepper and cut up tomatoes. Blend, then fill peppers. Top with buttered crumbs, bake in moderate oven, 375 degrees, for 25 minutes. Serve with undiluted tomato soup or make a rich sauce.

Menu: Stuffed green peppers, buttered lima beans with minced parsley, cooked cabbage, beet pickle and cucumber salad, rolls, butter and baked apples.

World-renowned Mammoth Cave was discovered in 1409.

CLIMAX

(Delayed)
