YESTERDAY, in the hall of our funeral home, we overheard a young woman say: "He seemed so much at peace, as natural", that helped so much." In time of bereavement, there is so little real solace one can give that it felt good to know that we had helped... even a little.

For, over and above the service we perform, we strive to help the living... to ease the sorrow of a most difficult time.

"WHERE THE BOONEWAY JOINS THE DIXIE"

THURSDAY, OCTOBER 4, 1956

VOLUME—68 NUMBER 1

MOUNT VERNON, KENTUCKY

Strike Settled At 2 County Stone Quarries

A strike which had idled two Rockcastle County quarries of the Kentucky Stone Co. since Monday was settled late Wednesday.

All of the more than 50 men on strike went back to work officially Thursday morning with increased benefits, but with less money than they reportedly asked for.

The strike was called early Monday when the union-company contract expired at midnight Sunday at all the plants of the stone company, including those at Booneburg, Russellville and Yellow Rock.

During the first few days of the strike, observers speculated the walk-out might go on indefinitely, possibly all winter, but settlement of union-company differences came suddenly when it was apparently decided a prolonged walk-out would create a hardship on the employees.

It was also reported the company sent individual workers a letter setting forth the company position, and telling employees the company offer was the last offer the company would make under Yellow Rock.

Reportedly, the new contract calls for a 5 cent an hour increase in wages the first year; another five cent increase the second year; two additional holidays; reclassification of jobs so that men with seniority will get additional pay, and payment by the company of \$25 in insurance benefits, up from \$15.

The union is said to have asked for a 30 cent an hour increase across the board, plus the other benefits.

No violence occurred during the strike. The only indication that violence might occur, came Monday when a company official asked Rockcastle County Judge Walter Sowder to keep the county road open to traffic between the Mullins Station Plant and U. S. 25. There were no efforts made by the strikers to stop traffic when a check was made later in the day.

Livestock Meeting Scheduled At Brodhead

A series of meetings on "Making Livestock Pay" will be held for farmers of Rockcastle County at the Brodhead High School Agriculture Building, beginning Oct. 8 at 7 p. m.

The class will be taught by Robert Thompson and Odus Weidman, teachers of agriculture, and is sponsored by the Rockcastle County Board of Education and the State Department of Vocational Education at Frankfort.

The lesson and discussion for the first night will be "What is a Profitable Cow?"

Classes for adult women are being taught at the same time by the Home Economics Teacher.

MILLARD BROWN SINGLE
TON, 15, son of Mrs. Virgil Singleton of Crab Orchard, is still missing from his home. He was last seen September 20. The youngster is five feet, four inches tall and has brown hair, and brown eyes. He was wearing a blue checked shirt and gray khaki trousers when last seen.

Forty-seven new industries have located in the State during the first six months of 1956.

John Sweeney, 72, Buried At Mt. Vernon

John Sweeney, 72, died at his home at Mt. Vernon Sept. 29. Mr. Sweeney was born in Rockcastle County, the son of John and Phoebe Southard Sweeney. In 1925, he married Myrtle Mink who survives. He is also survived by one son, Caleb Sweeney (Lamb) of Calloway, and six grandchildren.

Funeral services were held at the Free Pentecostal Holiness Church at Mt. Vernon Monday with Bro. George Murphy officiating. He was buried in Elmwood Cemetery. Cox Funeral Home had charge of arrangements.

MVHS Cheerleaders Elected This Week

Cheerleaders for Mt. Vernon High School basketball team—for the coming season—was chosen by the student body this week.

The students elected five of last year's six cheerleaders: Joan Maggard, Ruby Barnett, Leta Parrish, Patricia Taylor and Carol Jean Owens.

Barbara Lair of Renfro Valley was chosen new cheerleader. She replaced Carol Ann Fred who graduated last year.

State Police Schedule Week Visit For Auto, Truck Check

Motorists had better take a long look at their autos and trucks before next week, and if there's something wrong, they'd better see a mechanic. Beginning Monday Rockcastle County will "play host" for a week and possibly longer, to a group of State Troopers who will be in the county to crack-down on motorists with loud and faulty mufflers; farm truck license plates; drivers licenses; residents using out-of-state license plates and drivers licenses; equipment violations, such as lights, brakes, horns, windshield wipers and other equipment.

State Police would not say where they will have their various check points, but probably in several sections of the county. Neither would they say what kind of ticket will be issued first with a later check to see if the motorists have complied.

The crack-down is part of a state-wide drive and not just for Rockcastle County. The Troopers plan to move from county to county after each check, and after they feel each area has been thoroughly canvassed.

Mrs. Etta Saylor, Heart Attack Victim

Mrs. Etta Saylor, 54, of Conaway, died at her home Friday of a heart attack.

Mrs. Saylor was born in Rockcastle County in 1902, the daughter of Gih and Sally Alexander. She married James Saylor in 1914, who preceded her in death in 1945.

She is survived by three sons: Estle Saylor of Lyon and Conley Saylor of Boone and Police Chief Irvyn Saylor of Mt. Vernon; two daughters, Mrs. Hilmy Anderson of Houston, Texas, and Mrs. Florence Reppert of Boone; two grandsons, whom she reared, Jimmy Phillips with the Army in Germany, and Mackie Phillips of Boone.

Funeral services were conducted Sunday at Fairview Baptist Church with Bro. James Dean officiating. She was buried at Fairview Cemetery. Rominger Funeral Home, Berea, had charge of arrangements.

Nearly an inch of rainfall fell in Mt. Vernon Wednesday. It was the first rain in more than a week.

Squib Trucker Killed By Train At Pittsburg

Willard Renner, 27, of Squib, was killed instantly Friday when the coal truck he was driving was struck by a train at Pittsburg Crossing.

The 96-car two-engine train carried the truck a mile from the point of impact before the train came to a stop. The cab was crushed so badly it was hardly recognizable. Mr. Renner's body was thrown from the truck about 300 feet from where the engine stopped.

The mile-long freight was traveling north at a speed between 35 and 40 miles an hour, according to Engineer Lloyd R. Mann of Covington. State Police reported Renner's brother was driving a truck in front of the one by the train. He stated he saw the train and tried to warn his brother but was unable to do so.

The engineer told police the truck started across the crossing and he was unable to stop. The grade is down-hill at the crossing.

Mr. Renner was the son of Mr. and Mrs. Logan Renner of Buffalo. Besides his parents, he is survived by his wife, Wilene Hall Renner; three sisters, Mrs. Hazel Taylor, Bloss; Mrs. Ruth Pierce and Mrs. June Mink, all of Squib. Two brother also survive, Arlie Renner of Somerset and Glenn Renner of Squib.

Funeral services were conducted at the Buffalo Baptist Church with the Rev. Jewel Arthur officiating. He was buried in Hibbard Cemetery at Bloss. A London funeral home had charge of arrangements.

Hospital Gets Anesthetist

Mrs. Howard Burgin of Stanford, was hired an anesthetist for the Rockcastle County Hospital. She is a member of the Board of Directors at their monthly meeting Monday night at the hospital.

The meeting was attended by 13 directors representing churches all over the county. R. H. Hamm, Vice President, presided.

Dr. E. X. Sommer, chief of surgery at Corbin Hospital, was approved for appointment to the Medical Staff.

Preston Nimmeley reported that the Mt. Vernon City Council voted to install four street lights on Newcomb Ave. leading to the hospital.

Administrator Floyd Owens, gave a report of the financial statement for September. He said the first month the hospital had taken care of 54 bed patients and 65 emergency cases. He also reported that the state and fiscal court will pay for backlogging the drive and hospital parking lot. He also reported Mrs. Anna Phillips donated \$100 to the hospital operating fund and visitors to see the building are still coming in and are being shown through the building by the Gray Ladies organization. The Gray Ladies have set up a working schedule each week, ended by six doctors, including Dr. George Griffith, Dr. R. G. Webb, Dr. John Walker, Dr. M. M. Phillips, Dr. Walker Owens and Dr. S. O. Hodge.

The staff discussed the physical operation of the hospital, and the adoption of a constitution and by-laws for the staff.

Cooper To Speak

John Sherman Cooper, Republican candidate for United States Senator, will speak at the Court House at Mt. Vernon at 2:30 p. m. Monday. The public is invited.

REN'S SERVICE STATION

Robert Ford of Mt. Vernon has rented the Sinclair Service Station on Route 150 near the Signal. No opening date has been announced by Mr. Ford.

Ponder Infant County's First Polio Victim

Edith Ray Ponder, infant daughter of Mr. and Mrs. Glen Ponder of Fairview, became Rockcastle's first polio victim of the season last week.

The 19-month-old child was taken to a Lexington hospital where she is reported improved.

Following announcement of the polio case, Dr. Walker Owens, health officer, reported the third polio shot is now due for children who had the second shot between November and March.

He emphasized, immunization is not complete until a child has had a third shot. Immunization clinics are held all day Friday at the health office at Mt. Vernon and from 8 a. m. to noon Saturday.

Doctor Owens also reported 27 per cent of all eligible children in the county have had Salk polio vaccine.

He also reported adults can now get shots by seeing their family doctor. He especially urged all adults up to 35 to get shots.

L. C. Towery Retires As Conway Postmaster

L. C. Towery of Conway has retired as postmaster after 22 years.

He was replaced by Willard Wynn who was installed acting postmaster Saturday. Mr. Wynn will have to await Congressional approval of his appointment before he becomes postmaster.

In retiring, Mr. Towery declared the people of the area had been friendly and cooperative during his years at Conway.

Perfect Attendance Trains In California

Some of the Rockcastle County schools have started off with perfect attendance this year.

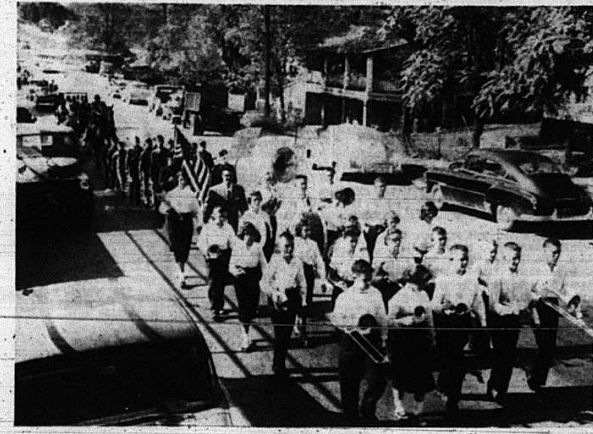

Perfect attendance was reported at Anglin Falls, Cave Ridge, and Rock Springs.

John Dale Helton, son of Mr. and Mrs. John S. Helton, of Mt. Vernon, has enrolled at Centre College, Danville. He is a pre-dental student.

Ronald E. Johnson Trains In California

Ronald E. Johnson, electrical, an's mate third class, USN, son of Mr. and Mrs. Arthur E. Johnson of Brodhead, was aboard

the destroyer USS Agerholm at Long Beach, Calif., recently, when the ship took part in the largest fleet review since World War II.

MEMBERS of the Mt. Vernon High School band, followed by the Livingston Boy Scouts, led the parade Sunday at "Doctor Webb Day" at Livingston as the county honored Dr. R. G. Webb of Livingston for 50 years of medical service. Here the parade is shown just before it entered the downtown area.

SEVERAL HUNDRED persons were on hand at the Livingston High School gymnasium to hear various speakers laud Doctor Webb and to be entertained by music by the band and the Jubilee Quartet. Clyde Linville was master of ceremony. Speakers included: Bro. George Murphy, Judge R. C. Tartar and County Attorney James W. Lanberl. Doctor Webb received many gifts from organizations and individuals.

DOCTOR AND MRS. WEBB stood in an open convertible for the trip along the parade route. Most of the crowd assembled stood on the shady side of the street and out of the hot sun. Gifts were also presented to Clyde Fordyce of Livingston, "oldest Webb baby" and to Wanda Fay Overbay, daughter of Mrs. Lavin Overbay of Livingston, as the "youngest Webb baby." She was two months old.

MOTHERS AND DAUGHTERS—Mrs. Albert M. Cope, 38, left, of Disputants, and her daughter, Mrs. Lewis Miller, 18, of Disputants, gave birth to baby daughters on the same day Sept. 19, at Berea College Hospital. Mrs. Cope's new eighth pound daughter was named Nancy Fay, and was her eighth child. Mrs. Miller's eight pound, four ounce daughter was named Shirley Marie, and is her first child. The nurse is Mrs. Juanita Anglin.

MATTSON PHOTO

BLUE SPRINGS

There will be a revival at Blue Springs Church of Christ starting Oct. 5th. W. S. Morris will do the preaching. Everybody is invited to attend.

sick for a long time, is improving. Miss Wanda Harper is on the sick list. Mrs. Geneva and Russell Harper were in Mt. Vernon Monday on business.

FROM A NEW 'INNER CAR' PROVED IN ACTION

came the magic that made possible so wonderfully different a Ford. In the toughest on-the-road tests ever given to a car, this "Inner Ford" demonstrated that a '57 Ford rides up sweet and low... that it takes the bumps without a bobble; the curves without the pitch... and, that in power, it "takes nothing from nobody!" Nothing on wheels hurries, handles or holds up like a Ford!

Here Today!

A new kind of FORD with the mark of tomorrow

You're in for a thrill when you see this new knock-out named Ford! But save your superlatives till you drive it! That's where the fun really starts. It's fun just knowing that others who see you wish they were you. For you're commanding the longest, lowest, heaviest, biggest car ever to sport such a low price tag. There's head room to spare for a new fall bodied... stretch-out space for a "Daddy Longlegs."

There's a new Mileage Maker Six with 144 horsepower, the most modern Six in the industry. You can pick your Ford tailored to your desires and your budget, too! Choose from nine Fairlane or Fairlane 500 models or from five Custom or Custom 300 models. Or take your pick from Ford's five longer, lower, new station wagons. Whichever model you select, you'll get a car that's been re-invented from the wheels up!

Advertisement for Ford models: OVER 11 FT. LONG LOW 500 models (2 Custom Models, 2 Custom 300 Models), OVER 11 FT. LONG 500 models (4 Fairlane Models, 5 Fairlane 500 Models), PLUS 5 NEW MODELS IN THE STATION WAGON SERIES.

LIVINGSTON News

Visitors of Mr. and Mrs. Beeler Mullins over the week end. Mrs. McCallum and daughter, Eunice, Mr. and Mrs. Harrison of McKee, Mrs. Mary Cummins and son and granddaughter of Mt. Vernon and Mr. Chester Shell of Covington. Mr. and Mrs. Dewey Black visited Mr. and Mrs. Charlie Rice last week.

Mr. and Mrs. Richard Underwood of Louisville spent the week end with his parents, Mr. and Mrs. Clyde Fordyce.

Elmer Spivey Jr. spent the week end with his parents, Mr. and Mrs. Elmer Spivey Sr.

Mrs. Nettie Griffin and Mrs. Clara Griffin spent Sunday in Livingston.

Janet Kelley spent Saturday night with Barbara Rice in Burr.

Mrs. Jake Ponder, Mr. and Mrs. Earl Ponder, Mrs. Charles Ball and Mrs. Lyda Howard were in Covington to see Mrs. Glen Ponder, who had under-

gone major surgery. She is reported improving.

Mr. and Mrs. Revell Pike and daughter, Pamela, have returned to their home after spending their vacation with his parents, Mr. and Mrs. Clell Pike, and her parents, Mr. and Mrs. Burdette Brown, at Ottawa. Revell is stationed at International Air Base, Miami, Fla.

Mrs. Dennis Halcomb was the guest of honor at a bridal shower given for her at the home of Mrs. Floyd Halcomb.

Sept. 28, Mrs. Chester Halcomb served as co-hostess.

The bride received many gifts and a large number of relatives and friends attended.

Mr. Effie Madden and son, Darrrell, spent the week end with the family.

Mr. and Mrs. John Davis of Berea were the week end guests of Mr. and Mrs. J. Roy Jones.

Mr. Jack Carpenter and Mr. Gordon Garnett spent part of last week with Mr. Carpenter's

mother, Mrs. J. Carpenter. Billy Jack Carpenter, grandson of Mrs. J. Carpenter, is here attending school.

Quillen Raines of Dayton, Ohio, spent the week end with his father, Mr. Raines accompanied Quillen to Hamilton, Ohio for a visit with his sons, Jack and Bill, and his daughter, Mrs. Carlos Phillips.

Mrs. Harry Holland was in Richmond Wednesday shopping.

Mr. Homer Holland of Hamilton, Ohio visited his son, Mr. Harry Holland.

Mr. and Mrs. M. C. Martin of Corbin were in Livingston Sunday.

Mr. Richard Jones of Cincinnati, Ohio was the Sunday guest of Mr. and Mrs. Irvin Smith.

Mr. Lee Gentry stopped in Livingston Monday to inquire about his friends.

Mr. and Mrs. Homer Mahaffey of Houston, Texas, are visiting his mother, Mrs. Fannie Brown.

Mr. and Mrs. George Hurley and sons spent Friday and Saturday in Covington.

Mrs. Richard Mason and daughter, Joy, were in Living-

ton Sunday. Mrs. H. Shoemaker of Bloomfield spent last week with his sister, Mrs. B. G. Webb.

Mrs. Ida Ball is reported improving. She is out of the hospital and was taken to the home of her daughter, Mrs. Willie Patton.

Mr. Rudolph Hammond was taken to the hospital in Lexington by Mr. and Mrs. Charlie Blackburn.

Mrs. C. E. Jones was in London Monday.

Mrs. Calvin Moore was the guest of honor at a shower given for her at the home of Mrs. Earl McNutt. The shower was given by the Ruth Sunday School Class of the Baptist Church.

Mr. and Mrs. Earl Mason and Pauline Halcomb were home over the week end.

Mr. and Mrs. Lloyd Mason and Mr. and Mrs. Clayton Anderson were visiting in Livingston Sunday.

Mr. and Mrs. Bill Pence and daughter, Carla, of Ford, spent the week end with Mr. and Mrs. Arthur Argenbitch.

Mr. Elmer Halcomb was in

Berea Monday. Mrs. Phoebe Bryant attended the funeral of her uncle, Mr. John Sweeney, Monday.

Misses Patsy and Leahina Mullins were Sunday guests of Miss Betty Jones.

Mrs. George Phelps is reported to be ill at this writing.

RED HILL

Mr. and Mrs. Green Howard moved to the Burgess Abney farm one day last week.

Mr. and Mrs. Willie French and son of Louisville were week end guests of his mother, Mrs. Cassie French.

Mr. and Mrs. Logan Mullins and family Laurel River were Sunday guests of Mrs. Eliza Barnett and Aunt Alice.

Mrs. Louis Mullins and children of Climax were visiting Mr. and Mrs. Ollie Mullins Thursday afternoon.

Mrs. Bert Mullins suffered a light stroke at her home last week. We wish her a speedy recovery.

Mr. and Mrs. Chester Shell of Covington were visiting his parents, Mr. and Mrs. Henry

Shell, over the week end. Mrs. Ira Allen has returned to Dayton, Ohio where he is employed at a glove factory.

Miss Ella Jones visited her sister, Mrs. Maggie Gilbert, Sunday.

Miss Opal and George Carpenter and Charley Sizemore and Elmer visited Miss Edna Allen over the week end.

WITHERS

Mrs. C. L. Thomas visited her sister, Mrs. Bell Mullins, Wednesday.

Arthur Bonds spent the week end with his parents, Mr. and Mrs. Otis Bonds.

Those who attended Dr. Webb Day from here were: Mr. and Mrs. Estill Mullins; Mr. and Mrs. Bill Mullins and Mrs. Bell Mullins and Dickie.

We are very sorry to hear of Mrs. Bert Mullins being sick. We wish her a speedy recovery.

Mrs. Bell Mullins and Dickie spent the week end at Brush Creek with Mrs. Mary French. Mr. and Mrs. Homer Frybarger of Hamilton, Ohio spent the

week end with Mr. J. H. Cummins.

Sinclair Announces a New Power Discovery—
New Super-Premium Power-X with X-Chemical

THE FIRST GASOLINE

to Increase Power and
Octane Performance as it
Eliminates Power-Robbing
Engine Deposits

Sinclair X-Chemical Cuts
Operating Costs as You Drive

90% more effective than any other
gasoline additive in preventing
spark plug fouling

70% more effective in stopping
power loss from pre-ignition knock

All Cars Need it—Only Sinclair Has it

Now—for the first time in automotive history—a rare chemical has been developed that eliminates power-robbing engine deposits, thereby increasing power in older cars—retaining peak power in new cars.

Other gasoline additives, intended to combat spark plug fouling and pre-ignition, actually build up harmful deposits of their own. But Sinclair's new X-Chemical has none of these damaging after-effects.

THIS RARE X-CHEMICAL ATTACKS THESE HARD, CRUSTY DEPOSITS—CHANGES THEM INTO HARMLESS, POWDERY MATERIAL.

After just three tankfuls of new Super-Premium Power-X, you can feel the improvement in performance—provided you do not mix it with other gasoline. See your Sinclair Dealer and power up with Power-X.

The Signal Says--

STATE POLICE MOVE IN--PEACEFULLY

The announcement this week that a group of State Troopers will move into Rockcastle County Monday for a week-long (maybe longer) check of motor vehicles and licenses comes as no surprise.

The Troopers have been, are, and will check in all counties of the state and Rockcastle is, of course, no exception.

State Police have indicated they're cracking-down especially in the state on farm trucks. We understand some farmers (or truck owners) have been using one license plate on two, three or more trucks. State Police intend to find out who these people are and "lower the boom." They'll also check residents of the county to see if they are using out-of-state operator's license and license plates.

Included on the "boom lowering" list are owners of loud, noisy--or on the law books--faultry mufflers. Owners of these noisy vehicles may feel some consolation in the fact that State Police here are issuing advance notice to get the mufflers repaired or changed. In other states--for example, Illinois--the judge fines the motorist without warning and keeps fining him each day the muffler remains on the auto.

Mufflers are not the only other items to be checked. Brakes, lights, windshield wipers, and whatever else strikes the Trooper's fancy will come under observation.

Where the Troopers will set up housekeeping, we don't know. But we can guess they'll have autos in all the towns and at other strategic points throughout the county.

About the only advice we can offer to motorists is to have your auto checked by a mechanic. Remember, "the fine you save may be your own."

NEWSPAPER WEEK

This is National Newspaper Week and a good time to remember just how much we depend upon our newspapers. The theme this year is YOUR NEWSPAPER--FREEDOM'S KEY TO BETTER LIVING. Yes, your newspaper unlocks the door to a richer life for everyone.

Flat Tire Results In Liquor Charge

A flat tire on George McCown's auto resulted in McCown's arrest Saturday night at Conway on charges of driving a motor vehicle with alcoholic beverages for purpose of sale in local option territory.

Deputy Sheriffs Ted Meadows and W. R. Moore stopped when they saw McCown out on the highway trying to fix a flat tire and offered aid. The officers reported McCown went around to the auto trunk to get the spare tire and began unloading boxes. McCown was arrested when it was found the boxes contained 19 and a half cases of beer and 72 half-pints of liquor. The officers said they "couldn't see the tire for the booze."

Commenting on the charge, Sunday morning and county officers raided McCown's business place south of Livingston. Police reported they found several half-pints of whiskey and beer and several empty bottles. Officers Moore, Meadows and T. J. Parsons made the raid.

Total fines in September County Court were \$536. The fines were: Drunk, 16; breach of peace, 5; speeding, 2; reckless driving, 4; improper passing, 1; improper passing, 1; speeding, 4.

County Court Fines Reported

L. Anglin, Sentinel.

Post Office Sets Letter Writing Week

National Letter Writing Week will again be observed this year, Oct. 7 through 13.

Commenting on the significance of National Letter Writing Week, post office officials pointed out that each year since 1938 this event has been observed as a reminder of the real meaning of a personal letter and to write a letter this week.

Emphasizing the traditional source in the letter, the officials reminded county residents that one of the basic American freedoms is the uncensored transmission of their thoughts by mail. It is one of the most valuable possessions of the citizens of a free country.

"We all know the human importance of letter writing," they stated, "the way in which it unites scattered families together, of giving comfort and love and news to all the people of the land. But its value is immeasurably greater than that. Its implications are almost infinite."

We in America have the privilege of unmeasured and unlimited means of communication. With this in mind, I urge all citizens of the county to join in the national celebration. Let's make National Letter Writing Week for 1956 the greatest ever.

DISCUSS CREDIT FOR FAMILIES

How the credit needs of a large number of farm families can be served by the FHA under recently passed legislation was discussed at a meeting of agency officials held at Somerset, recently.

Taking part in this meeting were personnel serving Rockcastle County, and other counties.

The FHA provides broader authority to assist family farmers with loans to improve and operate their farms. It also authorizes, as a part of the rural development program, loans for operating and developing farms for the farmer with part-time employment off the farm. Included in the broader authority are loans for refinancing existing debts, and an increase in the maximum amount that can be advanced for operating loans.

Loans to refinance existing debts will be available until June 30, 1959 to owners of farms no larger than family-size. These loans will help farmers who have adequate real estate security and who are otherwise in a sound position but who are unable to meet their present credit obligations and need credit on more favorable terms and conditions than is currently available from other lenders.

Debits refinanced by FHA will be scheduled for payment according to ability of the borrower. In the past, the agency has only refinanced existing debts when the refinancing was incident to the making of a real estate loan for purchase or improvements of a family-type farms.

All the present loan services of the Farmers Home Administration were incident to the operations, development and purchase of family-type farms, farm housing, soil and water conservation, and most emergency credit needs will continue to be available.

Initial operating loans under the new law may be made in amounts up to \$10,000 to one borrower with a limit of \$20,000 on the amount any one borrower can owe for this type of credit. The interest rate used for the purchase of equipment, livestock, fertilizer, seed and other farm and home operating expenses needed to carry out efficient farming operations on family-type farms. The interest rate remains at 5%.

Operating loans are repayable over periods up to 7 years.

Loans will also be available for operating and developing less than family-type farms, if the applicants are established bona fide farmers who have historically resided on farms and depended on farm income for their livelihood, and who are conducting substantial farming operations and spending a major portion of their time farming. Such operators must have dependable sources of income. The interest rates are 6% on loans for operating and developing less than family-type farms. Well cared depending upon the purpose for which the loan is obtained. Loans for operating expenses will be repayable over periods up to 7 years. The development will bear charges of 4 1/2% and will be repayable over periods up to 40 years.

The local FHA office is located in the County Administration Building on Richmond St. Mt. Vernon, with the office open each Monday morning and in Stanford Monday through Friday.

All of the new loans, like the loans already available under the Farmers Home Administration will be made only to applicants who are unable to obtain adequate credit from other sources. With most types of loans supervision in the development and carrying out of balanced systems of farming will be provided.

The local FHA office is located in the County Administration Building on Richmond St. Mt. Vernon, with the office open each Monday morning and in Stanford Monday through Friday.

FALL IS WORST DRIVING SEASON OFFICIAL WARNS

Motorists and pedestrians have been advised by a safety official "to automate their driving and walking habits."

Deputy Commissioner of Public Safety Don S. Sturgill declared "the twilight hours of autumn are the most dangerous of the year on the highway for both motorists and pedestrians."

Sturgill said past records showed Kentucky's traffic death toll "has traditionally soared during the fall and winter months."

The deputy commissioner issued the plea for safety as traffic deaths in the Commonwealth passed the 500 mark for 1956. As of Sept. 15, Sturgill said, 506 persons had died on Kentucky highways this year, compared with 542 if the same period last year and 540 in the 1954 period.

Sturgill explained dusk frequently means death in autumn because twilight hours with more motorists on the road than any other time of day. In their rush to get home and rest, Sturgill said, workers may drive a little too fast. "It is in such a rush that people die," Sturgill said.

He suggested that motorists be alert, slow down, use headlights, properly dim lights for oncoming motorists, be sure all lights are on when pulling into a section of the road, head stop on the travel lane of highways at night, and give the driver the benefit of any doubt in traffic.

Miss Doris Lane Coffey, daughter of Mr. and Mrs. William Lewis Coffey of Brindle Ridge, celebrated her eighth birthday with a party at her home Sept. 30. There were 15 present. Many gifts were received.

HONORED AT DINNER

A birthday dinner in honor of Richard Wallen, formerly of this county, and Wright Kyser was given recently at the home of Mr. Kyser at Acton, Ind.

HOME AGENT NOTES

Home-maker's Schedule Oct. 9, Tuesday, *Scarf* Cane, 6:00 p. m. (Pot luck supper); Mrs. John McInroe.

Oct. 10, Wednesday, *Wallace* King, 1:30 p. m., Mrs. Everett King.

Oct. 11, Thursday, *Quail* 1:30 p. m., Mrs. H. R. Gentry.

October Party - October food-shoppers will have a wide choice of protein foods for main dishes, according to the U. S. Department of Agriculture. There will be an abundance of broilers and fryers, turkeys, pork, beef, eggs and cheese - Young chickens may be the choice for quick cooking, turkeys for week ends or company meals. Best value per pound in turkey is likely to be the big toms but there will be hens and smaller turkeys, too. Best values in beef probably will be in the economy grades and cuts. A near-record supply of pork is expected, even though production is slightly below last year. Eggs deserve attention, too. More laying hens with an increased rate of lay add up to unusually large supplies of eggs for this time of year.

Foods that will come plentiful include cheese, milk and other dairy products, rice and peanut butter.

Look for lots of cabbage because the early fall crop is estimated at 569,400 tons, 36 percent above last year and 4 percent above average. Though

least-packers have increased their demands, there will be good supplies of the fresh, firm, easy-to-slice heads of cabbage on markets the country over, included in the cabbage bins in some areas will be the red cabbage - popular especially in Northeast and Midwest. Fresh cabbage, slow, relish, or salad makes good company for any of the main dish items listed.

Ink Spots - Time was when soaking in milk was the traditional way to remove spilled ink. No wonder most ink spots didn't budge. Modern research on stains by textile chemists of the U. S. Department of Agriculture shows that different types of ink need different removal treatments, and milk is not recommended for any of them. In fact a milk soak is likely to leave a milk stain in addition to the ink spot.

On washable fabrics, the safest first step for all writing inks except those from ball point pens, is to soak the stained fabric in cool water for 30 minutes or as long as overnight, then rub with soap or synthetic detergent and wash in warm water. If a stain remains, a chlorine bleach may be used on all fabrics except wool, silk, more ink is removed. Then try ammonia, following directions given above. If this fails to remove the ink, sprinkle a non-precipitating water-softener such as calgon over the stain and cover with a pad of wet cotton for an hour or more. Rinse. If traces of color still remain, apply a few drops of hot solution of commercial color remover and rinse immediately. This quick treatment is safe for many dyes, but test each dye. Repeat if necessary. Treat traces of yellow with rust-remover.

Inks used in ball point pens are different. Most of them can be removed completely by repeated sponging with acetone. However, acetone cannot be used on acetate, Arnel, or Dynel fabrics because it will dissolve them. Some ballpoint inks are

washable but others are set by washing, so always test ink on a scrap of similar material before attempting to wash the stain out of a fabric.

On wool, silk and Vicra, washing, so always test ink on a scrap of similar material before attempting to wash the stain out of a fabric.

On wool, silk and Vicra, washing, so always test ink on a scrap of similar material before attempting to wash the stain out of a fabric.

REV. R. L. ROTH, pastor of the Broadhead Christian Church, is the evangelist at a revival now underway at Broadhead Christian Church. There is congregational singing, special music and preaching at the services. The services are at 7 p. m., each evening. Rev. and Mrs. Roth (in picture) came to Broadhead this year from Concordia, Kan.

washable but others are set by washing, so always test ink on a scrap of similar material before attempting to wash the stain out of a fabric.

NEWSBOY'S DAY

Oct. 1 through 8 is Newspaper Week in Kentucky.

In proclaiming the observance, Acting Gov. Harry Lee Waterfield declared "the newspaper is a potent force in bringing about civic improvements through enlightened public opinion."

Waterfield said, "Our nation's newspaper system benefits because the newspaper helps by its advertising columns to move goods from producer to consumer, thus building prosperity for Americans."

"The special week is being observed nationally. Oct. 6 has been designated 'Newspaperboy Day.'"

Secret of Warm Morning Coal Heater Success is patented, 4-flue firebrick lining
Flames shoot up flue at each corner and envelop top of fuel bed. Gas that ordinarily would go up flue is burned off. Fresh coal is turned into glowing, slow-burning coal. Thus, you get more heat, at lower cost—save on fuel bills. And, remember, with a WARM MORNING Coal Heater, you light a fire just once a year, fill it just once a day. Wake up in a warm home every morning!
Nearly two million folks who have bought these WARM MORNING Coal Heaters know that only WARM MORNING gives you so much for your money! Come in today and choose from a complete line of models we have on display!
Patented "4-Flue Firebrick" Construction
LOWER COST!
WARM MORNING
Be sure to look for the name WARM MORNING on the front of the heater before you buy. Don't accept substitutes.
