Gasoline Prices Up In County

Gasoline, following a national trend, has risen in price in Rockcastle County this week. All brands of gasoline went up, but motorists in Mt. Vernon and Lexington felt the biggest dent in their wallets. In the two towns, in some cases, gasoline retailers covet up to three cents a gallon.

Reason for the big increase in Mt. Vernon and Lexington, was that service stations took off gas war prices, brought the price up to normal, and then raised the price one cent.

Gasoline prices in Mt. Vernon were generally 3.15 cents per gallon for regular gasoline and 3.45 cents per gallon for elite. The elimination of the gas war price and the one cent increase brought prices up to the regular 33.9 cents per gallon for regular and 37.1 cents per gallon for elite.

The price rise resulting in a crude oil price jump was given as the cause for the increase. Oil products did not increase, only one cent increase for all burner fuel.

Gasoline wasn't the only consumer item that increased this week. Bakery products, with the exception of bread, went up generally one cent. The increase in bakery products cost

Snow, Ice Blanket Rockcastle; Woman Serious After Crash

Escapes Injury After Hit, Run Accident

Edison Colburn of Mt. Vernon escaped injury last week when the car he was driving was struck by an Indiana auto near Lacombe.

The auto was found later abandoned. It was owned by Lewis C. Howard of Westchester, Ohio. Charges against the driver were filed away.

Bullock Out Of ASC Group

Ernest Bullock of Mt. Vernon is to be replaced on the Kentucky Agricultural Conservation and Stabilization Committee through regular rotation action, according to an announcement by ACS officials.

The policy set down by the Secretary of Agriculture is to rotate members who have served longest on the committee, or who have served three years.

When Mr. Bullock's replacement is to be made was not announced. The selection will be up to the Secretary of Agriculture. Several persons have been mentioned.

The committee administrator all phases of marketing quotas, soil conservation projects and grain loans.

At the same time, Roy C. Gray, chairman of the Kentucky State ASC Committee, announced that Jan. 23 will be the beginning of the sign-up period for the 1957 Acreage Reserve program.

The first severe winter weather of the season descended on Rockcastle County Monday night leaving roads hazardous and causing motorists a great deal of trouble.

The first taste of the rough weather came Monday night when a light snow fell. During Tuesday, a freezing rain glazed highways and streets with ice. Late Tuesday night about an inch of snow fell on the area increasing the hazard to pedestrians and drivers.

The bad weather was about lived as compared to the rest of the nation. Wednesday morning, a bright, warm sun melted most of the snow from the streets and highways.

In the worst accident reported during the bad weather, Mrs. W. H. Hester of Crosslawn suffered the loss of her left leg just below the knee, suffered the neck injury struck the special cots when the pickup truck driven by her husband skidded and went into a ditch near Marlburg.

In an accident about 430 p. m. Tuesday, a truck driven by John Cromer, was struck by a Louisville & Nashville freight train at a crossing just south of U. S. 40 crossing in Spaulderville.

CHILDREN who received specimens from the Mt. Vernon Lion's Club last year included, left to right: Paul Allison, Benton Taylor, Perry Manning, Lenna Holcomb, Katherine Bowman, Phyllis Montjoy, Wanda Owens and Glenna Mae Owens. Several of the children who received glasses were not available for the picture.

To The Rescue - Lion's Give 'Specs' To 15

Fifteen children in Rockcastle County can now see much better than they did. The thanks for this goes to

Mrs. Eliza J. Cross, Buried In Kansas

9 Countians Sell Tobacco

Mr. Vernon Lion's Club which just completed operation for its children and changed lenses in spectacles for two other children, all made up of new glasses.

Purchasing spectacles for needy children is one of the projects of the Mt. Vernon club and money to pay for the glasses comes from various drives and benefits sponsored by the club.

One such benefit will be a pancake supper preceding the Mt. Vernon-Broadhead basketball game at Mt. Vernon Friday night. The supper will begin at 5 p. m. in the school cafeteria.

The children who receive glasses are first examined by Dr. D. B. Settles, Brown optometrist. The spectacles cost the club \$11 a pair.

At present the club's funds are limited, but officials of the club said they would not turn down any child who is in need of glasses if the child is in the Mt. Vernon club's district.

Calm In Dairy Show At Lexington

Lloyd Cain, Conway, will compete in a dairy showmanship contest Jan. 17, during the University of Kentucky Dairy Club's Annual Festivities.

Cain is a son of Mr. and Mrs. Robert Cain, and is a graduate of the Broadhead High School. He now is a senior in the UK College of Agriculture and Home Economics.

Each student will be judged on how well he has fitted his animal and also on his skill as a showman in the show ring. Holstein and Jersey heifers from the UK dairy herd will be used for the event.

'Points For Polio' Game Scheduled Friday Night

'Points For Polio' will be the order of the night Friday when the Mt. Vernon and Broadhead basketball teams square-off at Mt. Vernon High School gymnasium.

Popple, Kane and formerly of Mt. Vernon, died recently at Topeka Hospital.

Mrs. Cross, who is an aunt to Mrs. Zula Lively of Marlburg, and Mitchell and Nathan Cross of Mt. Vernon, was born in Pulaski County and went to Kansas in 1899.

She is survived by two daughters, Mrs. Sarah Woodall, at home, and Mrs. Rosa Blanton of Oberlin, Kan.; three sons: Walter, of Laketon; Cole, Robert, of Wetmore, Kan.; and Harrison, of Whiting, Kan.; one brother, Matthew Warren, of Oberlin, Kan.; and several grandchildren and great-grandchildren.

Funeral services were conducted at Topeka.

Scouts Postpone Drive To Set New Date Soon

The re-activated Boy Scout Troop at Mt. Vernon, which planned to have a fund raising drive Tuesday, had to postpone the drive when cards, which were to be given to persons who contributed, failed to arrive.

The Boy Scouts and others who will help collect funds, will do so as soon as better weather comes to the area.

Fire At Turners

A fire, probably caused by a faulty fuse, caused slight damage at the home of Mrs. Lewis Turners on West Main Street in Mt. Vernon about 11 p. m. Monday.

According to John Cox, the fire burned a hole in the wall adjoining the fuse and there was smoke and water damage. The Mt. Vernon Volunteer Fire Department extinguished the fire before it spread.

Brothead, Brothead defeated Mt. Vernon.

The Lexington tobacco market a record price pace continued undisturbed last week with Rockcastle County growers participating in sales that returned all main producers an average of \$65.06 per hundredweight.

The week's average, registered on a turnover of 4,300,000 pounds, lifted the season figure to \$64.83 based on total sales of 29,488,000 pounds. The big Lexington market already is assured of writing an all-time price mark into its record books.

Rockcastle Countians whose crops averaged better than \$68 last-week in Lexington included: Cecil Sargent, 1,644, \$66; Linnie Saragvian, 1,223, \$66; Justin Blevins and A. E. Proctor, 1,146, \$66; Elzema Blevins and A. E. Proctor, 1,410, \$66; Arlman and R. G. Adfer, 1,150, \$66; Lorraine Wilson, 1, 523, \$66.03.

ROCKCASTLE MEN HELD FOR JURY AFTER BIG SPORE

Two Rockcastle County men are being held to the Grand Jury on a charge of destroying private property.

The men are Kenneth Begley of the Burr section, and Albert Thompson of the Chestnut Ridge section. The two were arrested last week.

In County Court, Begley (aged 19) and costs on a drunk driving charge and Thompson \$10 on a drunk charge. Both were held to the Grand Jury on the destroying property charge. Both are in jail.

The men are accused of destroying windows and other items in the house in which Begley lived, and belonging to Walter Chappel.

RECRUIT DRIVE BY STATE POLICE GAINS MOMENTUM

The Kentucky State Police drive to secure 168 additional Troopers picked up steam here this week when three new developments took place.

Acting Commissioner of Public Safety Don S. Sturgill listed these developments:

State Police received a legal proposal to recruit from other states. An opinion from Assistant Attorney General Walter C. Herdman stated State Police officers need only be residents of Kentucky at the time of appointment.

Herdman wrote: "We see no reason why the Department could not consider applicants who are residing in other states, provided such applicants, when appointed to positions in the Division of Kentucky State Police, are legal residents of Kentucky."

The program showed that much good reading and research had been done.

Ten More Candidates File For May Primary

Hold Line In Burley Production Practices

Continuous forced tobacco-killing practices, cautions the Kentucky Agricultural Extension Service tobacco section. Don't emphasize production of burley.

Russell Hunt, tobacco specialist, says it is this way.

"We are now in a good position on tobacco production. We've had two good crops in a row. The future is bright and we see no reason to change now from the type we've been raising, in favor of seed tobacco. It would mean limiting the amount of nitrogen fertilizer. We also recommended increasing the potash and phosphorus. We think this program should be continued. It has produced two desirable kinds of tobacco, namely, lynch and burley of good quality for the old-fashioned non-foil type cigarette, and leaf that is good for chewing and very suitable for the filter cigarette."

Hunt said there have been inquiries about tobacco types "that make lots of leaf." This is due to the 1956-1957 market which has brought high prices for such leaf.

Seventh Graders Has Disussion

The Seventh Grade of Mt. Vernon High School presented a panel discussion Monday night under the direct supervision of Mrs. A. M. Pika and sponsored by the Parent-Teacher Association.

The panel was for discussion was Health and Safety. Charles Shivel presided as chairman of the panel.

Topics discussed were: "How to be Healthy," by Sandra Murrell and Wilma Decker; "Prevention Against Disease," by David Joe Griffin; "Public Health," by Carol Baker and Virginia Miller; "Health Education," by David S. Pika; "World Health Problems," by Jewell Anderson; "Safety," by Samuel Barnes.

Mr. and Mrs. Don Stephens of Lexington are the parents of a baby boy, Don Ambrose, born Jan. 5 at the St. Joseph Hospital.

Mrs. Gladys Ferris was buried in the Ottawa Cemetery Saturday.

Soil Conservation News

Now is a good time for farmers to tile their farms and wet areas on their farms. Crops are off the land, more time for labor is available and by installing the soil drainage patterns can be set up in the soil before the Spring rainy season begins.

Collegen Mink said a few days ago that he wants to lay some more tile this year as part of his drainage program. Colegen installed about 650 feet of tile in 1928 in a tobacco field. This tobacco had been drowning out in part of the field. He says that the drained area produced some of his best tobacco last year. He said that the increase in yield for one year had more than paid the cost.

Conservation Officer, Irvin Smith, tells me that applications for fish for farm ponds must be in his hands by Jan. 21. Only one delivery each year will be made, he says. A farmer will get both bass and bream in the Spring. So let's get all orders in before the deadline to Irvin or to the Soil Conservation Service Office at Mt. Vernon.

Brown's Grocery, Farm Supply & Dry Goods

Protection

Gentlemen:

I wish to express my thanks to the Union Bankers Insurance Company for the prompt and courteous attention I received.

I was in the hospital due to an automobile accident. The company was very generous in their payment of this claim. I would recommend this company to anyone in need of a really good hospital plan.

Very truly yours,
(Miss) Dolores Self
1609 Speed Ave. Louisville, Ky.

Dear Sirs:

I wish to thank the Union Bankers Insurance Company for the prompt and courteous way in which they paid my claim during my recent confinement in the Davison County Hospital, Owensboro, Kentucky. They were more than generous in the settlement of my claim.

At the time I purchased the Union Bankers Hospital plan I did not realize I would need it so soon, but I will say that I am very happy that I have it.

To any one interested in securing a good hospital plan, I heartily recommend the Union Bankers Insurance Company, especially for the elderly person.

Very truly yours,
Alexander Conrad

Elmo Anderlin **Owner and Publisher**
 Raymond McClure **News Editor**

In Rockcastle County.....\$3.00
 Outside Rockcastle County.....\$2.50

The Signal Says—
THE "MARCH OF DIMES" IS UNDERWAY

Once again, one of the most important and worthwhile drives is underway in Rockcastle—the March of Dimes. Needles to explain the uses for the money you will contribute to the defeat of polio. It is enough to say, the money will be well spent.

As in past years, Rockcastle will not have a quota to meet. Last year, the public contributed \$1,053 to the March of Dimes. It is interesting to county people to know that the \$1,053 plus \$75 from the National Foundation went to aid little Edith Ponder of Conway, who was the county's only 1956 polio victim, if our memory serves us right.

Friday night, various people will contribute 10 cents for every penny made by the Mt. Vernon and Broadhead basketball teams during their game at Mt. Vernon. If you can, pledge to this cause.

During the month, you will be asked to contribute something, no matter how small, to the March of Dimes. GIVE.

LETTER TO THE EDITOR
 JANUARY 16, 1957
 Mr. Elmo Anderlin
 Mt. Vernon, Kentucky
 Dear Mr. Anderlin:

We appreciate very much your fine editorial of January 10. The article has given the hospital support from the very beginning, and it has meant much for the success of the hospital.

Nevertheless, the Executive Committee of the Board of Directors "wants" to "take" the hospital to you and the public some additional facts.

The committee is afraid that some of the facts are:

Patient's Register

Admissions
 Mrs. Glenn Robinson, Lamarco, Delmas H. McPerron, Sand Springs; Donald E. Newcomb, Livingston; Mrs. Claudia Baker, David Brock, Broadhead; K. J. McKinney, Broadhead; Mrs. Pearl A. Taylor, Rt. 1, Broadhead; Walter Vaughn, Broadhead; Mrs. Josephine Smith, Route 1, Mt. Vernon; Mrs. Oscar Reynolds, Route 3, Babcock; M. K. Crum, West High, Shiloh; Sam Gessner, Mt. Vernon; Mrs. J. J. Swain, Mt. Vernon; Mrs. William H. Sowder, Mt. Vernon.

Discharges
 Mrs. Jane Anderson, Mt. Vernon; Mrs. Martha Pennington, Mt. Vernon; Mrs. S. Crum, Route 1, Broadhead; Mrs. Lula Parrett, Pine Hill; Mrs. Harold Brooker, Route 1, Broadhead; Mrs. Sandra Mason, Orlando; Lida Mae Singleton, Orlando; Mrs. Glenn Robinson, Lamarco; Delmas H. McPerron, Sand Springs; Donald E. Newcomb, Livingston; Mrs. Claudia Baker, Mt. Vernon; David Brock, Broadhead; Mrs. Thula McMillin, Route 1, Mt. Vernon; William T. England, Pine Hill.

Births
 Mrs. Harold Brown, Route 1, Broadhead, a girl born Jan. 6.
 Mrs. Glenn Robinson, Lamarco, a girl born Jan. 18.
 Mrs. Claudia Baker, Mt. Vernon, a boy born Jan. 11.

1. The financial picture is not as bright as it once was. The fact that the hospital exceeded the expenditures, but this is not the whole picture.

We call attention to the fact that there is a difference between net earnings and money contained. The hospital has not been able to collect from all the patients, and therefore, the hospital continues each month to spend part of its earnings to fund. This was true in December, but to a lesser extent than previously.

Many of the patients have been unable to pay their bills. Some have done their very best, to do so even borrowing money in some cases.

There is at the present time some \$3,000.00 listed on our books as earnings that have not been collected. The original operational fund will soon be exhausted. The Board of Directors and hospital are making every effort to economize.

The support of all the citizens of the County will be appreciated.

Thank you,
 Raymond Lawrence, President
 R. H. Hamon, Vice President
 Floyd Owens, Administrator
 Clyde Barnett, Director
 Fountain Jones, Director
 Preston Nunnally, Secretary
 Earl Turner, Treasurer
 Roy Winstead, Director
 Carl Williams, Director

BASKETBALL
 July 11, Mt. Vernon 46
 Mt. Vernon 87, Mercer Co. 87
 Mount Vernon vs. Livingston (Rescheduled)

TOBACCO PRACTICES
 (Continued from page 1)
 "But this does not mean that a crop would necessarily be good just because it's full of weeds. We want quality. We have been producing that kind of crop—thin, mild and flavorful. We produce enough red tobacco without even trying. For that reason, we recommend that farmers continue their fertilizer and other practices as in the past—that is, limited in nitrogen and with more phosphorus and potash."

He said present varieties, which have performed well in quality, flavor and desirability also have certain disease-resistance. This is another reason for holding onto recommended production practices.

STATE POLICE
 (Continued from page 1)

1. The maximum height limitations were removed from State Trooper minimum qualifications.

2. The 21st Cadet Trooper training school was scheduled for next month.

Strigull pointed out that the 1956 Legislature authorized a 10% raise in the State Police force which would bring the full strength to 200 officers.

The increase in force is part of Kentucky's all out battle against death, injury and economic loss in the highways," Strigull said.

He emphasized the advantages of a career as a Kentucky State Trooper. "State Troopers are selected by an impartial and non-political personnel board composed of two Democrats and two Republican members. State Police officers are prohibited by law from taking part in politics other than to cast a vote in regularly constituted elections," Strigull said. Trooper applicants are not disqualified by any political organization.

The State safety officer urged persons interested in State Trooper posts to contact Kentucky State Police, Frankfort.

LETTER TO THE EDITOR

Again, I am increasing \$2.50 for the Signal for another year. Your paper has proved most interesting and informative of the happenings and events taking place in Rockcastle County.

I am a former resident of Quail, having lived there for seven years. I would appreciate hearing from some old relatives and friends down there. Anyone wishing to write me, may find my address below.

I am looking forward to a visit to Rockcastle County in May as I like there very much. Again, thank you and looking forward to receiving the Signal for another year. I remain,

Very Truly,
 Ralph LeMaster
 3322 Greenup Ave.
 Ashland, Ky.

INDUSTRY GROWTH IN KENTUCKY HAS BIG YEAR IN '56

Kentucky last year reaped what may be the greatest volume of industrial growth of any 12-month period in the State's history.

A joint release by the State Department of Economic Development and the Kentucky Chamber of Commerce said new manufacturing plants and expansions by existing ones, announced during 1956, are expected to result in nearly 17,000 additional jobs, an annual increase of 55 million dollars in payrolls and more than a quarter of a billion dollars in plant investments.

The wage and employment estimates are equivalent to a 200-per-cent increase in manufacturing activity in the State during 1956, the release said.

A total of 45 companies disclosed plans to locate new production facilities in Kentucky last year.

Initial employment of new establishments will be about 16,700—almost double the yearly rate of 8,300 at which new plant jobs were added during the 1949-56 postwar boom," said Hershey A. Tucker, London, president of the State Chamber.

Tucker said this was 1,600 shy of the record year of 1953, which included starting operations of General Electric's huge Appliance Park in Louisville, but he added that employment figures for 10 of last year's new plants are lacking "and for several others are using estimates admittedly conservative."

"I feel certain if we had these figures in and general liberty to reveal to the public, the figures that have been told us confidentially, the 1956 job total easily would set a new record," he stated.

"The higher degree of new industry in 1956 will involve initial expenditures of more than \$71 million and produce 638 million in annual payrolls.

School Lunch Program Is Big Business

The number of Kentucky schools participating in the national school lunch program this school year will total 1,828, the State Education Department has estimated.

The number participating in the 1955-56 year was 1,328, the Department said. It added:

These schools served 41,167, 049 meals for an average of 23.8 cents each and spent \$12,470, 743 for food, labor and equipment.

When the program was inaugurated in 1943-44, only 450 schools participated.

The U. S. Agriculture Department allocated \$2,295,272 to Kentucky for the program during the current school year, about a half million dollars more than last year's allocation.

VA Officer To Visit

James D. Cain, Ninth District Service Officer, will be at the Court House at Mt. Vernon, Jan. 21, from 9 a. m. to 3 p. m. Any veteran, widow or dependent having questions on claims may have the questions answered by Mr. Cain.

CONGRATULATIONS

To The People of Rockcastle Co. --

Through your willingness to act, we believe that the decision handed down by the Kentucky Court of Appeals, concerning the telephone situation in Rockcastle County was speeded up by possibly many months. We also believe that the future of the telephone situation in Rockcastle County looks bright. You, through your actions in the recent letter writing campaign, have done much to brighten this future.

We, the Jaycees, congratulate you for your concern, your letter, and help toward asking the Court of Appeals to speed this decision.

We, as an organization, pledge to you and to the officers of the Co-op our continued support in this matter.

When the officers of the Co-op decide what action to take next it will be up to you and to all of us again to help them, to urge what they see fit, if we hope to have a phone system to be proud of. There will likely be other hearings and activities and we may again be called on to write letters, or to tell our story in person.

Stand behind the Co-op, give them your support, and again help yourself to have a better Rockcastle County.

The Rockcastle Junior Chamber of Commerce

BRYANT BROS.

Main Street Mt. Vernon

This sweet, smooth and easy new Chevy has its own built-in "dollar-saver"—America's favorite six!

Hard to believe it, but this big beauty is a bottom-priced Chevrolet! "Chevy" it's got body by Fisher quality written all over it. And it has a peppery, sweet-running "Blue-Flame" six under the hood to make your gas stops few and far between.

Like all new Chevis, it brings you a very special sureness of control. This is a quality that just can't be measured in dollars and cents. Lots of cars that cost lots more just don't have it. Come in and see how much pleasure we're passing out these days at Chevrolet prices!

Big beauty with small-budget ways!
